BeSmart®

Smarter Locking Solutions, Powered by Bisley.

BeSmart is Bisley's consultancy-led smart locker service, designed to help organisations of all sizes adopt secure, flexible, and future-ready storage systems.

Combining our manufacturing expertise with global lock technology partners, we deliver tailored solutions — from enterprise-level hardwired systems to straightforward offline lockers — that fit your workflows, your people, and your sector.

BeSmart®

BeSmart is Bisley's consultancy-led smart locker service. We help organisations of every size adopt secure, flexible and future-ready storage systems from enterprise hardwired solutions to simple offline locks, all integrated into our market-leading locker ranges.

Our Smart Locking Categories

Hardwired - real-time control and enterprise integration.

Networked - connected, scalable, centrally managed.

Batteryless NFC - mobile-first, no wiring or batteries.

Offline - simple, robust, cost-effective day-use locking.

Our Global Technology Partners

We collaborate with trusted global lock partners to deliver solutions tailored to every project - all under the BeSmart umbrella.

BeSmart Locker Portfolio

Explore our three core locker ranges to find the right solution for your space, usage, and aesthetic.

Range	Type	Design Focus	Ideal For
LockerWall	Modular locker system	Fully modular and architectural with built-in options for seating, planters, tech integration and zoning. Designed to become part of the workspace itself.	Agile workspaces, enterprise fitouts, campuses, smart zoning
Deco	Smart, refined steel locker	Soft curves, powder-coated body, and double-skinned doors for acoustic control and added safety. A design-led take on personal storage.	Corporate offices, front-of-house areas, hybrid workplaces, A&D-led interiors, postal lockers
Primary*	Smart steel locker	Durable and cost-effective with a clean, minimalist design. 5-column door configuration options, simplifying the specifying process.	Educational settings, events, cloakrooms, rental lockers, back-of-house storage

Where BeSmart Works

BeSmart supports a wide range of sectors, including:

Workplace - hybrid, agile, and enterprise environments.

Education - schools, colleges, and universities.

Healthcare - dispensing, secure personal storage.

Hospitality & Leisure - luggage storage and changing areas.

Retail & Venues - event-day lockers and click-and-collect.

Warehouse - asset management fulfilment.

Why Choose BeSmart

Consultancy-led - we match the correct lock technology to your needs.

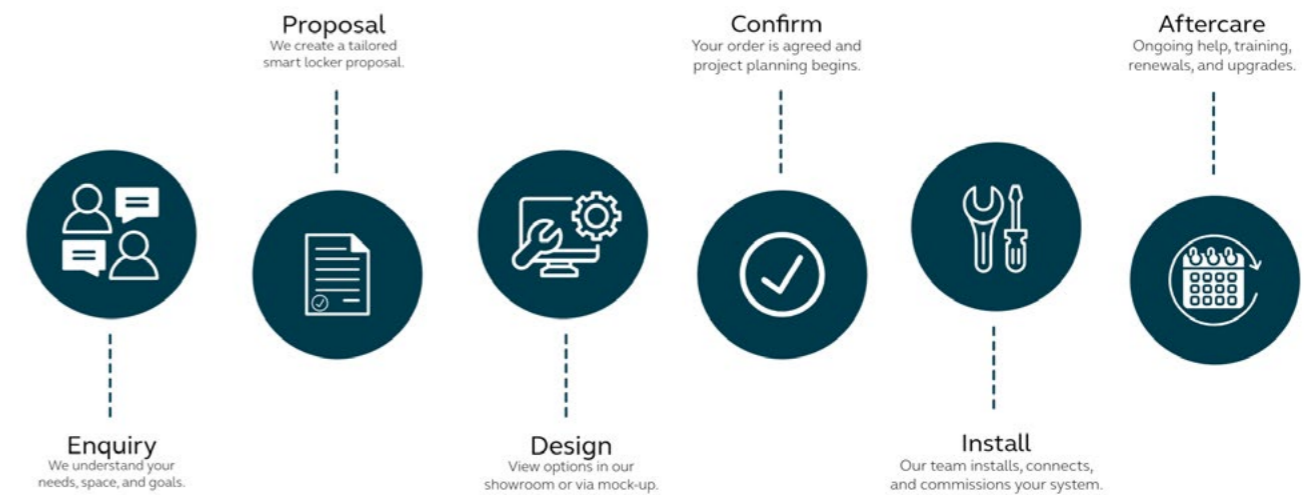

Fully compatible - all Bisley lockers pair with any BeSmart lock type.

