WELCOME TO THE GROVE AT HARROW INTERNATIONAL SCHOOL BANGKOK

Well done! If you have got as far as having been given this handbook, you have already succeeded in earning a place at one of the most popular houses in one of the most prestigious schools in the world. You are about to embark on extremely important and exciting years – a period in which the work you do, the lessons you learn, the decisions you make and the friendships you forge will have an immeasurable impact on the course of your life for decades to come. All of us at The Grove and the boarding village here at Harrow International School Bangkok are delighted that you are spending those years here.

This handbook is intended to help familiarise you with some of the routines and rules of The Grove so that you know what to expect and can settle in as quickly as possible when you arrive in August. You should read it alongside the “Welcome to Harrow” boarding booklet which you will also have been given. At first it will probably seem as if there is a lot to learn, but you will soon pick up everything you need to know. Don’t worry if it all feels a little overwhelming: everyone feels this when they start a new school and it is only natural to be nervous!

There are five key secrets to success at Harrow:

1. If you’re not sure about anything, just ask! There are plenty of people around who will be happy to help. Don’t keep worries or problems to yourself.
 2. Always try to do your best, whether in the classroom, on the sports field, or anywhere else around the School. It is only by doing your best that you can be sure of fulfilling your potential while you are at Harrow.
 3. Keep busy by taking part in as many activities as possible. By embracing all the amazing opportunities that Harrow has to offer, you will enjoy your time at school much more and develop a much wider circle of friends. A busy Grovite is a happy Grovite!
 4. Try to be well organised and tidy. You will have a lot to remember, so you need to listen carefully to instructions and do your best to keep on top of things.
 5. Always be polite, kind and friendly to other people and always tell the truth. Always treat others as you would like to be treated yourself.
- Four years from now, we want you to be able to look back on your time in The Grove with a sense of fulfilment, happiness and pride. So work hard, behave well and live Harrow life to the full!

I look forward to welcoming you in August.

Warm regards,

Mr Keelan Peters | House Master The Grove House

Hi everyone!

My name is Eddie, and I've been boarding here since 2022. I'm originally from Myanmar, and when I'm not studying, you'll usually find me on the rugby pitch or brewing a fresh cup of coffee.

I know that starting at a new school can feel like a big step, but I want to reassure you that you are in great hands. Our House staff are incredible—they have been mentors to me and have always been there whenever I've needed emotional and academic support. You'll also find that the older students truly look out for the younger ones; many of us seniors, myself included, act as tutors to help you settle in.

I'm in The Grove (the senior boys' house), a place full of brotherhood and camaraderie. You'll quickly discover that we are a family who support one another every step of the way.

My Boarder's Top Tip is simple but essential: never miss laundry day! We can't wait to welcome you into the fold.

Warm regards,

Eddie (S13) | Head of House

BOARDING PRINCIPLES AT HARROW INTERNATIONAL SCHOOL BANGKOK

Boarding at Harrow International School Bangkok is more than simply living at school: it is a journey of growth, discovery, and belonging. Within our boarding houses, every student is encouraged to thrive in a safe, stimulating, and caring environment where personal ambition and academic curiosity are nurtured and rewarded.

Our community is built upon the Harrow values of Courage, Honour, Fellowship and Humility. These values guide our boarders to take bold steps with confidence, to act with integrity, to form lasting bonds of friendship, and to live with kindness and respect.

By living together in a diverse and supportive community, boarders learn to understand the world beyond themselves, to recognise their place within it, and to develop the skills and character to make a positive difference. Through boarding, our students become outward-looking, grounded, and well prepared for life beyond school.

OUR COMMITMENT

Through the lived experience of these four pillars, Harrow Boarding prepares students for life beyond school: outward-looking, ambitious, respectful, and well equipped to contribute to their communities. Each boarder leaves with not only a strong academic foundation, but also the character, compassion, and courage to shape the world around them.

HONOUR

Honour guides the way we act and the choices we make. In boarding, students learn to live with integrity, respect for others, and a deep sense of responsibility. They are taught to value their commitments, to be accountable for their actions, and to uphold the traditions and reputation of Harrow.

HUMILITY

Humility reminds us that learning and leadership come through listening, understanding, and serving others. In our boarding houses, students are encouraged to recognise their strengths while valuing the contributions of those around them. They are inspired to look outward, to appreciate their place in the world, and to seek to make a difference for the benefit of others.

