SHOULDER TO SHOULDER

LETTER FROM THE PRESIDENT OF WORLD POLICE AND FIRE GAMES

Dear Athletes, Family and Friends,

On behalf of the World Police and Fire Games Federation (WPFG), it is my distinct honor to extend a warm welcome to all athletes, their families, and supporters joining us for the 2027 World Police and Fire Games in Perth, Western Australia.

The Federation is honored to welcome the world's finest and bravest public servants - including firefighters, law enforcement officers, corrections officers, customs officials and emergency medical personnel, just to name a few - from across the globe. Your dedication to service and commitment to excellence is an inspiration to us all. We are thrilled to share this event with each of you and look forward to celebrating your achievements on and off the field.

The Perth 2027 Host Organizing Committee (HOC), which includes its staff, coordinators, and dedicated volunteers, has worked tirelessly to create an exceptional, athlete-focused experience. Perth, renowned as one of the most "livable cities" in the World, is committed to honoring and celebrating public safety personnel from around the globe by delivering an unforgettable Games experience. You can count on experiencing plenty of Aussie friendly hospitality throughout your stay.

We're confident that Perth's warm coastal climate, the beaches, diverse dining options and memorable social events will offer the perfect opportunity to relax and network with your peers from around the world. These social gatherings are a great chance to share camaraderie and build bonds that will last a lifetime.

As you immerse yourself in this unforgettable event, we encourage you to play hard, stay safe, give it your all, show true sportsmanship, and soak up all the excitement that the Games and Perth have to offer.

The Federation Board of Directors wishes you great success in competition and hopes you enjoy a memorable visit. G'day!

Fraternally yours,

James King
President of the World Police and Fire Games

LETTER FROM THE GOVERNOR OF WESTERN AUSTRALIA

To the athletes of the 2027 World Police and Fire Games,

As Governor of Western Australia, I am honoured to welcome more than 8,500 athletes from over 70 countries to Australia, our state of Western Australia and our brilliant capital city, Perth.

To be able to welcome so many who have given so much is a proud moment for me, and my state. The next ten days will be a festival of 66 sports. But more than that, it will be a celebration of law enforcement, fire and emergency services personnel competing and supporting your athletes from all over the world.

As a former police and law enforcement officer for 46 years, coupled with coordinating State emergencies alongside fire and emergency agencies, I know the sacrifice and call to duty every single one of you experience in serving your community and your country.

I expect that the bonds of teamwork, dedication and training that bind us together professionally, will drive you and your team to achieve on the track, the fields, courts and in the water.

I know that this experience will be one which will live with you for the rest of your lives.

In Perth, you will find a 21st century city, combining world class venues, vibrant hospitality, with a truly stunning landscape, wildlife and 12,500 km of pristine coastline with world heritage attractions.

You will experience the generosity of our people – with thousands of volunteers and supporters ready to make these games the best ever.

Along with partnerships with the Western Australian Government and the City of Perth, Western Australia is ready to welcome the world in March 2027.

We cannot wait to stand shoulder to shoulder as you compete and unite. While the rivalries will be fierce, the friendships will be forever. Bring on the 2027 World Police and Fire Games – and a life enriching experience which awaits us all.

His Excellency, The Honourable Chris Dawson AC APM
Governor of Western Australia

LETTER FROM THE PREMIER OF WESTERN AUSTRALIA

Welcome to Western Australia and to the 2027 World Police and Fire Games.

It is a great honour for our State to host this global celebration of camaraderie, athleticism, and service. The World Police & Fire Games brings together tens of thousands of law enforcement officers and emergency services personnel from around the world individuals whose dedication and courage strengthens and protects their communities each and every day.

From 12 to 21 March 2027, Perth will proudly host 65 sports across 10 unforgettable days, showcasing not only exceptional athletic talent but also the spirit of unity that defines this event.

We are delighted that the Opening Ceremony will take place at WA's award winning Optus Stadium, winner of Australia's best stadium in 2025.

Throughout the Games, competitors and visitors alike will experience Western Australia's state-of-the-art sporting facilities and enjoy the world-class hospitality for which our State is renowned.

Perth is a vibrant, dynamic, and welcoming city, rich in cultural experiences, natural beauty, and a deep respect for community. I encourage you to explore our magnificent landscapes, enjoy our award-winning food and wine, and take in the unique character that makes Western Australia such a special place.

To every athlete, official, volunteer, and supporter, we thank you for being part of this extraordinary event. Your commitment to service and your passion for sport inspires us all.

On behalf of the Government and people of Western Australia, I extend my best wishes for a successful and enjoyable Games. Welcome, and good luck!

The Honourable Roger Cook MLA
Premier of Western Australia

LETTER FROM THE CHAIR OF PERTH 2027 WPMFG COMMITTEE

To our competitors, officials, families, and supporters from around the world
- welcome to Perth.

It is an honour to invite you to Western Australia's capital for the Perth 2027 World Police and Fire Games, a celebration of skill, resilience, camaraderie, and service. Over ten extraordinary days, Perth will host more than 8,500 athletes from around 70 countries, competing across 66 sports - an Olympic-style festival that highlights the best of our policing and emergency services communities.

Perth is a city made for moments like these. From our sun-washed coastline and river trails to vibrant neighbourhoods, world-class venues, and a thriving food and arts scene, you will find a community that is open, welcoming, and ready to cheer you on.

Delivering an event of this scale is a whole-of-community effort, and I want to recognise the Games Management Team and the many contributors who made the Perth 2027 vision possible. Our thanks go to the Western Australia Police Sports Federation, our colleagues across the Western Australia Police Force, Department of Fire and Emergency Services, Corrective Services and St John WA and partner agencies including Tourism Western Australia and VenuesWest. I also acknowledge the World Police and Fire Games Federation for its guidance and partnership throughout the journey.

This has been matched by significant support from the Government of Western Australia and the City of Perth, alongside sponsors and fundraisers alike.

To our volunteers (the lifeblood of any momentous event) thank you in advance. Your energy and generosity will welcome thousands to Perth and create lifelong memories. We are proud that the Games invites participation from serving, retired, and volunteer members across police, fire, and emergency services, uniting generations and professions through sport and service.

As you step into our venues, meet our community, and explore our beautiful state, I encourage you to embrace every moment, compete fiercely, celebrate one another's achievements and have fun!

On behalf of the Advisory Board, Organising Committee and the Games Management Team, and the people of Western Australia - Welcome to Perth and we wish you an exceptional Games!

Kylie Whiteley APM
Deputy Commissioner, Western Australia Police Force
Chair of the Board, Perth 2027 World Police and Fire Games

GAMES HUB

PERTH CONVENTION AND EXHIBITION CENTRE (PCEC)

21 Mounts Bay Road
PERTH WA 6000
Website: www.pcec.com.au

The Perth Convention and Exhibition Centre (PCEC) will be the heart of the Perth 2027 World Police & Fire Games, offering athletes a central, vibrant and easily accessible Games Hub. Perfectly positioned in the middle of Perth's Central Business District (CBD), PCEC sits above Elizabeth Quay Train Station, giving competitors seamless access to the city's public transport network.

Just steps outside the doors, guests are greeted by Perth's iconic river views, moments away from the Athletes Village, premium hotels, the lively Elizabeth Quay precinct - making PCEC not only the logistical hub of the Games, but also a gateway to the best Perth has to offer.

The Games Hub will act as the headquarters of the Perth 2027 WPFG, home of accreditation, hosting a variety of sports and activities and providing attendees with a central location to engage with the Games.

The Games Hub will host:

- The Accreditation Centre
- The Perth 2027 WPFG Wellness, Trade & Career Development Convention
- The Volunteer Hub
- Sports including: Bench Press, Boxing, Cornhole, Darts, Jiu Jitsu, Judo, Karate, Push-Pull, Taekwondo and Wrestling

CEREMONIES & SPECIAL EVENTS

The Perth 2027 World Police and Fire Games team have created a schedule of extraordinary events and experiences to celebrate our athletes, family, friends and the community of people who make the Games possible. Ceremonies and special events are open to all accredited personnel and the Opening Ceremony is open to everyone, including the public.

Games accreditation must be worn at all times when attending special events and ceremonies.

For more information, please review the event descriptions that follow or visit the website for updated special events schedule at www.wpfg2027.com/specialevents

OPENING CEREMONY

Only registered and accredited athletes and eligible non-playing coaches are permitted to march in the Opening Ceremony. No exceptions.

Date: Friday, 12 March 2027

Location: Optus Stadium

Address: 333 Victoria Park Drive
BURSWOOD WA 6100

Time: Marshalling Approx. 5:00pm
March Approx. 6:00pm

Be part of the Perth 2027 WPF Game Opening Ceremony - one of the most exciting parts of the Games. The stadium will provide a spectacular backdrop as Perth's premier venue incorporating our world-class hospitality and vibrant community spirit. The Opening Ceremony will serve as a defining moment, a powerful and emotional tribute to you, the people who dedicate your lives to protecting others, as well as being an energetic celebration of the human spirit, diversity and resilience. The ceremony will lay the foundation and provide the impetus for 10 days of exciting competition in a wonderful, multicultural city. It will be a powerful occasion for the nations to come together and for everyone who travels to Perth, athletes, friends and family members, to celebrate the Games together.

SUPER SUNDAY

A Celebration of Service and Sport

Date: Sunday, 14 March 2027

Location: Langley Park

Address: 103 Birdiya Drive,
PERTH WA 6000

Time: 8:00am – 4:30pm

Super Sunday is the ultimate community celebration of the World Police and Fire Games, designed to showcase the incredible skills of first responders while creating a family-friendly festival atmosphere. This free full-day event brings together athletes, spectators, and the wider community for an unforgettable experience of sport, entertainment, and cultural connection. It's a chance for everyone to recognise and appreciate emergency services personnel while enjoying thrilling competitions and interactive activities.

The event will feature five showcase sports:

Ultimate Firefighter

A multi-stage challenge including hose tasks, strength tests, obstacle courses, and a high-rise tower climb.

Half Marathon

A 21km run which takes in city views from South Perth before looping past the energy of Super Sunday and finishing near Optus Stadium.

Muster

Traditional firefighting skills in Hose Cart and Bucket Brigade competitions.

