WE WELCOME

Dr. Johlet Krause

AS OUR NEW PRINCIPAL

After much anticipation and a long wait, we were happy to hear that our new leader would be our own Dr Krause, who originally joined the school in 2000. Dr Krause completed her B.Sc degree majoring in Zoology and Botany as majors at the Potchefstroom University for Christian Higher Education (CHE) in 1986. After that, she obtained her Higher Diploma in Education with Distinction in 1987, also at the Potchefstroom University for CHE. She then furthered her academic career and completed a B.Sc Honours degree, M.Sc and PhD in Zoology at the University of the Free State.

Her first teaching position started at Hoërskool Wesvalia in Klerksdorp, from which she also matriculated in 1993. She remained at Wesvalia for four years after being appointed as a Senior Medical Scientist and Researcher at the Medical Faculty of the University of the Free State. She held this position until she relocated to Alberton and joined the Marais Viljoen team in 2000.

She was appointed as a Physical Science teacher, later as the departmental head and became Deputy Principal in 2016. During this time, she also coached netball and served on many committees in charge of various school operations.

Dr Krause distinguished herself as a natural and capable leader and has extensive experience in school management. Her leadership is characterised by integrity, kindness, honesty and fairness.

Our new principal believes that the school is blessed in many ways. She is excited about the future and knows that much can be accomplished because she has a dedicated team of staff members inside and outside the classroom behind her.

Aware of challenges that come with leadership, she is unwavering in finding solutions as she believes that challenges are necessary for growth and development. Dr Krause believes in hard work in the classroom, on the sports field or on a stage to ensure that all learners at the school can receive an excellent education and various opportunities to develop their potential to full capacity. One of her goals is to foster

relationships with the primary and high schools in the Alberton area. She believes that mutual respect is the foundation for building the future of the school and our rainbow nation.

Blue blood runs through her veins and she is fully committed to lead the school to new heights of performance in academics, sport and culture to inspire our learners to become well-balanced and successful adults.

We wish her all the best for this new chapter in her life and believe that with her unique skills and disposition, our learners will flourish and the school will prosper.

Doktor Johlet Krause is aan die woord...

Dit is met 'n ontsettende dankbare hart wat ek hierdie boodskap vir Marais Viljoen se 2023-jaarblad skryf. Ek hou nabetragtiging van die tydperk sedert my aanstelling as skoolhoof en dit wat vir my uitstaan, is die hoeveelheid seëninge wat ons te beurt geval het. Ek glo daaraan om met 'n ingesteldheid van dankbaarheid te leef – in die proses verryk jy jou eie lewe en die van mense rondom jou. Deur te fokus op dit wat jy het en nie op wat jy nie het nie, ontknoop vir my die volheid van die lewe. Dankbaarheid is nie vir my net 'n emosie nie, maar dit wat my en Marais Viljoen inspireer om terug te gee aan u as ouers, aan ons leerders en ons gemeenskap.

Marais Viljoen is 'n skool van uitnemendheid. Ons spog graag met 'n skool waar die personeel leerlinge in totaliteit ontwikkel. Ons beseft dat vir ouers is die ontwikkeling van hul kinders in 'n veilige leerarea belangrik en omdat dit vir ons na aan die hart lê, sal 'n omgee-skoolkultuur altyd ons strewe wees. Ons sport-, kultuur- en akademiese prestasies getuig hiervan.

Academically, we rose above the rest as in the Alberton district. We received the award for the top school in the district in 2022 which comprised both academic and sport achievements. Our performance regarding the highest general average in eight subjects, catapulted the school to the top.

Culturally, our choir under the leadership of "Joshua na die Reën", proved a feather in our caps and charmed audiences wherever they performed. One of our public speaking teams participated in nationwide competitions and walked away, no fewer than five times, as overall winners in South Africa. Our individual participants also performed excellently in the national finals and reached the top ten countrywide.

In die uitgelese NWU-Sportreeks behaal ons algeheel 'n 6de plek, uit 16 skole. Elke sportsoort presteer in eie reg en wel as volg: In atletiek behaal ons 'n 3de plek in die C-afdeling, met 8 leerlinge wat op SA-vlak en 2 leerlinge wat internasionaal in Italië deelgeneem het. In netbal het ons 0/15 A-span 'n 2de plek in SA behaal. In hokkie is ons 'n Noord-van-die-Vaal B-afdelingswenner en ons gholfspan eindig 4de in hul liga. Verder spog ons met 6 – 8 provinsiale spelers,

onderskeidelik in hokkie, netbal en rugby. Op nasionale vlak het ons leerlinge ook weners opgelewer – landloop : 'n 1ste en 2de plek, perdry : 3 1ste plekke. Swem en skaak is ook sportsoorte wat van krag tot krag gaan.

At our school, we are innovative thinkers: our new sports for girls, touch rugby and cricket are both becoming more popular among our girls. Already some of our learners have been selected for provincial and national teams.

Ek wil graag ter afsluiting erkenning gee aan elkeen wat tot Marais Viljoen se suksesverhaal bygedra het. Die beheerliggaam en in die besonder meneer Wikus Steenberg, het geen moeite om ontisen om enige tyd behulpsaam te wees nie. The SMT, dedicated teachers, administrative corps, ground staff, every learner, our respected parents – all contributed to raising the name of our excellent school higher. Thank you to learners who effected positive change as you form the cornerstone of our school.

Ek wil graag saam met elke Marais Viljoener 'n toekoms bou op die fondament van die verlede. Mag ons mooi skool in 2024 steeds van krag tot krag gaan, nog hoër hoogtes bereik en as 'n Marais Viljoen-gemeenskap in diepe erkentelikheid en dankbaarheid leef.

**Boodskap van
die skoolhoof vir 2024**

Enjoy our yearbook – it showcases our beautiful school. May you find **precious memories** of our learners and may these ignite nostalgia in your hearts for a special 2023 that reached its end.

Boodskap van die Hoofmeisie

- “Om waarlik diens te kan lewer moet jy iets byvoeg wat nie gekoop, of aan geld gemeet kan word nie, en dít is opregtheid en integriteit.” (Charles A Adams)

As hoofdogter, het hierdie woorde my passie aan die brand gehou en gemotiveer in 2023. Dit was vir my 'n voorreg om Marais Viljoen te kon dien en lei tydens my ampsjaar. Om 'n ware lid van die samelewing te wees, is om te dien, al kry jy nie noodwendig altyd krediet daarvoor nie.

