

Purlife

A SWISS PREMIUM COMPANY

Next Generation - Oral Care - Tooth Tabs

A premium product with the perfect dosage for efficient tooth brushing. Each tab contains high quality ingredients – without plastic waste or messy tubes.

Bamboo toothbrushes with white, natural castor oil bristles

Say goodbye to traditional toothpaste and switch to an eco-friendly, practical and effective alternative.

Why Tooth Tabs?

- Soft and sensitive gums
- Strengthens enamel
- Prevents cavities
- Removes plaque
- Low RDA value of 32
- Long-lasting freshness and radiant white teeth
- Ideal for travel
- Perfect for everyday life, even on the go
- Compact and practical format

How to Use:

1. Briefly chew the tablet
2. Wet your toothbrush, brush your teeth
3. Rinse your mouth and smile