Fire Truck Pull

A test of teamwork and power along Riverside Drive.

Cycling Sprint

A fast-paced 500m race along Langley Park.

Beyond the sporting action, Super Sunday offers community activations, cultural displays, and entertainment for all ages. Highlights include emergency services demonstrations on land and water, Indigenous Dreamtime performances and Welcome to Country, helicopter rides, interactive photo opportunities with police and fire vehicles, and plenty of entertainment for the kids. Visitors can also explore agency displays, enjoy food and beverage zones, and participate in legacy initiatives supporting emergency services charities.

Join us at Langley Park for a day of excitement, inclusivity, and appreciation - celebrating the courage and dedication of first responders worldwide, whilst connecting with the local West Australian community.

- Before 21 April 2027, any competitor who has submitted an entry is entitled to withdraw and will receive the appropriate refund, less the service fee.
- After 21 April 2027, approval of a request for refund for withdrawal is at the discretion of the Perth 2027 WPFG.

In the event of inclement weather, disaster or any other uncontrollable factors that result in the cancellation of individual sports' competitions or the Perth 2027 WPFG event, refunds may be determined by the number of games played.

As a general guideline, the following criteria will be followed:

- Event cancelled due to lack of entries: 100% refund.
- Cancellation due to weather or Force majeure: 100% refund.

Please note all requests for refunds are to be sent to 4info@cpaf.org and type 'REFUND' in the subject line.

CONFIRMATION LETTER

Official Sport Confirmation Letters will advise of specific information on rules, venues and mandatory briefings (if any). It will also provide other general information on the Games.

Competitors will be advised in their Confirmations of where and when to contact the Host for specific times and dates of their first competition. This letter will be emailed approximately 21 days prior to the beginning of the competition to the email address provided during the registration process.

PARTICIPATION LETTER

If you require a letter of participation to confirm your attendance at the Perth 2027 WPFG with your employer, Please complete the following form to request such letter from the Host.

LETTER OF PARTICIPATION

Please allow up to two weeks for the letter to be sent back to you.

ACCREDITATION

ACCREDITATION COLLECTION

All athletes will be required to attend the Registration and Accreditation centre at the Games Hub, Perth Convention & Exhibition Centre (PCEC) to collect their accreditation before the beginning of their competition, or before the Opening Ceremony if attending.

Athletes will be required to show current agency identification or provide evidence of retirement from such agency.

You will also be required to present an Australian issued motor drivers licence OR a passport that contains your date of birth, before the registration process can be completed.

Athletes are highly encouraged to bring a copy of their confirmation letter when they attend to collect their accreditation.

All athletes must collect their accreditation at least the day prior to their sport competition commencing OR before the Opening Ceremony if attending.

Participation in the Games without accreditation is prohibited.

Accreditation (Athlete, Family & Friends, Volunteer) is required to enter the Athletes Village and all Games events.

ELIGIBILITY

ENTRANT ELIGIBILITY

To be eligible to compete in the Perth 2027 WPFPG, athletes must be employed by or retired from a public agency, under an approved listing (see under 'agency eligibility'). Competitors may be sworn or unsworn staff of any law enforcement, fire, customs, correctional agency or emergency services such as paramedics. All competitors must provide proof of such service.

Any paramedic of an eligible agency with a minimum two years' service. Retired paramedics with a minimum 10 years' service are also invited to compete.

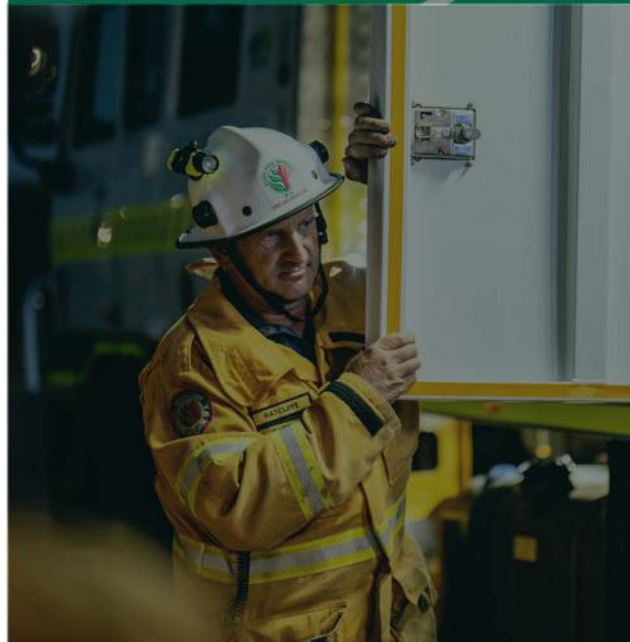

Volunteer firefighters from an eligible agency with a minimum two years' service. Retired volunteers with a minimum 10 years' service are also invited to compete.

Eligibility to participate in the Perth 2027 WPFPG is at the discretion of the WPFPG Board of Directors. Other emergency services agencies may make an application to the WPFPG Eligibility Sub-Committee for consideration. The WPFPG Board of Directors reserve the right to refuse entries from any individual or agency. Any athlete whose employment was terminated for dishonourable reasons shall not be considered eligible to compete regardless of length of service or retirement status.

Spouses or family members are not eligible to compete in the WPFPG unless eligible by the nature of their own employment.

The WPFPG may approve additional agencies, job descriptions and individuals if, upon examination, they do in fact qualify under the eligibility rules. The WPFPG have developed criteria for the purposes of determining eligibility for retired eligible athletes. Please ensure you obtain verification of your status from your agency to participate.

If you are unsure whether you or your agency are eligible, please email the WPFPG at 4info@cpaf.org

INELIGIBLE ENTRY

For Unqualified Persons

If a person knowingly attempts to enter or enters the Games when they do not qualify for entry, that person shall be disqualified from the Games for life. If another competitor, team member or team captain/coach enters a person who they know does not qualify for entry, the other player or coach that submitted the entry shall also be disqualified from the Games for life.

For Qualified Persons

If a person otherwise qualified to enter the Games knowingly joins a team (including doubles teams) for which they are ineligible, that person shall be subject to appropriate disciplinary action. If another competitor, team member, team captain/coach allows an otherwise qualified person to join a team knowing that the person is not eligible to do so, that team's representative and the team (including doubles team) shall be disqualified from competition and will be subject to appropriate discipline.

RETIREMENT STATUS DEFINED

Any person entering the WPFPG as retired personnel must provide identification at Host Registration. The appropriate identification can be in the form of an ID card or letter of identification from their agency. The three primary eligible retirement status definitions are as follows;

Normal Retirement

The person has served an eligible agency for a time long enough to qualify for service retirement and has reached the age established by their retirement system.

Deferred Retirement

The person resigns from their service following the completion of the number of years of good conduct service required to qualify the person for a retirement income upon arrival at a specific age.

Note - A termination without benefit of future recognition as a retired person does not qualify under this section.

Length of Service Retirement

The person has completed no less than 10 years of good conduct service, and resigns from their service, with or without a retirement benefit.

Other criteria may apply, including "Deferred Retirement", "Lump Sum Retirement", "Contract Retirement" and "Disability Retirement".

The WPFPG may be able to assist you if you are unsure about your status. In relation to medical retirement, the Host or the WPFPG may request a sport-specific medical release indicating their fitness to compete in that sport.

PARTICIPATION LIMITS

The WPFPG and the Host reserve the right to limit the maximum number of entries in any sport/event. Limits are specified under each sport in the Sports Information section of the Entry Book. Entries which cannot be accommodated due to these limits will be cancelled and all fees refunded to the athlete.

AGE RULES

Age determination is in line with governing bodies. Please check each individual sport for age as of date.

A competitor in the 30+, 40+ or 50+ division may elect to compete in a younger division if this is indicated on the original Sports Entry form or indicated during an online entry. Late entries are not permitted to elect to compete in a younger division.

In all Individual Events in the Track and Field, Swimming, Cross Country, Half Marathon and Golf, competitors will compete only in the age division of their actual age.

In Team Events (including Doubles), eligibility to compete in any age division is determined by the age of the youngest team member.

When adding an acceptable event at any time after Bracketing is complete, you must compete only in the age category of your actual age.

DUPLICATE EVENT ENTRIES

A competitor may only enter one age, skill or weight division in any one event.

A competitor may only enter one Doubles event with only one partner in any sport.

EXCEPTION: One same-gender Doubles and one mixed Doubles event may be entered.

A competitor may only be on one team in any sport (some exceptions may apply - please see Sport pages).

RESULTS

Results from each sport will be available and posted on the Perth 2027 website once verified.

GAMES SPECIFIC DEFINITIONS

TEAM EVENT

Any event in which three or more persons compete against a mutual-opponent is considered a Team event.

Unisex Teams may consist of all men, all women, or any combination thereof.

Mixed Teams have one or more members of both genders. Mixed teams usually have a minimum or maximum number of gendered athletes required.

See Sports pages for details specific to each event.

TEAM MEMBERS

Each player on the team shall complete a Sport Entry form and indicate the first and last name of the Team Captain in the appropriate space on the form. If entering online, select the team captain's name from the drop-down list of captains.

TEAM CAPTAINS

Each team event requires a named competitor as Team Captain. Changes to team make-up are allowed until the Team Captains Meeting or competition begins in that sport.

Among the Team Captain's other duties:

- Attend the Captains meeting prior to competition and distribute important information to the team.
- Assume responsibility for determining the team's schedule and for the team's attendance at designated times and venues for competition.
- Be available to sport coordinators and officials before, during and after play to make decisions on behalf of the team and to receive information and official's rulings that affect play or the teams progress throughout the competition.

- Be responsible for recordings and filing written protests within eight hours of the perceived violation.
- Be available to represent the team in case of appeals, protests, or other inquiry by the Host or WPFGE.

NON-PLAYING COACHES

The following sports allow one Non-Playing Coach per team.

Basketball (3x3 and 5x5)
Dodgeball
Hockey (field and ice)
Netball
Rugby (7's and touch)
Soccer (indoor and outdoor)
Softball
Truck Pull
Volleyball (indoor)

The WPFGE recognises two categories of Non-Playing Coaches, Eligible and Non-Eligible. A Non-Playing Coach may be either gender regardless of the makeup of the team. Both categories of Coaches must submit a Sports Entry Form and sign a waiver. Both categories of Coaches may accompany their teams to all venues available to the teams. Both categories of Coaches must pay the Registration Fee in effect at the time they enter the Games.

