The Silver Stick Story

International Silver Stick Hockey - Promoting Citizenship & International Goodwill

The Beginning

International Silver Stick Hockey was the creation of Mr. Jack Kinsella. It came to be while attending a friendly exhibition game in Potsdam, New York between the Bantam Woodroffe Cardinals from Ottawa West and the Bantam Potsdam Golden Knights in November, 1956. After watching his son play for Woodroffe, Jack Kinsella decided a return match should be setup to promote the game and foster “goodwill” between the two countries. There was little ice available in Ottawa so Jack looked to Richmond, Ontario, just west of Ottawa. Richmond had one of the very few indoor rinks at that time.

The tournament philosophy would be aimed at helping the boys develop **“Citizenship and International Goodwill through hockey”**. Ernie Temple, a coach in the Richmond Minor Hockey Association wanted to test the idea with Jack Kinsella. They organized two games to be played in the Richmond, Ontario arena on February 6, 1958. The game featured the Woodroffe Bantams and the Richmond Peewees playing their counterparts from Potsdam, New York. The games were sold out and the enthusiasm of the fans was high, despite the winning efforts of Potsdam who won both games. This proved that the concept was a successful one and paved the way for the first Silver Stick hockey tournament.

The first tournament was held in February of 1958 and was based on a four game total points system. Bantam and Peewee teams from both Potsdam, New York and South Carleton, Ontario (an all-star team made up of players from the Richmond area) each played in a two game, home and home series. They played using American College rules for all of the games, which seemed more suited for Peewee and Bantam aged boys at the time. The teams from Potsdam defeated those from South Carleton 5 points to 3 thus crowning Potsdam as the first International Silver Stick champions. This first tournament led to a gradual expansion of International Silver Stick Hockey and its philosophy in Canada, the United States, and even into Canadian Forces Bases in Europe.

Jack Kinsella’s only hope was that everyone, who participated, regardless of the outcome, would adopt the philosophy of ***“Citizenship and International Goodwill.”***

International Silver Stick® Association
and the
Hockey Hall of Fame

The International Silver Stick Association has been honoured by having the original Silver Stick used for opening ceremonies in 1958 displayed in the Hockey Hall of Fame in Toronto since 1982, thanks to the efforts of Silver Stick Honorary Life Member Mr. Bill Williams and the late Silver Stick Honorary Life Member, Mr. Bill Glover.

Each year, after all the Silver Stick Finals Tournaments are completed, a plaque is placed in the Hall of Fame display case listing the team names of all the Champions for that year. **The team names have been updated in the HHOF for the 2024-2025 Tournament Season.**

Due to limited space, only team names are listed on the plaque (not individual players and staff).

The Hall of Fame is located at 30 Yonge Street, Brookfield Place, Toronto, Ontario.

Larry McGrath Memorial Scholarship

The Silver Stick® Scholarship was conceived by one of our most devoted workers, promoters and a Past Commissioner of the Association - the late Richard (Dick) McGrath of Port Huron, Michigan. Dick and his son Larry could almost always be found together at the arena. Larry often remarked that it would be fitting for the Silver Stick® organization to sponsor a scholarship award for deserving hockey players.

In 1970, Larry McGrath had a fatal accident while at work. In lieu of flowers, Dick and his wife requested that donations be made to the International Silver Stick® Hockey Association. That was the beginning of the scholarship funding program that today bears Larry's name.

Additional donations were requested for the fund when Dick McGrath died, and again when one of our founders, Fred Lamlein passed away.

A committee was set up in 1970 to establish guidelines, prepare by-laws and application forms for the scholarship fund. It was agreed that the amount would be \$500, which would be presented to one Canadian and one American player each year. The International Silver Stick® Scholarship program was formally approved in 1972 by the Board of Directors. The first scholarship awards were made following the 1972-1973 hockey season and have continued to be annually awarded since that time.

For the 2025-2026 hockey season, we will be awarding three (3) American and three (3) Canadian scholarships of \$2000 each

Applications are reviewed and recommendations are made by the Scholarship Committee each spring and then approved and announced at the International Silver Stick® Annual General Meeting in June each year.

Additional information and applications are available through International, Regional and local Tournament Directors.

A MESSAGE FROM THE PRESIDENT OF KENT MINOR HOCKEY ASSOCIATION

On behalf of Kent Minor Hockey Association, I would like to take this opportunity to welcome all players, parents, and coaches to this year's Chatham Regional Silver Stick® tournament.

Our community, sponsors and hockey association have worked very hard to make this event a very memorable and successful tournament.