Jy leer soveel waardevolle lesse in die lewe, wanneer jy jouself blootstel aan uitdagings - dit is tydens die moeilike tye wat die Here ons legkaart van “die perfekte lewe” heeltemal uitmekaar haal en die stukkies op die regte plekke plaas.

Ek is opreg dankbaar dat Marais Viljoen 'n deel van MY legkaart is - ek het soveel waardevolle dinge van die lewe en die mensdom geleer. Onderwysers en vriende het my telkens gehelp om my legkaartstukke weer op te tel as ek hulle verloor het en my weer gehelp om die verlore stukke mooi bymekaar te sit - ek sal julle onbaatsugtigheid vir altyd koester.

Ek sal vir die res van my lewe met trots terugkyk op dit waarvan ek deel van kon wees - 'n skool; 'n familie wat my betig en gelei het, blootgestel het aan geleenthede wat my soveel ryker in ervaring en kennis gemaak het en sáám met my fees gevier het wanneer ek doelwitte bereik het.

I have realised that our ultimate purpose in life is to love and serve others. If we want unity in our lives, we must learn to create a new future - a new image, by uniting on all fronts, loving each other, like our Saviour loved us despite our trespasses. We choose what we leave behind when we move on to a new stage in our lives. Let that new stage be humility.

I am grateful to have been blessed with a platform to speak my truth. To those who supported me and to those who challenged me - I thank you.

I pray that Marais Viljoen will be blessed with prosperity and that each and every learner will realise how significant their effort really is.

“Daarom hou ons ook nie op nie, van die dag af dat ons dit gehoor het, om vir julle te bid en te vra dat julle vervul mag word met die kennis van Sy wil in alle wysheid en geestelike insig, sodat julle waardiglik voor die Here mag wandel om Hom in alles te behaag en julle in elke goeie werk vrug mag dra en in die kennis van God mag groei.”

-Kolossense 1 : 9-10

Message from the Head boy

High school has been one crazy ride! Forty-three thousand eight-hundred hours ... Five years. Long days and work-filled nights.

Between all the extra coffee and study-hard sermons, there was so much value to this experience. Since my tentative days as a "groentjie" up to these final days, Marais has been a blessing to me.

Thank you to the principal and leadership for running a tight ship. The Class of 2023 has been immensely privileged to have been in a school that has cared about us in the way Marais Viljoen has.

Thank you to the workers, cleaners, builders, painters, plumbers and security guards who form an integral part of this school. Your duties may be in the background, but you are dedicated preservers of the quality of life at Marais Viljoen.

To my friends and fellow pupils who have made five years of high school a breeze: I am glad to have shared special experiences with so many remarkable people.

It is Marais Viljoen that taught me patience, discipline and the will to keep going. Not just in the classroom, but during break, in the hall and on the corridors. It is truly a place of learning, far beyond just the academic stuffing of minds. I am thankful to have had teachers who did not just deposit information, but TAUGHT - about life, and living fully. I am thankful for the way Marais Viljoen prepared me for what is to come. I am thankful for the heartache and joy.

It hurts to say goodbye to something so important... but as the Psalmist says, "So, teach us to number our days that we may gain a heart of wisdom."

My heart overflows with gratitude. Marais Viljoen is etched into my heart forever.

Message from the SBG Chairman

As voorsitter van die Beheerliggaam is dit vir my 'n riem onder die hart om terug te kyk na 'n uiters suksesvolle jaar. Daarom wil ek namens die Beheerliggaam ons opregte dank teenoor ons skoolhoof, Dr. Krause, ons bekwame personeel, ouers en elke leerder uitspreek. Dankie dat julle 2023 'n onvergeetlike jaar gemaak het. Sonder elkeen van julle sou dit nie moontlik kon wees nie.

Ons skool is op verskeie gebiede ryklik geseën en ons kan 2023 afsluit met 'n dankbare hart. Ons spog met 'n vol trofeëkas as bewys dat ons uitgeblyk het op akademiese-, sport- en kultuurgebied.

We salute every learner, educator and staff member who contributed to an exceptional school year. Dedication and teamwork are the keys to our success.

Dr. Johlet Krause is as die nuwe skoolhoof van Marais Viljoen vanaf 1 Mei 2023 aangekondig en ons as Beheerliggaam is opgewonde om saam met haar die skool na hoër hoogtes te neem. Marais Viljoen se naam doen hom gestand en dit kan gesien word in die aantal aansoeke wat ons ontvang het. Ons poog om almal sover moontlik te akkommodeer.

Dit is voorwaar 'n voorreg om deel van hierdie pragskool te wees!

Looking back, there is no denying that we learned a lot, grew so much and that we are on the right path forward.

Ons dank ons Hemelse Vader vir al die seëninge wat ons as skool gedurende 2023 kon ervaar. Mag ons Marais Viljoen-familie mekaar in 2024 ontmoet met nuwe ywer en nuwe drome.

Ons innige meegevoel gaan uit na alle leerders, ouers en personeel wat geliefdes aan die dood afgestaan het gedurende die jaar. Mag julle vertroosting by ons Hemelse Vader vind.

Namens die Beheerliggaam wens ek u 'n Geseënde Kersfees en voorspoedige nuwe jaar toe.

May you all enjoy a blessed Festive season.

ONS GROET

Mev. Martie Underhay

Mnr. Jano Lessing

Mev. Martie Underhay het 'n lang pad saam met Marais Viljoen gestap. Sy is eintlik al sinoniem met Marais Viljoen, sy het hier grootgeword, eers as leerder en toe as 'n passievolle onderwyseres in die Bestuurwetenskappe department.

Sy het Ekonomiese Bestuurswetenskap, Besigheidstudies en Rekeningkunde aangebied.

Mev. Underhay het op vele terreine by die skool betrokke geraak en vele insette gelewer. Haar onbaatsugtige diens sal altyd onthou word. Haar veelsydigheid het geblyk in haar betrokkenheid by geesvang, revue, matriekafskeid en hokkie. Ons sal haar altyd onthou vir die besondere manier waarop sy haar leerders in die klas en op die sportveld hanteer het. Haar empatie vir leerders is prysenswaardig.

Baie dankie vir al die lojaliteit en harde werk deur die jare. Dit was werklik 'n voorreg om saam met jou te kon werk. Dankie vir die bydrae om ons leerders in totaliteit te ontwikkel, dat jy die balans tussen sport en akademie kon handhaaf.

Mag julle as gesin ook net die mooiste en kosbaarste herinnering saam opbou.