Non-Eligible Coaches will not receive a medal in the instance that the team is awarded one. Non-Eligible Coaches will register as Technical Support Personnel (see next subsection).

TECHNICAL SUPPORT PERSONNEL

Additional personnel, such as equipment managers, Team Doctors, Non-Eligible Coaches or other non-competitors must sign a Release of Liability form prior to being allowed into the "area of competition" to assist a team or individual.

People in this category of participation should enter as Technical Support Personnel (TSP) online, pay the fees and submit to the Host for review. Submission of an application does not guarantee accreditation. The Host may charge a \$75.00 USD fee to process and accredit acceptable TSP. The fee will be refunded if accreditation is refused.

COMPETITION INFORMATION

SPORT DIVISIONS

WFIG uses two basic systems to divide the larger team events into divisions. "A" and "B" (& "C") divisions: These categories are normally formed during preliminary competition in that event and are based strictly on the individuals or teams performance.

Note: There are a few sports where "A", "B", etc. have different criteria, as in Bowling. See sport rules.

MANDATORY MEETING AND ORIENTATION

In many team events, a mandatory meeting is held for Team Captain/Coaches prior to competition. All other sports will hold an orientation to advise competitors about rules, guidelines, and any changes. Some orientation meetings are mandatory (see Sports section). Competitors will be advised in their Confirmation Letter of the nature of the orientation meeting for their events.

SHOULDER TO SHOULDER

SPORT VENUE CHECK IN

Every competitor must check in at the sporting venue by showing their athlete accreditation. Competition will not be rescheduled or delayed if the competitor does not have their athlete accreditation.

In all team sports that allow a Non-Playing Coach, a volunteer will be present to verify credentials. At check in, it is the responsibility of each team's coach/captain to ensure that all team members present their credentials. Failure to provide these credentials means you will not be able to participate in the competition until you present your credentials. The credentials will be returned immediately after each game unless there is cause to investigate the participation of an ineligible player. A team not fully complying will be considered playing with an ineligible player and therefore forfeits the game.

CHANGES AND ADDITIONS BY COMPETITORS

On-site entries are prohibited and proper entry procedures must be followed in all cases. Competitors that have not properly registered may NOT form teams at sporting venues.

Once competition in an event begins, no substitutions, changes or additions can be made. A person may NOT enter after the competition begins merely because they are listed on a team roster. In team events, a person who is duly entered in that event and is listed on the team roster but is not able to register and become accredited until after the competition begins in that event, will be allowed to play on that team.

Adding late team members

Generally, teams may add late entry team members to their roster, to the maximum specified, until the Captains /Coaches meeting for their sport. If needed, Team Captains will submit a revised team roster at that meeting.

SUBSTITUTIONS

Requests for substitutions in team and individual events are honoured when made in a timely fashion by the person or entity who paid the original entrant's Sports Entry fees. In team sports, the Team Captain may request a substitution. For individual sports, the overall coordinator for the substituted person's agency may also request a substitution.

Note: The rule does not apply to events which have established a "waiting list"; see "Participant Limits"

A completed Sports Entry form and signed Release of Liability for the substitute and any required additional fees must be submitted. The substitute shall meet the same requirements as the original entrant. All substitutions must be completed prior to the start of any competition in that event. The team captain shall submit a revised team roster, noting all changes to team make-up, at the Captains/Coaches meeting for that sport.

It is the responsibility of the substitute and/or Team Captain to request the substitution far enough in advance of the actual competition to allow the Host time to meet its responsibilities.

JOINT PARTICIPATION

Competitors from eligible agencies may combine to form Doubles and/or Teams regardless of agency size or service within a country.

Retired competitors may combine to form Doubles or Teams in any manner they wish with other eligible competitors. This includes across country lines or whether any other member of the Doubles or Teams is actively employed or retired.

POOLING (DRAW FOR PARTNER OR TEAM)

A competitor who has entered a sport in the singles/individual competition, but who does not have a partner/team for the doubles or team event may request to be placed in a competitor's "pool" for draw of a partner/team. To do so, enter the event, pay the event fees and check the column on the sports entry form or the check box if entering online, which indicates that you do not have a partner/team. WPFGB will make every effort to satisfy a "pool" request, however, it cannot be guaranteed. Therefore, anyone entering a pool event must be entered into another non pool sport/event in the games.

The following team sports are specifically excluded from pooling:

- Basketball (5x5)
- Ice hockey
- Rugby (7's & touch)
- Soccer (indoor & outdoor)
- Softball (except women's open)
- Volleyball - indoor (six person team)

BRACKETING/SCHEDULING

If only one person/team enters any event, that person/team will be combined in the next most reasonable category of the sport.

EXCEPTIONS

Single entrant

In individual events where an opponent is not needed for actual competition, if only one person enters and cannot be combined or that person elects not to be combined, the event will be scheduled. In all events requiring weigh ins, where only one person enters, the event will be scheduled. Push-Pull lifting and bench press classes require only one entrant to hold the event. Top scoring events in shooting sports, which cannot be combined, may be conducted even though only one competitor is entered.

Any events scheduled by the bracketing committee will be held and medals awarded, regardless of the number of competitors that attend. If only one competitor attends for an event, they may participate in that event for a guaranteed first place medal, or the competitor may elect to give up the guaranteed medal and move to a younger age (or heavier weight) division to compete.

Entrants have the option not to be combined as stated above.

TEAM & DOUBLES EVENTS

In sports which allow "pooling", at the time of the bracketing meeting if the minimum number of players to field a team have not submitted sports entry forms and paid the fees, the bracketing committee may complete the team by assigning "pool" players. Potential team members who attempt to enter after the entry deadline may be unable to join the team.

Note: There is no guarantee that a team will be scheduled to compete if the minimum number of competitors have not entered the games by the online entry system or by submitting a Sports Entry form and paying the Sports Entry fees by the entry deadline or prior to the time the sport reaches capacity.

BRACKETING WEIGHT SPORTS

In all weight class sports, competitors will weigh in before the event. Entrants must enter their estimated weight class and attempt to make weight. However, competitors will be bracketed according to their actual weight at weigh in. (Bracketing/Scheduling "exceptions" apply; see above.)

BRACKETING DEADLINES

Teams must be created and have the minimum number of players on the team by 22 January 2027. Players can be added to the roster after that date.

BRACKETING/ SCHEDULING CONT.

INDIVIDUAL MEN'S, WOMEN'S & UNISEX EVENTS

Men and women shall compete against each other except in sports where separate men's and women's events are offered.

Exception: Women and Men may NOT compete against each other in contact sports.

SEEDING

In events where teams are seeded, the criteria for seeding a team is 50% or more of the players on the team must be returning players from the team that played in the last WPFGE.

UNIFORMS

The following markings are permitted on attire worn during competition:

- Agency, association, and team identification
- Manufacturers brand name as applied by the uniform maker
- Competitors name
- Tasteful advertising, displayed within a rectangular area no larger than 10cm x 22cm (4"x 9").
- Advertising may be sublimated, heat-pressed, or embroidered.
- Colours must be complimentary to the uniform.

Other attire worn by competitors (warm-ups, jackets, hats etc.) may display additional advertising and logos. Any uniform or other attire worn or displayed by any participant must be in good taste and in keeping with the good name of the WPFGE, Host and law enforcement and emergency services.

Violations may result in expulsion from WPFGE venues and/or disciplinary action. Contact the WPFGE if you are unsure about the type of advertising allowed.

MEDALS

Medals will be awarded for 1st, 2nd and 3rd place in all events and shall be presented as soon as possible after the conclusion of each event.

HOST CHANGES OR CANCELLATION OF EVENTS

In line with the WPFGE rules, changes may be necessary in conducting various events. The WPFGE Host and WPFGE reserve the right to make changes such as times, dates and locations of events.

Any sport or event may be cancelled by mutual agreement between the Host and WPFGE. The Host shall initiate steps to notify all entrants and reimburse appropriate fees. If an event is cancelled and an alternate event is not available, entrants will be notified at least two weeks prior to any competition and the entry fees refunded (refer to refund policy).

The WPFGE Host will not be responsible for any cancellations or refunds pertaining to travel and accommodation.

FIREARMS REQUIREMENTS & TRANSPORTATION

The Perth 2027 Games Management Team will collate information and submit Australian permits on behalf of competitors.

SUBJECT TO CHANGE

Please check www.wpfg2027.com for updates.

Firearms and ammunition are regulated in Australia, and requirements differ between states and territories. Importation of firearms and ammunition from overseas is controlled by the Australian Government through the Australian Border Force (ABF). All athletes must comply with:

- Western Australian laws and regulations governing the possession, transport, and use of firearms and ammunition; and
- Australian importation laws regulating the entry of firearms and ammunition into the country.

For questions or assistance, please contact: firearms@wpfg.info

FOR INTERNATIONAL COMPETITORS

To bring firearms into Western Australia for WPFMG competition, two approvals must be obtained before travel:

1. Western Australia Police Force Temporary Permit

Required for any person intending to possess, transport, or use a firearm not already licensed in Western Australia.

This permit must be approved before entering WA.

2. Australian Border Force (ABF) B709 Import Permit

Required for ABF to release firearms, ammunition, or firearm parts when entering Australia.

Applicants must provide documentation such as event confirmation and firearm details as outlined in the B709 application.

Both approvals must be granted before travelling.

- The Temporary Permit authorises lawful possession and use within Western Australia.
- The B709 authorises importation at the Australian border.

Why apply for both together?

- Both approvals are required to bring firearms into WA and use them during the Games.
- Submitting applications together improves processing efficiency.

How the two approvals work

These are separate applications. Obtaining one does not trigger or guarantee the other.

FIRST PORT OF ENTRY - CRITICAL INFORMATION

Under Australian law, the first city you land in is where ABF clears your firearm. ABF requires police certification from that state or territory, even if you are connecting onward to Perth.

