BATHROOM FURNITURE

2025

About

Choosing your bathroom furniture is more than simply a practical decision.

Your choice of colour can create a warm, welcoming space. Or, alternatively, a modern striking design.

Your choice of units can create an illusion of space combined with smart, practical storage. Will you choose fitted furniture to fill an exact space? Or modular wall hung units that float above the floor? Or for an open, minimalist look, our range of slim floating console units?

IQU Furniture has been designed to offer an almost limitless imagining of furniture with our large combination of colours, door styles, furniture depths, handles, worktops and drawer/door combinations.

Close your eyes. Imagine your dream bathroom. And then set about creating it from the pages that follow.

Imagine.

Design.

Create.

LUKA WALL HUNG

800MM Matt Cashmere

Product Construction

IQU Furniture is made in Birmingham, in the heart of the UK.

Using a combination of high quality materials our furniture is ideal for use in the bathroom environment.

Gloss and matt facias are created using MDF panels that are both painted and lacquered for a stunning, water resistant finish.

Wymark Shaker fascias are routed out of a solid piece of MDF for a stunning, high quality fascia.

All units feature soft close doors and metal soft close drawers as standard. They also feature adjustable glass shelves as standard, where applicable.

Basin units across all ranges feature smart removable backs for ease of installation and access to pipework. Storage units feature solid backs.

All units are available in every door finish shown on page 9 and can be personalised with our choice of handles on pages 146-147. Alternatively, doors and drawers can be supplied with handleless, push to open fittings for a clean, minimalist look.

All furniture has a lifetime guarantee against manufacturing defects - ensuring you can buy with confidence.

WATER RESISTANT

IQU Furniture is made from a combination of materials designed for use in the bathroom environment.

LIFETIME GUARANTEE

For peace of mind we offer a lifetime guarantee against manufacturing defects.

ANNA FITTED

350MM Cashmere Matt

ANNA FITTED FURNITURE

Standard Depth

350MM

350mm standard depth offers the largest choice of available units.

Units can be wall hung or fitted with a clip on bottom plinth.

Dresser units and low level vanity units can be inserted into the furniture runs.

Colours and door styles pages 8-13.

All Fitted Furniture units come with soft close doors and metal drawers, with glass shelves as standard.

Laminate worktop colour choices can be viewed on pages 62-63.

Solid surface colour choices can be viewed on pages 64-69.

Handles are included in the prices shown and can be viewed on pages 150-151.

Sanitary ware and flush plate options can be viewed on pages 52-55.

ANNA DRESSER SET

350MM Slate Grey Gloss

Anna Dresser sets offer the option of combining a reduced height dresser unit into a run of standard depth fitted furniture.