Flexible & scalable - from small installations to global estates.

Integrated - works with existing access control systems (HID, MIFARE, Paxton, SSO).

Supported - UK-based technical support, training, and renewal management.

The BeSmart Customer Journey

LockerWall

LockerWall, fully integrated with our comprehensive BeSmart service, is our smart storage system that delivers dependable security without dominating space or sacrificing style.

Integrating seamlessly into your environment, LockerWall is available in a wide range of material and colour finishes, including wood and steel. And utilising the latest smart locking software, personal storage and facility management has never been simpler and safer.

There is a growing demand for intelligent locker systems, and with the integration of BeSmart, LockerWall has been expertly created with functionality, security and style in mind, tailored precisely to each project requirement. Available across a range of sectors, our professional, consultative approach ensures that each solution is customised to suit your environment – from a corporate office to educational institutions, healthcare facility, or a leisure space.

Backed by decades of experience and expertise, Bisley works with you to build a data-driven LockerWall that not only transforms your space but also streamlines how users interact with their environment.

Create an efficient, sleek system that integrates seamlessly into your design.

LockerWall represents the modular, architectural arm of the BeSmart portfolio, designed to transform storage from a standalone necessity into a fully integrated part of the interior landscape. As a core BeSmart solution, LockerWall combines large-scale configurability with smart, centrally managed locking to support dynamic, high-traffic environments.

Built as an adaptable system rather than a fixed product, LockerWall enables zones, neighbourhoods and circulation spaces to work harder - offering storage, wayfinding, division and placing in a single cohesive installation. With extensive material choices and the ability to accommodate diverse smart locking workflows, LockerWall becomes the foundation for data-driven, user-centred environments across corporate, education, public and leisure sectors.

Deco

Deco is our premium steel locker range, offered as part of the dedicated product offering from BeSmart, our consultancy-led smart locker service. With its sleek, modern design featuring radiused edges, Deco elevates spaces with a soft, curved aesthetic that sets it apart from traditional steel lockers.

Designed as a freestanding solution, Deco offers flexible column options and the ability to position the control terminal on the front or side of the locker bank, maximising door capacity. Ideal for a wide range of use cases across various sectors, such as retail, healthcare, hospitality, education, and more, Deco combines style, security, and practicality. Enhanced with the latest smart locking technology, Deco simplifies storage management, providing secure, efficient solutions tailored to the needs of today's dynamic environments.

With its double-skinned design, Deco is entirely secure and fully customisable, we can supply your chosen lockers in any size, configuration, and colour you need. We have all the expertise and knowledge on-hand to bring you a tailored design service, creating a truly unique and flexible storage solution.

Deco – secure, intelligent steel storage.

Deco forms the refined, design-led element of the BeSmart® portfolio, offering a premium steel locker solution that pairs elegant detailing with intelligent functionality. As part of BeSmart, Deco becomes a fully connected storage system, combining its soft, curved aesthetic with seamless digital management to support modern, hybrid environments.

Engineered for both visual impact and practical performance, Deco integrates effortlessly into front-of-house, workplace and hospitality settings, providing a sophisticated approach to personal storage. With flexible configurations and full colour customisation, Deco allows BeSmart schemes to be tailored precisely to each project, delivering intuitive user journeys and a refined architectural presence within any space.

Primary⁺

Durable. Versatile. Now smart.

Primary⁺ is the smart-enabled evolution of our trusted Primary locker – a robust, steel-bodied range designed to deliver reliable performance in busy, demanding environments. Built for strength, simplicity and long-term durability, Primary⁺ retains the clean lines and practical design of the original Primary model but introduces integrated smart lock compatibility as part of the Bisley BeSmart family.

With a choice of one to five doors per column and three standard sizes, Primary⁺ gives you the flexibility to configure locker banks to suit your space, usage, and flow of people. Choose from ventilated or unventilated doors, depending on your needs, helping your belongings stay fresh throughout the day, while a steel body – available in a wide range of paint finishes – ensures the lockers are as visually adaptable as they are tough.

