100% ONTARIO HONEY

Alderwood Farms partners directly with Ontario Beekeepers to bring pure, single-apiary Ontario honey to you. Every type of honey in our lineup is prepared by a different beekeeper, and every jar is transparently traceable back to the apiary and harvest.

Our beekeepers carefully craft our non-pasteurized honey in small batches to preserve the pollen content, floral character, and natural enzymes. You will immediately taste how delicious truly local honey is.

- NON-PASTEURIZED
- LOCAL & TRACEABLE
- CRAFTED IN SMALL BATCHES
- SINGLE SOURCE HONEY
- 100% ONTARIO HONEY CERTIFIED
- FOODLAND ONTARIO CERTIFIED

Alderwood Farms is making a difference by partnering directly with Canadian farmers and producers to bring natural, nutritious, and high-quality food to your home. Your purchase of an Alderwood Farms product directly supports Canadian farms and businesses.