BOARDING AT HARROW BANGKOK

FELLOWSHIP

Boarding life thrives on fellowship: the spirit of community, kindness, and shared experience. In living together, students come to appreciate diversity, forge lasting friendships, and develop empathy. They learn that by working together and supporting one another, they achieve more than they could alone.

COURAGE

Within our boarding houses, courage means embracing challenges, striving for excellence, and having the confidence to step beyond comfort zones. Boarders are encouraged to pursue their ambitions with resilience, to learn from setbacks, and to stand up for what is right.

4. THE GROVE A TO Z

AFTER SCHOOL ACTIVITIES

There are a range of after school activities to sign up for. The options will be advertised and you will be given the opportunity to sign up. Usually activities are from 3-4pm. The activity provider will take a register and inform boarding if you have not attended. Therefore it is important to let your activity teacher know if you will be late. If you do not have an activity, The Grove duty staff will expect you

to return after school. If you have planned an activity instead of going straight back to boarding, you must ask permission from Mr Peters or Mr Skiff beforehand or by email or calling the duty phone. If you do not call, we will look for you. Your mobile phone must be switched on and silent mode switched off after 14.40.

BED LINEN

You will be provided with mattress protectors, fitted sheets, pillows, pillowcases, and duvets. You are encouraged to bring your own bedding and any other items to personalise

and decorate your room with. Bed sheets are washed on Wednesday and Thursday, depending on which floor they are on. You are expected to make your bed every morning.

BIRTHDAYS

We love to celebrate birthdays and make each boy feel special on his big day. Whether it's singing Happy Birthday together, decorating the common room, or sharing a sweet treat.

The boys are very welcome to have a birthday cake brought in or ordered to the house to share with friends. Some boys also choose to go out for a birthday meal with their parents, which we fully support (in line with their off site permission). If other boarders are invited

to join the celebration off-site, the appropriate permissions must be arranged in advance—this includes consent from each boy's parent or guardian and approval from the House Team.

Birthdays are a wonderful way to bring everyone together, and we're always happy to help make the occasion as memorable as possible.

CLOTHING

Casual wear is allowed only after returning to The Grove from school and on Saturdays and Sundays. School uniform or official school/House sports kit must be worn when out of the house during school hours. When wearing school uniform, you must dress properly and look smart; clothes must be clean, tidy, shoes polished, shirts tucked in, and ties and top

buttons done up. Hair should be tidy and off the collar.

Clothing will be washed and ironed during the laundry service which operates on Tuesday, Thursday, and Saturday and returned the following day.

COMMON ROOM

The Lounge area on the ground floor has a communal kitchen and recreational facilities like a pool and a table tennis table. The third floor also has a communal lounge area with kitchen facilities and a pool table for Year 12s and Year 13s to use. The second floor

has a communal working area which serves as a prep room for Year 11 students during supervised prep time during the week. The first floor also has a communal working area which is available to all Grovites.

COMPUTERS

You will complete much academic work on your personal laptop. It should be clearly

named and well-cared for. A printer is available in The Hub, connected to the school

network. Boarders are responsible for printing their own work either at school or The Hub. School email addresses are provided and should be checked multiple times a day for

DAYS OUT

Senior boys are allowed off-site by themselves with parental/guardian permission via an 'offsite privilege form'. When leaving the house, you must sign out using the register at the security guard's desk, stating your destination and expected return time. Similarly, you must sign in upon return. A blue sign-out slip signed by boarding staff is required for senior boys to leave the school

prep details and information. Non-academic use of devices is allowed only during free time after prep or on weekends.

site. You must carry your mobile phone for contact and have it switched on so you can hear it ring. Guests from other houses or day students require Mr. Peters' permission and must sign in and out with the security guard in the House. Travel into Bangkok for social events is not permitted during the week, unless it is under very special circumstances.

DRESS AND PERSONAL HYGIENE

You are expected to pay attention to personal hygiene, showering after physical activity and at least once a day, using deodorant. Wear suitable clothing and footwear to and from the shower; do not walk barefoot

outside your room. Showers can be used at reasonable times, but not during prep time or after bedtime. You are responsible for buying shower gels and shampoo/conditioner.

DUTIES

Various house duties are shared among Grovites on a rota, explained by the Head of House. Senior boys are not permitted to

ask junior boys to do personal jobs for them personally. If this ever occurs, it is your duty to inform Mr Peters or Mr Skiff.

