MINIMUM ORDERS

No minimum purchase requirements on our standard orders, only on customised products.

PRICING

All prices validated until December 2025 or while stocks last.

PRODUCT RANGE

This catalogue showcases the product range we feel may best suit our corporate customers, however if you're after something more specific, please contact us.

We often utilise product boxes and packaging from our stores to be able to tailor make your ideal gift, and can sometimes source unique confectionery/chocolate items for you.

CUSTOMISATION

Many of our products are suitable for customisation, by adding corporate or event branded ribbons, tags or labels.

Most custom orders require a minimum purchase, and art charges may apply.

Please allow between 2-4 weeks for corporate ribbon/branding. This does not apply to complimentary pre-printed Chocolate Box gift cards and gift messages.

GIFT NOTE AND WRAPPING

We offer free gift notes with personalised messages inside as an addition to your order. For larger orders please email a spread sheet with all recipients' names and addresses with your order.

Free gift wrapping is available upon request.

KEEP IN TOUCH

PAYMENT & DELIVERY

AVAILABILITY AND SUPPLY

To the best of our efforts, all products in our Christmas Gifting Catalogue are usually readily available from our stores or warehouse within a few days from when your order is placed.

From time to time our products may be unavailable or sold out, so in that instance we will include a substitute of equal value. Our Christmas products do sell quickly, so please order early to avoid disappointment. Exclusive products offered by the Chocolate Box may not be available in all our stores.

DELIVERY

We are a Melbourne-based company who ships Australia-wide to all major capital cities and metro areas excluding NT. We use Australia Post for standard and express shipping, and local couriers for quicker delivery options. We follow Australia Post shipping recommendations during seasonal gifting times.

For bulk orders - we can ship in bulk or to individual addresses across Australia. Please speak to one of our friendly team for further details to obtain a quote. Orders may be collected with prior arrangement.

At the time of ordering, please nominate your preferred date for your gifts to be dispatched, allowing enough time for postage delays.

PAYMENT

Payment is required (and may require a purchase order from large organisations) prior to delivery of your order.

We accept cash payments, direct deposits into our bank account, Paypal and credit card payments (including Mastercard and Visa).

You may place less customised orders through our online store at www.chocolatebox.com.au using a credit card or PayPal.
