

YAPPEE YORRK

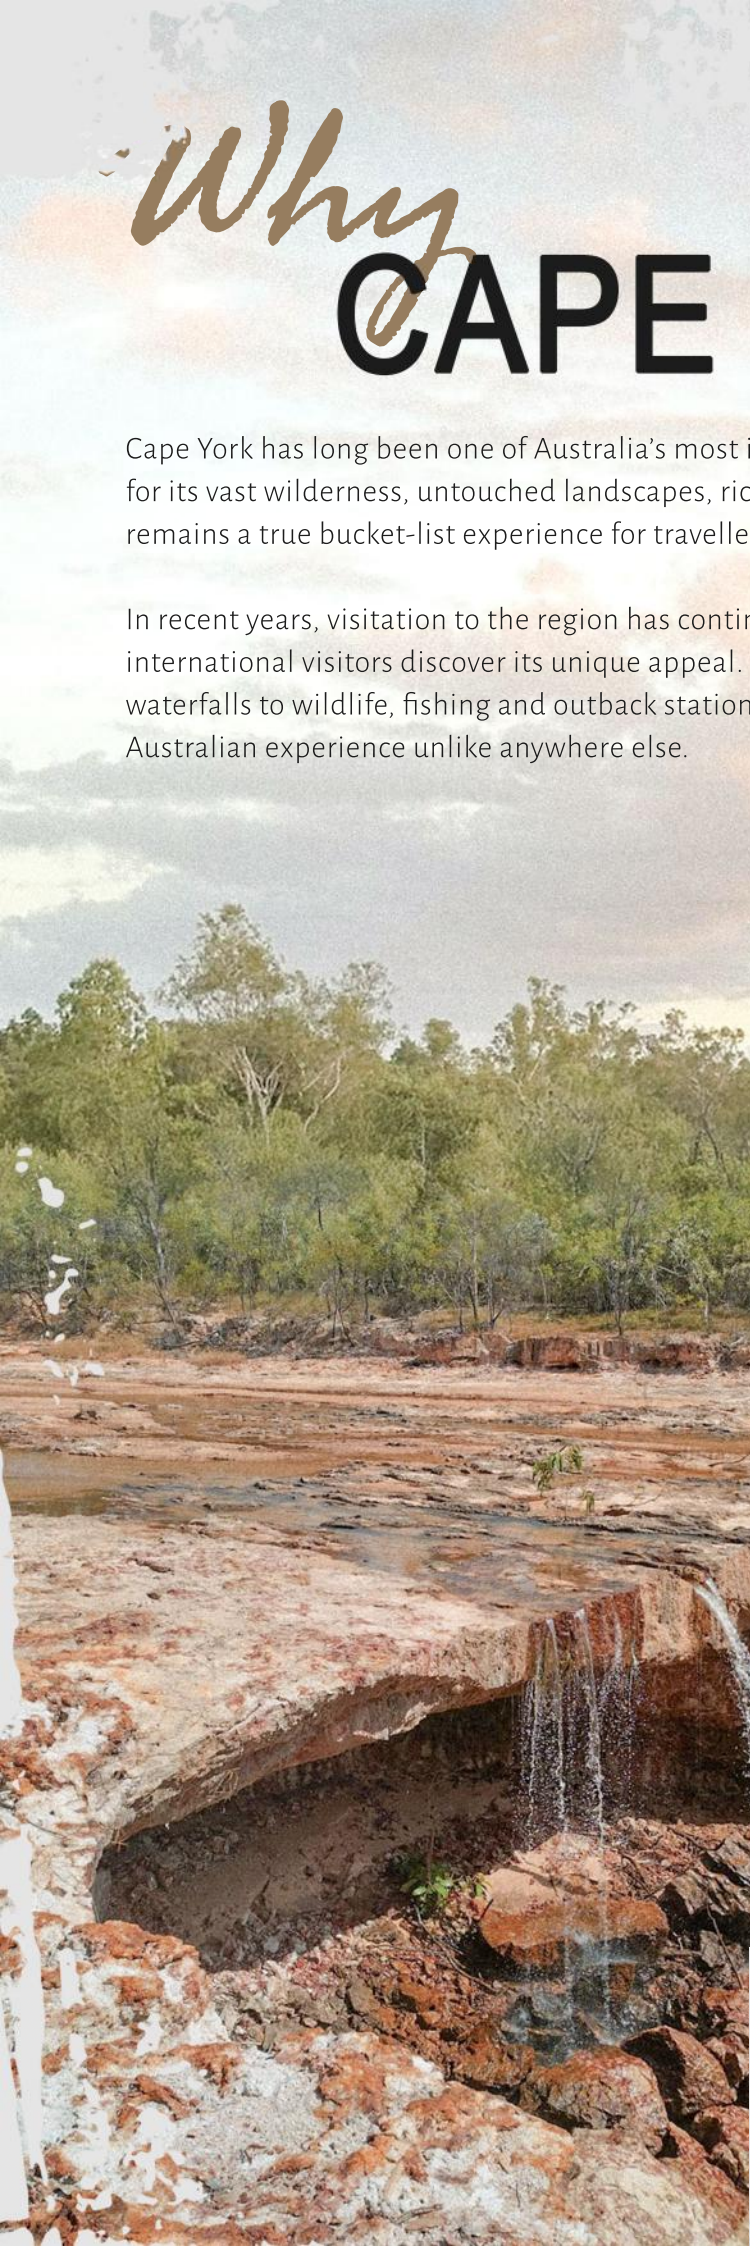

EXPERIENCE AUSTRALIA

Why CAPE YORK

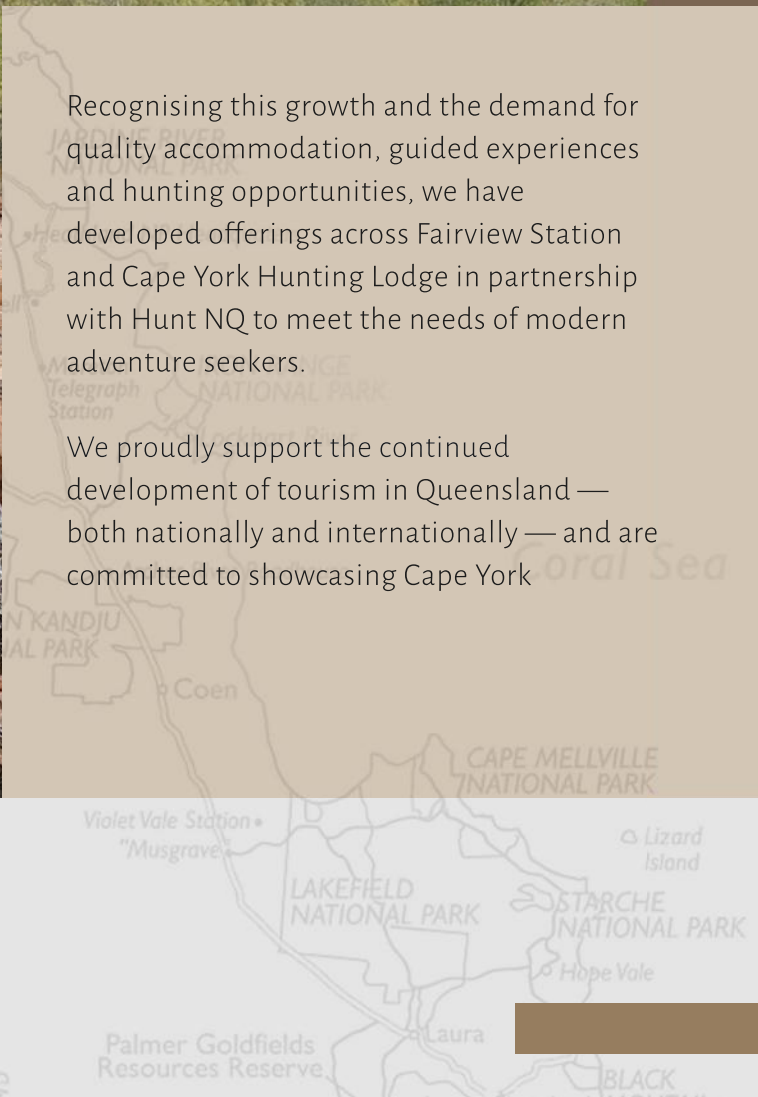

Cape York has long been one of Australia's most iconic adventure destinations. Known for its vast wilderness, untouched landscapes, rich history and raw natural beauty, it remains a true bucket-list experience for travellers seeking something extraordinary.

In recent years, visitation to the region has continued to grow as more domestic and international visitors discover its unique appeal. From remote river crossings and waterfalls to wildlife, fishing and outback stations, Cape York offers an authentic Australian experience unlike anywhere else.

Recognising this growth and the demand for quality accommodation, guided experiences and hunting opportunities, we have developed offerings across Fairview Station and Cape York Hunting Lodge in partnership with Hunt NQ to meet the needs of modern adventure seekers.

We proudly support the continued development of tourism in Queensland — both nationally and internationally — and are committed to showcasing Cape York

FAIRVIEW

Station

A Cape York Experience on a working Cattle Property

Fairview Station is a privately owned, fully operational tourism and agricultural property located approximately 20 kilometres north of Laura and a four-hour drive from Cairns via the Peninsula Development Road.

Fairview offers guests the opportunity to experience the Cape York region through immersive tours, comfortable accommodation, and quality dining in a relaxed outback setting.

\$49 per child

OPENING
SPECIAL

Tours include:

- Crocodile spotting
- Visits to multiple waterfalls
- Scenic property tours
- Property history and regional storytelling
- Historic graves dating back to the 1800s
- Bird watching

Our guided tagalong tours showcase the natural beauty and rich history of the region.

Our guide will travel in a safari vehicle. There are limited seats available for guests who do not wish to participate in the four-wheel driving in their own vehicle. Once these seats are filled, all guests will be required to bring their own vehicle. A four-wheel drive is essential, and light four-wheel driving may be required.