Recommendation for WPFMG Competitors

Whenever possible, fly directly into Perth. This avoids the need for additional statebased firearm approvals (e.g., NSW, VIC, QLD police certifications) before ABF can release your firearm.

A list of international routes to Perth is available in the Travel section of this Entry Book.

ATTORNEY GENERAL'S DEPARTMENT & DEPARTMENT OF DEFENCE REQUIREMENTS

Some firearms cannot be imported using a B709 alone. Additional permits may be required for:

- Firearms not eligible for a B709 import permit, such as certain semiautomatic shotguns.
- Importing five or more firearms.
- Team managers responsible for five or more teamowned firearms.

These situations may also require a Defence Export Permit when departing Australia.

ADDITIONAL IMPORT REQUIREMENTS

The WPFPG Perth 2027 Organising Committee will collect the required information and submit permit applications on behalf of competitors. Detailed instructions will be provided after athlete registration.

Registration for firearm events will close 1 December 2026 to ensure WA Police Licensing Services have sufficient time to process permits.

Competitors bringing firearms into Western Australia can refer to the following legislation to understand Australian laws pertaining to firearms:

- Customs (Prohibited Imports) Regulations 1956 (Cth)
- Firearms Act 2024 (WA)
- Firearms Regulations 2024 (WA)
- Weapons Act 1999 (WA)
- Weapons Regulations 1999 (WA)

TRAVELLING WITH FIREARMS ON COMMERCIAL AIRLINES

The Civil Aviation Safety Authority (CASA) requires firearms and ammunition to be transported with lawful authorisation and in compliance with airline requirements.

Summary of airline requirements:

- Airline approval is generally required for ammunition, but not for firearms.
- Ammunition must be packed:
 - separately from firearms,
 - in a locked, hardsided container, and
 - not exceeding 5 kg per passenger.
- Firearms must be:
 - unloaded,
 - made temporarily inoperable (e.g., trigger lock, removed bolt/firing pin), and
 - packed in a locked, hardsided case.
- Airline policies vary by carrier and country. Competitors must confirm requirements directly with their airline(s).
- Competitors must carry all supporting documentation, including permits, when checking in.

STORAGE AND TRANSPORT OF FIREARMS AND AMMUNITION DURING THE GAMES

WPFPG 2027 is committed to ensuring athletes comply with Australian law while enjoying a safe and seamless Games experience.

Detailed guidance on secure storage and transport of firearms during Games time will be provided once registration opens.

TRAVEL BEFORE OR AFTER THE GAMES

Australian firearms laws differ between states and territories. If you plan to travel outside Western Australia before or after the Games:

- You may need a Temporary Permit for each additional state you enter.
- If you wish to travel within WA but prefer not to carry your firearms, WPFPG can provide a list of licensed WA firearms dealers offering secure storage.

Contact: firearms@wpfg.info

LEAVING AUSTRALIA - IMPORTANT STEPS

When departing Australia, competitors must:

1. Declare all firearms at airline checkin.
2. Ensure all firearms, accessories, and ammunition are listed on import and export documents.
3. Retain your Temporary Permit, obtain a Restricted Goods Permit (RGP) and Export Declaration Number (EDN) via the Export Declaration application paperwork.
4. Present export documentation (RGP & EDN) at your final Australian departure airport.
5. Note: ABF prefers ammunition to be consumed rather than exported.

RESTRICTED OR PROHIBITED FIREARMS & AMMUNITION

The following items are prohibited or require special approval:

Prohibited Handguns

- Over .45 calibre
- More than 10round magazine capacity
- Barrel lengths:
 - Pistols under 120 mm
 - Revolvers under 100 mm

Category C Firearms

(AG/Defence Permit Required)

- Selfloading shotguns (five rounds or fewer)

Other Prohibited Firearms

Includes, but is not limited to:

- Rapid-release / button-release action firearms
- Large calibre rifles such as:
 - .460 Steyr, .375 CheyTac, .416 Barrett, .408 CheyTac, .50 BMG, .55 Boys
 - .340 Weatherby Magnum, .28 Nosler, .330 Dakota, .338 Lapua
 - .300 Lapua Magnum, .338-404 Jeffery, .338 Norma Magnum
 - .338-378 Weatherby Magnum, .338 Edge, .30-378 Weatherby Magnum
 - .300 Norma Magnum, .375 ASquare, .375 Gibbs

Ammunition Restrictions

- Frangible ammunition is prohibited.

COMPETITOR CONDUCT REQUIREMENTS

INTIMIDATION

Competitors shall not intimidate or attempt to influence a sports coordinator or sport officials regarding rule changes. Taking a vote of competitors or otherwise obtaining a consensus of competitors to make rule changes is not allowed.

LATE COMPETITORS & SCHEDULING

Competition will adhere to scheduling as published, referred to, in the confirmation letter. Sports, events, games and/or matches will not be delayed accommodating late competitors. Some sports have grace periods in the rules. The host shall adhere to those rules.

UNSPORTSMANLIKE CONDUCT

Unsportsmanlike conduct will not be condoned before, during, or after competition. Any behaviour that discredits the WPFPG, or law enforcement and emergency services in general will not be tolerated. Any physical or verbal assaults on officials, competitors, spectators or coordinators will result in the individual being stripped of their accreditation and the matter referred to the Western Australia Police.

Unsportsmanlike conduct of non-competitor law enforcement officers and firefighters or other supporters may reflect on their competitor associates and the continued participation of that individual or team.

ALCOHOL & DRUGS

Competitors are prohibited from consuming alcoholic beverages during competition and alcoholic beverages are prohibited from the field or area of competition.

Controlled substances are prohibited from being used unlawfully by any person associated with the WPFPG. No participant may compete in any WPFPG sport/event "under the influence" of alcohol or a controlled substance. If such a condition is suspected, the participant shall be removed from competition and an immediate inquiry shall be conducted by the host.

UNLAWFUL ACTIVITY

All persons who are associated with the WPFPG shall abide by all local, state and national laws that apply to those in attendance at the WPFPG. Unlawful activity during this time will result in disqualification from competition and/or in the reporting of the activity. This may further result in exclusion from all future WPFPG events.

GAMBLING

Gambling: No gambling of any kind will be permitted during the WPFPG.

CHEATING & SANDBAGGING

Cheating and sandbagging is prohibited. Sandbagging is the term used to define the intentional efforts of a competitor in a sport divided into skill levels to gain an advantage by competing in a lower skill level than he /she belongs. Example: intentionally submitting or omitting scores that determine handicap in golf that unjustly raises the handicap.

PROTESTS AND APPEALS

PROTESTS

All protests must be lodged with the sport coordinator or his/her designee immediately after violation. If the protest cannot be resolved by the coordinator, the competition will be allowed to proceed under protest. The protest shall then be submitted in writing to the WPFGE within 8 hours of the initial protest. If the presentation of awards is affected by the possible results of the protest, the awards shall be withheld pending the WPFGE decision. All decisions by the WPFGE are final, unless appealed as outlined.

APPEALS

When any action is taken against a competitor in the games that is of such a nature that the need for such action is not immediate, the recipient is entitled to a hearing before the WPFGE prior to action being taken. Competitors in such a situation will be given written instructions on how to appeal.

FAMILY & FRIENDS ACCREDITATION

Bring your biggest cheer squad with you to the Perth 2027 WPFGE!

We know how important your supporters are, so, we've created a Family & Friends Accreditation that lets them join in on the excitement and experience the Games right alongside you.

Here is a sneak peek of the goodies they'll collect when they visit the Games Hub to collect their accreditation:

- A unique Family & Friends Accreditation, their all-access pass to the fun
- A limited-edition Games bag made just for Family & Friends
- Free entry to the Perth 2027 WPFGE Opening Ceremony

- Access to the Athletes Village to soak up the energy and atmosphere
- Free travel on all Transperth services - buses, trains, and ferries
- Complimentary rides on WPFGE shuttle buses across Games venues

Only \$35 USD per Family & Friends Accreditation.

Enjoy free entry to all Perth 2027 WPFGE venues.

Let your supporters celebrate every moment with you, the more cheering, the better!

SHOULDER TO SHOULDER

The background is a solid yellow color. Overlaid on this is a large, stylized white graphic that resembles a logo or a stylized letter 'E'. It consists of several thick, white, curved lines that form a complex, geometric shape. The lines are arranged in a way that suggests a shield or a stylized letter, with a central opening and several protruding sections. The overall effect is modern and dynamic.

PERTH 2027 WPFG ATHLETE ENTRY BOOK

MEDICAL

The Perth 2027 Medical Team led by St John Western Australia welcomes all competing athletes to the 2027 World Police and Fire Games. Our number one priority is the safety and welfare of all athletes. To ensure you have an exceptional Games experience, please take note of the following advice.

MEDICAL CARE

It is strongly recommended you purchase travel insurance with medical coverage before travelling to Australia. This is the best way to protect yourself in case of illness, injury, or an unexpected medical emergency. If you are unsure which insurance provider to choose, your local embassy may be able to assist. If investing in travel insurance, make sure it provides adequate cover for the sport/s you will be participating in.

A basic level of medical care will be available at competition venues throughout the Games.

If you require an ambulance transfer to hospital, please note that the cost must be paid by the athlete.

WA Health provides emergency and urgent treatment to everyone, regardless of Medicare eligibility.

If you are eligible for Medicare, you can receive medically necessary treatment free of charge in WA public hospitals. This includes:

- Australian citizens and permanent residents
- Visitors from countries with a Reciprocal Health Care Agreement (RHCA) with Australia, including: United Kingdom, New Zealand, Ireland, Sweden, Finland, Norway, Belgium, Netherlands, Slovenia, Italy, and Malta.

“Medically necessary” treatment refers to illnesses or injuries that occur while you are visiting Australia and require care before you return home.

If you are not eligible for Medicare and not covered by an RHCA, you must pay for any treatment received in WA public hospitals. These charges may include fees for emergency care, hospital stays, outpatient services, radiology, pathology, and other medical services, as set out in the WA Health Patient Fees and Charges Manual 2025-2026.

