SUSTAINABILITY

At Clay Craft, we understand we have a responsibility to preserve and protect the environment. By creating durable drinkware, every fill and use of **VACBOTT** products means individuals are reducing single-use plastic and household waste. We are continually working to make the creation, distribution and disposal of our products as clean and earth friendly as possible.

ONE BOTTLE AT A TIME

Everyone knows they should be drinking more water. Dehydration causes weight loss, zaps your energy and impacts your health. It's a problem for many people. With **VACBOTT** we have crafted a solution to all of these problems. Your water is always with you, tastes better and keeps you hydrated.

MADE IN INDIA

Quality Assurance

CLAY CRAFT®'s assurance of top quality. Over 25 years experience in Home & Kitchen products.

100% BPA Free

VACBOTT® drinkware products are toxic-free and safe to drink from.

Manufacturing Excellence

Introducing a state of the art manufactory setup with automatic and semi automatic processes; backed with strong R&D, driving the innovation in the industry.

Better Future

We are continually working to make the creation, distribution, and disposal of our products as clean and earth friendly as possible.

VACBOTT™ PROMISE! Warranty

VACBOTT drinkware carries a limited **FIVE YEAR** warranty against any manufacturer's defect. **VACBOTT** will replace any product found to be defective within the scope of normal and appropriate use.

Customise it your way

VACBOTT offers a variety of co-branding options designed to highlight both your company logo and our VACBOTT brand. Whether you choose laser engraving, screen printing, or UV printing for a vibrant full-color finish, we ensure a seamless blend of the two logos on our premium stainless steel products. These solutions not only elevate your brand but also reinforce the quality and sustainability that VACBOTT stands for.

SCREEN PRINTED LOGO

1

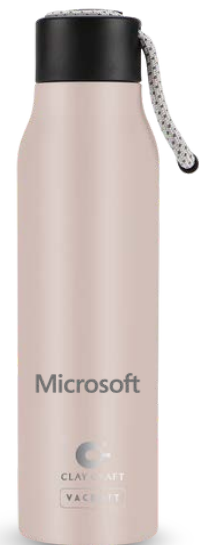

Get ready to jazz up your products without breaking the bank! Screen printing lets you splash both your company logo and the snazzy VACBOTT brand onto your items. With ink magic and mesh wizardry, we craft a vibrant and tough imprint that nails bold designs with razor-sharp precision. The outcome? A top-notch, long-lasting co-branded logo, ideal for corporate goodies, big promo shindigs, and custom creations!

PRECISION LASER ENGRAVING

2

We're here to jazz up your stainless steel bottles and flasks with a touch of laser magic! Our cutting-edge laser engraving tech ensures your company logo and the VACBOTT brand form a dazzling duo on every item. Perfect for corporate gifts, promo swag, or personal pizzazz, our laser engraving adds a dash of unique flair, making your brand shine with sophistication and style.

UV-PRINTED LOGOS

(upcoming)

3

Get ready for a splash of color with VACBOTT's top-notch UV-printed logos! We're teaming up with your brand to deck out our sleek stainless steel bottles and flasks. Our snazzy UV printing wizardry guarantees your logo pops with dazzling color and stays vibrant, even when life gets messy. Perfect for corporate swag, promotional goodies, or your own creative flair, our co-branded UV-printed logos give your brand a shiny, professional edge that sparkles alongside VACBOTT!

UV-PRINTED SURFACE DESIGNS

(upcoming)

4

At VACBOTT, we provide advanced UV graphic design printing services that co-brand our stainless steel bottles and flasks with both your logo and the VACBOTT brand. Our cutting-edge UV printing technology delivers accurate color reproduction and premium quality, bringing intricate artwork, promotional graphics, or personal designs to life with stunning clarity and vibrancy. Simply provide us with your design, and we'll print it to perfection for a truly personalized, co-branded product.
