

FENCE Warehouse

STEEL FENCING

Custom made tubular steel fencing, fabricated and powder coated to your specifications, in house, at our facility in Sunshine North

www.fencewarehouse.com.au

About Fence Warehouse...

We are a proud family owned and operated business with over 20 years experience in the fencing industry, a true one stop shop for all of your fencing needs.

Manufacturers - custom products including fencing, gates and posts. We work on the basis of any style, any height, any width, any colour. Our steel fencing and gates are made with pre galvanised steel, welded with silicon bronze. Quality, affordable and built to last all made in our Sunshine North facility.

Powder Coaters - in house powder coating for fast turn around. We are heavily quality focused and have a 6 tank pre treatment system and offer a large range of Dulux powder colours. We also have a large 9mtr long oven for extra long gates.

Importers & Wholesalers - We pride ourselves on attention to detail in all aspects of sourcing and supplying products. We look domestically and worldwide for factories with the skills and equipment capable of manufacturing the highest quality product at a competitive price. Our quality control team regularly visit our factories to ensure our high standards are always being met.

Project Orders - We can assist to plan and coordinate production of goods for projects. Our diverse supply chain coupled with careful quality control processes enables us to provide the highest quality custom made products delivered on time. From custom fabrication of steel fencing, gates, posts and fittings to supply of various types of glass including toughened clear, tint and acid etch glass, we can do it all.

DIY Specialists - We put together complete DIY kits for self install along with the right advice to get the job done right. Products have been designed with installation considerations in mind to ensure they are as easy to install as possible to save you time on site. Materials can be delivered nationwide. Online orders can be placed on our easy to use website www.fencewarehouse.com.au

Installation - Not up to doing it yourself? We can come to site and provide a quote to supply and install any of our fencing products (Melbourne metro only)

Showroom - feel free to visit our Sunshine North showroom Mon - Fri 8am - 4pm

- Key lockable rear flap
- Custom powder coat colours available
- 405mmH x 205mmW x 240mmD

AUTOMATION

BENINCA GATE MOTOR KITS

- Italian made sliding gate motor kit
- Available in various models rated to support sliding gates up to 1200kg in weight
- Designed for intensive use

The kits may include:

- 1 x Beninca Motor
- Integrated control unit & virtual encoder
- Electromagnetic Limit Switches
- Full metal release system
- Raised foundation plate
- 4x M4 Rack
- 2x remotes

BENINCA SWING GATE MOTOR KITS

- Italian made swing gate motors
- Control units with support for both 24 Vdc or 230 Vac operators
- Ideal for swing gates up to 5m long.

Order Code	Weight Capacity	Leaf Speed
BENINCA BULL424SE	Sliding gates up to 450kg	12m/minute
BENINCA BULL624SE	Sliding gates up to 600kg	14m/minute
BENINCA BULL624 TURBO	Sliding gates up to 600kg	25.5m/minute
BENINCA BULL1224 TURBO	Sliding gates up to 1200kg	24m/minute