ELECTRONIC DEVICES: COMPUTERS, MOBILE PHONES, TABLETS, HOUSE PS5 AND NINTENDO SWITCH

Your personal laptop is essential for academic work; ensure it is clearly named and well-cared for. A printer is available in The Hub, connected to the school network.

expected. Infringements of school guidelines are taken very seriously and may result in confiscation. Senior boys may be allowed some flexibility during exam season.

You must check your school email inbox several times a day for important updates. Teacher email addresses follow the format: `firstname_xx@harrowschool.ac.th` (e.g., `Keelan_pe@harrowschool.ac.th`).

Mobile phones are not permitted during Call Over and House Meeting times. Phones are stored in the lockable device cabinet as you arrive for Call Over.

Mobile phones are permitted but must be clearly named, and the number given to Mr Peters. Phone use is not allowed during prep time or after bedtime. Please ensure your parents are aware of these rules to avoid calls at inappropriate times.

To encourage face-to-face socialising, Device Down Days occur once a week (Mondays). Devices are handed into cabinets in the reception area after prep at 19:30 and collected the next morning before breakfast.

Other hand-held devices like iPads are permitted. Non-academic use (e.g., games, TV, films) is allowed only during free time after prep or on weekends. This also applies to the house PS5 and Nintendo Switch.

We will ask you to inform us of the phone and devices you will use over the academic year, we will record a photo of it and the serial number. If you are Year 11 and you are found using a different device than that recorded, the device will be confiscated and returned to you at the end of the school year.

Responsible use of all electronic devices is

FEELING ILL?

If you feel ill, you should first report to duty staff who will then send you to the boarding nurses if needs be.

Nurse Kitty, Nurse Latte, and Nurse Sand are in the boarding medical centre throughout the week and most weekends but will rotate with the other nurses as part of the whole school rota in boarding. There is always a nurse on site to offer medical support.

If you incur an injury or are taken ill suddenly,

you should try to find Mr Peters or Mr Skiff immediately. One of us will always have the duty phone on us so make sure that you have the number. If you cannot find either of them, please speak to the security guard. In an absolute emergency, you should phone 1669.

The numbers to contact duty staff, the boarding nurse and the duty team in other houses can be found on the back of your bedroom door.

FIRE/LOCKDOWN ALARMS AND LIGHTNING WARNING ALARM

FIRE ALARM

On hearing the alarm: Quickly but calmly make your way to the nearest exit following the designated fire exit route out of the house and convene in the designated fire evacuation point which is out on the road behind The Grove. Stand with the rest of your year-group and remain absolutely silent during the roll call.

LIGHTNING WARNING ALARM

These are red flashing lights positioned around the outside of buildings. If lightning comes down within a certain distance from the school, these red flashing lights will go off. If you are involved with sports on the school field then you must quickly head indoors. You must not go outside until a green flashing light goes off signalling that it is safe to do so

FOOD

You are allowed to bring extra food and drink into the house should you wish to do so, though you must keep such supplies stored away in the storage boxes in one of the kitchens. There is a 7-Eleven shop a few minutes walk away from The Grove which you can visit outside of Call Over, Meeting and Prep hours, if your off site permission allows you to.

You may, as a treat, ask permission to order food once in the week and once at the

weekend. This is a privilege, which does not replace attendance to the usual meals in The Hub, and it may be withdrawn at any time if it proves to be disruptive or if house routines are not being followed.

HOUSE TRIPS AND SOCIALS

Full Boarders have the opportunity to attend the weekly weekend boarding trip to a varied range of destinations including bowling, ice skating, craft cafes, climbing walls, the cinema, water parks, and will usually include a visit to

a Mall. From time to time, there will be house trips to the ten-pin bowling alley, a sports match, or elsewhere. These will nearly always be after school and home clothes can be worn unless otherwise specified.

KEEPING YOUR ROOM TIDY

You are expected to keep your room in good order. In particular, before you leave the house in the morning for lessons you must make sure that your curtains are drawn, your bed is made, your floor is clear and your desk is tidy. This is important so that the cleaning maids

can clean your room properly. Your room will be inspected regularly by Grove house staff. It is essential that you turn off the AC and lights as you leave your room to conserve energy. Failure to do so will be reported to the boarder so the issue can be resolved. Failure

to do so will be reported to the boarder so the issue can be resolved.

LAUNDRY

Every Tuesday, Thursday and Saturday are laundry days for The Grove.

