# LETTER FROM THE PUBLISHER

**Can you believe it's been two years since we've gathered for PPE?**

**I'm so excited about this Hybrid event and all that God is doing to expand us.**

I'm also ecstatic about the RECAP from Prophetic Convocation 2022. Minister Angie Alexander, who is a prophetic scribe, did a spectacular job documenting everything. When I first read it, it brought tears to my eyes. I didn't ask her to write it. She just documented it and delivered it a few weeks after prophetic convocation.

**When God sends you the right team to not only help you build, rebuild, pray, prophesy and prophetically document what He's doing, it's enough to make you praise, shout and cry.**

Well at least for me it is. I'm so encouraged by what I see.

**There has never been a time like the present to lock eyes with your future and move full speed ahead.** I don't care how creative you think YOU ARE NOT; this is the time to allow the creative DNA in our father and King to come forth in you.

**As you read through this edition, I pray you'll be empowered and enlightened.**

I pray that as we move into 2023, you'll truly understand where God needs you and wants you. I pray you'll CREATE like you've never created before.

I pray you will not let anything, or anyone deter you from the vision God has deployed you here in the earth realm to deliver.

**Lastly, don't ever let what you think someone else is called to do or doing stop you from doing exactly what God told you to do.**

It's not about them.

This season is about YOU!

Do you and keep it moving!!

Let's work!

# Welcome

## APOSTLE SHONTILL MCNABB

### Grace and Peace!

It is my extreme pleasure to Welcome you to a space that cultivates, creates, and curates your Destiny. Here at GICMP we embrace the mandate and supernatural movement of Our Kingdom Agendas. God is gathering vessels of like passion from all over the Globe, and we are so glad that you answered the call to be counted in that number! As we all are well aware, there is a shifting and a shaking in the atmosphere that's causing men and women alike to awaken to the NEXT dimension of

prosperity and power. That in and of itself is Great News!

As these moments present themselves to each of us, may I offer you only one bit of advice: "Don't Miss YOUR Moment!"

GICMP has made a significant global impact this year—establishing new covenants, witnessing supernatural breakthroughs in families and ministries, and celebrating elevations are only a few of the monumental occurrences that we were privileged to be a part of. We have navigated through deep waters and victoriously landed on dry ground. In spite of natural disasters, transitions, and divine delays that presented themselves in hopes to lock us out of our next, we hold fast to our testimony that God will give you the power to pursue and prevail.

We are now exiting with honors from the year of 2022 and preparing to make our Grand Entrance into 2023.

I'm calling every God-Ordained vessel, that's ready to see the wonders of God unveiled in their lives, to intentionally connect with GICMP, THE GLOBAL INSTITUTE OF CHURCH & MARKETPLACE PROPHETS, Home for INNOVATIVE, Apostolic and PROPHETIC Church & Marketplace individuals.  
**Welcome to Your Next ... It is Now.**

# LEADERSHIP LANGUAGE:

# Using Your Voice to Lead

By Pastor Rosemary Winbush, S.A.L.T.

**W**hether we know it or not, we all use our voices to lead. It is our awareness of the leadership language we use which makes the difference. Our voice is a creative force with the power to shift attitudes and environments. As we lead with our voices, we build brands, services, industries, teams, families, and communities. How fluent we speak in our leadership language is a skill developed based on the leadership styles and environments we are exposed to (aka culture). Understanding the connection of words and the art of leading will determine the results we achieve in our leadership roles. There are 4 goals to consider with each element of our leadership language.

## 4 GOALS OF LEADERSHIP LANGUAGE DEVELOPMENT:

1. Be the best because others should give their best
2. Get what we need to be excellent at what we do
3. We never settle for being mediocre
4. Create a network and community to sustain effective leadership

## ELEMENTS OF LEADERSHIP LANGUAGE

### Element 1: Mindset Matters

Who we surround ourselves with plays a role in the language we use as leaders.

The tables we eat from will determine our leadership language byproduct. We cannot allow unhealthy mindsets of leadership to penetrate our space. Guarding our mindset will protect our voice to lead. When we can pinpoint at least 2-3 people who help us create healthy leadership language mindsets and 2-3 people who take away from our growth in this area, we can begin to take charge of our leadership language development. Increasing time we spend with the first group and eliminating time we spend with the second group means we take ownership of our leadership voice. Remember our leadership language should reflect the language of God, so spending time with Him gives us an advantage point.