Martie, ons wens vir jou alle voorspoed toe en bid God's rykste seën en genade oor jou en jou gesin.

Jano is 'n onderwyser in murg en been. Hy het baie gou ingeskakel by die Marais Viljoen familie en op vele gebiede sy merk gelaat.

Hy het Rekeningkunde en EBW aangebied. 'n Groot man wat 'n passie het vir die leerders en 'n besondere band met hulle gevorm het. In die klas is daar hard gewerk maar daar was ook tyd vir 'n lekker geselsie, goeie raad en 'n grappie of twee. Dit was opvallend om te sien.

Jano was by vele fassette betrokke. Hy het ure langs die sportvelde spandeer waar hy atletiek en rugby afgerig het. Alles wat hy aangepak het, het hy met passie gedoen en dit het 'n groot impak op die leerders gehad. Hy is 'n jongman vol lewenslus en 'n fyn sin vir humor. Hy het vir vele lekker lagsessies gesorg. Dankie dat jy altyd bereid was om te help waar jy kon en dat ons die voorreg gehad het om jou te kon leer ken.

Jano is oppad Pretoria toe waar hy sy onderwysloopbaan gaan voortsit en ons wens hom alle sterkte toe. Hy gaan sonder twyfel ook by sy nuwe skool gou sy plek vind en geliefd wees onder die leerders en personeel.

Ons wens vir jou net die mooiste toe vir jou toekoms en mag God altyd jou rigtingwyser wees.

Mev.
Hubré Kotze

Mnr.
Juanre Potgieter

Hubrè reis het jare gelede hier by Marais Viljoen begin, en nou moet ons haar groet. Sy het haarself en ander altyd met haar diep Christelike waardes gelei. Onderwys was haar passie en sy het elke dag haar gawes en talente hier by die skool uitgeleef. Sy het hoë standaarde en verwagtinge gehad vir haarself, die wat om haar en in haar department was. Elkeen om haar het haar optrede met eer, trots en wysheid beleef. As seniorpersoneellid het haar kwaliteit werk, omgee vir haar medemens, haar positiewe, opregte en geesdriftige gesindheid, en die gebruik van al haar talente in die klas asook op die sportveld duidelik deurgeskemer. Sy was geliefd onder haar kollegas en altyd bereid om in te gryp as die nood iewers gedruk het.

Min mense het die voorreg om onder iemand te werk wat so baie omgee en verstaan soos **Hubrè**. Waar jy nou 'n nuwe seisoen in jou lewe betree, hoop ons jy maak al jou drome 'n werklikheid. Al lê daar dalk onbekende, onsekere tye voor, weet dat God jou hier geplaas het en dat Hy jou sal deurdra. Geniet elke oomblik saam met jou pragtige gesin.

Marais Viljoen is 'n knap vrou armer. Ons gaan jou baie mis.

Juanre het sewe jaar gelede by Marais Viljoen ingestap as deel van die Sosiale Wetenskap departement. Sy beleeftheid en nederigheid was duidelik sigbaar. Hy was bereid om te leer en te bemeester daarom was dit maklik om met hom saam te werk.

Hy het groot belangstelling getoon in Geskiedenis en het hom goed ingegrawe in die vakgebied. **Juanre** het geen moeite ontsien om die vak so interessant as moontlik te maak nie.

Tussen sy kollegas het hy uitgestaan as koffiemaker van formaat. Sy geheim: "Ek doen dit met liefde!"

Hy was 'n fantastiese krieketspeler en -afrigter. Sy passie vir die spel het op mede-spelers en leerlinge afgeevryf. Sy heengaan is 'n baie groot verlies vir Marais Viljoen.

Baie sterkte met die nuwe hoofstuk in jou lewe. Ons wens jou net goedheid en guns toe.

Mev. Ingrid
Laubcher

In Afrikaans is daar 'n gesegde "eerste indrukke is blywend!" Dit was absoluut die geval met **Ingrid**. Spreuke 31 : 25, 26 beskryf haar as 'n knap vrou. As sy praat, is dit met wysheid; as sy leiding gee, is dit met liefde.

Haar akademiese werk was altyd van hoë gehalte. Haar voorbereiding, klaswerk en evaluering was altyd korrek, volledig en betyds. **Ingrid** sal onthou word vir haar kwaliteit werk, omgee vir medemens, liefde aan haar naaste, en haar positiewe, opregte en geesdriftige gesindheid.

As kollega was sy vriendelik, behulpsaam en het die belange van die Sosiale Wetenskappe en LO departemente op die hart gedra. Sy het belanggestel in die wel en weë van haar medekollegas, en was altyd daar om hulle te ondersteun met 'n bemoedigende boodskap. Met haar sagte woorde kon sy die hardste hart laat vermurwe. Sy het nederig gedoen wat van haar verlang was.

Ingrid het 'n passie vir kosmaak en dekor gehad. Sy was vir baie jare deel van die skool se verversingskomitee waar niks ooit te veel moeite was nie.

Ons hoop dat al jou drome 'n werklikheid word. Terwyl die lewenspad onseker is, is dit gerusstellend om te weet dat

God oral op daardie pad teenwoordig is. Wees in alles blymoedig, selfs in teëspoed, en onthou: na 'n woeste brand, groei daar altyd nuwe gewasse.

Ons wens jou 'n aangename en geseënde aftrede toe. Mag jy die nuwe era saam met jou geliefdes ten volle geniet. Marais Viljoen se personeel en al die leerders wat deur haar hande is, sal haar mis.

Mnr. Peet
Janse van Vuuren

Ons neem afskeid van **Mr. Peet Janse van Vuuren** wat graad 8 en 9 Natuurwetenskap onderrig het. Baie dankie vir die leiding wat jy met die graad 8 NW geneem het.

Our best wishes accompany you as you venture on to make a success of your business. May nothing but love and happiness follow you and your family on this journey!

Mev. Marianne
Swanepoel

Mnr. Eben
du Toit

Nog voordat **Marianne** in Januarie 2002 by Hoërskool Marais Viljoen begin werk het, was sy as ouer van haar drie dogters betrokke by die skool.

Gedurende die bogemelde tydperk was sy betrokke by die finansiële kantoor en pligsgetrou om haar werk met ywer af te handel.

Buiten die feit dat mens haar altyd deur 'n ring kon trek, was sy ook altyd vriendelik met personeel, ouers en leerders.

Marianne is ook 'n vrou wat haar Christelike beginsels en waardes in alle fasette van haar lewe uitgeleef het.