I would be remiss if I did not mention the many volunteers, businesses and service organizations who have supported us over the years and without whose help this tournament would not be a success and, of course, the hockey clubs whose participation makes this a winning event.

To each of the competing teams, I hope you take the time to enjoy this experience in your life as you will have memories that will last forever.

Finally, I encourage everyone to be respectful of one another so as to ensure a positive experience for everyone.

Best wishes and GOOD LUCK!

Carl Herder

OFFICE OF THE MAYOR

**MUNICIPALITY OF
CHATHAM-KENT**

Civic Greeting

On behalf of my Council Colleagues and the Citizens of the Municipality of Chatham-Kent, I am pleased to extend a warm welcome to the athletes, coaching staff and the spectators attending the Chatham Regional Silver Stick® Tournament.

This annual tournament provides an excellent opportunity for competition, camaraderie and sportsmanship for the young athletes participating in "A" and "B" minor hockey.

Congratulations to the organizers of the tournament for the time and commitment they have contributed to coordinating this successful event. Our thanks and appreciation are extended to the coaches, for the dedication and leadership they have demonstrated for the benefit of these young athletes.

Best of luck to all the teams attending this year's tournament from across Ontario. It is our hope that you will enjoy your stay in our community and that your visit to Chatham-Kent will be a memorable one.

Darrin Canniff, Mayor/CEO
Municipality of Chatham-Kent

Greetings from the
Chatham Regional Silver Stick® Committee

On behalf of the Tournament Committee, I would like to welcome you to this year's Chatham Regional Silver Stick® Tournament.

It is our intent to promote the theme of a Silver Stick tournament which is to **'promote citizenship and international goodwill through hockey'**. We hope that each participant will enjoy our version of the Silver Stick® experience.

Many thanks to the volunteers who have given their time to help make this a successful event. Also, special thanks to our sponsors who have contributed to the financial viability and success of this tournament.

While you're in Chatham-Kent please patronage these establishments and let them know that you are here as part of the Chatham Regional Silver Stick® Tournament.

Best wishes to all of the teams participating and enjoy a Happy Holiday season!!!!

Yours in Hockey,

Hockey Rink Etiquette for Parents

By: Michael Langlois

15 things to keep in mind while watching from the stands this winter:

1. Let the coaches' coach. If you are telling your son or daughter — or any other player for that matter — to do something different from what their coach is telling them, you create distraction and confusion.
2. It is very unnerving for many young players to try and perform difficult tasks on the ice on the spur of the moment when parents are yelling at them from the sidelines. Let the kids play. If they have been well coached, they should know what to do on the ice. If they make a mistake, chances are they will learn from it.
3. Do not discuss the play of specific young players in front of other parents. How many times do you hear comments such as, "I don't know how that boy made this team..." or "she's just not fast enough..."? Too many parents act as though their own child is a 'star', and the problem is someone else's kid. Negative comments and attitudes are hurtful and totally unnecessary and kill parent harmony, which is often essential to youth team success.
4. Discourage such toxic behaviour by listening patiently to any negative comments that might be made, then address issues in a thoughtful, positive way. Speak to the positive qualities of a player, family or coach. It tends to make the outspoken critics back off, at least temporarily.
5. Do your level best not to complain about your son or daughter's coaches to other parents. Once that starts, it is like a disease that spreads. Before you know it, parents are talking constantly in a negative way behind a coach's back. (As an aside, if you have what you truly feel is a legitimate beef with your child's coach — either regarding game strategy or playing time, arrange an appointment to meet privately, away from the rink and other parents.)
6. Make only positive comments from the stands. Be encouraging. Young athletes do not need to be reminded constantly about their perceived errors or mistakes. Their coaches will instruct them, either during the game or between periods, and during practices. You can often see a young player make that extra effort when they hear encouraging words from the stands about their hustle.
7. Avoid making any negative comments about players on the other team. This should be simple: we are talking about youngsters, not adults who are being paid to play professionally. I recall being at a 'rep' baseball game some years ago, when parent on one team loudly made comments about errors made by a particular young player on the other team. People on the other side of the diamond were stunned — not to mention hurt and angry, and rightfully so. Besides being tasteless and classless, these kinds of comments can be hurtful to the young person involved and to their family as well.
8. Try to keep interaction with parents on the other team as healthy and positive as possible. Who's kidding whom? You want your child's team to win. So do they. But

that should not make us take leave of our senses, especially our common sense. Be courteous 'till it hurts; avoid the 'tit for tat' syndrome.