### Element 2: Intentional Talk

Do our words and conversations have a strategy attached to them? Before we speak, do we count the cause of our words? We must learn the art of persuasive language...not manipulation. We have the ability to develop a skill to direct and redirect conversations to achieve God desired results. We can practice this element with the spirit of discernment. Maturity in leadership language allows us to lead conversations in a direction to achieve results and solutions, to see where others are headed with conversations, and to know when to make the necessary adjustments in conversations to stay on track and avoid things getting out of control.

### Element 3: Voice Ranks

We must position our voices to gain opportunity access for us and others. We must determine where our voices rank in our family, department, industry, and community. When we speak, who is willing to listen? What weight does our voice carry in the spaces where we lead? Speaking with a voice of character, honor, trust, integrity, truth, wisdom, understanding, knowledge, accuracy, etc. we develop a track record like our Father in Heaven. Determining how to position our voices for greater Kingdom influence and marketplace advantage will help us climb the ranks of authorized voices in Godly leadership.

### Element 4: Take Measurements

What's the chitchat about what we say and the actions behind what we say? Measuring what we do is a Game Changer! A seamstress takes measurements before, during, and after making a garment. This is done for two reasons: 1) there could be a change in the customer's size during the process of the garment making and 2) to make sure the garment fits the customer to produce satisfaction for future and referral business. When we measure our effectiveness in leadership language, it should be an ongoing process because of these same reasons. We must be able to adjust at every turn to make sure we are adding value to the environments we are blessed to lead. On a scale of 1-5 (5 being the highest), where do we measure up in our leadership language? Wherever we are on the scale, we can always strive for better. Keeping the commandments of Jesus is measured by the love we have towards Him, so measuring where we are is a vehicle to get to where we want to be.

# The Ultimate Gamechanger

for Apostle Dwann Holmes

*...be ye steadfast, unmoveable, always abounding  
in the work of the Lord, forasmuch as ye know  
that your labour is not in vain in the Lord.  
1 Corinthians 15:58 (KJV)*

Bold as a lion  
Steadfast and immoveable  
Forward thinker light years ahead.

Signature mohawk  
accentuates the power  
of natural beauty.  
A symbol of strength –

a unique crown befitting  
of a worshipping warrior.

She has forged ahead,  
despite strong opposition,  
to claim rights to the digital terrain.

Vanguard pioneer  
mantled with the mandate  
of marketplace, media, and ministry.

Obediently building  
training programs  
through divine design.

With a call to rid  
the prophetic of perversion,  
she has overcome every battle.

She stands tall before us  
in the Aviation ballroom  
nestled inside the Doubletree,

which stands in one piece  
surrounded by clear skies,  
unbothered and protected

by our God who downloaded  
strategies and spiritual intel  
to His ground troops, the intercessors.

Her rainbow-colored, sequined  
denim jacket – a symbol of His covenant:  
God *always* watches over His word.

The gold, GICMP ring – a seal  
of authority and divine relationship on her finger,  
an invitation to the Kingdom's Justice League.

Those whom she has impacted  
by providing a safe haven,  
a juniper tree to just *be*

surround her as a living testimony,  
a close-knit family who honors her  
as a gift to the Kingdom.

Her tears and fortitude,  
Her tenacity and grace to persevere,  
the tribe respects and appreciates.

She is the *paradigm*  
of pursuing prophetic legacy,  
ten years strong and beyond.

# Reign Over the Rain

*Many are the afflictions of the righteous:  
but the Lord delivereth him out of them all.  
Psalms 34:19 (KJV)*

Five, four, three, two, one. . .  
Hurricane Ian's projected beeline  
for Jacksonville was done.

The word of the Lord came forth.  
Heaven's horsemen dispatched.  
A one hit wonder of a storm  
now overcome by the wonder  
of God's glory, grace, and mercy.

The news mixed fact with friction.  
Heightened updates brewed fear and tension.  
Many on the way to the move of God  
blocked by flight cancellations.  
Some hindered by hesitation.

*Faith still stood its ground.*

A company of apostles and prophets,  
ready to be affirmed and ordained.

An army of prayer warriors, ready  
to advance with the battering ram  
of prophetic intercession.

Apostle Dwann and her leaders  
moving forward with the vision –  
All are in pursuit of prophetic legacy.

*Faith still stood its ground.*

One came by Greyhound bus.  
One travelled with 30 or so by car.

