ing, powerful, touchless
application!

HIGH PH CAR & TRUCK WASH DETERGENTS/PRESOAKS

CAR WASH SOAP HIGH FOAM **1007HF** CAR WASH SOAP CONCENTRATE HIGH FOAM **1007C-HF**

Produces high foam and great results!

This high-foaming car wash soap gets the job done right the first time. Highly concentrated so a little bit goes a long way. This high foaming product has a great fragrance and a neutral pH so it won't strip coatings and waxes or harm your car wrap. Clear coat or harm paint. This is the only car wash soap you will need! Contains premium cleaning agents with high foaming surfactants and rinse additives that help reduce spotting. Available in multiple concentrations to meet your needs!

CAR WASH SOAP LOW FOAM **1007**

Concentrated formula that produces lower foam and great results!

This low-foaming car wash soap gets the job done right the first time. Highly concentrated and cost-effective. This low-foaming product has a great fragrance and a neutral pH so it won't strip coatings and waxes or harm your car wrap, clear coat, or paint. Contains premium cleaning agents with low-foaming surfactants and rinse additives that help reduce spotting. Can be used manually by hand or injected into car wash systems.

HIGH FOAM TRUCK WASH POWDER **2894**

Economical, high-foaming car and truck wash powder!

This product is a biodegradable, non-toxic, free-rinsing detergent that easily removes bugs, dirt, and heavy road film from cars, trucks, buses, and any vehicle surface. It is a concentrated, chemically balanced detergent that helps lift the bugs off the surface by breaking them up so they can be rinsed away. Great smelling blue raspberry fragrance.

HIGH PH CAR WASH PRESOAK **1080**

High-foaming, high pH presoak that quickly penetrates bug residues and road film!

This liquid car wash presoak can be used as a primary presoak or as part of a two-part presoak process. Effective on road film and grime, organic soils, petroleum-based soils, and debris. High pH Presoak can be applied through an arch or manually through a spray wand. Recommended for use in conveyor or in-bay automatic wash systems. Great for friction or touch-free.

FOAMER CONCENTRATE **2711**

Premium, high-foaming, surfactant based product!

This product is a blend of high-foaming surfactants that produce thick, high-quality foam. Reduces the surface tension of the soil so that it can be easily rinsed away. Can be applied with a foam cannon or through an injector in an automatic car wash system. Highly concentrated and can be diluted with 1 to 2 ounces of product per 5 gallons of water.

NON-CAUSTIC TRUCK WASH POWDER **2961**

Quick, simple, economical car and truck wash powder!

This product is a mild alkaline, free-flowing powder, designed for simplified washing of automobiles and transportation equipment. This product is safe for use on all metals, paints, plastics, and rubber products. It is free rinsing and is manufactured with sequestering agents so that it may be used with hard water. This product is the ideal formulation for a quick, simple, and economical way to clean your vehicle.

SUPER CLEAN

2911

High-foaming, fast-rinsing, no-residue solution!

This powerful, highly concentrated cleaner boasts exceptional degreasing properties and is versatile for multiple applications. It effortlessly breaks down surface tension, allowing grease and grime to be easily rinsed away. Super Clean brightens surfaces, eliminates water spotting, and is safe-to-use on polished aluminum. 100% biodegradable and perfect for several industrial cleaning applications. Built for high performance in tough conditions, Super Clean guarantees a spotless, clean, streak-free finish every time.

TNT CONCENTRATE

2822

TNT CONCENTRATE PLUS

2822P

No harsh caustics, acids, or solvents and formulated with a fresh cherry scent!

TNT Concentrate is a heavy-duty powdered car and truck wash that removes heavy accumulations of road film and soil. The soap is suitable for fine car surfaces, or diesel stained surfaces of trucks and trailers. Works in high pressure wash systems or for manual car washing. Fast-acting and free-rinsing. High levels of dilution and effective in hard or soft water. 100% active formula that contains no inert material. Available in two different concentrations.

TNT LIQUID

2845

TNT LIQUID CONCENTRATE

2845C

Safe on paint and glass and will leave polished aluminum surfaces with a nice shiny finish!