All overseas visitors attending the 2027 Games should:

- Check if you are eligible for Medicare or covered under a Reciprocal Health Care Agreement (RHCA)
- Purchase comprehensive travel insurance before arriving in Australia
- Keep your insurance documents easily accessible in case you need medical care

CONCUSSION POLICY

A concussion is a type of traumatic brain injury that interferes with normal brain functioning. Perth 2027 WPFPG will be enforcing a strict concussion policy for all athletes. If an athlete has a suspected concussion, they will be removed from practice/competition immediately by a member of the Medical Team or Sports Coordinator.

Upon being removed from practice/competition, the Medical Team will assess the athletes ability to return to play using the following evaluation criteria.

SYMPTOM EVALUATION - PHYSICAL EXAM

If the Medical Team assesses the athlete and deems them unfit for competition due to concussion, the athlete will be immediately suspended from playing. The Medical Team or Sports Coordinator will suspend any athlete immediately upon being made aware of an injury resulting in unconsciousness, no matter how short the duration of unconsciousness. If medical personnel are present, they will make an assessment, otherwise the Sports Coordinator's personal observations or other credible evidence will be required.

An athlete who has experienced any duration of unconsciousness or has been diagnosed with a concussion by the Medical Team, shall not be permitted to participate in any sports events until they provide a written clearance from an official Perth 2027 WPFPG Medical Team physician.

These policies will be strictly enforced and failure to follow these rules may result in disqualification from the competition.

MEDICAL FACILITIES

A list of local medical facilities will be available at every sports venue and at the Registration & Accreditation Centre. There is also a link on the Games website.

MEDICAL RELEASES

BOXING

All boxing entrants are required to submit a current medical release in the form of the World Boxing "Boxers Medical Certificate". The medical form must be signed by a licensed physician and be based on a physical examination performed within six months of competition.

The World Boxing "Boxers Medical Certificate" form will be available for download during the registration process.

WRESTLING

All wrestling entrants must submit a WPFGE Federation "Report of Medical Examination" form. The medical form must be signed by a licensed physician and be based on a physical examination performed within six months of competition.

The WPFGE "Report of Medical Examination" form will be available for download during the registration process.

To reduce the spread of infectious diseases, each wrestling entrant must undergo a skin check which will be performed by a member of the Perth 2027 WPFGE Medical Team.

MARTIAL ARTS

JUDO, KARATE, JIU JITSU, TAEKWONDO

All entrants for the abovenamed sports must submit a WPFGE Federation "Report of Medical Examination" form. The medical form must be signed by a licensed physician and be based on a physical examination performed with six months of competition.

The WPFGE "Report of Medical Examination" form will be available for download during the registration process.

WEATHER ACCLIMATION

Athletes travelling to Perth, Western Australia should prepare to acclimate to the warm early autumn conditions typically experienced during March.

During this period, Perth generally records daytime temperatures ranging from the mid 20s (57–67°F) to low 30s Celsius (79–89°F), with overnight lows dropping into the mid teens.

To adapt safely and effectively, athletes are encouraged to arrive several days prior to competition to allow progressive exposure to the heat, gradually increasing training intensity during warmer parts of the day to build heat tolerance.

Maintaining consistent hydration, electrolyte balance, and sun protection remains essential, as does scheduling adequate rest and recovery to support the body's adjustment. These strategies will help athletes optimise performance while mitigating heat related stress in Perth's warm March climate.

DEHYDRATION INFORMATION

It is important to stay hydrated and covered from the sun to avoid your body overheating. Water will be readily available at each venue.

Signs of heatstroke include:

- High body temperature
- Hot, red, dry skin
- Rapid and strong pulse
- Dizziness
- Possible unconsciousness
- Nausea
- Confusion

Signs of heat exhaustion include:

- Heavy sweating
- Weakness
- Cold, pale, clammy skin
- Fast/weak pulse
- Nausea or vomiting
- Fainting
- Muscle cramps

Important tips to prevent heat-related illnesses/dehydration:

- Drink plenty of water, often. Do not wait until you are thirsty to drink
- Begin drinking water before going into the heat
- Avoid alcohol or sugary drinks
- Apply and reapply sunscreen according to the package recommendations
- Wear a wide brimmed hat and loose, lightweight clothing
- Find a shady spot or air-conditioned room to take a break
- Use of cooling towels during competition or assist with temperature regulation
- Seek immediate medical attention if you or someone with you is showing symptoms of a heat related illness

HEAT STRESS POLICY

Assessment of heat stress risk will be based on a heat balance model that determines the combination of temperature (measured in the shade) and humidity at which critical levels of heat stress risk to health are predicted to occur.

All included sports are split into four "risk classification" groups according to the combined effects of exercise intensity and clothing/equipment worn.

Sports Coordinators in consultation with Sports Managers, Risk Management Director and Sports Director will predict the heat risk associated with participation in a relevant sporting classification based on the temperature and humidity for the location where competition or practice will be taking place.

When heat stress indicators are determined utilising the 'Sport Risk Classification' and 'Heat Risk Rating' the following action is required:

Low Risk:

- Maintaining hydration through regular fluid consumption
- Seek shade when possible

Moderate Risk:

- Extended scheduled rest breaks (e.g. half-time) by 10 minutes
- Additional rest breaks will be implemented. For example, 3 to 5-min "quarter-time" breaks will be introduced mid-way through each half, or an extended 10-min drinks break can be introduced at more frequent intervals
- For sports with continuous play without any scheduled breaks, courses or play duration will be shortened

High Risk:

In addition to strategies for Moderate Risk the following will be implemented

- Active cooling strategies will be enforced
- Ice buckets/baths will be available to submerge arms/feet
- Ice packs/towels will be available to place around the neck
- Medical staff will be on site to monitor athletes. Any athlete displaying signs of heat stress may be removed from competition

Extreme Risk:

- When the heat stress risk is extreme, play will be suspended. If play has commenced, then all activities will be stopped as soon as possible
- All players should seek shade or cool refuge in an air-conditioned space if available
- Arrangements will be made to delay/postpone the start of the event

BE SUN SMART

Perth experiences very high ultraviolet (UV) levels throughout March, even though temperatures begin to moderate slightly from peak summer conditions.

Perth's UV Index in March is typically in the Very High to Extreme range (UV 8–11+). Because UV levels of 8+ can cause skin damage in minutes, sun protection is recommended whenever the UV Index is 3 or above.

During March in Perth, this means:

- Sunscreen (SPF 50+)
- Hat
- Sunglasses
- Shade during the day
- Protective clothing

The UV Index is a simple tool to help you understand how strong the sun's UV radiation is and how quickly it can damage your skin.

Please consider purchasing and using sport specific sunscreen and re-apply regularly.

INTERNATIONAL VISITORS

Visitors to Australia must apply for an appropriate visa in order to be approved entry into Australia.

For any queries related to visas, please email visa@wpfg.info

VISA TYPES

AMATEUR COMPETITORS & SUPPORT PERSONNEL

You are considered an amateur if you:

- Compete, train, or participate without pay (including no prize money equal to a salary), and/or
- Do not earn an income from your sport, or your sport is not your usual occupation.

If you are an amateur athlete, coach, judge, official, or support person, you may be eligible for one of these visa options:

VISITOR (SUBCLASS 600)
TOURIST STREAM VISA

ELECTRONIC TRAVEL AUTHORITY
(SUBCLASS 601) ETA

EVISITOR (SUBCLASS 651)
TOURIST STREAM VISA

Important Notes:

- Eligibility for the ETA and eVisitor depends on your passport country.
- You must provide documents proving amateur status (e.g., a letter from your employer confirming your occupation, length of employment, and approved leave)
- Visitor visa applicants should provide as much supporting information as possible, including:
 - Evidence of previous international travel (passport stamps/visas)
 - Proof of participation in similar events

SPECTATORS & ACCOMPANYING FAMILY MEMBERS

If you are coming to Perth as a spectator or accompanying family member, you may be eligible for:

VISITOR (SUBCLASS 600)
TOURIST STREAM VISA

ELECTRONIC TRAVEL AUTHORITY
(SUBCLASS 601) ETA

EVISITOR (SUBCLASS 651)
TOURIST STREAM VISA

Important Notes:

- Eligibility for ETA or eVisitor depends on your passport country.
- Visa rules may change at any time.
- International Event Coordinator Network (IECN) does not guarantee your visa will be approved.
- All applicants must meet Australian visa requirements in full.

SUPPORT STAFF (Unpaid Volunteers)

Coaches, managers, medical personnel, officials, and referees who are supporting an amateur athlete or team as unpaid volunteers may also apply for:

VISITOR (SUBCLASS 600)
TOURIST STREAM VISA

ELECTRONIC TRAVEL AUTHORITY
(SUBCLASS 601) ETA

EVISITOR (SUBCLASS 651)
TOURIST STREAM VISA

These applicants must provide a signed letter or statement from the team or sports federation confirming their volunteer role.

PROFESSIONALS WORKING IN THEIR USUAL OCCUPATION

If you are participating in the Games as part of your professional occupation (e.g., coach, official, referee, medical professional).

Professionals working in their usual occupation may need one of the following visas:

TEMPORARY WORK (SUBCLASS 400)
SHORT STAY SPECIALIST VISA

TEMPORARY ACTIVITY
(SUBCLASS 408)
INVITES PARTICIPANT VISA

Important Notes:

- A letter of support from an Australian organisation is required for the 408 visa.

BIOMETRICS

If you are applying for an Australian visa from outside Australia, you may need to provide biometrics. This applies if:

- Your visa type is part of Australia's biometrics program, or
- You are a citizen of, or located in, a country that is part of the program at the time you apply.

For full details, including the list of visas and countries that require biometrics, visit:

DEPARTMENT OF HOME AFFAIRS
BIOMETRICS

HEALTH & CHARACTER REQUIREMENTS

HEALTH

Most visa applicants must meet Australia's minimum health standards. The Department of Home Affairs may assess your health as part of your application. More information:

DEPARTMENT OF HOME AFFAIRS
HEALTH

CHARACTER

All applicants must be of good character to be granted an Australian visa. More information:

DEPARTMENT OF HOME AFFAIRS
CHARACTER REQUIREMENTS
FOR VISAS

VISA APPLICATION PROCESS AND PROCESSING TIME

Visa applications are assessed individually. Processing times vary depending on:

- How quickly applicants respond to requests for additional information
- Time needed to complete required checks
- How long it takes to receive information from external agencies (health, character, security)
- When the application is lodged, based on global processing times
- Changes in application volumes or government priorities

For current processing time information:

DEPARTMENT OF HOME AFFAIRS
VISA PROCESSING TIMES

Lodgement Advice

To avoid delays, applicants are advised to submit visa applications at least 4–6 weeks before their intended travel date. Travellers should also review Australia’s border and entry requirements at: immi.homeaffairs.gov.au/entering-and-leaving-australia/entering-australia

International Event Registration

The 2027 WPFGB has been officially registered as an International Event with the Australian Government.

