A welcome to the Blanchland & Hunstanworth show

The Blanchland and Hunstanworth show has now been going for 162 years (although there is some dispute as to which was the actual first year). Nonetheless, in those years, the show has grown from a small sheep fair to one where lots of talented people exhibit, compete, or display their wares, their produce or their skills to the delight of our lovely visitors.

The show wouldn't happen at all if so many of you members of the wider public didn't turn up in your hundreds and your thousands to have a day out. It's always a pleasure to see you and to witness the smiles and laughter over the course of the day.

Putting on the show only happens because of the hard work of a dedicated band of volunteers. I want to thank all of them for their efforts.

Those of us who remember that first event, haven't aged too badly, and nor has the show. On behalf of the committee I want to welcome you to Blanchland on what will hopefully be a sunny August bank holiday Monday.

Have a wonderful day.

Michael Forster
Chairman of the Committee

Notice to Exhibitors

The safety of the public at Blanchland & Hunstanworth show has always been of the utmost concern to the organisers but is now a matter of paramount importance in relation to Public Liability Insurance and the Health & Safety at Work Act 1974.

The committee has appointed a specific team of stewards to supervise and implement the facilitation and movement of people and traffic during the show. The directions of the stewards must be followed at all times.

It is in your own interest to comply with all instructions and to observe the procedures laid down and the committee would appreciate your cooperation in this. However, should any exhibitor refuse to comply with the instructions of the stewards, the committee will have no alternative but to immediately remove from the show grounds that exhibitor's entries and all fees paid or prizes won will be forfeit. This condition will be strictly enforced and no appeal will be entertained.

You are urged to familiarise yourself with the stewards and to seek their advice if you are in any doubt about any aspect of this matter.

Public Safety

The Blanchland & Hunstanworth show committee have made the best efforts and arrangements within their power for the accommodation and safety of the public, exhibitors and animals. They will not be responsible for loss, damage or injury to any persons, animals or property.

The public are required to not enter any ring or enclosure and be vigilant of vehicles and animals moving around the showground.

No refunds will be given for the non-appearance of an exhibit. In the unlikely event of cancellation a 50% refund will be given.

Members of the public participating in any event do so at their own risk.

Risk Assessment

A risk assessment has been prepared by the committee identifying potential hazards that could pose a risk during the build-up, breakdown and when the show is open to the public. A copy of the risk assessment is available on request. This is a legal document and will be made available in the event of any investigation or subsequent claim against the Blanchland & Hunstanworth show or an exhibitor or contractor for any negligence or damages arising from any act or incident at the Blanchland & Hunstanworth show.

RESPECTED NORTHEAST BUILDING CONTRACTORS

M.J. Phoenix & Son have carried out multiple projects within the village of Blanchland for the Lord Crewe Trust on behalf of Savills. These projects range from minor urgent repairs to comprehensive refurbishments of occupied and vacant properties ready for occupation for new tenants. We have carried out external chimney and sash window repairs to multiple properties within the village.

Furthermore, we have also carried out substantial refurbishments to various void properties including upgrading M&E installations, damp proofing, alterations to property layout and installation of new kitchens. As many of the properties in Blanchland are listed and within a conservation area, our site team and subcontractors are familiar with the techniques and protocols required to refurbishing these properties to these requirements.

Northumbria Branch History

The Northumbria branch of the Dry Stone Walling Association was formally created on April 1993 by a handful of keen local wallers. The branch steadily expanded through the 1990s and for the last few years has been relatively stable with between 40 and 50 members.

Each year the branch provides taster days for newcomers to walling and practice days for member wallers wanting to brush up on their skills. These taster and practice days are run by qualified instructors from the branch.

In 2006 the branch registered as a Lantra certification centre and in that year six of our members achieved certification at either initial or intermediate level.

BLANCHLAND ABBEY

Blanchland Abbey church is formed from the eastern end of the medieval abbey church linked to the north transept. This church has been restored over the years and today contains an eclectic mix of medieval, Georgian and Victorian features.

The church holds many treasures including a spectacular 13th century sedilia, an unusual cast iron Royal Coat of Arms to James I which was created from a fireback, a carved circular Norman font and beautifully carved Jacobean chairs.

Fragments of medieval stained glass can be found in the chancel which includes a depiction of a Premonstratensian abbot at prayer, a lovely reminder of the origins of this delightful church.

***The Abbey is open every day between 9.00am and 5.00pm
There are services at 9.30am on the first and third Sundays of the month,
Holy Communion and Morning Worship respectively***

Recycling is Fun: words by Charles Ghigna

Recycling is fun,
For you and me and everyone.
Putting paper in its place
Puts a smile on your face.
Paper, plastic, glass and tin,
We put each one into a bin.
Hurray! Hurray! Recycle day!
A big truck takes our trash away.

From ***The Waste Land:*** by TS Eliot

What are the roots that clutch, what branches grow
Out of this stony rubbish? Son of man,
You cannot say, or guess, for you know only
A heap of broken images, where the sun beats,
And the dead tree gives no shelter, the cricket no relief,
And the dry stone no sound of water. Only
There is shadow under this red rock,
(Come in under the shadow of this red rock),
And I will show you something different from either
Your shadow at evening rising to meet you;
I will show you fear in a handful of dust.

A low-angle photograph of a stone wall, likely part of a historic building. The wall is made of large, irregular stones in shades of brown and tan, with visible mortar. Above the wall is a dark, gabled roof. A single, ornate lantern with a warm, yellow light is mounted on the wall. The text 'The White Monk Refectory & Tea Room' is superimposed on the wall in a white, sans-serif font.