TNT Liquid is a premium liquid cleaner that can be used as both a car and truck wash and a general degreaser. It contains synthetic, biodegradable detergents that rinse completely to eliminate streaking and residue. Available in multiple concentrations for your specific needs!

TOUCHLESS VEHICLE WASH

2111

High-foaming, fast-acting, powerful, touchless applications!

This product is an alkaline, high-foaming, liquid detergent that has been specifically formulated to be used on touch-free car and truck washing applications. It is very effective at removing road film, dirt, and bug residue without scrubbing. It can be used as a pre-spray on all vehicles. Does the job without the need for scrubbing. This formula was built for performance in even the toughest conditions.

TRUCK AND TRAILER 2

1024

TRUCK & TRAILER 2 PLUS

1024P

Lowest cost per wash while providing a clean and beautiful truck!

Truck & Trailer 2 is the optimal product when dealing with heavy soil, grease, and road film. This highly effective truck wash soap leaves trucks with a polished shine using minimal effort. Formulated to be a free-rinsing detergent with a powerful cleaning action. Works well on heavy greases and oils. Formulated with an optical brightener that helps to polish and shine aluminum. This product is available in multiple concentrations for your specific needs!

TRUCK WASH POWDER

2960

Quick, simple, and economical cleaning!

This economical, alkaline truck wash powder is designed for simplified washing of transportation equipment and trucks. This product is safe to use on the entire exterior of your vehicle. Contains sequestering agents so that it may be used with water of any hardness and is formulated to be easy to rinse. This is the ideal truck wash powder for quick, simple, and economical cleaning.

WASH & WAX

1031

Dual-purpose product cleans and protects in one step!

Wash and Wax is a premium, pH balanced car wash shampoo with wax components that work to add an extra layer of protection to your exterior. This pH balanced formula is great to maintain recently waxed vehicles without stripping wax or coatings from the surface. Wash and Wax is a great weekly car wash soap that protects your paint while adding a high-gloss shine. Perfect for manual washing.

LOW PH CAR & TRUCK WASH DETERGENTS/PRESOAKS

LOW PH FOAMING BRUSH

2900

High-foaming detergent for automatic and foaming brush applications!

This is a high-foaming, citrus-scented, liquid detergent designed to be used with cloth or bristle brushes. This high viscosity car wash detergent will provide lubricity and high foam levels. This product contains surfactants, detergents, wetting agents and natural citrus D-Limonene. This product is a low pH body shampoo.

ALUM-A-BRIGHT 1008

ALUM-A-BRIGHT SUPER 1008S

ALUM-A-BRIGHT PLUS 1008P

Cleans and brightens in one easy application!

This product is designed for fast and effective removal of oxidation and corrosion from aluminum surfaces, particularly trailers and transportation equipment. This cleaner is designed for cleaning all types of aluminum equipment and delivery vehicles. It reduces labor by removing dirt, road film, oxides, and exhaust deposits without brushing. Brightens and cleans aluminum surfaces leaving a soft satin finish. **Not for use on polished aluminum. Available in three different concentrations.**

ALUMINUM BRIGHTENER 2

1015

Works quickly to clean dirty, oxidized, or stained aluminum!

Aluminum Brightener 2 is a non-fuming, low pH, product that has been designed to provide the fastest and easiest way to clean and brighten aluminum. Restores aluminum on trucks, buses, trailers, fuel tanks, parts, and machinery. **Contains no Hydrofluoric Acid.** One of the strongest aluminum brighteners in the industry. This concentrated formula is made to be diluted, saving you \$\$\$.

Not for use on polished aluminum.

CITRA SAFE**2792****Safe to use on polished aluminum!**

This product has been formulated to be safe on polished aluminum and will not cause etching or darkening. Eliminates rust and corrosion damage to your fleet by completely removing the corrosive white salt residue caused by salt and liquid chlorides. Designed for fast and effective removal of road film, oxidation, and corrosion from your aluminum, stainless, and painted surfaces. This product should be used as the first step of a two-step system.

