PRODUCT RANGE **2025**

The background is a dark, textured surface, possibly stone or concrete, with a mottled appearance. In the top left corner, there is a small pile of various spices and seeds, including what looks like peppercorns and dried herbs. Scattered across the bottom half of the image are numerous small, light-colored, irregularly shaped particles, possibly salt or sugar crystals, which catch the light and create a sparkling effect.

# COOKER HOODS

## CLEAN AIR. STATEMENT STYLE.

From striking island centrepiece models to wall-mounted options that integrate into any design, the BYSTRO range of luxury cooker hoods effectively removes smoke and odours with whisper-quiet operation. Complementing any design are both the stainless steel and matt black finishes, while the Rio cooker hood can be customised from a variety of slabs from the SANIPEX GROUP portfolio, precision-cut at its Slab Fabrication facility in Jebel Ali, Dubai.

Focus on prepping the perfect dishes while your BYSTRO ventilation system takes care of the rest.

# DISHWASHER

SPARKLING CLEAN. **EVERY TIME.**

Taking care of the dishes, so you don't have to. The BYSTRO integrated dishwasher fits neatly into your kitchen cabinetry while looking sleek and stylish.

Boasting nine versatile functions, this dishwasher offers an array of cleaning options for half or full loads. The turbo drying system ensures chattels are ready to be stored away, while overflow and leakage protection provides peace of mind. Spacious enough to fit a full dinner set as well pots and pans, the interior comes with three trays so dishes are organised to prevent damage. Designed to last in highly durable stainless steel.

# WASTE SOLUTIONS

SLEEK. SMART. **SORTED.**

BYSTRO's built-in and freestanding kitchen waste management solutions are designed to make everyday living, much simpler.

Whether you want your wastebin discreetly stowed away or out nearby, we have smart options and sleek styles that suit any need, all while keeping odours at bay. Cleverly built-in, pull-out bins glide smoothly on runners for easy access while swing-out bins stay neatly concealed behind cupboard doors. For a stylish alternative, our pedal bins are compact, efficient, and look great too.

# INSTALLATION SERVICES

At Sanipex, we specialize in creating inspirational and practical kitchen environments with expert installation of appliances and countertops. From the moment you select your dream kitchen, our skilled team takes over, managing every step of the process to ensure seamless integration of your appliances and countertops, without any additional cost.

## Comprehensive Kitchen Appliance Installation:

When it comes to kitchen appliances, we provide a full-service installation at no extra cost, guaranteeing optimal performance and integration into your kitchen design. Our trained specialists have expertise in installing a wide range of high-end kitchen appliances, including:

- **Built-in Ovens:** Expert installation and calibration to ensure precise temperature control and energy efficiency.
- **Dishwashers:** Perfect integration with cabinetry, water connections, and optimized performance settings.
- **Cooktops & Range Hoods:** Professional installation of gas, electric, or induction cooktops, along with ventilation systems to ensure safe and efficient operation.
- **Refrigerators & Freezers:** Seamless installation of built-in or freestanding units with proper sealing and connectivity, including water line connections for fridge models with ice makers or water dispensers.
- **Microwaves & Other Small Appliances:** Mounting or fitting appliances to maximize space, convenience and functionality.
- **Multifunctional Kitchen Mixer:** The innovative 5-in-1 system dispenses instant filtered hot water at 99 °C for tea, coffee, and more, room temperature water for refreshing hydration, chilled water for a cool drink, and chilled sparkling water for a touch of fizz.

We handle all electrical and gas connections with the utmost precision, ensuring your appliances not only function perfectly but also complement your kitchen's aesthetic. Every installation is carried out with care and attention to detail, and our team ensures your kitchen appliances are both beautiful and fully operational.

# INSTALLATION SERVICES

## Porcelain Slab Countertop Installation:

We offer premium Italian porcelain slab countertops designed to deliver both durability and elegance to your kitchen. We specialize in the installation of porcelain countertops, which are known for their versatility, heat resistance, and stunning appearance. Our collection features over 100 different finishes in stock, allowing you to select the perfect style for your kitchen. From sleek, modern, and minimalist looks to rich, luxurious textures, you're sure to find the perfect porcelain surface.

## Our installation process is meticulous:

- **Precise Measurements:** We take exact measurements to ensure a perfect fit for your countertops, accounting for any unique design elements or kitchen layout.
- **Customization:** With over 100 finishes available, we offer a vast range of colours, textures, and patterns, from natural stone looks to vibrant, modern hues.
- **Professional Fabrication & Installation:** Our experts ensure flawless fabrication of your porcelain slabs, including edge treatments, cuts for sinks, stovetops, and other appliances. We then carry out a seamless installation with precision and care.

Porcelain countertops are not only aesthetically pleasing but also highly resistant to stains, scratches, and heat, making them the perfect choice for a busy kitchen. And best of all, our installation service for these premium countertops is completely free of charge.

**Dedicated After-Sales Support:**

Our commitment extends far beyond the installation. We offer comprehensive after-sales support to ensure your appliances and countertops continue to perform flawlessly. Our dedicated team is always available to assist you with:

- **Appliance Troubleshooting:** Whether it's a minor issue or an urgent concern, we offer fast and effective support for appliance-related issues.
- **Countertop Care:** Our team provides expert advice on maintaining the beauty and functionality of your porcelain countertops, including cleaning and upkeep tips.
- **Spare Parts:** We keep an extensive inventory of spare parts for both appliances and countertops, ensuring any replacements are quick and hassle-free.

**Rapid Response for Urgent Matters:**

We understand that kitchen disruptions can be inconvenient, so we prioritize urgent cases. Should you face any issues with your appliances or countertops, our team responds quickly to minimize downtime and restore your kitchen to full functionality. In Sanipex, we go beyond just installing your kitchen; we deliver a complete service from precise installations of appliances and countertops to dedicated after-sales care ensuring your kitchen remains a space of beauty and high performance for years to come.