Die vriendelike tannie in die finansiële kantoor gaan beslis gemis word.

Ons glo dat sy haar aftede ten volle sal geniet aangesien sy nou meer tyd sal hê om kwaliteit-tyd met haar kleinkind te spandeer.

Alle seën bid ons jou toe vir jou pad wat voorlê.

Eben het in 2022 deel van die Marais Viljoen-familie geword. Hy het baie gou ingeskakel en 'n groot bydrae by tennis gelever. Hy het sommer maklik by EBW ingeskakel en het deur die jaar aanhou groei.

2023 was voorwaar 'n groot jaar vir hom. Hy het voltyds by ons aangesluit en het in September getrou. Baie baie geluk en ons wens vir julle die mooiste toekoms saam.

Mnr. Du Toit verhuis na Pretoria en sal steeds in die onderwys bly.

Ons wens vir jou baie voorspoed toe vir die nuwe geleentheid en weet dat jy daar ook jou merk sal maak. Mag God se rykste seën jou vergesel in alles wat jy aanpak. Mag jy altyd God se genade ervaar.

Mev. Yolande
Dreyer

Mev. Yolande Dreyer het gedurende 2003 by ons aangesluit.

Sy is in 2007 deur die Beheerliggaam as Departementshoof vir IT & CAT aangestel. Deur haar jare by Marais Viljoen ontvang sy vele toekennings as die beste IT onderwyser in die distrik.

Mev. Dreyer was onder andere in beheer van die VLR, Reach-periode, Dames- en Lentedag. Baie dankie vir jou positiewe gesindheid en bereidwilligheid om altyd die ekstra myl vir Marais Viljoen te loop.

Ons wens haar sterkte toe in Pretoria waar sy haar onderwysloopbaan verder gaan voortsit.

Mr. Jacques
Venter

During his years at Marais Viljoen **Mr. Jaques Venter** was a student-teacher who had an immense impact on the learners' lives.

During the last three years, **Mr. Venter** was an English teacher in the school's Home Language Department.

Mr. Venter was also passionate about cricket and coached the school's under-15 team. His passion for the game continued off the field as he was selected to be part of the Easterns Cricket Board.

Marais Viljoen High School wishes you all the best in your new journey.

LENTEDAG & KLEURFELS

Marais Viljoen het Vrydag, 1 September, vir die eerste keer na Covid 19 weer 'n volwaardige Mnr en Mej Lente gehou.

The grade 8 and 9 learners participated in the junior section, with grade 10 and 11 learners participating in the senior section.

Die leerders het dit verskriklik geniet en hulle gunsteling paartjies entoesiasies aangemoedig. Iemand moes egter met die louere wegstap.

The day ended on a high note with a colour fest that the learners thoroughly enjoyed.

Die middag was voorwaar 'n reuse sukses!

ENGLISH OLYMPIAD:

The first-ever entry at Marais Viljoen for the 2023 SA English Olympiad was a successful venture for our Gr 12 learners.

Jacqueline Durand earned a silver certificate and **Hadassa Mukendi, Rutendo Chikowore** and **Kaitlyn Moses**, each earned merit certificates.

This is a longstanding competition dating back to 1976 and was initially limited to the Cape province. Now, learners from all over South Africa enter each year and from the R50 awarded to the winner in 1976, the winning prizes today are very attractive, with the top 50 in HL and the top 5 in FAL also receiving scholarships towards tertiary studies. The Olympiad aims to enrich appreciation of English and its literature and so provides a special opportunity for young people to show their mettle with the written word.

The open-book format of the Olympiad makes it sound easy, but participants need extraordinary critical thinking skills, combined with an excellent of English language and grammar. Our Grade 12 girls made us very proud with their performances.

We are excited to be a part of the competition for many years to come. Thank you to these learners for their wonderful effort and hard work.

Jacqueline Durand, Hadassa Mukendi, Rutendo Chikowore and Kaitlyn Moses

CHOIR

Na 'n jaar vol melodieë en harmonieë het die Marais Viljoen-skoolkoor uitgeblink.

Under the expert guidance of their coach and conductor, Jacques de Villiers, these talented young voices came together to create magic.

One remarkable achievement that stands out is the choir's triumphant third-place finish at the Alberton Eisteddfod. This accomplishment speaks volumes about their dedication and the exceptional talents they possess.

Hierdie dameskoor het ure aan oefening toegewy en hul optredes was deurdrenk met 'n gevoel van eenheid wat harte en siele aangeraak het. Hul toewyding aan musiek het ons herinner aan die verenigende krag van musiek.

As we bid farewell to this year, let us remember the words of Hans Christian Andersen, who said, 'Where words fail, music speaks.' Through their voices, the Marais Viljoen school choir has certainly spoken to our hearts, reminding us of music's enduring place in our world.

Thank you, Marais Viljoen choir, for a year filled with beautiful melodies and the warmth of togetherness.

ATLETIEK

The 2022/2023 athletics season was truly one to remember. Participating in nine meetings and watching our athletes excel and grow beyond expectations was an absolute privilege. It is with pride that we look back at the individual and team performances.

Ons neem deel aan die NWU Super Interhoër in divisie 3 en kom algeheel derde, met twintig van ons atlete wat in die top 2 posisies eindig. Uit die 48 atlete wat aan die Distrik kampioenskappe deelgeneem het, het 28 verder gevorder na die Gauteng kampioenskappe. Agt atlete het top 3 posisies behaal en dring toe deur na die Atletiek Suid-Afrika Hoërskole Kampioenskappe.

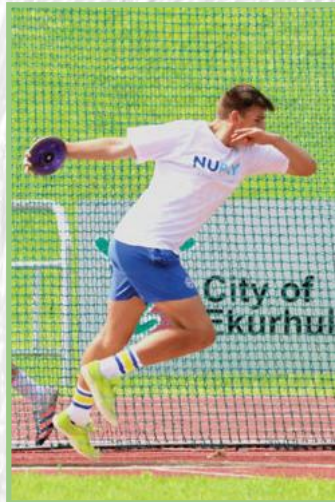

Die 8 atlete vaar dan ook uitsonderlik goed!

We would like to extend a special word of thanks to all parents, teachers, and coaches for all your hard work, dedication, love, and continuous support of Marais Viljoen athletics.

GOLF

Marais Viljoen Gholf het weereens 'n uitstekende jaar ervaar. We managed to enter one team in the A-League, two teams in the B-League and we entered one team in the C-League.