LOW PH PRESOAK**2020****Designed to be used in a two-step presoak application!**

Low pH Presoak is a super concentrated low pH presoak engineered for excellent cleaning performance. Low pH presoak is designed to be used in a two-step presoak application that uses both high and low acidity chemicals. High foaming action allows for thorough application of the product. Can be used in any car wash- self-serve, in-bay automatic, and tunnel.

TRAILER BRIGHTENER**6200****Cleans and brightens aluminum and metal surfaces!**

Trailer Brightener is super concentrated and Brody's strongest acid-based aluminum brightener. It cleans and brightens aluminum and restores it to a condition that looks like new. Trailer Brightener is a two-in-one product that cleans as it brightens dissolving oil stains, grease, grime, road dirt, and more to keep the luster on aluminum items. Great for cleaning vehicle engines and tire rims. A simple spray and rinse off to keep your metals looking brand new. Blended with Sulfuric and Hydrochloric Acid.

DEGREASERS

CITRUS DEGREASER**5008****CITRUS DEGREASER SUPER****5009****Powerful citrus extract, advanced technology formulation!**

This multi-purpose citrus degreaser instantly emulsifies grease, oils, and fats without the use of harsh acids alkaline or petroleum solvents. This product contains an extremely strong natural citrus oil to deodorize and effectively clean even the toughest of soils. This trend-setting formula keeps pace with today's safety and environmental regulations. Concentrated formula - made to be diluted and water soluble.

DEGREASER WITH ENZYMES**2100****Contains bio-remediation enzymes that actually digest grease and oils!**

Degreaser with Enzymes is the strongest and most powerful degreaser manufactured by Brody Chemical. Features tough cleaning agents formulated to remove both baked on and sticky/tacky greases. 100% biodegradable, water soluble, and contains no hazardous ingredients. Contains a fresh smelling cherry fragrance to help with odor control while you clean. This is a dual-purpose product that cleans and digests all in one step.

FORMULA 60 DEGREASER PLUS**6001****FORMULA 60 DEGREASER****6000****Excellent grease fighter that can be used in a wide variety of applications!**

Formula 60 is a water-soluble, heavy-duty, all-purpose cleaner, and degreaser that can be used on a wide variety of surfaces. This all-in-one product is great for all your degreasing needs. Butyl based, fast acting, and extremely concentrated. This highly-dilutable formulation makes your end-use cost extremely affordable. One product that does it all!

HEAVY DUTY CLEANER

2847

Heavy duty, surfactant-based, high-alkaline cleaner!

Heavy Duty Cleaner is a concentrated blend of sophisticated and biodegradable surfactants, along with conditioning and softening agents that work to produce a safe, reliable, and earth-friendly degreaser. Rinses easily and helps you clean better. Once you try this product you'll be amazed at the wide variety of cleaning applications you can tackle. Excellent for removing brake dust on automotive wheels and commercial transportation equipment.

ORANGE SOLVENT

4028

The most powerful citrus asphalt and tar remover on the market today!

Orange Solvent is an excellent organic, non-petroleum cleaner, degreaser, and deodorizer. It is completely biodegradable and environmentally friendly. Dissolves asphalt and tar on contact. No manual scrubbing required. Great citrus scent. Easy to use. Non-flammable and non-toxic! Great smelling natural citrus fragrance. 85% D-limonene.

TIRE DRESSINGS & WHEEL CLEANERS

TIRE DRESSING

1028

TIRE DRESSING PREMIUM

1028S

The best economical silicone tire dressing for your tires!

Tire dressing not only protects your tires but gives them a rich satin finish and beautiful shine. This product helps prevent fading, drying, and cracking, in addition to keeping your tires looking good. Brody's Tire Dressing is a non-toxic, high performing, cleaning, protecting, and beautifying product. All-in-one easy step. This product will also preserve outdoor vinyl and extend the life of overexposed surfaces. Formulated with a pleasant cherry fragrance. Available in multiple concentrations for your specific needs!

CREAMY COCONUT TIRE DRESSING

2028

Silicone cream formula that penetrates deep into tires!

