## BREWSTER'S BREWERY LINCOLNSHIRE

Following in the footsteps of thousands of women who have brewed through the millennia, Sara Barton founded Brewster's Brewing Company and the first beers flowed in 1998. Sara took the name Brewster's for the brewery as it was an old English word for a female brewer. Brewster's Brewery is now a 32 hectolitre single infusion brewhouse located in Grantham, Lincolnshire.

### CHEVALLIER BREWING CO. EAST ANGLIA

Like all families, Chevallier Brewing is made up of more than one strand. The original brewery was started by head brewer Marc Medland, who has earned a reputation as one of the most skilled and adept brewers in the region. Their super modern brewhouse enables them to step mash their beers in granular detail, ensuring that all the character of the malt they need can be expressed perfectly.

### TRIPLE FFF BREWERY HAMPSHIRE

Triple fff launched in 1997 by Graham Trott who was a keen home brewer. In 2023 Triple fff became Triple fff Brewery Ltd. The most frequent question they get asked is 'Why are you called Triple fff?'. The answer? Their beers (Alton's Pride aside) are either song or album titles. These now form a very eclectic mix from many genres over many years and continue to grow in number as they create new beers!

#### ALTON'S PRIDE

Initially malty, then tangerine fruit and resinous hop build to a quenching bitter finish.

#### BLACK VELVET

Coffee mouthfeel with a biscuity finish, Cascade aroma comes through on the nose, chocolatey and rich.

#### MOONDANCE

Wonderfully aromatic floral nose balanced by a gentle bitterness with a hint of sweetness.

#### COMFORTABLY NUMB

A mouthwatering hop aroma, smooth and warming malt flavours and a deep, spicy hop finish.

## WHY PINS OF BEER HELP YOUR LOCAL PUB

A pin is a smaller cask of beer (about half the size of a normal one), and it makes a big difference:

- **Fresher Pints** - smaller casks empty faster, so every pint tastes its best.
- **More Choice** - pubs can offer a wider range of beers without worrying about waste.
- **Supporting Pubs** - less spoilage means less money down the drain, helping your local stay thriving.
- **Safer for Staff** - lighter to move and easier to handle behind the bar.

So when you see beer being served from a pin, it's not just good news for your pint – it's good news for your pub too.
