Denim Shirt

RM149

Our Denim Shirt is a versatile addition to your wardrobe. It features a front button opening, long sleeves with cuffs, and a high-low hem for a stylish look. The shirt is also nursing-friendly and made with lightweight and breathable cotton denim, making it comfortable to wear all day. This shirt is perfect for all body types.

Available in XXS-5XL

Denim Long Shirt-Dress

RM179

Upgrade your wardrobe with our versatile Long Shirt Dress, made with lightweight and breathable cotton denim. Featuring a loose fit, high-low hem, and long sleeves with cuffs, this dress also has pockets on both sides and a separate sash for a more defined silhouette.

Available in XXS-5XL

Get ready to turn heads with these stylish ripped jeans! Designed to shape your hips and thighs, these jeans also have a slight flare at the leg opening for a flattering silhouette. The functional pockets at the front come with an extra compartment, while the back pocket adds both style and functionality. The non-stretch waistband, front zipper fastening with metal button, and lining underneath the ripped patches ensure both comfort and durability.