Creamy Coconut Tire Dressing is a silicone cream formula that penetrates deeply into the tires for long lasting results. This product protects your tires from extreme and harmful weather conditions such as rain and extreme heat. This dry-to-the-touch formula smells like a coconut cream pie and provides the glossiest, long-lasting shine you are looking for. Helps to revitalize the condition of the rubber. Unlike competitor's products, this product does not run or drip off and can be applied using a tire sponge. Makes your tires look brand new.

TIRE MAGIC

2837

High-gloss tire shine, solvent-based tire dressing!

Tire Magic is a clear, shiny formula that prevents any milky or cloudy appearance, haze, and dulling of tires. Tire Magic contains a special blend of silicones, conditioners, and selected solvents that penetrate deep to protect against cracking, drying out, fading and hardening. Keeps the dust away. Our solvent based formula does not attract dust like typical water based silicone products. No-sling formula keeps the dressing on the tire and can be applied with a sprayer or sponge.

WHEEL AND ENGINE CLEANER

2881

Combination cleaner designed for wheels and engines!

This heavy-duty rim and engine cleaner is specifically designed to quickly break down even the most stubborn grease. This product penetrates through thick layers of hardened grease, oil, sludge, grime, dirt, and other soil accumulations. It is safe to use on all types of wheels due to it's gentle and non-caustic formula. Avoid costly repairs with Brody's Wheel and Engine Cleaner as it eliminates tough engine grime and debris and removes brake dust before it permanently embeds.

LOW PH WHEEL BRIGHTENER

1011

Removes tough brake dust and water spots!

A concentrated wheel cleaner formulated to clean and brighten chrome, clear coated, and mag wheels. Removes tough brake dust and water spots. Contains a blend of low pH acids that are great for lifting mineral deposits off of surfaces. Wheel Brightener is effective at removing tough dirt and grime with little or no scrubbing. **Not for use on polished aluminum or anodized wheels.**

SHINE ALL

BA107-1

Fine detail aerosol product that provides a high-shine silicone-based coating!

Shine All is a high-shine coating that works instantly. Fast and easy-to-use. Brightens any plastic or rubber surface. No wiping necessary. The fine aerosol mist is perfect for those hard to reach places. A great fine detail product that is designed to treat vinyl, plastic, and rubber surfaces in the interior and exterior of your automobile.

INTERIOR CLEANERS

GLASS & MULTI SURFACE CLEANER

5007

GLASS & MULTI SURFACE CONCENTRATE

1012

Streak-free concentrated glass and multi-surface cleaner!

This product will remove fingerprints, smudge marks, and contaminants from all glass and water washable surfaces. Will not streak or haze. Can also be used as a light-duty cleaner on all other surfaces not harmed by water. This super-concentrated formula dilutes up to 30:1 with water for maximum cost effectiveness. Leaves your glass surfaces sparkling and streak free! Also available in a ready-to-use formulation.

GLASS CLEANER AEROSOL

BA171-1

Worlds best glass cleaner! 100% streak free!

Clean and polish any glass surface with our easy to use, fast acting glass cleaner that won't drip run or streak. Brody's Aerosol Glass Cleaner sprays out with a heavy duty foam that clings to vertical surfaces to dissolve dirt, grease, grit and grime. Our ammonia free formula cleans thoroughly, dries quickly, and leaves a clean fresh scent.

FRESH BLAST OUT

BA204-1

Eliminates smoke and marijuana odors!

This product is formulated with the best anti-odor ingredients on the market today. Formulated to neutralize all odors. Excellent for smoke and marijuana. The fogging mist is deep reaching and effective on odors caused from mustiness, pet urine, decay, tobacco and marijuana smoke. Formulated with Ordenone™ the most effective odor eliminator available. Can be used as a complete fog or in small sprays as an air freshener.

PROTECTIVE SHIELD

1021

The leading dressing for shining and protecting the interior of your vehicle!

Brody's Protective Shield is the number one interior dressing for restoring and rejuvenating soft and hard vinyl automotive surfaces, leaving your interior with that brand new car look. This product is also perfect for refreshing and conditioning leather surfaces that have lost their brilliance. Protects your interior from damaging ultraviolet rays. This interior dressing contains UV blockers that will help your vinyl and leather from cracking when exposed to sunlight.

