# NATHAN'S STORY

This is Nathan. He is 9 years old and lives with his family in a large house in a town of vampires. He has a Mum, a Dad and a younger sister. His sister is adopted so she isn't a vampire.

Nathan has short black hair and bright yellow eyes. He has quite light skin and very pointy ears. He smiles a lot, especially when he is excited. Nathan has lots of cool clothes and likes his skateboard t-shirt and jeans.

Nathan is a good vampire because he doesn't like to bite people. He is fun, fearless and curious like a cat. He is sometimes bored at home and doesn't want to play with his sister. He likes to do things alone and wants to explore new places. He wants to go on adventures and learn to ride a giant dog.

Nathan lives in a spooky neighbourhood with lots of other vampire families. Nathan's house is as big as a mansion and he loves his huge bedroom. He has lots of toys in his house. Part of his house is underground so it is quite dark because there aren't any windows.

One day, Nathan was in his garden  and he noticed a strange new plant. He looked at it and suddenly felt himself shrinking. He got smaller and smaller. He looked around and realised that he was

standing on the leaves  of a very tall sunflower.  He

looked for his house,  but realised that he wasn't at home

anymore. He was in a giant's garden.  He carefully climbed

down the stalk of the giant  sunflower  and went over to

the house.  He hoped to find a pet dog  to ride in the

house.  As he was walking  through the house,  he

saw  some other people who were his size. They were on top of a flat mountain  and looked like they were having a battle.

There was a purple  tiefling, a human fighter, a tabaxi rogue and a fire  genasi. Nathan helped them in their battle against a dragon  and then asked them where he could find a giant 

dog  to ride on. They pointed towards a room beyond some cliffs.  After climbing  the steep cliffs,  Nathan

found a hug room and sitting  in the middle of the room was a very fluffy soft dog.  Nathan grabbed his fur and climbed up.

He was very happy  to find a new furry friend.

The End.

# BOB'S STORY

Long ago in the land of Gondor there lived a young knight  known by the name of Bob. A heroic knight,  Bob was as brave as a lion  and as cheerful as the summer sun.  Bob lived in a wonderful house  in the heart  of the white  city, Minas Tirith with his wife Bobette and their son, Bobby. One morning Bob was getting himself ready to go to work when something caught his attention in the mirror  above the fireplace.  Suddenly, a magical energy covered Bob pulling him into the mirror! 

When he opened his eyes,  Bob was shocked  to find he was no longer in his home. He didn't think  he was in Gondor anymore either! Surrounded in darkness brave Bob set out to discover where he was. The ground under his feet  was the colour of volcano  ash and yet smelled like sweet berries from the fields of Rohan. As Bob made his way towards the small source of light  deafening noises that made the ground

shake had Bob covering his ears 🙄 from soundwave! As Bob reached a strange smooth pillar, he peeped out into the light. 🕯️

There in front of Bob was a mountain 🏔️ of white 🍪 and brown 🍪 fluff that was vibrating with a noise that was strangely comforting.

Surprisingly, Bob moved towards this strange creature who turned to look 👁️👁️ at him with the brightest blue 🍪 eyes 👁️ like the ocean. 🌊

The creature seemed to be very friendly so speaking gently, Bob climbed onto his back and asked him to help him find his way

home. The charming creature was happy  to help and carried

Bob across the vast grey  plains until he could not go any further. Bob was on his own.

This new land was cold  and covered in snow.  The air tingled with magical energy and Bob felt on edge.

Suddenly Bob heard a voice like a chorus of bells. "Are you

lost?" Bob was surrounded by giant  sprites whose wings

shimmered like stars.  Bob told the giant  sprites all about his adventure so far. Sprites told him that to get home, he

would have to travel  through a Tunnel of Despair to find

the Magical Portal. Bob felt very worried  about the Tunnel

of Despair. Just before using their magic  to transport 

Bob to the Tunnel, the Queen  of the Sprites gave Bob a

warning that he must remember to always keep hope in his heart.

With those parting words the sprites covered Bob in

sparkling dust and danced around singing  a strange yet beautiful song.. Bob's body tickled and wriggled as the magic

pulsed around him. When Bob opened his eyes  he

saw  nothing but darkness.

A feeling of cold  loneliness washed through Bob. Bob began to worry that he would never get home. He feared he would be stuck in this darkness forever. Despair was taking hold

of him when he remembered the words of the Sprite Queen.

Bob's courage soared in his heart  giving him the boost to

charge through the tunnel and out into the light!  Bob found himself in a strange chamber which was completely empty

except for a strange platform with a huge ring  of stone.

Suddenly a croaking noise catches Bob's attention and he

notices two toads on either side of the giant stone  ring.  
A voice emits from one yet their mouth doesn't move! "To return

to the place you seek, through the stone  ring you must  
leap! To activate this device, simply knock the side, left or right

But which one should you choose? For one side leads  
back home, the other to your doom! To help you in your choice  
one question you must voice, but one of us speaks with truth and  
one of us always lies!