You should put all your dirty clothes in the laundry bags provided together with the completed laundry form for special items. Underwear should be put in the separate smaller laundry bag and then placed into the main laundry bag. It will be washed and ironed

during the laundry service which operates on Tuesday, Thursday, and Saturday and returned the following day.

It is essential you make your bed at the start of each day. It is not the responsibility of the team of maids to make beds and tidy your rooms

LEAVING AT THE END OF THE WEEK/TERM

Weekly boarders can go home after school finishes each Friday. The sign out procedure is the same; you must let either Mr Peters, Mr Skiff or the Grove staff member on duty know you are about to leave the site, collect a signed 'blue slip' and then sign yourself out with the house guard. You need to present the 'blue slip' to the Hub guard to leave the site.

You must return to The Grove by Sunday evening no later than 20:00. If it looks as if you are going to be late back from a weekend at home (e.g. due to unpredictable transport difficulties), your parents must contact Mr Peters and Mr Skiff with an explanation and you must make sure that you report to Mr Peters or Mr Skiff as soon as you arrive back

at the house. The same arrangements apply at the start and end of each academic term.

If you are a full boarder and wish to sign out for the weekend, your parents and the guardian who is taking parental responsibility for you for the weekend, must communicate this in writing to Mr Peters or Mr Skiff to boarding_thegrove@harrowschool.ac.uk before you will be allowed to sign out. Mr Peters and other boarding staff can refuse this permission if they have concerns regarding your supervision and safety over the weekend.

LETTERS AND PACKAGES

Letters and parcels are therefore brought to The Grove after school and can be collected from the house office. Please ensure that your parents, family and friends have the correct address:

The Grove,
Harrow International School Bangkok,
45 Soi Kosumruamchai 14, Kosumruamchai Road,
Don Mueang Subdistrict, Don Mueang District,
Bangkok, 10210 Thailand

+66 2 503 7222
+66 (0) 86 324 8170

Please ensure that when you are ordering parcels that it clearly states your nickname in English and The Grove on the address. You will be required to open all parcels in front of staff to ensure the safety of all boarders.

LONG WEEKENDS

Across the school year, we have three long weekends. During these weekends, boarders are welcome to either go home or remain in the boarding house, based on their individual or family preference.

The dates for the long weekends are as follows:

- Long Weekend 1: Friday 19th – Sunday 21st September
- Long Weekend 2: Friday 5th – Sunday 7th December
- Long Weekend 3: Friday 1st – Monday 4th May

Please ensure that any plans to stay in boarding over these weekends are communicated in advance so that appropriate arrangements can be made.

MEALS

Meals are taken in the school Dining Hall if it is a school day lunch or The Hub if it is breakfast or dinner during the school day or any weekend meal. These are served on a cafeteria basis. After you have collected your food, you should sit anywhere you would like in the dining area. Please always show courtesy to any adults at your table by offering them water, making polite, intelligent conversation with them; we do not use phones at the table.

Breakfast during the working week begins at 06:50 in The Hub for the whole boarding village. A variety of food is on offer.

On Saturdays and Sundays, all meals are taken in The Hub and are for boarders only. Breakfast is from 09:00 on a Saturday and Sunday. Lunchtimes can vary depending on the weekend agenda but is usually taken between 12:00 and 13:00. Occasionally you may be eating out as the agenda for the weekend boarding activities dictate.

Supper runs from 17:30 until 18:30 in The Hub and is taken in a staggered manner to minimise

MEDICATION

You must not bring any kind of medicine into The Grove. If you have been prescribed medication, you must hand it to the nurses for safekeeping as soon as you arrive at the boarding village. It is vital that Nurse Kitty, Nurse Latte, and Nurse Sand and the rest of our medical team know what medication you are taking. You are not allowed to keep any medication (even headache tablets or

queuing. There is the usual choice of main dishes and a selection of salad and fruit. Please take your own dishes and cutlery up to the cleaning stations when you have finished your food, leaving the table as you found it.

You must go to all meals unless given permission by Mr Peters to miss one. No fresh food is to be consumed in your room at any time.

cold remedies) in your own room; the only exception to this rule is asthma inhalers and EpiPens. The same rules apply to any supplements/vitamins, which must all be administered by the nurses. If you have been advised to take a protein supplement this must be kept in the allocated storage box and not in your room.

