TOKO GROOVE

Get in the groove and put the soul back into your bathroom design.

The new Toko Groove brassware collection is a rhythmic reinterpretation of the existing Toko range. Capturing the effortless glamour and free-spirited style of the 1970s, this collection puts the spotlight on classic retro styling with aspects of modern minimalism.

Basin and shower mixers feature grooved detailing on the handles inspired by jewellery design—bringing with it a sense of movement reminiscent of the era.

Select from five feel-good finishes that will perfectly fit your bathroom design, whether you prefer the timelessly chic Chrome or Brushed Nickel, the on-trend and opulent PVD Oyster, the industrial Soft Bronze, or the classic pull of PVD Gold.

Whether you lean toward a laid-back look or dare to unleash your creativity with an all-over 70s design, Toko Groove invites you to experiment and let your inner personality shine. Pair with BAGNODESIGN's extensive tile and sanitaryware range to complete the look and transform your space.
