

A woman with dark hair and brown eyes is in the foreground, wearing large black headphones and a dark blue cardigan over a red turtleneck. She is looking directly at the camera. In the background, a man with a shaved head and extensive colorful tattoos on his arms is sitting, wearing a red t-shirt and grey pants, with his head buried in his hands in a distressed or exhausted pose.

Lived Experience Workshop

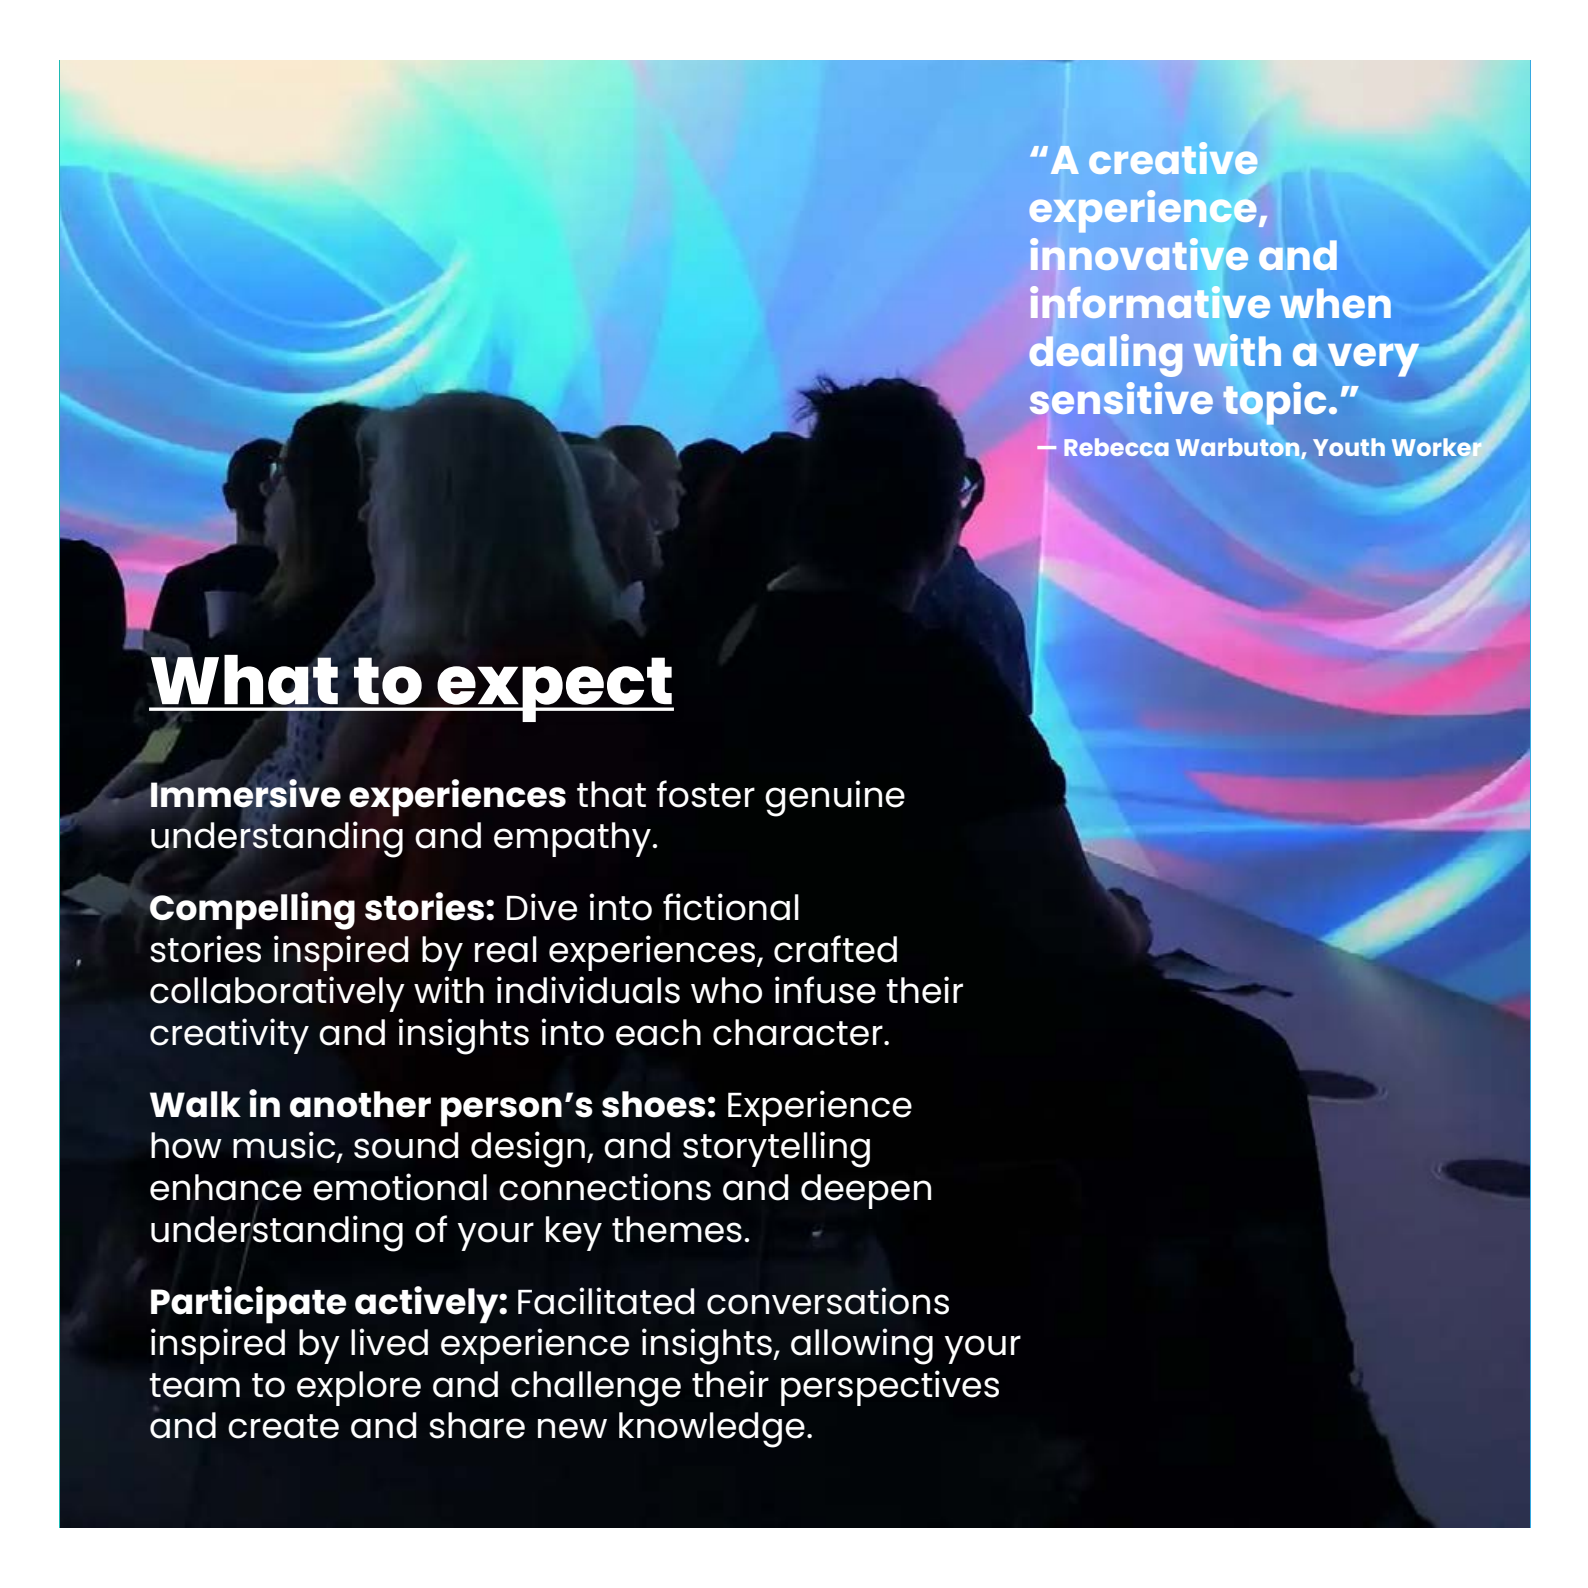

Bringing Lived Experience to Life

**"Thank you for such
an immersive
powerful experience."**

— Prof. Emily Salisbury

Transform your training and events into powerful, engaging experiences with our **Lived Experience Workshops!** Designed for **health, care, and social justice** sectors, our workshops leverage a rich array of **co-created** fictional audio stories, short films, and insightful audio from individuals with **lived experience** to ensure your team connects deeply with the realities of the communities they serve.

“A creative experience, innovative and informative when dealing with a very sensitive topic.”

— Rebecca Warbuton, Youth Worker

What to expect

Immersive experiences that foster genuine understanding and empathy.

Compelling stories: Dive into fictional stories inspired by real experiences, crafted collaboratively with individuals who infuse their creativity and insights into each character.

Walk in another person’s shoes: Experience how music, sound design, and storytelling enhance emotional connections and deepen understanding of your key themes.

Participate actively: Facilitated conversations inspired by lived experience insights, allowing your team to explore and challenge their perspectives and create and share new knowledge.

“This was something completely different – the participatory focus on the day was perfect and so engaging, the music, inspiring and mesmerising!”

– Ruth Gandy, Voicability

Our **arts-based approach** makes learning enjoyable for your whole team, so you can say goodbye to the dreaded ‘Death-by-PowerPoint’. And by centring **lived experience**, we help drive lasting impact that resonates with your team’s mission, ultimately improving practices and outcomes in your organisation.

Embrace a fresh, authentic approach to training and events that values **voices from the community**.

Book your workshop today and empower your team to catalyse **real people-centred change**! Reach out to us for more information or to schedule a session tailored to your needs.
