UNWRAPPING HAPPINESS SINCE 1966

Our Bright, Bold Story

TIMELINE

1966

It all began when Annie started making handmade toys for the Brookville Kindergarten fete. Her first sales followed soon after to Humpty Dumpty Toy Shop in South Yarra and Matchbox in Armadale, featuring her beloved dressed rag dolls.

Annie with baby Sally

1974

Exhibited at the very first Australian Trade Fair, marking the start of Annabel Trends' trade journey.

1967

Annie ventured into kitchen napery, selling to Georges Home Store and introducing Australia's first clash colour prints – bold oranges, pinks, and playful patterns.

1980s

Expanded internationally after meeting Marlene from Earthly Things at the High Point Trade Fair in North Carolina, launching The Australian Gardener's Range in the US. Also imported throws from the US, growing the homewares collection and ushering in the era of tapestry cushions, throw rugs, novelty soaps, and garden gifts.

Sally and Annie (above)

1997

Proudly awarded Gift of the Year.

1990s

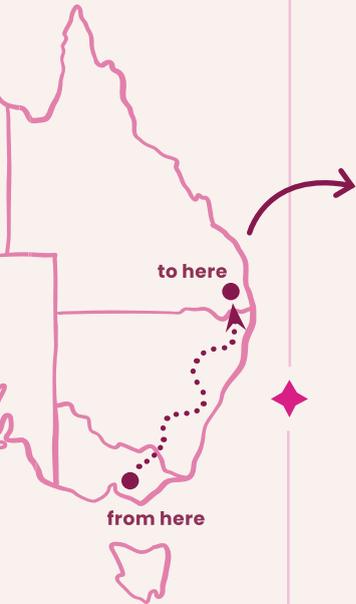

Became a pop culture favourite, featured in *Two Fat Ladies*, *The Naked Chef*, and *Kath & Kim* through licensing with the ABC and BBC. This decade also saw the creation of our iconic heat pillow and eye rest pillow, leading the way in Australian wellbeing products.

History Since 1966

2006

The business relocated to Queensland under Sally's direction, marking a new era of growth and innovation.

2014

Annabel Trends opened its purpose-built 2,300 sqm factory and warehouse featuring 1,177 pallet spaces, a pick & pack facility, sewing room, and office space. Now distributing nationwide across gift stores, homewares boutiques, online retailers, and specialty shops. The Watermate brand was also released.

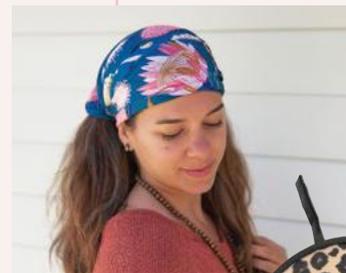

2026 (and beyond...)

Celebrating 60 years of Annabel Trends — a proud Australian brand built on creativity, family, and joy. Our mission continues: "Unwrapping happiness, one gift at a time."

2016

Annie officially retired in our 50th year of gifting. This milestone year also saw the launch of our stainless steel wine tumblers and drinkware range.

2020

Happywraps and Twist Fans were developed, expanding our popular picnic and outdoor lifestyle categories.

2000–2006

Sally completed her apprenticeship under Annie, mastering every aspect of the business. This era saw the introduction of the Squidgy Pillow—a game-changer for economy travel—along with the launch of Spa Trends and Sprout Garden Gloves.

Celebrating 60 Years of Thoughtful Gifting

ONE GIFT AT A TIME

Welcome to another year of Annabel Trends!

This year, we proudly celebrate 60 wonderful years. What began in 1966, when my mum Annie sewed handmade toys for a local fete, has grown into a brand loved across Australia and beyond. From those first dressed rag dolls to bold kitchen prints, international homewares, and our iconic Heat and Eye Rest Pillows, Annabel Trends has always brought joy, colour, and warmth to everyday life.

Since taking over in the 2000s, we've continued to grow – building our Queensland factory, launching sub-brands, and creating gifts that delight our customers. Recently, someone asked me how I'd describe Annabel Trends this season. My answer: bright, bold, happy, and unapologetically out there. I wanted this catalogue to feel uniquely us, and I think we've captured just that.

Some of my favourite picks this season:

Pom Pom Slippers – Soft, fun, and fluffy – the perfect mix of comfort and cheer. I love the racy red cherry ones this year, matching with new cherry robes and gifts.

Macro Mirrors – Sleek and practical – ideal for quick touch-ups at home or away when travelling.

Microfibre Teatowels – Super absorbent and fast-drying – perfect for streak-free champagne glasses. No more streaks, girls!

Linen Table Cloths – Effortlessly elegant – an easy way to elevate any table setting.

Vanity Toiletry Bags – Chic and organised – keeps all my essentials perfectly in place.

Thank you to our makers, stockists, and you, our wonderful customers, for being part of this journey. Here's to celebrating the everyday in style – and to the next 60 years of unwrapping happiness, one gift at a time.

Much gratitude,

Sally x

ACKNOWLEDGMENT TO COUNTRY

We acknowledge the traditional owners of this land, water and sky, who have thrived and lived sustainably with the land we now call Australia for more than 60,000 years. We pay our respects to Elders of the past and present for their strength, knowledge and leadership. We acknowledge the stories, traditions and living cultures of Aboriginal and Torres Strait Islander peoples on this land, the oldest and longest continuing culture on the planet. Aboriginal art and its sacred symbols are intrinsically linked to the longest continuing culture in the world, a form to preserve stories, traditions and culture. The story-telling and symbols represented in this contemporary art collection does not represent all Aboriginal culture groups or peoples.

Aboriginal people are a diverse group of hundreds of nations, and clans within those nations, each with their own unique traditions and beliefs, languages, knowledge systems, lore and art.