MONEY, PASSPORTS, AND VALUABLES

All students are advised to lock any valuables in their personal safe. If you are unable to operate your safe, you should alert a member of staff.

If you are an international student, you are required to deposit your passport with us for safekeeping whilst you are onsite and whilst our Immigration Officer's arrange visas. You can collect it again when it is required, but you must give us at least 24 hours notice as your passport may still be with our Immigration

Officers at school, so we must arrange for it to be returned for boarding. School is closed during weekends, so please inform us, at the very latest on a Wednesday for Friday passport collection.

As far as possible you should try not to bring valuables into school. Any valuables you do bring must be named or engraved wherever possible and must be locked in your personal safe.

PARTICIPATION

Every boy in boarding is expected to contribute actively to our vibrant community, by staying in the Hub until at least 6pm each Thankful Tuesday, offering a Thursday Thought presentation on a personal topic of interest, looking for and supporting charitable initiatives, taking leadership opportunities as they arise, and attending House Chorus and

House Song practices and competitions; these commitments, along with regular participation in the Family Time events, and other boarding traditions such as Summer Party and In House Dinners. This participation helps to foster strong friendships, personal growth, and a spirit of responsibility and mutual respect.

PREP, PREP TIME, AND YOUR PREP DIARY

Your subject teachers will set prep regularly. On a normal school day you can expect to be set prep in three subjects, with each subject's prep taking about half an hour to complete. Sometimes the task set might take a little longer than this, sometimes you might finish it more quickly; either way, it is important that you devote as much time to your prep as is

necessary to complete the task to the highest possible standard.

To help you keep organised with your prep, you will be issued with a prep diary. You will be expected to make use of your prep diary to write down the details of each task set and the deadline for handing it in. Personal

organisation is vital to academic success and is a skill that you will quickly develop during your time in The Grove.

'Prep time' is the time in the afternoon/evening that is reserved for academic work. Monday to Thursday there are 2 Prep sessions when you will have the chance to complete your work 16:15-17:15 and 18:30-21:30. The

Prep time rules:

You are not permitted to leave either the second-floor prep area or your rooms during prep time unless you are involved in an official house or school activity or there is an emergency. You are expected to work at a desk, and if you are working in your room your door must remain open during prep time.

If you finish all the prep that you have been set, you must spend the rest of prep time engaged in some other mind-enriching activity. You can ask the staff for inspiration if unsure.

You may use prep time for practicing a musical instrument in the communal areas of The Grove, but only with permission from Mr Peters, Mr Skiff or Kru Nang.

Online tutoring is not prep. Online tutoring is not permitted during prep times, as it is not

PROPERTY

You should mark all of your property clearly, including small items such as calculators, pencil cases and so on. Treat other people's property with respect and never be tempted to 'borrow' things from other boys' rooms: they may not be happy with this and you may not remember to give it back. If, in turn, you feel that you, your property or your space are

RELATIONSHIPS

It is important that all boys in the house treat each other (and each other's property) with respect. Bullying of any sort and abuses of power or authority will not be tolerated. If you are worried about these or any other matters, talk to the Head of House a house Prefect, or go straight to Mr Peters, Mr Skiff, Kru Nang or other member of house staff. There is also a QR-based form where you can report any concerns or issues you may have.

One of the most important relationships for you to get right is that with your roommate(s). Remember that there is an art to sharing a room and it requires tolerance, empathy,

amount of time that you are required to complete Prep for is dependent on your year, Years 10 and 11 should complete 1 hour 30 minutes of work and Years 12 and 13 2 hours of work per night.

Prep arrangements are different at weekends with Sunday from 18:15 until 20:00 being dedicated to this.

independent work or practice and it has not been set by your teacher.

You can continue working after the prep session in the evening if you wish, and you may also choose to work during the afternoons or early mornings. If you wish to continue working after bedtime (if you have an exam to prepare for example) you must ask Mr Peters or Mr Skiff for an extension' permission to stay up a while longer for the purposes of completing prep.

Repeated failure to complete prep, late submission of prep, and submission of poor-quality prep is taken seriously and will be sanctioned accordingly according to the school behaviour policy. Academic endeavour is the main purpose of your being at Harrow, and you will be much more successful and enjoy your time here much more if you maintain high standards in this regard.

not being respected, say something. It is polite and courteous behaviour to always return a borrowed item in person with thanks, to the person the item belongs to in good time and in the same condition it was given to you in. It is against house rules to go into other people's rooms if they are not there.

respect and compromise from both parties.