Fully compatible with our full suite of BeSmart locks – including hardwired and wireless options – it's the ideal entry point into connected storage for high-volume, fast-paced settings. From schools and universities to hybrid workplaces, gyms, events, and temporary installations, Primary⁺ is designed for projects where you need dependable, cost-effective smart storage without compromising on functionality.

Primary Lockers

Robust, versatile and hard-wearing - lockers crafted for the workplace.

Primary Lockers by Bisley span a wide range of sizes and configurations, allowing you to stow your personal belongings, workwear or equipment as required. With perfect sized compartments to suit every need; whether you're storing uniform and bulky items, or separating your clothes from dirty overalls. Designed for durability, these lockers are aimed at fulfilling tough 'back-of-house' storage requirements, however, the neat and minimalist design means they will look great in changing rooms and customer-facing cloakrooms too.

This straightforward locker range is easy to specify. Featuring a smart grey carcass and a selection of door colours, there's also a selection of optional upgrades, such as benching, feet, sloping tops, and a choice of locking options.

Available in single columns or nests of up to two nests of up to four lockers, Primary Lockers work around your space and capacity.

Primary Lockers: Built to last.

All Primary Lockers are available in galvanised steel.
For galvanised steel please add Suffix 'G' to the end of the code, for example:
PEDS1825456 becomes PEDS1825456G

If you are specifying a locker with an alternative locking option and in galvanised steel, please put the suffix for the lock before suffix 'G'.

Benches, stands and sloping tops are also available in galvanised steel using suffix 'G'.

Galvanised steel = +20% surcharge

Please note: Primary Lockers in galvanised steel still require a paint finish to be specified.

For all finishes options, please refer to page 262.

CLK Lockers

Made from steel with concealed hinges, clean lines, and a welded construction, our CLK locker is a strong yet subtle addition to your home or office. It's a smart, personal storage solution for any work environment, or a fun alternative for staying organised at home.

With an authentic, robust design, our CLK lockers are perfect for creating neat banks of personal storage. Outline storage round wood handles are available in either light, medium or dark wood finishes.

For all finishes options, please refer to page 262.

Zone information

Our 400mm deep frames are split into two 'zones'. The frame dimensions vary slightly from ZONE 1 and ZONE 2.

Each of the accessories, apart from MFC shelves and planters, have two versions, one to fit each zone.

Please note: All Outline frames are supplied empty, except for the two base shelves. We recommend adding shelves and/or accessories to your frames.

Kubbi

Kubbi is your perfect stowage solution for the workplace.

Lock away your personal belongings for the day in one of Kubbi's cosy compartments. Tailored to suit you with a variety of cube combinations, including open display cube compartments, Kubbi gives you the room to build and tailor your workspace.

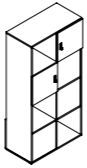

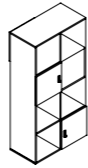

With storage at the heart, Kubbi connects your space and can be used as a stylish and useful room divider, all without building any walls. Dual facing, Kubbi can act as a standalone piece, or you can choose to create larger configurations by connecting several units together.

Planters

- Our beautiful, planter range can be incorporated into a collection of our product ranges, including LateralFile, Outline, Bridge, and Pren. Add a touch of biophilia to your space to really boost employee well-being and introduce calmness and tranquillity.

Biophilia is something that many businesses have embraced with open arms. Some spaces are even taking it to the next level by planting full sized trees in the lobby or reception, while greenery is appearing in lights, fixtures, and furniture throughout the office.

Additional information

Levelling feet

Adjustable levelling feet are fitted as standard to all LateralFile units. Height is adjustable up to 24mm (1") in total. With the exception of 718mm (28.3") high two door cupboards and tambours, which are fitted with adjustable levelling feet that are adjustable up to 8mm (0.3") and are fitted with one fixed shelf with centre partition on the bottom half of the unit.

Internal specification

Two door cupboards are supplied empty except for 718mm high cupboards which are supplied with one fixed shelf.

LateralFile bookcase and magazine unit shelves will match the carcass finish.

Please note: 600mm (23.6") deep coat cupboards will be assembled using SystemFile carcass.