On skool vaar ook uitstekend in die PUK-reeks waar ons junior span sesde eindig, die senior span derde en algeheel was die skool sesde.

Our A-League Team came first overall in the Ekurhuleni league and qualified for the National Top Schools tournament held at Reading Country Club. At the nationals, we came sixth out of 24 schools.

Die A-Liga span 1 het ook gekwalifiseer vir die Noord van die Vaal toernooi wat in Oktober by Irene Gholfklub gehou is. Die span eindig algeheel sesde in die toernooi.

Ons B1 en C-Liga spanne het die Alberton-streek gewen en sodoende gekwalifiseer vir die finaal teen die ander streke.

The B and C leagues fought hard but unfortunately came second in the Ekurhuleni league.

HOCKEY BOYS

To simply be fast or have a hard shot, is not enough. Hockey is much more than that.

You need to have the mental foresight to predict the next moves of your opponents and the physical fortitude to be able to act in the present. Offensive and defensive awareness represent your ability to slow the game down, be patient, and not panic when a high-paced game is in action, so that you can be where the ball is going to be.

In 2023, the hockey boys have shown that they not only have the ability to be exceptional hockey players, but that hard work pays off. This year we fielded five teams and played in various tournaments and leagues, namely: the PUK Series; Premier League, First Division, and North of the Vaal.

Some of the highlights include:

- The first team boys finished sixth in the PUK Series.
- The u.14 boys finished third in the Premier League.
- The u.16B boys finished second in the first division.
- The second team finished sixth in the first division.
- The u.14 boys finished seventh in North of the Vaal.

HOCKEY BOYS

In sport, we generally aim to chase the win, the goal, and the medal; but sport is about more than that which is highlighted by the following quote:

“Do you know what my favourite part of the game is? The opportunity to play.”
(Mike Singletary, 49ers Head Coach)

Ashleigh van Wyk (S.A 0.19 - groep) en Dewan Marais het uitsonderlike prestasies tydens die 2023 seisoen behaal. Albei is onderskeidelik vir die Senior Easterns Mans- en Damesspanne gekies.

Ashleigh van Wyk

Dewan Marais

Marais Viljoen ended a very successful 2023 season with our first team, u.15 team, and 1st Girls team going through to the North of the Vaal to represent Easterns in this competition. The Marais Viljoen 1st team ended in the 1st

position and the u.15 team in 2nd position. Unfortunately, the u.15 and 1st Girls teams lost in the 1st round of the competition and the 1st team played against Waterkloof in the final. On the day, Waterkloof played better cricket than us but we are extremely proud of our players and we are proud to be runners-up in this competition.

I would like to thank our coaches, parents, players, loyal sponsors, and supporters for another great season. Without the support of the players, parents, and coaches we would not have achieved such heights. We can't wait for the 2024 season.

CRICKET BOYS

Marais Viljoen had a very successful season on and off the field, with various teams being league winners and Finsbury winners.

Die jaar het uitstekend begin, ons 0.15 en 1ste – spanne het na Paarl Boys High getoer om aan hul jaarlikse krikettoernooi deel te neem. Dewan Marais was terselfertyd besig om aan die “Cubs” week in Stellenbosch deel te neem, en waar hy dan ook vir die SA 0.19 – kriketspan geskies.

Marais Viljoen participated in the Easterns T20 league at the beginning of the year and our u.16 team came close to winning the final. Unfortunately, it was not meant to be and they were crowned runners-up. Congratulations to our first team who won this competition for the fifth year consecutively.

Marais Viljoen had success during the Finsbury Super League in the early part of the season too, where the 1st team and u.15 team ended as division winners. Marais Viljoen moved up a division due to the promotion-relegation rule and will be contesting in the C-Division in 2024.

Die nuwe seisoen het nuwe geleenthede vir verskeie spelers van Marais Viljoen gebied. Dewan Marais in die SA 0.19 – span ingesluit wat in Julie getoer het na Bangladesh en Dewan is ook verder vir die S.A – Emergingspan gekies wat teen ander seniorprovinsies gaan deelneem. Juan Steyn, Cayden Ramage en Ashleigh van Wyk het verder ook CSA- ontwikkelingskampe deur die jaar bygewoon.

LANDLOOP

“It’s not the will to win that matters—everyone has that. It’s the will to prepare to win that matters.”

It was a very busy time of year for all of us as we all worked really hard throughout the season. Our athletes emerged with flying colors and made us extremely proud. You have definitely set an admiring benchmark for aspiring cross-country athletes. At Marais Viljoen we don’t settle for the average, we strive for the extraordinary. Take credit for your success and celebrate. It is the result of your hard work.

Marais Viljoen neem deel aan die NWU Prestige-Reeks Landloop. Ons Juniors eindig algeheel 3de. Dit is ‘n besondere prestasie. Our confidence and accolade comes from our togetherness as well as our relentlessness, where we stay grounded while pursuing and achieving success.

Marais Viljoen wen die algehele liga. Junior dogters – 1ste. Junior seuns – 1ste. Senior dogters – 1ste. Die senior seuns deel hul 1ste plek. The win is due to hard work, dedication and passion. This is the only mantra in the journey to success and an admiring benchmark for aspiring athletes.

LANDLOOP

NETBALL

Goedheid, guns, 'guts', glorie, trane, bloed, sweet, beserings, medaljes, sukses, oorwinning, uithouvermoë en kampioene – hierdie is 'n paar woorde wat die netbalseisoen van 2023 beskryf.

Marais Viljoen netbal gaan elke jaar van krag tot krag en 2023 was uitsonderlik. Dit is vir ons baie lekker om te kan sê ons het 5 medaljes gewen by die NWU Puk-reeks. Onderskeidelik het die 0/15A, 0/15B en 0/16B-spanne weggestap met goue medaljes, terwyl die 1ste en 2de spanne brons medaljes verower het. Na afloop van hierdie reeks was ons reg om die liga aan te pak. Ons neem die spelers jaarliks op 'n toer en 72 leerders het hierdie jaar die toer meegemaak. Onderleiding van Dr. Elsjé Jordaan bestaan die toer uit 4 dae, 2 afrigtingsdae en 2 'n toernooidae. Hierdie is dan ook die laaste geleentheid om die spanne vir die liga uit te sorteer.

