# Guest Accommodations

Your friends, family and cherished guests can't wait to celebrate your big day. However, before they can RSVP, they'll need to have a place to stay. Brenham and Washington County have great hotels, and B&Bs and vacation rentals available. Hotels can fill up fast during the Brenham and Washington County busy seasons. Make sure to block rooms early so your guests will have a place to stay when they come for your wedding. In most cases, hotels will block rooms up to a year in advance. The good news ... if you contact us, we can make that part of the planning process easier.

The Visit Brenham sales manager can help you save time by contacting local hotels to find room rates and the most appropriate block of rooms for your guests. When our staff helps with your room blocks we can also provide welcome bags for your guests. These bags will be filled with visitor information and activities that are happening throughout the county during your stay.