All internals are supplied in black, except plastic shelf dividers & pigeon hole sets supplied in translucent plastic.

All drawer units have slotted bases and open backs and will include file bars as standard.

Safety warning

It is recommended that all cabinets below 1300mm (51.2") high should be fitted with a counterbalance, if any pull out elements are fitted. Pull out elements should only be fitted in the lower half of the cabinets.

For all finishes options, please refer to page 262.

Essentials

Affordable, high-quality and long-lasting, Essentials makes specifying your workspace refreshingly straightforward.

From drawers and cupboards, to tambour doors, Essentials is available in a range of popular sizes and specific finishes that look great in any environment.

5-Year Warranty

Pren

A collection of freestanding lockers, wardrobes, and cupboards that make specifying your entire storage system refreshingly simple.

With purpose beyond storage, Pren's freestanding units act as zone dividers throughout the office, creating defined neighbourhoods wherever you need. And with contrafacing units available at different heights, you can accessorise them with planter tops for the added benefits of mood-boosting biophilia, or create an extended, standing height workbench with a sleek oversailing top.

Spanning classic, warm wood-effect tones and solid colour finishes, Pren is available in a variety of laminates, matching LockerWall's broad palette, creating symmetry for your storage.

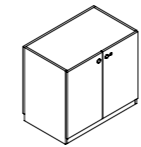

5-Year Warranty

Classics

Add a design icon to your home or office. Bisley has always been known for quality that you can trust.

And that's in no small part due to our original iconic designs, which continue to be as beautiful as they are useful. Today, we combine a spirit of innovation with a collective knowledge that can only come from experience.

From our MultiDrawer design classic to the original plan filer, our classic products are practical, stylish, and ideal for office or home use.

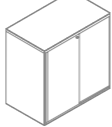

Glide

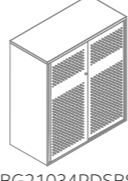

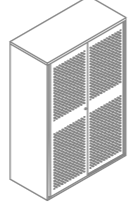

This innovative unit combines clean, unbroken lines with thoughtful details that ensure the sliding doors really do glide.

Our high-quality, sliding door storage system is an ideal, spacesaving solution for open-plan work environments. You can choose bespoke timber tops, backs and end-cladding, and we can provide a comprehensive range of optional internal fittings, including roll-out filing frames and drawers. Door options include plain, perforated and acoustic dampening - which better absorbs noise from the hustle and bustle of a busy office. Glide particularly complements our LateralFile products, but fits well with all of our ranges.

MultiDrawers

The MultiDrawer by Bisley is a design classic that's as versatile as it is iconic.

Compact, robust and available in a broad range of colours, it fits in any setting, from home offices to industrial workshops and everything in between.

Originally designed in 1958 and awarded the Design Guild Mark in 2017, the MultiDrawer can be used to organise all sorts of things in the home, office or workshop. Available in different drawer heights with the option of multi compartment insert trays for small items. There are three ranges of A4 MultiDrawers as well as an A3 range.

Additional information

All filing cabinets are designed for suspension filing only. Please note: Additional drop in bases are available for BS and AOC to add strength to allow storage on the base of the unit.

All filing cabinets have a 5-year warranty with the exception of the BS filing cabinets which have a 7-year warranty.

Standard - AOC, IPCC, PSF, BS five drawer and Stationery cupboards are only available in the follow: Traffic White, Chalk, Coffee/Cream, Light Grey, Goose Grey and Black. *BS five drawer is not available in traffic white.

Premium - BS, F-series, double, contract double and PFA home filers are available in our full palette.

Stationery cupboards are designed to accommodate a dual-purpose shelf with undershelf filing.

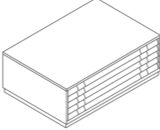

Plan & Card Filing

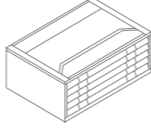

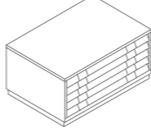

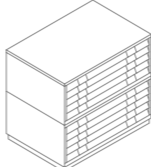

Some items need their own unique kind of storage. Our high-quality units organise and help protect specialist items.

