Autumn Winter

As the rhythm of daily life sweeps us along before we even notice, it is nature that reminds us to pause and brings us back to the safety of our homes. This collection celebrates the unique personality of each season, inviting us to slow down and appreciate the full spectrum of colours each day brings us.

The Mistral Home family

Colours in this catalogue are illustrative and may vary slightly from reality.

MISTRAL HOME CARES

At Mistral Home, we care about **the environment,**
the society and our products.

In 2020, Mistral Home embarked on a structured
approach to organisational carbon emissions.
Our Carbon Reduction Management Plan was created to
clearly outline how we can **reduce our carbon footprint.**
Reduction measures are always calculated according
to the Science Based Target Initiative.

Alongside this, we also focus on the **human aspect of sustainability.**
Both for our employees and everyone involved in production,
we strive for the best possible working conditions.
We also set aside a nice budget every year to support good causes.
