Electrical Distribution. Integrated Supply. Technology Solutions. Sustainable Innovation.

# Electrical & Industrial Distribution

Improve the bottom line, increase productivity, and advance tomorrow.

## Sustainability Acceleration

We deliver industry-leading products, services and solutions to help you reach your goals and measure your organization's impact in creating a greener world.

## Customized Solutions

Every customer and every challenge is unique. Turtle designs custom-tailored solutions to best meet the needs of your challenge.

## Superior Product Selection

Our 100-year manufacturer relationships provide a wide selection of high-quality products at competitive prices.

## Operational Excellence

Our regional distribution centers and fleet of GPS-tracked trucks ensure that materials are delivered when and where you need them. On-site logistics and materials management reduce the risk of excess inventory and project site theft.

## Dedicated Expertise & Support

Our industry experts keep you up-to-date on the latest industry trends, tech and compliance regulations.

## Woman-Owned & Operated

100% of Purchases from Turtle is Diversity Spend.