After participants register for the Games:

- Their biodata will be provided to the International Event Coordinator Network (IECN)
- This helps support faster assessment by Australian visa offices overseas

We strongly recommend that international competitors, family members, friends, and support staff register early so their visa applications can be processed in time.

VISITOR INFORMATION

DRIVING

- International visitors must carry both:
1. Your valid overseas driver's licence
 2. One of the following:
 - An International Driving Permit (IDP), or
 - A certified English translation of your licence.

This requirement applies across all Australian states and territories.

An English translation must be official, such as one completed by a NAATI certified translator (National Accreditation Authority for Translators and Interpreters) or certified by your embassy. Many Australian road authorities specifically require NAATI certified translations for your licence to be recognised.

Carrying an IDP or certified translation ensures police, rental agencies, and insurance providers can verify your driving credentials. Driving without one may result in fines or insurance issues.

Key Road Guidelines

- Australian's drives on the left-hand side of the road.
- The driver sits on the right-hand side of the vehicle.

Key Road Rules

- Seatbelts must be worn by all passengers.
- Mobile phones may not be used while driving unless handsfree.
- Driving with a blood alcohol content over 0.05% is illegal.
- Speed limits are enforced.
- At roundabouts, give way to vehicles on your right.
- Pay attention to parking signs - fines apply for unpaid parking.

- Children under seven years must use an approved child restraint or booster seat.

EMERGENCY SERVICES

Dial 000 (Police, Ambulance, Fire). If you require Police assistance, and it is not an emergency please call 131 444.

INTERNATIONAL AREA CODE

To call Perth from overseas: +61 (e.g., +61 456 789 012)

Within Western Australia:
Local numbers begin with (08)
(e.g., 08 9123 4567)

MOBILE PHONE NETWORKS

The easiest way to get mobile data in Australia is to purchase a Prepaid SIM (pay as you go plan) or an ESIM.

- Available at supermarkets, convenience stores, the airport, and phone retailers.
- You must show your passport to purchase a SIM.
- Ensure your phone is unlocked and supports GSM/LTE and Australian frequency bands.

Major mobile networks include:

- Telstra
- Optus
- Vodafone
- Pivotel
- Amaysim, Boost, Aldi Mobile

It is recommended for international calls, choose a SIM with international minutes or use apps such as WhatsApp over WiFi.

CURRENCY

The Australian currency is the Australian Dollar (AUD).

- Card payments (Eftpos/tap and go) are accepted almost everywhere
- Cash is still widely accepted, with ATMs and currency exchange booths available in the city and major shopping areas

Travelex offers several options at Perth Airport, including:

- Purchasing foreign currency in-store
- Ordering online and collecting at the airport
- Withdrawing foreign cash at Foreign Currency ATMs

GOODS & SERVICES TAX

GST is a 10% tax added to most goods and services sold in Australia, already included in the displayed price.

TOURIST REFUND SCHEME (TRS)

For international travellers departing Australia, the Tourist Refund Scheme (TRS) allows eligible travellers to claim back the Goods and Services Tax (GST) and Wine Equalisation Tax (WET) paid on certain goods purchased in Australia and taken with you when you leave the country.

Eligibility Requirements

To make a TRS claim, you must:

- Have spent 300 AUD or more (including GST) from the same retailer with one ABN.
- Have purchased the goods within 60 days prior to your departure
- Carry original tax invoices written in English (photos, photocopies or reprints are not accepted).
- Be departing Australia and willing to present the goods, if requested, at the TRS facility.

Goods You Can Claim

Eligible goods must be:

- Purchased in Australia,
- New and unused at the time of departure,
- Taken on board as carry on luggage, unless oversized or required to be checked under aviation security rules.

Note: Services such as hotels, food, tours, and GST free goods cannot be claimed.

How to Make a TRS Claim

- Present your passport, boarding pass, eligible goods, and original tax invoices at the TRS facility.
- Arrive with enough time before departure:
 - At least 30 minutes prior to an international flight, or
 - 1–4 hours before departure from a seaport

TIPPING

Tipping is not customary in Australia. You may choose to tip for exceptional service, but doing so is not expected.

SMOKING

Many event venues in Perth are smoke-free. Smoking is not permitted inside bars, restaurants, or on public transport.

Please note the Athletes Village will be a smoke-free venue.

ACCESSIBILITY

Public transport in Perth is accessible for people with disabilities and those using wheelchairs.

The Games Hub at the PCEC has elevators and accessible facilities.

Please check individual venues and hotels directly for their accessibility options.

LOCAL TIME

Perth operates on Australian Western Standard Time (AWST), which is UTC +8 all year.

Perth does not observe daylight savings.

Countries in the same time zone include: Singapore, Malaysia, China, Philippines, Mongolia, parts of Indonesia, Macau, and Hong Kong.

WEATHER

March is the start of autumn in Perth. Expect:

- Average daytime highs: Around 30°C (86°F)
- Average overnight lows: Around 18°C (64°F)
- Sunrise between 6:05am and 6:15am
- Sunsets between 6:40pm and 6:55pm, perfect for photos.
- Relatively low rainfall, average 17-20mm

For further weather-related information, including acclimation, heat stress and sun safety please refer to the Medical section of this Entry Book.

LANGUAGE SERVICES

Western Australia is one of Australia's most culturally and linguistically diverse states, with people from more than 200 countries living in Perth.

This diversity influences the city's food culture, art scene, festivals and social identity, making Perth a vibrant cultural hub.

Translation services will be available at the Games Hub.

Please check our website closer to the Games for further information on the services we will offer.

TRANSPORTATION

TRANSPORTATION FROM THE AIRPORT

Perth Airport has four terminals - T1, T2, T3 and T4.

- T1 and T2 sit together in the Airport Central precinct, with most international flights arriving at Terminal 1.
- Airport Central Station, located between T1 and T2, provides a direct train connection from the airport to Perth Station in the CBD.
- A smaller number of international flights may arrive at Terminal 3, while domestic arrivals may use T2, T3 or T4, especially if Perth is not your first entry point into Australia.

If You Arrive at Terminals 3 or 4

A Transperth shuttle bus (Route 292) operates directly outside T3/T4. This short shuttle service takes you to Redcliffe Station, the next stop after Airport Central on the Airport Line.

From there, it is easy to continue your journey into the city.

Train Frequency & Travel Time

- Travel time from Airport Central Station to Perth Station is approximately 20 minutes.
- Trains run every 12–15 minutes during peak times and about every 30 minutes offpeak.
- The Airport Line operates daily from 5:45am to 1:00am.

TAXI & RIDESHARE

Taxi and Rideshare services are readily available from all airport terminals. Taxis accept payment by card and wait in a designated area at the terminal exit doors. No pre-booking is required for taxis. Rideshare services are pre-booked via the companies APP and require you to wait in the designated area.

The common rideshare companies in Perth are:

- UBER
- DIDI
- OLA

Perth taxi companies are:

- 13CABS (13 13 30)
- Black & White Cabs (13 32 33)

PUBLIC TRANSPORT

Perth's public transport system, Transperth provides the metropolitan region with a variety of bus, train, and ferry services, with all-inclusive features such as ramps and railing.

Fare systems allow passengers to use any combination of bus, train, and/or ferry service anywhere on the Transperth network, with fares charges dependant on the number of sections or zones travelled. Transperth passengers can pay by card, cash or alternatively by a reuseable smart card called a SmartRider, allowing users to pay their fare by tapping on and tapping off.

Please note that the misuse of Smartriders and/or failure to present a valid ticket may result in an infringement by transit authorities.

For more information regarding routes and fares please see the Transperth website at transperth.wa.gov.au

BUS

Perth's bus system is comprised of hundreds of routes covering the metropolitan area including the free Central Area Transit (CAT) buses in the CBD, Fremantle, Joondalup and Stirling. Key services often link with Perth trainlines.

Additionally, there are buses that provide services out of these areas for a fee. These buses operate using a number system.

TRAIN

Perth's extensive train system operates eight railway lines that link to Perth suburbs. Elizabeth Quay train station is located immediately next to the Games Hub at the PCEC.

FERRY

Elizabeth Quay Jetty in the Perth CBD operates the Transperth ferry services across the Swan River, between Elizabeth Quay Jetty and Mends Street Jetty in South Perth. This picturesque route taking 8-10 minutes, connects the city's heart to South Perth.

All accredited Games participants including athletes, family and friends and volunteers will receive a Commemorative Games Smartrider free of charge at accreditation which will enable them to travel for free on Transperth services during the Games.

WPFG SHUTTLES

Shuttle buses will provide registered participants easy access to venue precincts and event locations. A full schedule will be posted to the Perth 2027 website once finalised.

WPFG shuttles will provide a service to participants, travelling from a general meeting point, either:

- On a route travelling to and from the specific location of a singular sporting event both prior to the start of the competition and at the completion of the competition.
- On a route stopping at all sporting event locations taking place in the sporting precinct. This route will be recurring throughout the day.

Please note specific precinct routes will be dependant on what sports/events are occurring that day.

Sporting precincts providing shuttle services are:

CHAMPION LAKES PRECINCT

WPFG Shuttle leaving from Kelmscott Train Station

JOONDALUP PRECINCT

This WPFG shuttle leaves from various train stations depending on the sport including:

Whitfords Train Station
Greenwood Train Station
Joondalup Train Station

The background is a solid yellow color. A large, stylized white logo is centered on the page. The logo consists of several thick, white, curved lines that form a complex, abstract shape. It resembles a stylized letter 'E' or a similar geometric form, with multiple concentric and overlapping curves. The lines are thick and have a slight shadow effect, giving the logo a three-dimensional appearance.