Some found favor with rescheduled flights.  
Some dealt with distractive dialogues rooted  
in the concern of the natural.

But all hearts were in full  
pursuit of God.

*Faith still stood its ground.*

No matter what caused the delay,  
God's will still manifested on Saturday.  
Brands plucked from the fire  
became flames of fire propelled  
into apostolic and prophetic destiny.

*Faith still stood its ground.*

Heaven rejoiced around God's throne  
as servants' hands felt the weight  
of a staff, sword, and mantle.

Praise and prophetic words  
went forth over each candidate  
up for affirmation and elevation.

*Faith still stood its ground.*

We reigned over the rain.  
The testimony of Jesus reigned true  
over Prophetic Convocation 2022.

*The faithfulness of God stood its ground.*

## The Prophetic Push

*Before she travailed,  
she brought forth;  
before her pain came,  
she was delivered of a man child.  
Who hath heard such a thing?  
who hath seen such things?*

*Shall the earth be made  
to bring forth in one day?  
or shall a nation be born at once?  
for as soon as Zion travailed,  
she brought forth her children.*

*Shall I bring to the birth,  
and not cause to bring forth?  
saith the Lord: shall I  
cause to bring forth,  
and shut the womb?  
saith thy God.  
Isaiah 66:7-9 (KJV)*

The atmosphere shifts  
Morning prophetic prayer flows  
God is exalted.

Hands raised in worship:  
The heart posture is sincere,  
sweet incense to Him.

Decrees legislate.  
Declarations hit the Throne Room –  
chains are now broken.

Graveclothes unraveled  
Tongues give the spiritual push  
in multiple wombs.

A prophet first sees,  
then feels it in the Spirit:  
Waters break: the birth of the new.

## The Prophetic Call to the Regions

*And they set the priests in their divisions,  
and the Levites in their courses,  
for the service of God, which is at Jerusalem;  
as it is written in the book of Moses.  
Ezra 6:18 (KJV)*

*Say not ye, There are yet four months,  
and then cometh harvest? behold,  
I say unto you, Lift up your eyes,  
and look on the fields;  
for they are white already to harvest.  
John 4:35 (KJV)*

Prophetic demonstrations,  
reminiscent of biblical heritage,  
another level of *offense* breaking  
through the *defense* of principalities.

A smoke screen of a setback  
Demonic ruse fades to black  
We are arrows drawn back,  
quivers in the Master's bag  
released as a counterattack  
into different regions:

a united, legislative body  
of states sent from the Kingdom,  
a collective, global embassy,  
spiritual sentinels linked  
arm-to-arm, a royal family.

Our battering rams of  
quantum voices challenging  
great mountains to bow like  
Apostle Shontill commanded us.

The earth is crying out  
for the sons of God to manifest,  
so war-torn regions can finally have –  
*dominion rest.*

Apostle Dwann has given us the charge.  
*Go is a command, not a conversation.*  
Will we pursue the call and be  
a sent one to the nations?

## War with Our Worship

*And when he had consulted with the people,  
he appointed singers unto the Lord,  
and that should praise the beauty of holiness,  
as they went out before the army, and to say,  
Praise the Lord; for his mercy endureth for ever.*

*And when they began to sing and to praise,  
the Lord set ambushments against the children  
of Ammon, Moab, and mount Seir,  
which were come against Judah;  
and they were smitten.  
2 Chronicles 20:21-22 (KJV)*

A familiar text  
A different revelation  
Class is now in session  
Welcome to the School  
of the Prophets.

Jehoshaphat unlocks the key  
to prophetic patterns of release  
When the enemy attacks,  
it is all about our seek.

Our leader shows us  
how to pursue God:  
head bowed,  
body prostrate,  
reverent awe  
of the Lord.

*We must get low  
in order to go up  
in power.*

The weight of the glory  
of God fills the room.  
Arms extended,  
faces lifted up  
toward heaven above.  
The Lord's countenance  
showing us with His love.

Knees bent, bodies prostrate,  
the minstrels play prophetically –  
the river is flowing.

