HONOR ORGANIZATIONS

The Alpha Tau Xi chapter of the Phi Theta Kappa International Honor Society recognizes students for their academic achievements. Membership is by invitation only and requires the student to have a 3.5 grade-point average or higher. Phi Theta Kappa members wear golden honor stoles at graduation.

The Ivy Tech Honors College is a selective honors program that helps students reach their academic and transfer goals. Students in the Honors College program have been accepted to dozens of public and private colleges and universities not only in Indiana, but across the country.

The Ivy Tech Student Leadership Academy provides opportunities to Ivy Tech students to develop their leadership and professional skills while learning more about the history and traditions of the College. Members wear Ivy Tech medallions.

HONORARY DEGREE JAMES L. ANDERSON

Jim Anderson, the visionary, and President of JL Anderson Heating & Cooling, has deep ties to Lafayette, IN, where he has spent his entire life. Alongside his wife Cindy, with whom he has shared nearly four decades of marriage, Jim has raised a family of three children and is now the proud grandfather of eight.

Jim's journey in the HVAC industry began nearly forty years ago when he started as a technician, drawn to the company's dedication to its employees and customers. However, after the company changed hands, Jim explored new opportunities before ultimately pursuing his entrepreneurial aspirations.

JL Anderson Heating & Cooling began in Jim's garage on December 6th, 1999. Motivated by a vision to create a company that prioritizes its employees, upholds integrity in its service, and consistently makes ethical choices, Jim laid the foundation for what would become a cornerstone of the community.

Today, JL Anderson employs 47 individuals and caters to a vast clientele throughout the area, embodying Jim's unwavering commitment to excellence and ethical business practices.

Jim's life narrative is a testament to the American dream, illustrating how perseverance and resilience can transform ambitious visions into tangible realities and inspire others.

ADDRESS TO THE CANDIDATES CHRIS LOWERY

Chris Lowery was appointed in 2022 to serve as Indiana's Commissioner for Higher Education with the commitment to developing postsecondary attainment, economic and social mobility outcomes, and overall return on investment by increasing college-going and completion rates, engaging adult learners, and retaining college graduates.

Prior to joining the Commission, Lowery was senior vice president, workforce, careers, and adult strategy at Ivy Tech Community College where he led their workforce and career initiatives. Before working in higher education, Lowery held a variety of leadership roles at Hillenbrand, Inc. and served as an aide to former Indiana Governor Robert D. Orr and then-Senator Dan Quayle.

Lowery is a member of the Governor's Workforce Cabinet. He holds a Bachelor of Science in Public Affairs from Indiana University and a Master of Science in Management from Indiana Wesleyan University. Lowery and his wife Jerilyn live in Batesville and have two children and two grandchildren.

MCALLISTER EXCELLENCE IN TEACHING AWARDS FULL TIME FACULTY AWARD

Amanda Livingston

Amanda Livingston, MSN, RN, began her journey in the field of nursing as a Licensed Practical Nurse after completing her Associate of Science degree at Ivy Tech Community College's Lafayette campus. She furthered her education by obtaining her bachelor's and master's degrees from Indiana University Kokomo. Initially serving as an adjunct in the School of Nursing, Amanda's unwavering dedication to her profession led to her appointment as an instructor in 2022.

Amanda's expertise is rooted in patient mental health and pharmacology. She channels her passion for these subjects into her teaching, where she mentors and inspires her students. She encourages her students to strive towards their goals and leads by example, reflecting her commitment to excellence in her work and teaching.

Amanda is an active member of several prestigious organizations, including the Sigma Theta Tau International Honor Society of Nursing, the National League for Nursing, the Organization for Associate Degree Nursing, and the Circle of Ivy. Her involvement with the Circle of Ivy underscores her deep appreciation for the support she has received from Ivy Tech students, faculty members, and her family.

ADJUNCT FACULTY AWARD

Kenneth Wilson

Kenneth Wilson is an award-winning, innovative web communications and IT professional with a 13-year background in creating and executing strategic plans. He holds an MBA from Purdue University's Mitchel E. Daniels, Jr. School of Business, a Master of Science in Strategic Communication & Leadership from Purdue University's Brian Lamb School of Communication, and a Bachelor of Science in Computer Graphics Technology from Purdue University's College of Technology. He has been recognized with the Bravo Award for Innovation from Purdue University in 2016 and 2023.

Kenneth is a certified Agile Project Manager and a robust user experience advocate. He is recognized for his ability to understand complex problems and create valuable solutions to deliver projects on time and within budget. His core competencies include teaching & mentoring, system design, continuous improvement, team building & development, agile project management, excellent communication & presentation skills, collaboration, mission & vision development, goal-oriented, experienced-based learning, and negotiation & problem-solving skills.

Currently, Kenneth is the Assistant Director of Software Development at Purdue University Information Technology, leading a team of skilled engineers and user experience designers in deploying Agile principles, the Scrum framework, and Extreme programming (XP). He drives a culture of continuous improvement, collaboration, and rapid product development.

DISTINGUISHED ALUMNUS
BYRAN ZICHERL

Byran Zicherl graduated in 2015 with an associate degree in Energy Technology, then in 2018 from Purdue University with a bachelor's degree in Engineering Technology and a Master's in Engineering Technology in 2020. He has certifications in Lean 6 Sigma, is a certified Energy Manager, and is an accredited building operator.

Byran, an Ivy Tech Alumni Council member, has volunteered with Lafayette Transitional Housing Homeless Services, Food Finders, and Lighthouse Recovery Center.

He is a Program Manager for CLEAResult, the largest energy efficiency program implementer in the US and Canada. He manages and directs a team of around 30 programs, including engineering professionals, community outreach, energy advisors, and marketing.

STUDENT ADDRESS
ZACHARY BARRETT
SOFTWARE DEVELOPMENT

Zachary Barrett served as a Platoon Guide in the Marines before discovering his passion for software development and embracing the chance to embark on a new professional journey at Ivy Tech as a non-traditional student. Demonstrating remarkable drive and commitment, Zachary was the first student at the Lafayette campus to participate in Ivy+ Career Link's Work-and-Learn initiative, securing an internship that led to a job offer while maintaining a 4.0 GPA.

Zachary's story is a beacon of motivation, fostering a culture of achievement and growth. His triumphs have been highlighted in Ivy+ Career Link marketing campaigns across the state, inspiring countless students to pursue experiential learning opportunities at Ivy Tech to ensure success after graduation.

ABOUT IVY TECH

Ivy Tech Community College is Indiana's largest public postsecondary institution and the nation's largest singly accredited statewide community college system, accredited by the Higher Learning Commission. Ivy Tech has campuses throughout Indiana serving thousands of students annually online. It serves as the state's engine of workforce development, offering associate degrees, short-term certificate programs, industry certifications, and training that aligns to the needs of the community. The College provides seamless transfer to other colleges and universities in Indiana, as well as out of state, for a more affordable route to a Bachelor's degree.