9. Parents on the 'other' team are not the enemy. Neither are the boys or girls on the other team. We should work to check any negative feelings at the door before we hit the arena.

10. What is the easiest thing to do in the youth sports world? Criticize the referees. Oh, there are times when calls are missed, absolutely. And that can, unfortunately, directly affect the outcome of a contest. That said, by and large those who officiate at youth hockey games are a) hardly over-compensated, and b) give it an honest — and often quite competent — effort. At worst, they usually at least try to be fair and objective.

11. On that note, outbursts from parents on the sideline made toward the referees only signal to our on children on the ice that they can blame the refs for anything that goes wrong. Learning early in life to make excuses and to blame others is not a formula for success in sports — or life.

12. Yelling out comments such as "Good call, ref" or "Thanks ref" may only serve to alienate an official. The ref always assumes they made the proper call, that's why they made it. Trying to show superficial support because the call went 'your' way is simply annoying to the officials, and to anyone within earshot.

13. The stands are for enjoying watching your child play and the companionship of other parents— not for negative behaviour. If you want to coach, obtain your coaching certification and then apply for a job.

14. We all feel things and are apt to be tempted to say things to others — fellow parents, officials, our own kids — in the 'heat of the moment'. But we don't excuse athletes for doing inappropriate things in the 'heat of the moment' (there are penalties, suspensions, etc.) so we should apply similar standards to our own behaviour at the rink. Make yourself pause and quickly check yourself and ask: Will I be proud of what I am about to say or do when I reflect on it tomorrow?

15. The parking lot is not the time to 'fan the flames'. Whether it is a coach's decision, a referee's call, a comment that was made, let it go. Don't harass the coach or an official or a parent on the other team after the game is over. Go home, relax, and unwind. Talk positively with your child. Many of us have made the mistake of "chewing out" our own son or daughter on the way home for perceived poor play. The ride home is sometimes as important as the game itself. Make that time a good memory for your son or daughter by discussing as many positives as you can about him/her, their coach and their teammates.

About the Author

2025 CHATHAM SILVER STICK REGIONAL TOURNAMENT

21. All penalties will be served in stop time. Two minutes for minors, five minutes for a major. **If, during a semi-final or championship game, a player incurs a penalty that has not expired by the end of the game, the player in the penalty box will not be allowed to participate in a shoot-out.**
22. **To keep the tournament on schedule, a curfew time may be identified for each game (except the Finals). The decision to institute a curfew will be at the discretion of the tournament director or his/her delegate.**
23. In case of injury or unforeseen problems, the committee reserves the right to alter length of game times as needed.

Round Robin Series Rules:

24. General game timing rules above apply. Games will end in a tie - NO overtime or shootout.

Tie Breaking Rules:

25. At the end of Round Robin series play, if two or more teams are tied, the following tie-break rules will be applied
- * Team winning the game played between the two teams
 - * If the teams are still tied in Round Robin play, **use goals for (GF) divided by goals for (GF) plus goals against (GA) ($GF / (GF + GA)$). Team with highest factor is winner.**
 - * If tied after goal differential, the lowest total of penalty minutes will apply.
 - * If still tied, team with the lowest goals against average will be deemed the winner.
 - * If still tied, a flip of the coin will determine the winner.

Semi-Final Round Rules:

26. Participants are determined by the rules that follow, and the rules vary depending on the number of teams in the division.
- 6 team divisions** play a crossover schedule against the three teams in the other pool. The semi-finalists will be the top four teams based on the standings regardless of which pool they are in. Tie breaking procedures are listed in item 25 above.
- First vs Fourth
Second vs Third
- 8 and 10 team divisions** play within their pool so the semi-finalists will be:
- Pool A1 vs Pool B2
Pool B1 vs Pool A2.
- 12 team divisions** – The winners of the three pools (A, B, & C) will automatically make the semi-finals. The seeding of the three division winners will follow the tie breaking rules in Rule 25. The fourth team in the semi-finals (the wild card) will be the second-place team with the best record. The tie-breaking rules (Rule 25) will be used to determine the wild card team if two or more teams are tied in the standings. Semi-final games will be 1 versus 4 and 2 versus 3.
27. **Six (6) players must be selected for shoot out prior to the game (6 in case of injury or suspension).**
28. If the two teams are tied after regulation time, then the following rules apply:
- * **A five (5) player shootout will take place. No player in the penalty box at the end of the game can participate in the shootout.**
 - * **If teams are still tied after the 5-player shootout then a sudden victory shootout with the players from the bench will proceed until one team wins.**
 - * **All players on the bench must participate before players can shoot a second time.**