Whatever Egyptians that once  
surrounded us no longer exist.  
Thanks to a tried-tested-true  
war strategy: *Worship wins the war.  
Worship wins the wealth.*

## The Prophetic Sound of God's Glory

~a prose poem~

There is a sound that attracts, traveling the waves of light and wind, a holy refraction that splits the molecules of reality, causing a supernatural realm to open, inviting Heaven to come and sit for a while on earth. There is a woman of God, a prophet, a vessel meet for the Master's use, one who partners with God, one whose voice is a beacon of worship in spirit and in truth. The qôl – the voice of the Lord – the voice of the Hebraic Israelites, our spiritual kindred. The qôl that calls and the sheep answers. The voice of the Lord that shatters the cedars of Lebanon. The voice of the Lord flowing. . .

flowing. . .

flowing. . .

through her. . .

like a river running through trees of righteousness with leaves full of healing, a steady flow from the temple that houses Holy Spirit, a flow from a worship mantle sent with an assignment.

*The beauty of holiness has enveloped the atmosphere.*

There is worship that flows from hearts of flesh, a worship that draws others nigh, some draw due to curiosity, some draw because the sound hits the right frequency of their hearts, their needs, their pain, their broken pieces, their questions of intellect that cover up a longing void that only a Father can fill.

A son, a hotel guest, passes through. His ear picked up Heaven's frequency. He rushes toward the open door of the Aviation ballroom. The rush of his footsteps mirrors the prodigal son. The arms of the Father, he sees, opened wide. His eyes close, feasting on perfect peace. A peace that comforts. A peace that goes to the source with a healing virtue.

Drink, son! Drink, son! Drink from My well.

Soon, he leaves. He turns toward the servants at the registration table. He quietly says, "Thank you." This worship just wasn't part of a conference schedule. It was divinely orchestrated for a reason:

*The regions need to hear My sound.*

As It is In Heaven  
~ a prose poem about the Saturday evening praise  
before affirmations~

*Praise ye the Lord. Praise God in his sanctuary.  
Psalm 150:1 (KJV)*

Not  
your  
typical  
Sunday  
morning  
hoop  
and  
holler  
- praise -

There is a *freedom* in this praise.

Catch the wind of the spirit. . .through the New Orleans sound of trombone, drums, and prophetic psalmists running heavenly riffs through staves of praise. . .faces shine bright with the signature Moses glory glow, changing from glory to glory, spirit of might causing feet to be light to outrun the Ahab and Jezebel that have been fighting against us. . . running through troops and leaping over walls with Holy Spirit. . .for *where the Spirit of the Lord is, there is liberty*. Catch the wind of this liberty.

There is a *power* in this praise.

It was more than an open heaven above. Heaven had joined us. . . holy communion, moving in sync. . . arms outstretched, hands being taught to war, fingers being taught to fight, white cloths striking the air with a penetrating, *paga* trajectory. . .*who knew intercessory praise was supposed to look like this*. . . the eyes of the Lord filled this place, for He found the burning ones whose hearts were perfect toward Him.

There is a *joy* in this praise.

Selah.

## The Testimony of the First One

*And all things are of God,  
who hath reconciled us  
to himself by Jesus Christ  
, and hath given to us  
the ministry of reconciliation;  
2 Corinthians 5:18 (KJV)*

The first one has come home  
Distance and time did not surpass  
the bond of their covenant.

Spiritual mother and daughter reconcile,  
testimonial evidence of her prophetic legacy  
sealed by a green and gold ring.

The ministry of reconciliation  
is the pursuit of a heart of forgiveness,  
leaving a legacy of grace and love.

# Pillars of Excellence

for Apostle Dwann Homes & Pastor Rosemary Winbush

*Strength and honour are her clothing;  
and she shall rejoice in time to come.  
She openeth her mouth with wisdom;  
and in her tongue is the law of kindness.  
Proverbs 31:25-26 (KJV)*

Two women of God,  
full of wisdom and vision  
Both have a heart  
for the Kingdom  
and a passion to build.

Visionaries who operate  
in diligence and excellence  
Sisters in Christ supportive  
of each other's pursuit  
of prophetic legacy.

# Wealth Warriors Arise

~The charge from Prophet Frank Delaney~

*Save now, I beseech thee,  
O Lord: O Lord, I beseech thee,  
send now prosperity.  
Psalm 118:25 (KJV)*

That moment when God  
sends His mouthpiece to release:  
a word to break through barriers  
a sound to jumpstart prosperity  
a command to walk in destiny.

The camels are coming  
The spoils are ready for the taking  
Arise, wealth warriors  
Kingdom legacy is here  
for the history making.

