

YOU ROLL.

I ROLL.

We Roll.

Rules

1. Players take turns rolling two dice to determine their position on the game board. One die determines the row, while the other die determines the column.
2. When you land on a tile, you will find a challenge or a question written on it. Your task is to complete the challenge or answer the question provided on the tile.
3. Cross out the tile that has been completed, unless it is one where you need to take a shot (that one you can repeat).
4. After completing a challenge, record the score listed on the tile for the corresponding player.
5. If you skip a challenge or question, your partner will receive 5 points.
6. Add the points at the end of the game and whoever wins, gets to choose the next date night activity.

MORE SMILES. MORE FUN. MORE PLEASURE.