Championship Final Rules:

29. There will be one-30 second per team time-out allowed in the **Championship only**.
30. **Six (6) players must be selected for shoot out prior to the game (6 in case of injury or suspension).**
31. If the two teams are tied after regulation time, the following will apply:
- * **1 – 10-minute sudden death overtime period.**
32. If the two teams are tied after the 10-minute sudden death overtime, the following will apply:
- * **A five (5) player shootout will take place. No player in the penalty box at the end of the game can participate in the shootout.**
 - * **If teams are still tied after the 5-player shootout then a sudden victory shootout with the players from the bench will proceed until one team wins. All players on the bench must participate before players can shoot a second time.**
33. All **Champion and Finalist Teams** will receive 23 trophies, players to receive theirs first and the rest to be distributed to the coaching staff as they see fit. The small keeper cup is for the team to keep, while the large keeper cup is to remain with KMHA. (In the event that the large trophy is taken a \$750.00 charge will be charged to your home association.)

2025 CHATHAM SILVER STICK REGIONAL TOURNAMENT

General Tournament Rules:

1. Playing and Tournament rules are those of the OMHA and CHA/OHF.
2. The tournament committee reserves the right to make any or all decisions regarding:
 - a) Interpretation of the rules, and
 - b) Objections or protest involving disputes or conduct at the Tournament.
3. Team rosters must be submitted with the tournament office before the start of the tournament. All AP players should be noted beside their name on game sheets with AP beside their name.
4. All players at registration must have an official player registration card or certified player sheet from your member association. (i.e. OMHA, Alliance, USA Hockey)
5. Any damage done by any team may mean automatic forfeit of **ALL remaining games**. There will be **NO refund of tournament entry fee, and will be billed for all damages, permanent disbarment from any future tournaments in Chatham**. Your teams name will also be passed on to all other Tournament Directors for possible disbarment from other Tournaments. Team coaching staff is responsible for dressing room prior and after game.
6. **THE TOURNAMENT SCHEDULE IS SET AND FINAL.**
7. All protests must be made to the convener of the tournament within (20) minutes of your game in writing and must accompany a \$150.00 cash fee (non-refundable if you lose) refer to section 125 of the OMHA manual.
8. **All decisions by the Tournament Committee Executive shall be final and without appeal.**

General Game Rules:

9. All players will shake hands before the game begins.
10. The tournament format will be a round robin with a point system in place. Every team will be guaranteed three (3) games. The round robin will be followed by Semi-Finals and Championship games.
 - 2 – Points for a round-robin win
 - 1 – Point for a round-robin tie
11. Team managers, coaches and trainers are to check in with the tournament office forty-five (45) minutes prior to the scheduled game time. The tournament will be using the GameSheets Inc. electronic game sheets. Game sheets are to be checked and signed on the iPads in the tournament office thirty (30) minutes prior to the start of the game.
12. **Game Forfeiture** - If a game is forfeited (weather conditions, other), a score of 5-0 will be awarded to the winning team.
13. A total of no more than 20 players may dress, of which 2 must be goaltenders.
14. **All teams must be prepared to go on the ice thirty (30) minutes before the scheduled game time.** Starting early is at the discretion of the Arena Convener at the time.
15. When colors of competing team sweaters conflict, the home team will change.

<u>Home teams</u>	<u>white or light-coloured jerseys.</u>
<u>Visiting teams</u>	<u>dark jerseys.</u>
16. **Any player who incurs a major penalty for fighting will be suspended for the duration of the tournament.**
17. **Any coach who is ejected from a game will also be suspended for the remainder of the tournament.**
18. A **two-minute warm-up** is allowed prior to the start of each game. The buzzer will sound to pick up the pucks and shake hands. To ensure a timely start, there is to be no cheering around the goal net, you must proceed to your bench immediately or face a delay of game penalty. **(THIS WILL BE ENFORCED.)**
19. All games will consist of three (3) stop-time periods as follows:

Atom	U10 A	U11 B	10-10-15
Peewee	U12 A	U13 B	10-10-15
Bantam	U14 A	U15 B	10-15-15
Midget	U16 A		10-15-15
20. A **five-goal differential 'run time' rule** will take effect only at the start of the third period and will only stop if the score between the two teams goes below five. However, if a penalty is called during 'run time' mode, the clock will revert to 'stop time' mode until the penalty expires. Once the penalty expires, the clock will revert to 'run time' mode again.