# 7 TYPES OF CONFLICT THAT COME TO HALT YOUR PROPHETIC TRANSITION

BY OVERSEER KATABIA HENRY

**P**rophetic Transition has the potential to awaken conflict and offense within people who have been set around you, against you and even above you. Transitioning from one season or assignment to the next requires breakthrough obedience and laser focus. We must be spiritually prepared to face, confront, and endure various kinds of opposition that will be launched against our prophetic destiny.

During transition you may also discover that looking ahead of you is much easier than mentally and emotionally releasing what you're seemingly leaving behind you. Especially when your past doesn't desire to let you go. It's normal to experience some mental and emotional conflict during transition even when you know you are obeying God, but we must never allow emotions to put us on mental roller coasters that can cause us to become sick, frustrated, exhausted and stagnant. Nevertheless, obey God, gird up the loins of your mind and pursue your Prophetic Legacy.

*"Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus."*

Philippians 3:13-14 KJV

*Our Obedience to God's instructions and directions in times of transition can never be taken lightly but must be employed with confidence, clarity, and urgency. When we move decisively and intentionally to act on Gods transitional blueprint during our time of exodus, we close all doors behind us as God opens new ordained doors before us. We must believe that God has not only planned our exit but also our entrance into our next land of promise.*

*"Trust in the LORD with all thine heart; And lean not unto thine own understanding. In all thy ways acknowledge him, And he shall direct thy paths."*

Proverbs 3:5-6 KJV

Here are 7 areas to be aware of during your preparation for transition.

## 1. Attacks will come -Still Obey God

Transitional demonic assassins and agendas will be released with the goal of hindering or completely sabotaging your exit and entrance into your new land of promise, but obedience will ensure your victory.

## 2. Doubt will come-Still Obey God

Demonic distractions and delays may begin to suddenly arise but refuse to surrender your mind to doubt and double mindedness.

## 3. Fear will come-Still Obey God

Transitioning by Faith and not by sight can cause fear of the unknown but nevertheless obey God.

## 4. Mixed Emotions will come-Still Obey God

Challenging days of change will stir up emotional turmoil in your soul

## 5. Offense will come-Still Obey God

Family, Friends, and other relationships will be tested when transition transforms you into a version of yourself that offends those you hold dear.

## 6. Naysayers will come-Still Obey God

Unwarranted Criticism and Negative Conversation to oppose your decision and direction but obey God

## 7. Spectators will come-Still Obey God

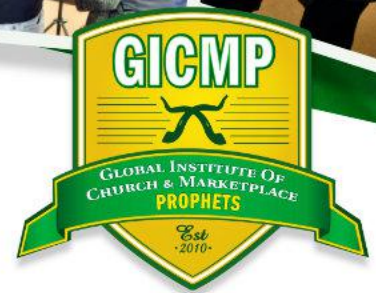

Onlookers will wait and watch to see you fall while pretending to be supporters of your new season nevertheless stay focused on your destination and hold your peace.

# EDUCATE

# ELEVATE

AND

**Proverbs 4:7**  
**Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding.**

CELESTE PAYNE  
PASTOR OF CHRISTIAN EDUCATION

GICMP is a home for innovative prophetic learning tools for the Church & Marketplace. At GICMP we offer a variety of courses that can assist you in acquiring the knowledge and developing the wisdom you will need for this next phase of your life, business and ministry. In 2023, we anticipate more Prophets and Apostles to arise and begin pursuing their God-ordained purpose. For over 20 years, Apostle Dwann has been creating content to assist you in becoming equipped and confident in their calling - setting the stage for you to Educate and Elevate.

Hosea 4:6 tells us that even people who love God can be destroyed due to a lack of knowledge.

**There are three things the lack of knowledge can do:**

1. Keep you stuck in one spot or in a repeating and frustrating cycle
2. Cut you off from valuable resources
3. Keep from really experiencing God

GICMP has outlined a comprehensive list of educational opportunities and meetings (in-person and virtual) to help you break unhealthy cycles, and break into a higher level of thinking and operating. When I was young, my grandmother worked in a skyscraper in New York City. One of the things I

always loved to do was to ride up with her to the 30th floor and look out across the city. The view is very different from an elevated position. I could see further and my ground level problems seemed to disappear. Going higher requires a simple faith step into the elevator. GICMP is an available elevator or a tool of elevation for you. So, if you are ready to move up, I invite you to take advantage of some of the courses we have available.