The annual league consists of eight teams in Ekurhuleni that fight it out to get to the top. Eight out of our fifteen teams won the league. This is a massive achievement, and we would like to congratulate every player and coach on their exceptional performance. The teams that were crowned as league winners were: u/14C & D, u/15A, B & C, u/16B & C, and the second team. Marais Viljoen was crowned as the overall winner of the Ekurhuleni A League and we were also nominated for Netball School of the Year at the Gauteng Awards.

NETBAL

We had four teams who participated in the Gauteng Championship. The u/15 team won the gold medal for the second year in a row and competed in the Kay Motsepe u/15 SA Championships. In a nail-biting final, we won the silver medal by one goal. We are extremely proud of these girls and their coach, Mrs. Annalize Oosthuys, for their unwavering dedication and hard work.

This year we had eight provincial players, the most players that played Gauteng in the past 11 years. These players include: Anel Chauke, Georja Joubert, Alida van Dyk, Kiana Butler, Hlengiwe Ngcobo, Kholofelo Mangena, Bophelo Mofokeng and Ametisse Bandu. Ametisse was selected for TWO national teams this year: the SA u/17 team, and the SA Fast 5 u/18 team. Well done, Ame, this is an extraordinary achievement, and we are super proud of you.

Ons het hierdie jaar ook aan die Fast 5 Toernooi deelgeneem. Nuwe spanne is saamgestel waar twee 0/15 en twee 0/17 spanne ingeskryf is vir die Ekurhuleni uitspele. Die spanne het baie goed gevaar en beide die 0/17 spanne het deurgedring na die Gauteng-uitspele.

As ons terugkyk na 2023, is Marais Viljoen netbal beslis bederf met God se seën op ons sportetiek. Ons wil baie dankie sê aan elke afrigter wat haar tyd opgeoffer het om al hierdie prestasies moontlik te maak. Julle sal nooit die waarde van julle bydrae by die netbal besef nie. We salute you!

Ons is reg vir 2024 en ons sien uit om bogenoemde prestasies net nóg beter te maak.

The U/17 girls touch rugby team won the league, ending first in their group and winning the final 4-0. It is the school's first time playing touch rugby, which makes the achievement even more remarkable.

Our U/15 team also played their first season this year and ended the league in fourth place which is also remarkable!

Marais Viljoen bedank elke speler en afrigter vir 'n seisoen van toegewydheid en harde werk. Die harde werk gaan nie ongesiens verby nie en sal wel afbetaal. Ons bedank ook ons graad 12 manne vir julle lojaliteit teenoor Marais Viljoen.

Ons is vreeslik opgewonde oor die nuwe fase wat wag om ons rugbykultuur nog sterker te maak.

“Tennis is mostly mental. You win or lose the match before you even go out there.” – Venus Williams

We are so thankful for all our talented and hardworking players, for it is because of them that we had a great year of tennis:

Our junior team came second in the NWU Prestige Series. The tennis ended fourth overall. All the teams won in the Alberton league. Two of the teams were the best in the district (Gauteng East). Out of 38 matches played throughout the year, Marais Viljoen WON 34!

Baie dankie aan elke getroue leerder wat met 'n glimlag speel. Also, a word of thanks to the team of Legacy Tennis Academy who did part of the coaching.

We are so proud of each player who did her/his best.

Die jaar 2023 was vol nuwe uitdagings vir skaak by Marais Viljoen. Na COVID moes ons weer begin bou aan ons spanne en ons leerders moes weer gewoond raak aan ligawedstryd deelname en die PUK-toernooi.

We appointed two coaches to help us rebuild our teams and we have the best in Mr. Devon Mcdonnald and Calvin Macdonald. These two coaches are working with the learners to inspire them to achieve to the best of their ability. Anrù Bezuidenhout wen hierdie jaar die "Arnold Schwarzenegger Classic toernooi" se D-afdeling wat 'n groot prestasie is.

By die PUK-toernooi het Marais Viljoen vyfde gekom. In the Alberton league, our 0/18 team came second and with this, they were invited to the district finals where the team came fourth.

We are saying goodbye to our grade 12 players who, through the year, made us proud in so many ways by being Marais Viljoen ambassadors in every possible way. We wish them all the best in their future endeavours.

It takes hard work and dedication to become good at chess and these players who play without an audience and without notoriety still persist and achieve!

SKAAK

SWIMMING

The Marais Viljoen swimming season started with a bang in February of this year. The learners performed exceptionally well in their individual strokes and relays. However, with the athletics inter-high and swimming inter-high scheduled on the same date, most of our top-performing swimmers had a difficult decision to make.

Even without some of our top-performing swimmers we still had learners who qualified for the prestige gala and competed brilliantly.

SWIMMING

SWIMMING

THE FOLLOWING LEARNERS QUALIFIED FOR THE PRESTIGE GALA:

Hayden Erasmus

Scott Robertson

Hayley Losper

Jessica Losper

Damian Merry

Hayley Losper received the Marais Viljoen floating trophy for the best girl swimmer. She performed consistently throughout the season and placed third at the prestige gala in the u.16 girls' backstroke.

Hayden Erasmus was awarded the Marais Viljoen floating trophy for the best boy swimmer. At the prestige gala, Hayden placed second in the boys' u.14 50-metre backstroke and third in the boys' 50-metre freestyle.

<https://www.youtube.com/watch?v=38-bNHym94A>

Grade eights of 2023, you SURVIVED! We want to congratulate you for embarking on this exciting high school journey. This year, you started off as uncertain, nervous and scared learners who did not know what to expect. Now, at the end of 2023, you can say that you have made it!

As you stepped through the fountain, you not only joined a school, but you also became part of a family that is dedicated to your success and development. Our teachers, staff and fellow students are here to help you every step of the way. Enjoy the next couple of years and thrive! Remember- "attitude determines altitude!"

Waar ons nou aan die einde van die jaar staan, wil ons elke graad 8-leerder gelukwens met n suksesvolle 2023. Die jaar het sy uitdagings gebied, maar jy was suksesvol. Sterkte vir die volgende vier jaar! Pak elke taak met ywer en volharding aan.

Wees die verskil in die skool wat jy wil sien.

“Namens die graad 9 voogde wil ons elkeen van julle sterkte toewens vir die senior fase wat nou voorlê. Julle is amptelik nie meer juniors nie en as die senior nuweling van die skool, kom daar groot verantwoordelikheid. Gryp elke geleentheid aan. Voor jy jou oë uitveë is jou hoërskoolloopbaan verby.

