# Introducing: Delta Institute

Delta signifies change and movement, perfectly aligning with our mission to empower students to navigate the ever-evolving career landscape.

With Delta Institute, students gain access to a dynamic learning environment, leveraging advanced technologies and industry partnerships to bridge the gap between academia and the professional world. Here, students can participate in immersive work experiences at leading companies through Delta Careers or develop their first AI/coding project with Delta AI, as a part of Delta Launch.

The possibilities for students are truly **endless**.