Sturdy and secure, the Plan File provides reliable storage and complete protection for large format documents. With a subtle, elegant design that fits seamlessly in any workspace our Plan File, Card Filing and Index Cabinets are favoured by architects and designers, due to their sleek finish and ability to house everything from media through to smaller items. They are also ideal for organising documents such as drawings, prints, plans, samples and contact cards.

Height-Adjustable Desks

Our selection of height-adjustable desks and accessories combine ergonomic comfort with genuine flexibility, meaning you can work in style. Arguably the most important consideration when choosing how to work, we have the knowledge and expertise to advise on whether your preference is to work while seated, standing, or a combination of the two.

Why not add an extra touch of luxury and indulgence to your sit stand desk with the addition of a PerfectSense desktop. Micro-scratch resistant and robust, we provide comfort and quality, without compromising style.

Fixed Desk - Align

Presenting Align by Bisley, our versatile new range of office desks that are designed for flexibility, functionality, and ultimate comfort for a smoother workday.

Proudly made in the UK, Align is a collection of office desks that are an essential addition to the workplace. High-quality and available in various sizes, configurations, and finishes, Align is available in three leg style options: goalpost, A-frame, or solid oak. Depending on your preference and aesthetic, Align adapts effortlessly to suit all office requirements – from single desks to eight-person benches, making collaborative working simple and scalable.

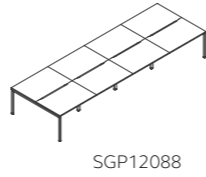

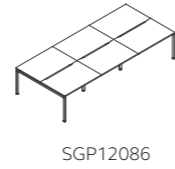

Align can also be combined with our popular office desk storage solutions—Buddy, Caddy and Note Pedestals—to truly maximise and enhance your floor space.

The Align range includes additional accessories to elevate productivity and ergonomic comfort, such as discreet cable ports, acoustic screens, monitor arms, and modesty panels. Every detail has been carefully considered and designed, providing a comprehensive solution that covers all your office needs in one streamlined package.

Hideaway Desks

Hideaway Wall Desk

Maximise functionality in style, wherever you are.

We understand that multi-functional spaces need clever, thoughtful furniture solutions. When space is at a premium, the Hideaway Wall Desk allows you to work when needed and then discreetly fold your whole set-up away when you're finished.

Hideaway Wall Desk

Hideaway Swing Desk

Seamlessly move back and forth between work and home, without ever changing location.

Transform your space from a sleek and stylish sideboard into a working, functional desk in one subtle move. With a luxurious finish suitable for a variety of settings, our Hideaway Swing Desk moves out at 90 degrees to form a desk so you can work, rest and store throughout the day. And, when you're finished, Hideaway Swing Desk transforms back into a beautiful sideboard, perfect for kitchen, dining and living room spaces.

Caddy

Personal storage at its very best – the Caddy.

Mobile, secure, and multifunctional, Caddies perform throughout the workplace; under your desk, against a wall or can be used to subtly divide open offices.

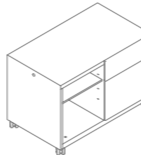

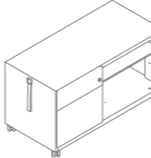

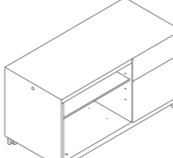

Mounted on castors, Caddy doesn't have to live in one space, it can be taken to wherever it is needed most, using the 360 degree drag handle. And, adding a seat pad makes it an ideal perch place for impromptu meetings or collaboration.

Our large choice of colours, finishes and fabrics make the Caddy an attractive and flexible addition to any vibrant, agile workspace.

Fern

Fern – the sleek and stylish steel locker collection.

Our Fern family was crafted to enhance the cosy nooks in your home, allowing you to maximise your space without compromising style and charm.

With chic and contemporary features, our original Fern cabinets and our newly revamped Fern Peek collection, balance modern design with a classic retro feel. Elegantly designed to effortlessly complement your décor, choose your favourite Fern - from our best-selling Midi to the brand-new Stendi Peek.

Available in a selection of gorgeous hues to reflect your personality, enjoy Fern in a bright jewel-like colour or a muted, calming neutral. Style each piece your way, whether on its own or the full collection, to create a modern, industrial feel.