Enjoy every moment. Make new friends, try new challenges and make your parents proud. Joe Sabah once said: “You don’t have to be great to start, but you have to start to be great.” Make the most of your journey here at Marais Viljoen. **Give your best in each situation and don’t regret the chances you didn’t take.**

“As you embark on this significant chapter captured in the yearbook, allow us to share a heartfelt piece of wisdom: Never allow someone else’s perspective to shape your perception of yourself. It’s imperative to recognize that the energy you project into the world plays a pivotal role in your life’s narrative. Strive to be a beacon of positivity, for positive energy begets positive outcomes.

Remember, you are not merely a by-product of your circumstances. Instead, consider that your potential is boundless. Always endeavour to give your utmost effort in all that you undertake. Keep in mind that your dreams are not mere fantasies; they are attainable goals waiting for your commitment and dedication.

Finally, in your journey through life, embrace the mantra: ‘Do what you can, with what you have, where you are.’ Your potential is not determined by external factors but by your inner drive and resourcefulness. Seize every opportunity that comes your way and turn them into stepping stones toward your aspirations.

May your future be filled with boundless possibilities, and may this message serve as a constant reminder of the infinite potential that resides within you.

Class of 2023.

I am sure you can all agree that it has been an amazing journey when you look back at your 5 years at Marais Viljoen. It may not always have been easy, but it is still an amazing journey that shaped each one of you.

We want to leave you with this quote as an inspiration for your journey ahead.

“Life is not a race – but indeed a journey. Be honest. Work hard. Be choosy. Say “thank you”, “I love you”, and “great job” to someone each day. Go to church, take time for prayer. The Lord giveth and the Lord taketh. Let your handshake mean more than pen and paper. Love your life and what you’ve been given, it is not accidental ~ search for your purpose and do it as best you can. Dreaming does matter. It allows you to become that which you aspire to be. Laugh Often. Appreciate the little things in life and enjoy them. Some of the best things really are free. Do not worry, fewer wrinkles are more becoming. Forgive, it frees the soul. Take time for yourself ~ plan for longevity. Recognize the special people you’ve been blessed to know. Live for today, enjoy the moment.” – Bonnie Mohr

Ons beste wense vergesel julle waar julle 'n nuwe hoofstuk in julle lewens begin. Ons is trots op elkeen van julle en dat julle dit so ver gemaak het. Dit weerspieël julle karakter en vasberadenheid om sukses te behaal.

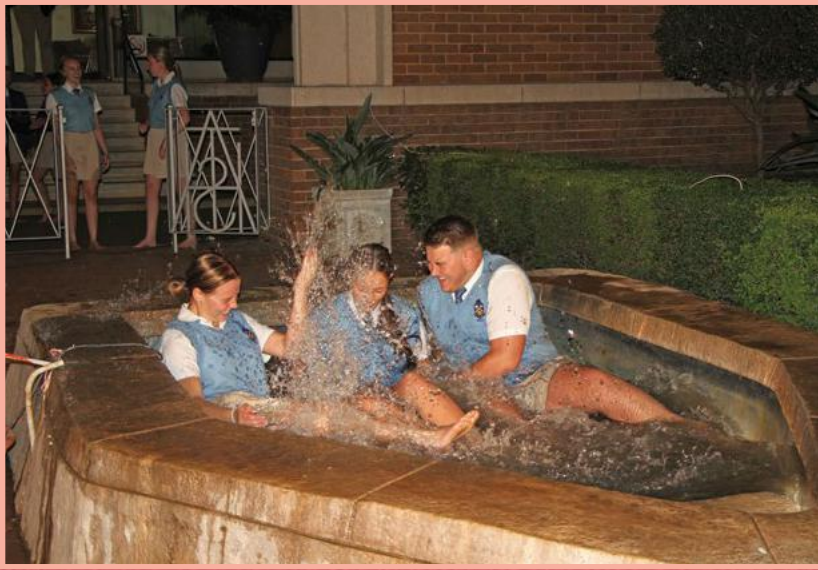

Onthou, jy is spesiaal! Droom groot en gryp elke geleentheid aan.

MATRIC FAREWELL

The matric farewell was a night to remember. Although there was traffic towards the red carpet, it was worth the wait walking down the red carpet with my friends and family cheering us on. The matric farewell made us feel like princes and princesses. We dined and partied like royals. it was a night to remember and felt like a dream.

- *Lethabo Lisa*

MATRIC FAREWELL

“ 18 Jaar het ek gewag vir hierdie aand om aan te breek en dit het my verwagtinge oortref. Ek kon sien die voorbereiding en dekor was met liefde gedoen. Dit was 'n voorreg om die aand te kon deel met al ons matrieks en ek kan eerlik se almal het só pragtig gelyk. Die hoogtepunt was die oomblik toe die dansvloer geopen het en nagereg bedien was! Dit was werklik 'n aand om te onthou.
- René Fouché

“ The Matric farewell of 2023 was truly a night to remember and most definitely worth the wait. You could see all the work and planning our teachers put in and was a great success. The venue had no flaws, the food was great and the place was decorated to the tee. So, thanks to all the teachers who worked tirelessly to make our night special.
- Deacan Garner

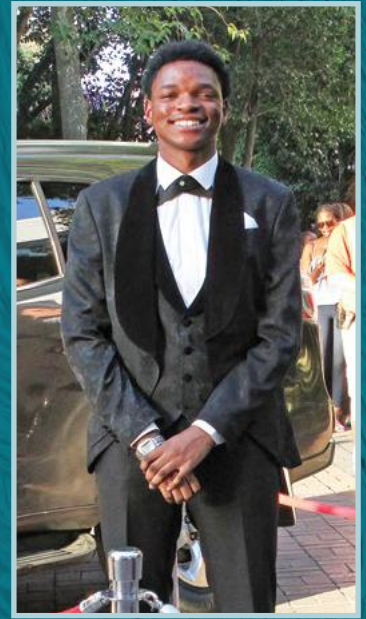

“ Na 'n hele hoërskoolloopbaan wat verby gevlieg het, het ons uiteindelik by die matriekafskeid gekom. 'n Aand om finaal totsiens te sê. Om op die rooi tapyt uit te stap en verwerwelkom te word nes 'n eregas. Die aand weg te dans en te geniet saam met die mense wat jou bygestaan het deur al die moeilike tye, dít was werklik 'n besondere belewenis gewees!
- Ronel Hattingh

“ Die matriekafskeid was een groot sprokiesverhaal wat vir altyd as 'n goeie herinnering sal bly. Elke jongmens het op hulle heel beste gelyk. Party was onherkenbaar, maar in die beste van maniere... Ons almal was met 'n gedans en 'n gesing op die dansvloer verwelkom deur n paar van die leiers se oulike bymekaar slaan van n uitstekende dansopvoering. Elke toespraak het sy eie spesiale boodskap aan elkeen van ons matrieks agter gelaat waaraan ons vasklou vir hierdie laaste rowwe tydjie, die eindeksamen. Elke jongmens het net goeie en mooi herinneringe van die aand en daai herinneringe sal ons aan vasklou! *Karli Wilkens*

GEMEENSKAP'S PROJEKTE

Die afgelope jaar het elke graad in Marais Viljoen 'n projek aangepak met die doel om weer terug te gee aan die gemeenskap.

