TAVERN AT THE TURN

When the season calls for it, head to Tavern at the Turn for brick oven pizzas, sandwiches, and your favorite sports games—a perfect spot to unwind after a round of golf or racquet sports.

YEAR ROUND FAMILY-FRIENDLY FUN

Summers at Bent Creek are truly unforgettable. Kids will love our Jr. golf leagues and junior racquet programs, while the whole family can cool off at the pool, open daily from Memorial Day to Labor Day. For those who love a little friendly competition, cheer on the Bent Creek Barracuda Swim Team as they race through the season.

As the weather cools, the fun continues! Our fall and winter social calendar is packed with family-friendly events, including our annual Fall Festival and holiday traditions like gingerbread house decorating and our beloved Santa Brunch. No matter the season, there's always something special happening at Bent Creek!

MEMBERSHIP TESTIMONIALS

I joined Bent Creek in 1997 as a Sports Member because it was close to home. My wife and kids used the pool and maybe I played golf five times a year. But I didn't develop any close friendships because I never got involved. Fast Forward to 2012 and one of my coworkers joined as a full member. Right away he is meeting all of these interesting people and I ask him how did that happen? It was simple, he joined the Purple Gang and the Low Flyers and told me that I needed to become a Golf member in 2013. Most of my friendships in life to that point had been coworkers and family but boy did that change! I met so many new friends through golf that now most of our social life is with a current or past Bent Creek Member. It has been a great ride and most of my golf and dinners in Naples, Florida are with the same group. Bent Creek is a special place with great staff and members. You have to be open to meeting new people and it sure makes your life more fun!

-Rob, Full Golf Member

I was lucky enough to have parents who became members when Bent Creek first opened in 1994. I have many fond memories with my family at Bent Creek. I remember playing a lot of golf, swimming in the pool in the summer, playing tennis, and the awesome holiday picnics in the summer! Fast forward to 2012, my wife and I (with three children by our side) became full golf members. We have thoroughly enjoyed being members at Bent Creek. I am lucky enough to see my family enjoy all of the benefits our club has to offer (like I did many years ago). The golf course has always been one of my favorites to play and the tennis facility is one of the best around. I would be remiss if I did not mention how fantastic the staff at Bent Creek is. They always have a smile and are ready to assist when needed. They work very hard as a team to make our experiences fun and memorable. Finally, the members at Bent Creek are a wonderful community of all walks of life. They are welcoming, engaging and great fun to be around. We wouldn't want it any other way!