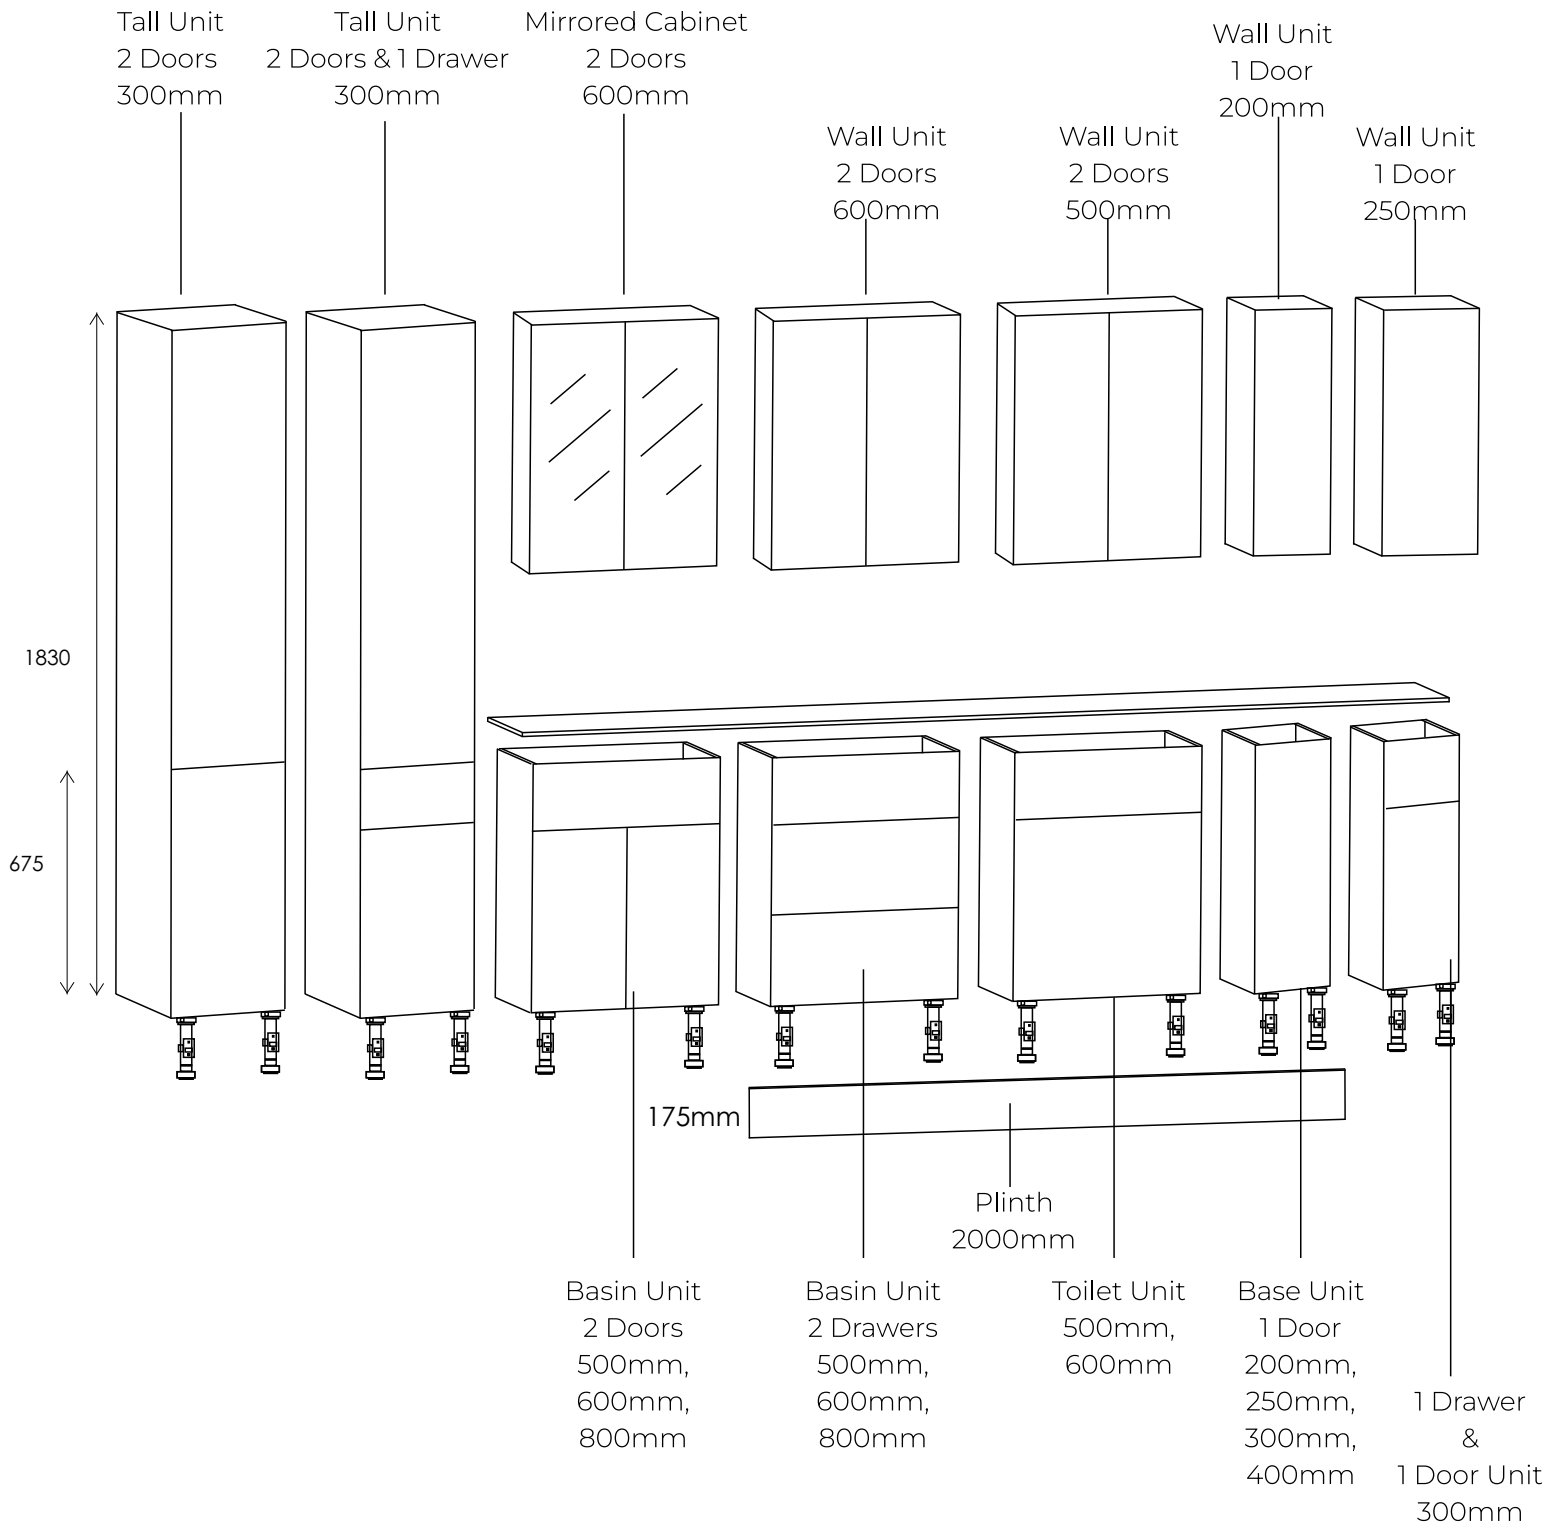

Dresser units are available 500, 600 & 800mm wide. They all feature one soft close drawer and are 175mm high.

The overall standard height of Anna furniture is 850mm without worktop. This gives a space of 675mm underneath the dresser unit.

Dresser units can also be fitted wall hung, independently, with a solid surface worktop - see pages 60-65.

SANITARYWARE

Ceramics

Basins & WC's

We have a range of sanitaryware options to complement our fitted furniture including:

Ceramic semi recessed basins

Resin inline basins

Vessel bowls

Back to wall pans

Cisterns & flush plates

Back to wall pans come with soft close seats as standard.

Flush plates only suitable for use with the IQU cistern.

Semi recessed basins require a cut out in the worktop and unit top fascia.

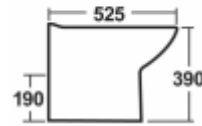

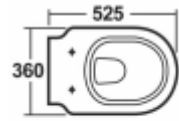

Inline basins will over hang by approx 5mm on the width when placed on the end of a furniture run.

Our solid surface range of worktops are fabricated from high pressure laminate - an ideal solution for the demands of the bathroom environment.

Featuring a 12mm slim design, they offer an ultra-matt texture. This, combined with squared edges, offers an authentic slab-like appearance.

The ultra-matt texture is distinctive to the touch and hides fingerprints - your bathroom looks spotless for longer.

The worktops are scratch resistant and completely waterproof - perfect for bathroom use.

HPL Worktops come pre-fabricated in a range of widths and depths. They can be cut to size and edges polished on site.

We have six colour options - four with a black core, two with a white core.

Minimalist

250mm High

450mm Consoles are available in a large choice of widths and can be combined together for custom sets.

Suitable for 450mm deep basins or solid surface worktops.

Door styles and colours pages 8-13.

All Console units come with metal soft close drawers as standard.

Solid surface colour choices can be viewed on pages 70-71 and Vessel bowls pages 56-61.

Handles are included in the prices shown and can be viewed on pages 146-147.

Consoles of different widths can be stacked above each other for extra storage.

CONSOLE 450MM

800mm Wide Magnetic Grey Matt

Our console ranges offer a minimalist, clean look to any bathroom.

With a working drawer the units are suitable for sit on basins and vanity basins.

The drawers can be supplied with or without basin cut outs, so they can also be used as modular bathroom storage.