## EDUCATIONAL OPPORTUNITIES

- Pursue university degrees and ordination track.

# The Season of MULTIPLE ARKS CONTINUED

BY PROPHET  
ANDREA ROBERTS

**T**he Season of Multiple arks continued. When the word of the Lord came to me last year concerning the season of multiple arks for 2022 and beyond, it came upon me as though this was a word for a decade, not just a year. On the morning of November 22, 2021. God began to speak to me about Noah, and He said this.

Noah built his ark by himself. He had no team, and he had no help. Noah built the ark purely based on My instructions, says the Lord. Some builders are frustrated because they need support, or if they do have help, it's not the right help. God wants me to encourage you, Noah, the (builder) with no team. The builder who has been trying year after year to get the right team, but it's not working out. The Lord says it's not working because it is yours to build.

Noah had never seen an ark before, but he followed my instructions. Just as I gave Noah the blueprint, so shall I give a blueprint unto you. And Just as Noah obeyed, so shall you. And just as Noah had tools to build the ark, so shall you have tools to build yours too. You, too, will build your ark and bring your family too. Your ark will sustain you and bring you to the other side. Because of Noah's creativity, you, me, and everyone else are here today. Noah obeyed.

“

I hear the Lord saying:  
**You BUILD**  
**You CREATE**  
**You SUSTAIN**

”

So that others can make it through because of you. Do not be discouraged because you feel alone. Noah, you were created for this. You were built for this. You've got this! When you feel moments of weakness, reference My word and read about Noah. It will strengthen you

and build you up to hang in there as you create.

Over the next three years, technologies will grow exponentially as the world continues advancing with AI. There will also be an increase in children/youth inventors. These will be the young Noahs. Many children will be wealthier than adults due to their ability to obey the Lord through creativity. We will also see younger people stepping up in politics as well.

Continue to pray for those with the spirit of Joseph upon them. They will need it as they continue to legislate and delegate from a higher level of authority with national and global impact on the economy. They have the voice of financial wisdom and safety in the form of creativity for this season. I will give them pivotal direction, says the Spirit of the Lord.

Those with the spirit of Daniel will continue to be the bold marketplace leaders who will stand firm in Me. They will not compromise their call or deny their God for money or gain. But they will stand firm and represent My Kingdom and Me. They will be so wise because they fear Me first. Get ready to see Me show up in great ways on behalf of those in the marketplace as they continue to work and create.

Creativity has a voice. More and more opportunities will be made available for the everyday person to create arks of safety for those in their family. The Lord says, If my children walk in creative obedience, they will tap into another side of themselves that they didn't know existed. This is the season to continue to build, create, and sustain. You won't lose what you build if you follow my blueprint, says the Lord.

# 2023 IS THE YEAR OF THE RAIN MAKERS

by Prophet Lovemore Jeza

**T**he year 2023 shall be dominated by these two mantles. Joseph and Noah. Both mantles are going to be moving mightily upon the earth.

The wisdom of God shall be leading people to those who have the blueprint for the Ark. These shall be those who will survive what is about to hit the earth. Disobedience and sin shall be judged at an unprecedented scale. All around the world people shall begin to see the true impact and destruction that sin brings to a city and to any nation. Sin is a reproach to any nation and this shall be evident as we crossover into 2023. Just as it was in the days of Noah so shall it be and the media shall be parading it in front of the world as they continue to push their agenda. On the other side, those carrying the Noah mantle will be warning people of the dangers about to hit their regions, cities, and nations. Many will turn to the Lord, but sadly, many will be in denial of the truth until it's too late.

Many have been crying for a harvest in their lives and the wisdom of the Joseph anointing shall be falling upon them like never before. Great wealth shall be released by the Lord from the heavens and some of the greatest wealth transfers shall be happening in the coming years but the Lord will through his financial deliverers give strategies and wealth-multiplying investment instructions that will protect the body of Christ and those who are of the household of faith of what's coming ahead.

