KIERSTEN ALLEN
DIRECTOR

WELCOME TO SUMMERBASH

Have you ever wondered why SummerBASH? Because it's eight weeks of adventure for kids, teens and adults! In fact, this year's theme is **All Together Now** - so come together and join your friends and family in reading and attending programs and events for all ages. Louisburg Library has been hosting summer reading programs for decades and the only thing we might be missing is you! Join us and choose your own adventure.

Is reading really that important?

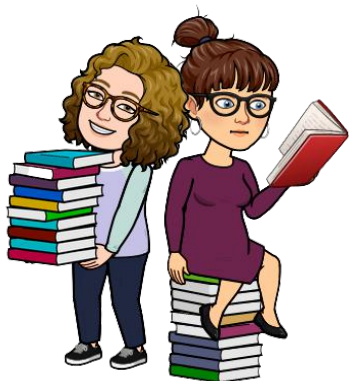

Absolutely! Reading is a crucial part of staying healthy. Reading reduces stress, expands your vocabulary, and exercises your analytical skills. While it's doing all of those things for you, having your kids watching you read gives them the gateway for the same experience. And let's not forget the book clubs! Book clubs are an excellent way to connect socially with a group of friends over a variety of topics you may never think to discuss without the benefit of a book to guide your way. So don't wait. Join a club, start a club, or just pick up a book today! It's vital to your health and a great way to wind down after a long day - for you and your kiddos who have a lot going on in their lives, especially during the summer when those days last longer. Visit our website and get started so we can do it **All Together Now!**

It takes ALL STAFF to make SummerBASH happen!
Louisburg Library has an incredible and dedicated crew.
If you haven't met us yet, come in and say "Hi!"

MEET YOUR **SUMMERBASH** EVENT PLANNERS

Elizabeth Ellis, Youth Services Coordinator

Most call me Miss Elizabeth and know that I love reading for Storytime. Did you know that one of my most favorite times of the year at the library is Summer? It most definitely is! This is my 19th year coordinating Kids SummerBASH and it's so much fun! When I'm not at the library during the summer, I am OUTSIDE! I love working in my yard, playing with my dog and riding bikes with my family.

Holly McLain, Adult Services Coordinator

Adult Summer Reading has changed a lot since it started in 2004. There are more prizes than ever for adults and a variety of events and activities for you to enjoy. I love that adults participate and kids see that reading and libraries are always part of our lives. When I'm not at the library during the summer, I enjoy taking day trips with my husband and staying cool inside with a good book and my cat.

Angela Allen, Young Adult Services Coordinator

My name is Angela and I love working with the teens! Summer Reading is the best time and we have so much fun! I can't wait to spend the summer making art, at the escape room, visiting animals, and other fun events! I love summer time, going to the pool with my family, and traveling!

Danielle Folsom, Interlibrary Loan Coordinator

This is my 12th summer at Louisburg Library. I've had several different job titles here but I always have my hands in the SummerBASH fun! I enjoy doing arts and crafts in my spare time and love that I can share that joy in my job as well.

Rusty Folsom, Technical Services Coordinator

Some may think of me as the "Tech Guy," but I am an avid maker, as well. I love leathercrafting, guitar building, and flying drones. These are just some of the exciting things I have planned for SummerBASH for adults and teens.

FAQ

Where do I find out if an event location or time has been changed?

Visit louisburglibrary.org or Louisburg Library's Facebook page for current location and inclement weather information.

What happens if I am not feeling well and want to visit the library?

Be safe. If you are feeling sick, stay home. It's not personal.

What happens if I need to cancel an event registration?

There are a couple of easy ways to cancel. Cancel registrations in the library's web calendar (Communico), reference your confirmation email, or call us at 913-837-2217.

How much does an event cost?

Not all events have a fee. Some do. All events that have a fee require registration.

Scholarships are available, if needed. Scan to apply:
Or go to www.louisburglibrary.org/summerbash

What if the event registration is full?

We encourage everyone interested to join the wait list. This helps in a couple of ways...it helps us know the level of interest in the event, and if there is a cancellation, you may receive a spot.

What if I have allergies?

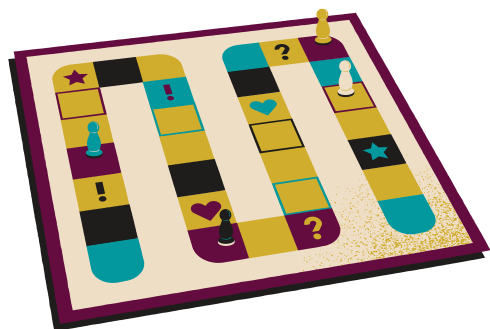

If you have a food allergy and are attending an event, please let us know on your registration or contact us at the front desk at 913-837-2217.

If you have allergies and have earned a food prize, ask for an alternative prize.

For any other questions contact library staff.