Die graad 8's het plastiekdoppies en broodetikette ingesamel en dit aan 'Breadtags for Wheelchairs' geskenk. Elke kilogram plastiekdoppies en broodetikette dra by tot die moontlikheid om 'n rolstoel aan 'n behoefte te skenk. Die graad 8's het 'n groot sukses daarvan gemaak deur 'n hele paar kilogram in te samel. Ons is dankbaar vir hulle moeite en deursettingsvermoë.

Die graad 9's & 10's het 'n gesamentlike projek gehad. Dit was 'n groot voorreg om nuwe beddegoed en gordyne vir drie kamers in die Alberton Tuiste van Bejaardes te skenk. Die bejaardes het dringend nuwe beddegoed nodig gehad. Die leerders kon 10 bejaardes help.

GEMEENSKAPS- PROJEKTE

Die graad 11's het blikkieskos en nie-bederfbare produkte vir ons eie leerders in nood ingesamel. Die kospakkies word opgemaak vir die Junie/Julie en Desember vakansies. Dit is 'n reuse sukses. Die leerders kon in die Junie/Julie vakansie die families wat sukkel met twee sakke kos help.

Die matrieks het met die leerders van Frances Vorweg Skool tyd spandeer en vir hulle nie-bederfbare kospakkies geskenk. Die matrieks kon 38 leerders en hulle gesinne vir die Junie/Julie vakansie ondersteun.

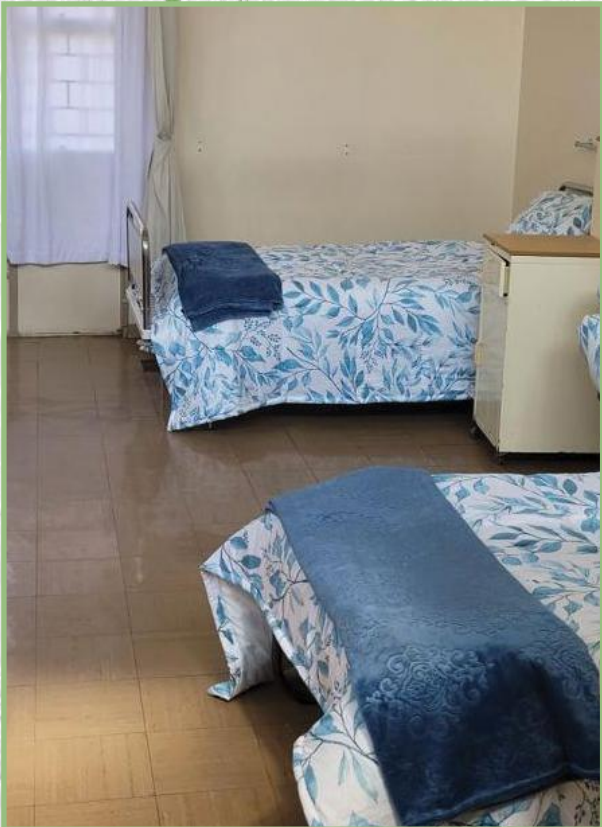

Dit is vir ons by Marais Viljoen baie belangrik om terug te gee aan die gemeenskap aangesien ons so geseënd is.

Ons is ewig dankbaar aan elke Marais Viljoen individu, gesin en ouer wat ons ondersteun het deur hierdie projekte. Sonder julle sou dit nie moontlik wees nie.

Ons hoop om nóg meer te doen in 2024!

KLANKSPAN

Ons wil ons hartlike waardering en erkenning uitspreek vir die uitsonderlike werk wat die klankspan verrig het. Hulle toewyding en opoffering om uitstekende klank vir al ons skoolfunksies te verskaf, selfs buite gewone ure, is werklik prysenswaardig. Hulle bereidwilligheid, aandag aan detail en kundigheid in die hantering van klanktoerusting het die algehele ervaring vir almal wat betrokke is aansienlik verbeter.

Hulle lewer nie net konsekwent professionele resultate nie, maar hul vrolike en vriendelike houding skep ook 'n positiewe atmosfeer tydens hierdie geleentheid. Hulle geduld om enige tegniese foute of veranderinge op die laaste oomblik aan te spreek, demonstreer hul verbintenis tot uitnemendheid. Hulle bydrae tot ons skoolfunksies is van onskatbare waarde en ons is dankbaar vir alles wat hulle doen.

Ons is werklik bevoorreg om so 'n talentvolle en toegewyde klankspan as deel van ons skool te hê. Aan Ethan, die spanleier, wat al deel van die span is vir die afgelope vier jaar, weet asseblief dat jou werk nie ongesiens verbygegaan het nie. Die impak wat jy op die span gemaak het, is beduidend.

Weereens dankie vir julle uitmuntende werk en onwrikbare toewyding.

MNR. & MEJ. MARAIS VILJOEN

Mnr. en Mej. Marais Viljoen was, soos altyd, 'n treffer.

Die drie aanbieders Thylor Woodruff, Luhan van Schalkwyk en Franco Horn het die aand op 'n vrolike en humoristies noot begin en die items wat deur ons talentvolle leerders gelewer is, het bygedra tot die spoggeleentheid van die jaar.

Daar is besluit om die funksie na die begin van die jaar te skuif, sodat die wenners reg deur die jaar die geleentheid kon kry om die skool by sekere spog-sowel as sportgeleenthede te verteenwoordig.

With the theme being Denim and Diamonds the grade 12 girls got the chance to do the opening dance and they didn't disappoint.

In the casualwear section, each learner also had to answer a question, which proved to be very enlightening and entertaining.

Die graad 12-paartjies het 'n kans in die kollig gekry en het die gehoor se asems behoorlik weggeslaan met hul pragtige en deftige spoguitrustings.