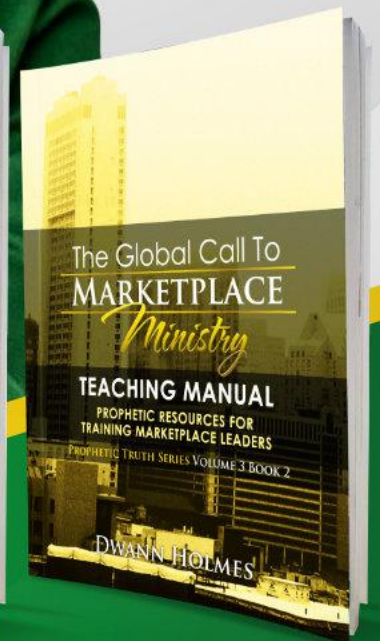

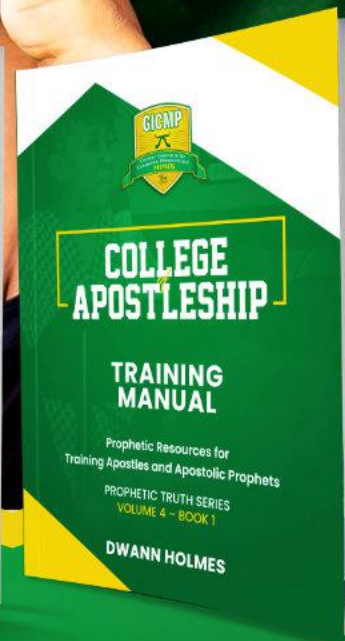

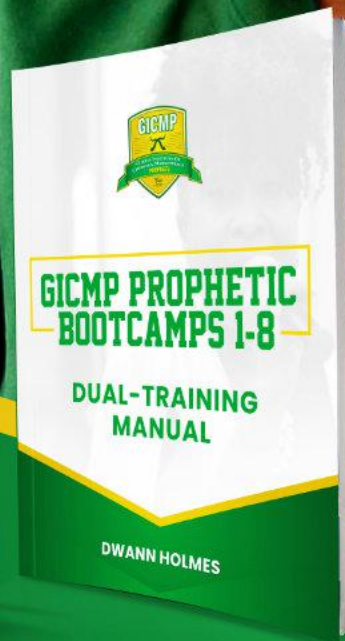

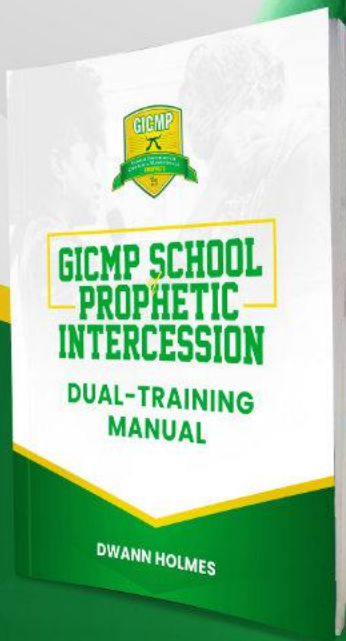

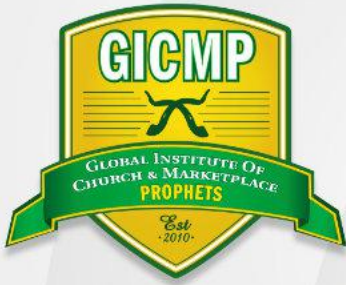

Dreams and visions shall be plenty upon the earth as people will suddenly know what to do and how to do it just as these two mantles carried the blueprint and strategies of the Lord. Some will have to build their arks in order to escape the

destruction that's coming ahead and some will have to save, invest and buy more assets in the years of plenty that are coming upon many and most importantly upon the body of Christ.

Just as Pharaoh let God's people go 2023 shall see a mass exodus of Christians move out of poverty in the supernatural and abundant provisions of Gold. We will witness and hear of outstanding testimonies that were birthed out of witty inventions. God's people will begin to value the true purpose of wealth and His people will all around the earth establish his covenant even as He swore unto his fathers as it is today. 2023 is the year of the rainmakers. Rain for Judgment and escape in Arks and Rain for years of plenty harvests and the unlocking of the coming years of famine but in all of these things, God's people shall be saved.

A strong financial river shall flow from the marketplace into the treasuries of the Lord's house. Men and women of God who suffered huge losses because of a lack of financial commitment from God's people shall witness a turnaround season as now their visions will begin to speak. There will be such a huge financial flow, blessing, and abundance that what was always required and heavily prayed for in order for the visions and dreams to manifest will be finally made available. It is going to rain, rains of victory. Win souls and establish my kingdom shall the spirit of the Lord. Let my prophets and Apostles go forth.

Amen