CITRUS CLEANER

2712

Cuts through dirt and grime with the power of natural citrus oil!

Citrus Cleaner is a versatile, all-purpose cleaner that cuts through grease and grime with the power of natural citrus oil. Gently cleans just about any surface. Cost effective and dilutable. This high-tech, citrus-based cleaning formula removes dirt and grime easily and effectively and is extremely easy-to-use. Natural citrus scent leaves surfaces smelling clean. The perfect all-purpose cleaner for every application.

EASY GREEN

1200

Cleans, degreases, and deodorizes without harsh chemicals!

Easy Green Multi-Purpose Degreaser is a safe alternative to toxic cleaners. This concentrated formula cleans, degreases, and deodorizes without the use of harsh chemicals. Non-abrasive, non-corrosive, and safe-to-use on almost all washable surfaces. 100% Biodegradable, non-flammable, and extremely cost effective. This product can be used on wheels, engines, interiors, and exteriors.

TUNNEL CLEANERS

BAY WASH

2059

Cleans and brightens car and truck wash bays!

This product dissolves heavy water and scale deposits that "hold" the dirt and grime to the walls of car and truck wash bays. Formulated with a safe, non-fuming, low pH surfactant and a very "high powered" foaming agent. This product will eliminate the scrubbing that is generally associated with cleaning car and truck wash bays. Spray or mop it on and pressure wash it off. It is that easy.

ACID REPLACEMENT CLEANER

4100

Works like an acid with the safety of a dish soap!

Contains no Hydrofluoric or Bifluoride ingredients. This product replaces acids and acid-type cleaners to aggressively clean the walls in your tunnels. It is acid-free, 100% biodegradable, non-toxic, environmentally safe, nonflammable and user friendly. Removes calcium deposits and is great for cleaning diesel exhaust and road film without any unpleasant odors. Concentrated formula and can be diluted.

SPRAY WAXES & SEALANTS

PURPLE PROTECTOR

9500

Clear coat sealer, brightens and adds a shine to exterior paint!

This clear coat protectant contains a synthetic additive that helps brighten the glossy finish of your vehicle's paint and increases the hydrophobic effect making water bead up faster to protect your car from the elements. This product reduces drying while providing a brilliant shine. Formulated with a delightful pleasant scent.

CAR WASH DRYING AGENT

2940

Ensures the driest vehicle possible - eliminating water spots!

Formulated for use in the final arch of automatic car washes. This product provides excellent water beading and UV protection. Can also be used to lubricate microfiber towels to minimize physical contact that might lead to whirls, scratches, and minor imperfections. Brody's Car wash Drying Agent repels water spots and contaminants while sealing the vehicle's surface and adding a high shine.

CARANUBA SPRAY WAX

2910

Cherry-scented clear coat sealer!

This product is a cherry-scented clear-coat sealer. May be used in high-pressure or low-pressure applications. It may also be applied by hand. This product may be applied independently, or as a follow-up to a triple-foam polish application. This product will promote a shine on the vehicle surface as well as assist in drying.

TRIPLE FOAM - PINK, YELLOW, & BLUE

4060

A visually appealing, high-foam polish!

Specifically formulated for in-bay automatics and express tunnels. Brody's Triple Foam products are the most free-rinsing triple foam on the market. Not only does it have the show you are looking for but will help to enhance the shine on your vehicle. Neon in color - available in blue, pink, and yellow. Will aid in rising and beading of the vehicle's surface.

BUG REMOVERS

BUG OFF

2710

Concentrated, economical, surfactant-based bug remover!

This product is a biodegradable, non-toxic, free-rinsing detergent that easily removes bugs, dirt, and heavy road film from cars, trucks, buses, and any vehicle surface. It is a concentrated, chemically balanced detergent that helps lift the bugs off the surface by breaking them up so they can be rinsed away.

BUG REMOVER

2707

Fast-acting, citrus-based bug remover!

Bug Remover rinses freely and easily and is safe for all painted surfaces. A must have for areas with heavy bug removal needs. Contains a pleasant citrus aroma and works under the toughest conditions. 100% biodegradable.
