EXRAY UNIT STORES

ALWAYS OPEN

Exray Unit Stores are open 24/7/365. Unit members can order at any time from their desktop or mobile devices and get exactly what they want delivered to their home.

ALWAYS EASY

No more rosters, cash collection, or gear handouts required, and no more burdensome minimum order quantities. Take unit apparel design and delivery off your plate and let us handle it for you.

ALWAYS FREE

If you have your logos or designs ready to share (even if the logos need a little - or a lot - of attention and work), our design and store building services are free of charge to Military, LE, and FR units.

EXRAY UNIT STORES

SUBMIT

Complete the onboarding form on our website to share info about yourself, your unit, and your designs and products. Be ready with logo files, reference images or a clear description of your intended design.

APPROVE

Exray will respond as quickly as possible with mockups of your requested design(s) for review. We'll allow as many revisions as needed until we get it just right and you let us know the design is approved.

SHARE

Exray will build a private unit webstore just for your unit. As soon as it's ready, we'll send you the link and a store flyer with a QR code to access the store. You choose who to pass the link to within your unit.

SHOP

Share the link with anyone you'd like to have access to your custom products. Individual members can order for themselves from the store at any time, or you can order on their behalf with Cart Total Discounts!

UNIT STORE PRICING & DISCOUNTS

NATIONAL SERVICE DISCOUNT

Actively serving Military, Law Enforcement, and First Responder groups of at least 3+ individuals ("Fire-Teams" or larger) automatically receive **20% off MSRP** pricing for all items sold in their Exray Unit Stores. This includes National Guard, Reserve, Auxiliary, ROTC, and JROTC groups, all Federal, State, and Local agencies, VSOs, and other qualified service-connected organizations.

Contact custom@wearexray.com if you have questions about whether your unit/group qualifies.

UNIT STORE CART TOTAL DISCOUNTS

Exray extends automatic discounts based on total item volume when you checkout from your Exray Unit Store. To determine total items, you can count all items in your cart - this means you can mix & match products to achieve the qualifying total. Discounts are automatically applied and do not require a special code. These discounts are in addition to the 20% National Service discount.

BULK ORDERS

BULK ORDERS

Bulk Order Pricing is **SEPARATE** from Exray Unit Stores, which use the On-Demand Pricing and Unit Store Cart Total Discount Rate shown on each product page. Offering Bulk Order products and pricing distinct from our Unit Store collection is intended to allow units to place larger orders at competitive prices. Let us know you plan to order in bulk when submitting your design request and we'll provide a quote/invoice upon design approval.

Complete the onboarding form on our website to share info about yourself, your unit, and your designs and products. Be ready with logo files, reference images or a clear description of your intended design.

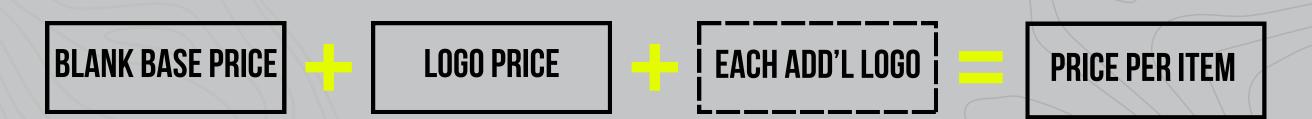

Exray will respond as quickly as possible with mockups of your requested design(s) for review. We'll allow as many revisions as needed until we get it just right and you let us know the design is approved.

Exray will prepare your invoice with the products you requested and send it to you for payment. Once the order is paid, it will go immediately into production and ship in approximately 10 business days.

PRICING STRUCTURE

To determine your pricing, find the base price of the item(s) you want from our Bulk Product selection, then add the value of each logo you wish to include based on the decoration method you prefer and the quantity you plan to order. The total is the price per item for your bulk order.