Each member of the Fern family is lovingly hand crafted in the UK. Made with high-quality, sustainable steel and reed-effect doors for Fern Peek's pieces, the collection is sure to last you a lifetime. All members, big or small, are delivered with care, fully-assembled, and ready to move in.

BOB

Think it. Click it. Love it.

BOB® by Bisley is the beautifully hand-crafted, magnetic, display unit that lets you click, twist and re-think storage at home. Combining high-quality, smooth plywood with exposed edges and a selection of durable, steel accessories, BOB is a welcome addition to a living room, hallway, or an open plan space where subtle room division is needed.

The vision of award-winning designer Paul Kelly, in collaboration with Bisley's unrivalled storage expertise, BOB transcends the way we think about storage. Secured using a self-adjusting, technology-friendly magnetic system, BOB is strong enough to click and hold everything together, yet light enough to move with a simple twist.

Originally crafted to store a music devotee's vinyl collection, BOB is both timeless and adaptable. With its smooth sliding doors and additional shelves, showcase your treasures or cleverly conceal bulky toys with BOB's customisable features.

If you can think it, BOB can help you create it.

Terms & Conditions

Guarantee

All Bisley products are guaranteed to cover all defects in materials and workmanship. For details of specific guarantee periods against each product check for up to date information on our website www.bisley.com

Conditions

1. The guarantee is only valid with the customer's original invoice or proof of purchase (indicating the date of purchase, product type and dealer's name).
2. The guarantee does not cover damage resulting from misuse, neglect, or accidents and applies when the product is used during normal office hours. Where the product is used for periods which exceed normal office hours (maximum 45 hours per week), the guarantee is valid for eighteen months.
3. Failure due to fair wear and tear is specifically excluded.
4. This guarantee is not transferable and can only be exercised by the original purchaser and is only applicable to the UK Mainland.

Dealer advice

1. Please ensure that your customer has proof of purchase. This will be required for guarantee claims.
2. If the furniture requires in-guarantee repair, please contact Bisley Service Department and request a Service Form.
3. If the furniture requires repair out of guarantee, please contact Bisley Service Department and request a quotation.

Replacement keys

To order replacement keys please contact: Lowe and Fletcher – tel. 0121 505 0400, with details of your product type, the three digits from the relevant lock barrel and the purchase date.

Minimum order value to dealer warehouse

UK Mainland: £250
Northern Ireland and Scottish Highlands: £1500
Above order values excl. VAT.

Direct delivery to end user site – UK mainland

FOC delivery for orders over £6,600 (excl. VAT) in normal working hours (6am-5pm) Monday to Friday on 45ft articulated vehicle.

Any requirements outside above times and vehicle size are subject to a separate quotation – please contact Bisley to discuss your needs.

Order cancellation / delivery deferment

Any request to cancel an order placed to be made in writing. Cancellation costs will be advised based on the following:

1. Order acknowledged, parts ordered, not in production: costs to be agreed by a Director
2. Standard product scheduled for assembly: order value less 25%
3. Special product scheduled for production and all products made awaiting dispatch: full order value

Any request to defer delivery from original request to be made in writing. Costs may be incurred and will be advised at time of enquiry.

Returns

Goods incorrectly ordered or no longer required will not be taken back for credit.

In special circumstances and solely on the basis of "Goodwill", goods may be taken back within a 28 day period from delivery date. This does not apply to specially manufactured products, which will not be taken back.

All goods returned will be subject to a fee of 75% of

their original purchase price. A credit will be issued after a satisfactory inspection of the returned goods.

Conditions of sale

1. The ownership of the goods will only be transferred to the purchaser when the purchaser has paid all that is owing to F. C. Brown (Steel Equipment) Ltd in respect of all goods supplied. Where goods are lost, damaged or destroyed after delivery and ownership has yet to pass the purchaser will indemnify F. C. Brown (Steel Equipment) Ltd against any loss incurred provided such loss, damage or destruction does not result from the negligence of F. C. Brown (Steel Equipment) Ltd.
2. Payment Terms: Nett monthly.
3. All goods are invoiced at prices ruling at date of purchase order.
4. This price list cancels and replaces all previous price lists.
5. We reserve the right to alter models and prices without prior notice.
6. We reserve the right to offset any amount that may be due to the purchaser against their sales ledger account with F.C. Brown (Steel Equipment) Ltd.