Inappropriate discrimination or derogatory remarks based on gender, disability, sexuality, race, religion, cultural or linguistic background, academic ability or sporting prowess are not acceptable in The Grove. Every Grovite has the right to enjoy all aspects of life at Harrow and in The Grove.

ROOM

Mr Peters will decide on rooming combinations, following the opportunity to make rooming requests. You will have the opportunity to change rooms every term and share with different Grovite (if you do not have your own room). This helps everyone to get to know each other and gives you the chance to live in a variety of different rooms in different areas of the house.

Each room is furnished with storage beds, bedside cupboards, bookshelves, wardrobes and desks and chairs. You are not allowed to bring other furniture in. It is your responsibility

to look after the furniture in your room and to report any damage immediately. A notice board, a desk light, a multi socket extension cable and a desk tidy are provided for you to use. You will also be given laundry bags, a wash basket to store clothes before they are washed, coat hangers and a bathroom caddy to store your toiletries. You are provided with a pillow, duvet and bed linens.

SAFES

You will find a small digital safe in your room. Grove house staff will help you set the combination and you can then use it

for storing money and other valuables. If you forget the combination, Mr Peters has a master key to open the safe for you.

SIGNING OUT AND SIGNING IN

Whenever you leave the house, you must remember to fill in the register on the desk of the security guard notifying us that you have left The Grove and your destination, and your expected return time. Similarly, whenever you return to the house, you must 'sign in' using the same method of filling in the register with the security guard.

Senior boys are allowed off site by themselves but only once your parent and guardian has granted permission to do so by filling out an 'offsite privilege form'. This will be sent to all parents at the beginning of the year. The process of signing out involves another layer of procedure; you must have a blue sign out slip form signed by a member of boarding staff. Security on the main entrance gates

to the school will not let you leave the site unless you have a signed sign out slip. Please have your mobile phone with you at all times should we need to reach you. This system always provides an important up-to-date register of your location, which is a crucial part of ensuring that you are safe and easy to locate throughout the day. If you fail to sign out or sign in properly, you can expect to face sanctions; it is your responsibility to ensure that these rules are followed.

If you wish to entertain a friend from another house or a Harrovian who is a day student, you must first seek Mr Peters's permission for this. Your friend should then sign in when they arrive and sign out when they leave.

STATIONERY

You will need to bring your own calculator, writing pen, pencils, ruler, rubber, pencil case and so on. Boys in The Grove are expected

to take pride in the presentation of their academic work.

TERM DATES

The same arrangements apply to the beginning and end of term and to half-term breaks. Term dates are always published about a year in advance on the school website and you are expected to arrive and leave at the correct times and on the correct days. Permission is very unlikely to be granted for

late arrivals or early departures because of the inevitable disruption that this causes. Your parents must not arrange holidays or make transport arrangements that would require an early departure at the end of term or a late arrival at the beginning; the Head Master is extremely unlikely to allow this to happen.

THURSDAY THOUGHT

All Grovites are expected to attend a weekly 'Thursday Thought' presentation which is delivered by a fellow Grovite. These presentations take place in The Common Room and start at 18:30. Please be punctual as call over will be taken at 18:20 sharp before

the presentations begin. The presentation should be of an excellent standard, focused on poignant and formative subjects and count toward the Leadership and Service Year awards. Exemplary behaviour is expected as a member of the audience.

TRANSPORT: BUSES AND TAXIS

If you require transport to take you to or from Harrow Bangkok at the beginning or end of term or at a long holiday weekend, Khun Gai, our boarding coordinator, will organise this for you. Just make sure that your parents have

given Khun Gai gai_mu@harrowschool.ac.th the details well in advance. Often it is possible to share a bus or taxi with another Harrow Bangkok boarder in order to save money. There is a charge for this service.

TRANSPORT: PERSONAL OFF-SITE TRIPS

Permitted modes of transport for off-site trips vary by year group and are based on selections made by parents on the off-site permissions form. However, the use of

motorbikes, mopeds, or similar two-wheeled motorised vehicles by Harrow International School Bangkok Students is never permitted under any circumstances.

TELEVISION

You are welcome to watch television in your free time. There is a television with Netflix, Disney+ and a PS5 and a Nintendo Switch downstairs on the ground floor, and a TV

for the Sixth Form to use on the top floor. Programmes must be of a suitable nature for the age of the audience present.

