

RUGBY SCHOOL
THAILAND

ART SCHOLARSHIP

Information for Applicants

Creativity is one of the most sought after skills by employers and the creative industries are one of the fastest growing economies world-wide, so art is a popular subject choice for students and opportunities to develop artistic skill and engage creatively play a vital role in the school curriculum. Our goal within the art department is to support and guide students towards discovering their creativity and help them to develop skills across a wide range of media, materials and processes. In addition to developing artistic talent, Art teaches students skills such as problem solving, concept development, organisation, time management and teamwork.

Our select group of art scholars play an important role in the department and within the school as a whole. They act as role models to other students and showcase what can be achieved when talent is combined with motivation and commitment.

We expect our scholars to:

- maintain good grades in all subjects;
- receive consistently good attainment grades in art;
- uphold the values of RST and be an excellent role model to other students in all aspects of school life, but particularly in their approach to commitment in art;
- involve themselves fully in the co-curricular provision provision for art;
- in most cases, to study art at GCSE/A Level.

Scholarships are reviewed annually.

Scholars' Programme

All scholars follow a tailored programme and work closely with a specialist mentor.

Scholars will benefit from opportunities such as:

- taking part in the Scholars' Showcase
- events which bring together scholars from each area. These events may include a formal dinner, symposium or trip
- collaborating with fellow scholars from their subject areas to create an assembly presentation
- the opportunity to undertake an independent research project

Art scholars will benefit from:

- public exhibitions of their work and tuition in curation
- opportunities to attend arts based workshops and talks
- support with developing their portfolio
- leading House Art (supporting the House Sixth)

Assessment Process

Scholarships are available for students aged 11+. Applicants must complete the standard entry process first, including a cognitive abilities test. For an application form, please contact admissions@rugbyschool.ac.th. Applicants who meet the CAT4/CEM, interview and previous report requirements will be invited to attend the Art Scholarship Assessment Day.

The Assessment Day will comprise of:

- a set of tasks designed to test creativity, skill and interests;
- an interview, during which candidates will be asked some questions about their interest in art. Candidates should be prepared to talk about an artist who inspires them;
- a portfolio review. Candidates should prepare a portfolio in advance, including any media, but larger or three-dimensional works should be photographed.

Once attendance on the Assessment Day is confirmed, applicants will receive more information.

Please note that internal candidates must be recommended by a relevant member of staff in order to apply. Internal candidates will be notified if this happens.