Bob was stunned for a time and thought long and hard before he  
asked his question. "Which side would the other guard say is  
one to go back to my home?"

"RIGHT" the voice boomed out! So Bob stepped up onto the  
platform and onto the left side he knocked. The stone 

ring began to spin and a pool  of water  covered the  
inside of the ring. As Bob looked around one last time and then

leapt into the water  and disappeared!

Do you think  Bob made the right  choice?

sucking noise from the muddy brown  waves below. He

watched in horror as a wet and rubbery green  tentacle slid

out the water  and attacked the SS Wolf.

at the tentacle. The beast roared in pain as the badly injured tentacle

slipped back into the water.  It retreated, but swore it would come

THE ADVENTURES  
OF EVIE AND DYLAN

# The adventures of Evie and Dylan

Evie is a lego helper. She is nine years old and she lives in Legoland. Evie is the oldest kid in her family of lego helpers, that live in Legoland. Evie has brown hair, that she keeps in a neat ponytail. She has bright gentle twinkling green eyes. Tidy blue scrubs of a vet to help her look after the animals. A twisty black stethoscope and a little ginger kitten that sits on her shoulder.

Evie is a Skinny girl but she is very fast and a bit quiet. Evie is very kind. She is happy a lot but she can get very concerned when the animals are ill. With a gentle touch, she likes to help the animals and wants to ride them, especially Dylan her magical little ginger kitten who grows bigger so she can ride him. She is brave and adventurous as well as loyal to her friends. All she wants is a little home.

In Lego land Evie lives in a four floor mansion with a big bedroom full of vet stuff and three bathrooms, three music rooms, three bedrooms, and a huge kitchen.

Papa Legoman, Evies Dad, took Evie to a secret room where she saw a thousand swirling and whirling washing machines. Evie was fascinated with all of the swirling pictures in the machines but when papa showed her to the one with a cat tree in it she was intrigued. He opened the door for her to get in and said "Good Luck little Evie and Dylan, have fun and help all the animals". Then he repeated the magic rhyme to send her through the magic porthole.

"Fiddle diddle, cats and dogs send Evie to Plas y Deri".

When Evie stopped spinning and feeling sick, she found herself in a cave which felt very soft and warm, she could hear a quiet gentle purring. As she was curious she investigated further, peeping out of the soft cave she saw she was high up in a room, with a huge fireplace. Evie turned suddenly as she heard a "Meow", she came face to face with a big wet nose! Luckily she could speak Cataneese and said, "Hello, whats your name?" The cat replied in a purrrr "I am Twts, welcome to Plas y Deri. Are you a friend of Evelyns?" After Twts filled Evie in on Evelyn and her family of pets, Evie wondered how she was going to get down from this mighty tree of tigers. Evie asked Twts "how do I get down from here, do I get to see the others?"

"I can call someone to help you get down" Twts replied.

Within seconds a beautiful scarlet bird sawed down to meet Evie on the edge of the Tree of mighty tigers. "Hello I'm Fawks" it squawked. "Do you need help getting down?"

"Yes please" replied Evie, and my name is Evie, its nice to meet you".

Twts tells Fawks to take Evie to meet her brothers and sister. Fawks accidentally dropped her in a sea of fishy smelling pebbles. Evie started to feel nervous as Fawks flew away. She looks up to see a big wet nose with sharp teeth coming down towards her, it narrowly misses her head and starts munching up the pebbles! Then it hits her, the pebbles are CAT FOOD. Dylan Evies magical Kitten jumps off her shoulder and grows bigger, he climbs out of the dreaded sea of cat biscuits, then sticks his head back in allowing her to climb up his neck, and he sneakily nibbled at the cat food.

Evie and Dylan set off to explore, when they came to a door that was ajar, a sign on the back of the door said Evelyn & Fudge. They cautiously crept inside and Evie told Dylan to go and look at the books while she went to look at what was on the other side of the room.

Evie felt a tingling all over, then all of a sudden she felt wet! She looked around and was no longer in the room, she was now in a large white bowl, full of water. She looked up and saw four beautiful white ponies around her, but they had strange horns in the middle of their heads. They were not happy, they were throwing their heads up and stamping their hooves. Evie thought they were going to toss her out of the cursed unicorn watering hole with their long pointy sharp horns. A big black fluffy, soft thing wrapped around her and scooped her out, she was safe again.

Looking up in to the eyes of her rescuer, she saw, soft kind black eyes, a round brown muzzle and soft cream floppy ears. As she looked in to those eyes, she had a warm happy feeling. "Hello I'm MoMo, Evelyn's best friend and favourite teddy bear. Come and meet the rest of the family and teddies. Dylan your cat is already here and enjoying some warm milk."

Evie had found her new home, and when she finally got to meet Evelyn, they had so much in common, they spent hours talking about animals and how to help and rescue them. Evelyn even made her a special mini home, next to her bed, that she shared with some of her new friends.