PRIVATE TUITION

Private online tutoring sessions should be scheduled for a maximum of one hour, either

between 15:00 and 16:00 (depending on the completion of after-school activities) or after

supervised prep time from 19:30 onwards. Tutoring is not permitted during mealtimes, Call-Overs, house meetings, during House Song or House Shout practice, or after lights out (not during eating, meeting, or sleeping times). Boarders must prioritise their set homework and school learning, which occurs from 18:30 to 19:30 each evening in boarding houses, and this time must be protected from private tutoring sessions. To ensure boarders get adequate rest after busy days, private online tutoring sessions should be organised for every other day. A maximum of two hours of private tutoring can be scheduled for Saturdays and Sundays, with mandatory breaks in between, and again not during meeting, eating or sleeping times. The total

number of tutoring hours should not exceed four to five hours per week. Tutoring should take place in communal spaces or The Hub. If you have your own room, your door must remain open during tutoring sessions. If you share a room, under no circumstances must a video call take place in rooms to protect the privacy of the other boarders. In Year 11, online tuition must take place in a communal area with earphones to avoid disturbing others.

WAKE-UP

Boarders are expected to wake themselves up using a suitable alarm clock, separate to their phone, which they will hand in for device down day. They should get up in enough time to be ready to leave the house by 07:00.

Anyone who is not out of the house by 07:15 will be registered as late. We encourage our boarders to work together if they know that any of their peers need extra support to be ready in time in the mornings.

WHAT TO DO IF YOU ARE UNHAPPY

If you have any worries or difficulties, or are just feeling unhappy, there are many different people who are available and willing to help

you. If you want to talk to somebody you can choose:

WHAT TO WEAR AROUND THE SCHOOL AND AROUND THE HOUSE

School rules dictate that when you are out of the house and around the school you must be wearing either school uniform or official school/House sports kit within school hours. Casual wear (or 'home clothes') is allowed only after you return to house from finishing your school day and on Saturdays and Sundays. All home and school clothes must be clearly labelled otherwise they can easily get lost or mixed up in the laundry.

When wearing school uniform, you must dress properly and look smart. All clothes must be clean and tidy. Shoes must be polished. Shirts must fit well and be neatly tucked in. Ties and top buttons must always be done up. At the end of each day, hang up your school uniform in your wardrobe; never simply dump it on

the floor where it will get creased and dirty. If any of your clothes need minor repairs, you should show them to Mr Peters, Mr Skiff or Kru Nang at the earliest possible opportunity. Hair should be tidy.

Boys are expected to have respect for themselves and to be proud of being at Harrow Bangkok; they should present themselves accordingly.

All clothing will be washed and ironed in the boarding house laundry, so excessive amounts of clothing are not required. Remember too, that boys have a single wardrobe, into which they must put all their clothes.

AND FINALLY...

There really are many more things that could be added, but this booklet has to stop somewhere! Although it will seem as if there is a lot to think about and remember, you will master it all much more quickly than you might expect. You will be extremely busy in your first term, so enjoy it and get stuck in. Try to develop your interests and talents to their full potential by making the most of all the wonderful academic and extra-curricular opportunities that the School has to offer.

Do your best to establish good relationships with Grove staff, your teachers and with other boys. Always behave sensibly and be kind and considerate to others. If you follow this advice, there is no reason why you shouldn't settle very quickly into life at Harrow and begin to make your own contribution to the success of The Grove, helping to ensure that it remains the best house at Harrow International School Bangkok!

Mr Peters | House Master

"A Grovite is someone who embraces opportunity, relishes challenge and always gives of his best. Academic endeavour is undoubtedly the priority, but on the basis that life fulfilment arises as much from participation in cultural, sporting and other extra-curricular activities, Grove boys are encouraged to engage with all that Harrow has to offer to the highest level possible. By living within a friendly, supportive boarding house community, Grove boys learn to appreciate the value of mutual respect, self-discipline and service to others.

They are also expected to be outward-looking, recognising that they are citizens of a local, national and global community and mindful of the responsibilities that this entails. Through all that they do, personal qualities such as independence, initiative, honesty, integrity, modesty, resilience and sense of humour are nurtured and developed. The aim is that by the time a boy leaves The Grove, he will be well equipped intellectually, culturally, physically, socially and spiritually to enjoy a happy and fulfilling life as a leading member of society."