EVENT INFORMATION

The Golf tournament will be played over four venues.

This is an AMATEUR only tournament. Athletes must submit a current, verifiable Handicap in order to participate and must provide proof of their most recent 10 rounds/scores of competition results.

Please note there will not be a separate scratch competition.

Early entry is recommended as the maximum number of registrations is 480

DIVISIONS

SINGLES EVENTS

Men's & Women's age divisions:
18+ 30+ 50+ 65+

A competitor over the age of 50 or 65 years may compete in the 18+ 30+, 50+ or 65+ but ONLY one age division.

TEAM EVENTS

Unisex, 2 person teams
Age divisions: 18+ 30+ 50+ 65+

For both the singles and team events, there will be 3 divisions; A, B and C. The specific handicap for each grade will be determined at bracketing once the entries are received.

Divisions are as close as possible to one third of the competitors so they are equal. If team members are in different grade and/or age divisions, that team should be paired with another mixed team of the same grade if possible. If there are no other mixed teams of the same grade, the mixed team should be paired with a team in the same grade as the Golfer with the higher Index number on the team. When no other alternative is available, the mixed team will have to be paired with a team in the same grade as the Golfer with the lower Index number.

SCORING

The competition will be run using the Stableford system.

A player's individual Index number will be used to score each round.

Division Team scoring: All members of each team play their own balls on each hole. At the completion of the hole, the highest point score among the two team members serves as the team score.

HANDICAP INFORMATION

Golfers must have an R&A/USGA Index number/handicap or the equivalent from their country and must provide their membership (GHIN) number or a copy of their Handicap card which verifies that Index number. Competitors must provide proof or their 10 most recent rounds/scores of competition results. Golfers entering any events must show proof of ID.

WPFGF will authorize a "Handicap Review Committee" whose members will be chosen in advance of the competition. Committee members will review all participants' Handicap history that is available. This committee reserves the right to adjust Index numbers of golfers who have a history of scoring well below their Handicap, or for countries that do not have a rate/slope system. The Handicap Review Committee can re-handicap any individual after the first and/or second day of play if their score is considered to not reflect their handicap/index.

Returning golfers from either or both of the past WPFG/USPFC will use their tournament handicap. This Index will be established by the scores shot in one or both of the past WPFG/USPFC. If their current Index is lower, it will be used. Entrants' actual "LI", (Low Index) will be used unless adjusted by the "Handicap Review Committee". If entrant has two numbers from two different clubs the lowest must be used.

Please note no guests or caddies may accompany golfers throughout the event.

Transport of golf clubs will be offered daily between courses.

AWARDS

There will be a gala medal presentation taking place on the evening of the last day of competition at the Joondalup Resort Country Club. More details will be available closer to the date.

DIVISIONS

- Master 93.00 and above
- Expert 88.00 to 92.99
- Sharpshooter 82.00 to 87.99
- Marksman Equal or below 81.99

WPFG Classifications will be used. A competitor without an established WPFG classification may use their official national classification score card or Score Record Book to receive an "Assigned Classification".

Any competitor without an established WPFG classification who cannot present such evidence will shoot their individual event. The score they obtain will be used to determine their proper classification. This classification will also be used for the team event.

The WPFG reserves the right to reclassify any shooter based upon "known ability" or other evidence to the skill of the individual.

EVENTS

INDIVIDUAL unisex, 18+
▪ ISSF 10 Metre Air Pistol Individual

TEAM unisex

- A Division: Master and Expert
- B Division: Sharpshooter and Marksman

Team score will be an aggregate of individual event scores, combined as a team.

EQUIPMENT

Competitors are responsible for supplying firearms and ammunition.

Please see FIREARM IMPORT, REGISTRATION & TRANSPORTATION REQUIREMENTS on page 40.

Australian law restricts the importation of some firearm types & ammunition into Australia, even for the purposes of a sporting competition. Prohibited firearms will be seized and forfeited by border officials. Please see wpfg2027.com for link to up-to-date information.

Perth 2027 will assist all competitors with the import, export and required to enter Australia and the temporary licensing paperwork for Western Australia.

Competitors **MUST** supply their own: **ear protection** - Earmuffs, ear plugs or protectors, passive or electronic, **and eye protection** - In the form of shatterproof shooting glasses or similar. Protective equipment will be checked by the Equipment Control Official. Ear and eye protection is mandatory.

FIREARMS

Any 4.5 mm (.177 cal) compressed air, CO2 or pneumatic air pistol that complies with the following requirements may be used:

- 1) The weight of the pistol with all accessories must not exceed 1500g (3.3 lbs.)
- 2) The trigger pull must be at least 500g (17.6 oz), measured with the barrel vertical.
- 3) No part of the grip or accessories may encircle the hand. The heel rest must extend at a right angle not less than 90 degrees to the grip. Any upward curvature of the heel and/or thumb rests and/or downward curvature of the side opposite the thumb is prohibited. The thumb support must allow free upward movement of the thumb. However, curved surfaces on the grips or frame, including the heel and/or thumb rest in the longitudinal direction of the pistol are permitted.
- 4) The overall size of the pistol is limited to those dimensions that will permit the pistol to be enclosed completely in a rectangular box having maximum inside dimensions of 420mm by 200mm by 50mm. A manufacturing tolerance of +0.5mm to 0.00mm in the dimensions of the box will be permitted. In the case of semiautomatic air pistol, the magazine need not be fitted for the box test.

- 5) Ported barrels and perforated attachments for air pistols are allowed, provided pistols comply with all other requirements, including dimensions.
- 6) Movement or Oscillation Reduction Systems-any device, mechanism or system that actively reduces, slows or minimizes pistol oscillations or movements before the shot is released is prohibited.

Ammunition: Pellets must be made of lead or similar soft material. Only 4.5mm (.177 cal) pellets may be used. Ammunition will be available for purchase by competitors prior to competition, further information will be provided after registration.

Competitors **MUST** use only equipment (firearms, accessories, ammunition, devices) and apparel that comply with ISSF rules. The competitor is responsible for submitting all equipment and apparel for official inspection and approval to a WPFGE Equipment Inspector prior to competition.

EVENT INFORMATION

Competitors **MUST** be qualified (i.e. some type of formal training for safety purposes) with their firearms and familiar with range safety.

Attendance at scheduled practice and all range safety briefings are mandatory for all competitors.

Three PPC World Association Matches will be shot:

1500 match

A precision pistol match built around a maximum possible score of 1500 points, achieved by firing 150 shots at distances ranging from seven to 50 yards in multiple shooting positions.

Distinguished Police Match

The 60 round NRA National Police Course shot with strictly regulated, factory standard firearms.

Stock Service Match

A 48 shot event designed to be fired with standard, duty type revolvers or semi-auto's between three and 25 yards in multiple shooting positions.

Competitor numbers will be capped at 150.

DIVISIONS

WPFGE Classifications will be used.

High Master: 1485-1500

Master: 1472-1484

Expert: 1452-1471

Sharpshooter: 1405-1451

Marksman: 1351-1404

Classified: 1350 & below

A competitor without an established WPFGE classification may use their official national classification score card or Score Record Book (NRA or WA1500 classification) to receive an "Assigned Classification".

Because WA1500 skill classifications do not correspond to NRA classifications, an individual's average score as recorded here

<https://wa1500.org/rangliste.php> will be used to assign a classification for the competition.

Any competitor without an established WPFGE classification who cannot present such evidence will shoot their individual event. The score they obtain will be used to determine their proper classification. This classification will also be used for the team event.

The WPFGE reserves the right to reclassify any shooter based upon "known ability" or other evidence to the skill of the individual.

Awards will be given in two categories for each 1500 match:
Open and Stock Service firearm.

Optic sight categories will be included in the 1500 and Stock Service matches. NRA classification rules and scores will be used.

PISTOL - POLICE PISTOL COMBAT (PPC)

Approved Duty Optics pursuant to NRA Police Pistol Combat Bulletin 19.1 must be used. Note that Australian Law prohibits the use of any calibre greater than .38 for PPC competitions. 40 calibre and above are prohibited.

Magazines: Magazines with capacity greater than 10 are prohibited in Western Australia and prohibited to import into Australia. Competitors will need to source magazines with a capacity of ten rounds or less. It is recommended that competitors source a minimum of six magazines for PPC to allow for firearm and magazine malfunction contingencies.

PISTOL - POLICE PISTOL COMBAT (PPC)

Holsters: A conventional right or left-handed holster must be used. For safety reasons, shoulder, cross draw, or holsters which require releasing by insertion of finger within the trigger guard will not be allowed. Semi-Automatic pistol holsters must completely cover the trigger. (NRA rule 3.14). Please note Australia has further restrictions on holster set up which will be articulated closer to the games.

PRECISION RIFLE

A Class: 90% or better
B Class: 80% - 89%
C Class: Equal or below 79%
D Class: Those who are first time shooters in this competition

Precision rifle shooting is a dynamic long-range rifle discipline where competitors engage electronic or steel targets placed at varying distances, using a variety of supported and unsupported shooting positions.

RIFLE - LARGE BORE

PRECISION RIFLE CONT.

Stages require shooters to move safely between positions, use obstacles or props for stability, and fire accurately under strict time limits, testing their marksmanship, problem solving, and ability to quickly build stable shooting platforms.

Eight courses of fire will be offered. Separate events will be offered for:

- Historic Rifle (Service),
- NATO Class,
- Open Class.

There will be NO separate classifications as in High Power Rifle.

EVENTS

WPFG MATCH - 300 meter, 60 shot, prone, electronic targets.

Separate events will be offered for:

- Any Rifle (inclusive of Sporter Class),
- Standard Rifle
- F-Class Open (F/O)
- F-Class (T/TR)

HOST COUNTRY MATCH - 300, 500 and 600 meter 45 shot, prone, electronic targets.

Separate events will be offered for:

- Standard Rifle (inclusive of Sporter Class)
- Target Rifle/Palma Rifle
- F-Class Open
- F-Class Tactical/Restricted

Please note: Service Rifles per the NRA and CMP definition are prohibited firearms within Australia.

Perth 2027 will not be offering Service Rifle as an event.

TEAM; UNISEX

Team score will be an aggregate of Individual event scores, combined as a team.

TEAM WPFG MATCH & HOST COUNTRY MATCH

Separate team competitions offered based on the individual score of the concurrent match.

A Division: High Master, Master
B Division: Expert, Sharpshooter and Marksman

TEAM PRECISION RIFLE

A Division: 2 person teams from the same agency.

B Division: 2 person combined agencies or pool players.

WPFG Classifications will be used. A competitor without an established WPFG classification may use their official national classification score card or Score Record Book to receive an "Assigned Classification".

Any competitor without an established WPFG classification who cannot present such evidence will shoot their individual event. The score they obtain will be used to determine their proper classification. This classification will also be used for the team event.

The WPFG reserves the right to reclassify any shooter based upon "known ability" or other evidence to the skill of the individual.

EQUIPMENT

Competitors are responsible for supplying firearms and ammunition.

Please see FIREARM IMPORT, REGISTRATION & TRANSPORTATION REQUIREMENTS on page 40.

Australian law restricts the importation of some firearm types & ammunition into Australia, even for the purposes of a sporting competition. Prohibited firearms will be seized and forfeited by border officials. Please see wpfg2027.com for link to up-to-date information.

RIFLE - LARGE BORE

Perth 2027 will assist all competitors with the import, export and required to enter Australia and the temporary licensing paperwork for Western Australia.

Please note that fully automatic and centre fire semi-auto rifles are prohibited firearms for sporting shooters within Australia and importation is excluded for sporting competitions.

Competitors MUST supply their own: **ear protection** - Earmuffs, ear plugs or protectors, passive or electronic, **and eye protection** - In the form of shatterproof shooting glasses or similar. Protective equipment will be checked by the Equipment Control Official. Ear and eye protection is mandatory.

SKEET DOUBLES EVENTS

Each competitor attempts 2 rounds of Skeet Doubles (50 targets/round), with a maximum break time of 5 minutes between rounds.

UNISEX TEAM EVENTS

Team events are based on the combination of the five team members' individual scores. To be eligible for the team event, competitors must be registered in the corresponding individual event. Team rosters must be registered and identified prior to the start of shooting.

SKEET ALL EVENTS

is the combination of both Skeet Individual events' scores.

HIGH OVERALL

is the combination of all shotgun individual events' scores:

- Skeet (2 individual events)
- Sporting Clays (1 individual event)
- Trap (3 individual events)

To be eligible for this award, the competitor must be entered into the 6 individual events and also be entered into this "HIGH OVERALL" category in Sporting Clays.

DIVISIONS

All individual events will be offered in "A", "B", "C" and Women's Division.

Female competitors may enter A, B, C or Women's Division. Female competitors shooting for the Skeet All Events Women's Division must enter the Women's Division in the individual events.

Competitors will be classified in either A, B or C division based on the following criteria and in the following order:

Medal Winners in the Preceding WPFPG:
If a competitor competed in Skeet events during the preceding WPFPG and won a medal, the score for winning that medal will be used to determine the classification for that particular event in this WPFPG. This only applies to the last preceding WPFPG event only.

ISSF/NSSA Registered Targets:
Competitors who did not win a medal at the preceding WPFPG Skeet events but have shot ISSF/NSSA registered targets will be classified based on the average of the last 1,000 registered targets in each of the Singles and Doubles disciplines.

INDIVIDUAL

- A Division - 94 or higher
- B Division - 85 to 93.99
- C Division - below 85

DOUBLES

- A Division - 88 or higher
- B Division - 80 to 87.99
- C Division - below 80

Previous WPFPG Classification:
Competitors who do not have a current ISSF/NSSA average card but have previously competed in the WPFPG (going back 2 WPFPG competitions) will be assigned to A, B or C Division based on their classification in the most recent WPFPG skeet events.

Doubles event:
Classification will be based on the Doubles event score which will give the competitor a classification based on the Divisions listed above.

Team Event:
classification is based on the combination of the 5 team members' classifications. Female competitors who are part of a Team will be classified as A Division, B Division, or C Division for the purposes of determining the team classification only.

Unclassified Competitors:
Competitors who do not have a current ISSF/NSSA average card or who have not previously competed in the WPFPG will be assigned to A, B or C Division based on the following: Discarding the highest and lowest round scores and doubling the remaining rounds scores.

EQUIPMENT

Competitors are responsible for supplying firearms and ammunition.

Please see FIREARM IMPORT, REGISTRATION & TRANSPORTATION REQUIREMENTS on page 40.

Australian law restricts the importation of some firearm types & ammunition into Australia, even for the purposes of a sporting competition. Prohibited firearms will be seized and forfeited by border officials. Please see wpfg2027.com for link to up-to-date information.

Competitors who do not have enough FITASC/NSCA registered targets or who have not previously competed in the WPFPG will be assigned to A, B or C Division based on the following: The competitor's score from those stations will be doubled and used to classify the shooter based on the Divisions listed above. The classification that is established will be used from that point forward or until the competitor obtains enough FITASC/NSCA registered targets.

EQUIPMENT

Competitors are responsible for supplying firearms and ammunition.

Please see FIREARM IMPORT, REGISTRATION & TRANSPORTATION REQUIREMENTS on page 40.

Australian law restricts the importation of some firearm types & ammunition into Australia, even for the purposes of a sporting competition. Prohibited firearms will be seized and forfeited by border officials. Please see wpfg2027.com for link to up-to-date information.

Perth 2027 will assist all competitors with the import, export and required to enter Australia and the temporary licensing paperwork for Western Australia.

Competitors **MUST** supply their own: **ear protection** - Earmuffs, ear plugs or protectors, passive or electronic, **and eye protection** - In the form of shatterproof shooting glasses or similar. Protective equipment will be checked by the Equipment Control Official. Ear and eye protection is mandatory.

Australian Range Standing Orders

- Shoes must be worn on the range. Open toe/heeled footwear is not allowed.
- Camouflage clothing of any nature is prohibited from being worn on any range.

SHOTGUN - SPORTING CLAYS

FIREARMS

Shotguns: A competitor shall not use a shotgun whose chamber is larger than 12-gauge or a shotgun without a shoulder stock. Competitors must use a shotgun capable of firing two shots for the Doubles event. Shotgun barrels must be a minimum of 26". Please note semi-auto shotguns are classified as a Category C firearm and must have a capacity of five rounds or less. Please reach out to the Perth 2027 team for further assistance with semi-auto shotgun requirements.

Ammunition will be available for purchase by competitors prior to competition, further information will be provided after registration. Reloaded ammunition is acceptable, provided it meets ISSF/NSSA specifications. Only shotgun shells with the following characteristics are allowed:

- 2-3/4" in length;
- Maximum shot weight of 1 ounce;
- Shot size of 7.5 to 9;
- Lead shot only;
- Maximum velocity of 1,350 fps.

Competitors MUST use only equipment (firearms, accessories, ammunition) and apparel that comply with FITASC/NSSA rules. The competitor is responsible for submitting all equipment and apparel for official inspection and approval to a WPFM Equipment Inspector if required.

EVENT INFORMATION

Competitors **MUST** be qualified (i.e. some type of formal training for safety purposes) with their firearms and familiar with range safety.

The trap events will be based on the American Trap shooting discipline.

Attendance at scheduled practice and all range safety briefings are mandatory for all competitors.

EVENTS

16 YARD SINGLES

Each competitor attempts 4 rounds of 25 clay birds from the 16 Yard line, with a maximum break time of 5 minutes between rounds.

22 YARD HANDICAP

Each competitor attempts 4 rounds of 25 clay birds from the 22 Yard line, with a maximum break time of 5 minutes between rounds.

DOUBLES

Each competitor attempts 2 rounds of 50 clay birds, thrown two at a time, from the 16 Yard line, with a maximum break time of 5 minutes between rounds.

TEAM; UNISEX

Team events are based on the combination of the team members' individual scores. To be eligible for the team event, competitors must be registered in the corresponding individual event. Team rosters must be registered and identified prior to the start of shooting.

TRAP ALL EVENTS

is the combination of all three individual trap events' scores. Trap All Events classification will be determined by Trap All Events classification table.

HIGH OVERALL

is the combination of all shotgun individual events' scores:

- Skeet (2 individual events)
- Sporting Clays (1 individual event)
- Trap (3 individual events)

To be eligible for this award, the competitor must be entered into the 6 individual events and also be entered into this "HIGH OVERALL" category in Sporting Clays.

SHOTGUN - TRAP

DIVISIONS

All individual events will be offered in "A", "B", "C" and Women's Division.

Female competitors may enter A, B, C or Women's Division. Female competitors shooting for the Trap All Events Women's Division must enter the Women's Division in the individual events.

Competitors will be classified in either A, B or C division based on the following criteria and in the following order:

Medal Winners in the Preceding WPFG:

If a competitor competed in trap events during the preceding WPFG and won a medal, the score for winning that medal will be used to determine the classification for that particular event in this WPFG. This only applies to the last preceding WPFG event only.

ISSF/ATA Registered Targets:

Competitors who did not win a medal at the preceding WPFG Trap events but have shot ISSF/ATA registered targets will be classified based on the average of the last 1,000 registered targets in each of the Singles, Handicap and Doubles disciplines.

16 YARD (SINGLES)

- A Division - 94.00 or higher
- B Division - 88.00 to 93.99
- C Division - Bellow 88.00

22 YARD (HANDICAP)

- A Division - 88.00 or higher
- B Division - 80.00 to 87.99
- C Division - Bellow 80.00

DOUBLES

- A Division - 89.00 or higher
- B Division - 82.00 to 88.99
- C Division - Bellow 82.00

Previous WPFG Classification:

Competitors who do not have a current ISSF/ATA average card but have previously competed in the WPFG (going back 2 WPFG competitions) will be assigned to A, B or C Division based on their classification in the most recent WPFG trap events.

Unclassified Competitors:

Competitors who do not have a current ISSF/ATA average card or who have not previously competed in the WPFG will be assigned to A, B or C Division based on the following: Discarding the highest and lowest round scores and doubling the remaining rounds scores.

Team Event:

classification is based on the combination of the 5 team members' classifications. Female competitors who are part of a Team will be classified as A Division, B Division, or C Division for the purposes of determining the team classification only.
