Progress is a modern, versatile range of boardroom and breakout tables. Available with solid oak or a painted RAL finish legs, Progress provides the ability to create unique colour combinations to enhance any space.

These boardroom tables are available in a variety of sizes allowing for 6-12 people to sit at.

aurora

Anchored Arrowhead Design.

If you're keen to give your meeting room the professional edge, you needn't look any further. Each Aurora Table is made with 25mm thick worktops and robust plastic edging, so you can rest assured your table will stand the test of time. Our Aurora tables also feature strong, sturdy legs and are available in many different sizes and shapes, including rectangular, boat-shaped and circular designs. Regardless of whether you need to sit 4, 10 or even more people, this collection is easily adaptable to your needs.

novaro

Elegant Leg Frame

The Novaro Boardroom Table features an elegant leg frame which supports a combination of boardroom table tops. As with all products in the Novaro range, the choice of materials, finish and configuration means there is an appropriate table for every use and every department.

plateau

Veneer Tops with Chamfered Edge

Plateau tables are available with either veneer tops with a solid wood edge profile or with laminate tops with a solid wood edge profile. Each top has a curved chamfer on each long edge, providing a unique aesthetic to each and every martin table. The leg frames are available in either solid oak, or in solid natural walnut timber. Each leg frame comes complete with heightlevellers and forms the structural frame for the table.

unity

Simple. Sharp. Clean Lines.

The Unity Collection is the perfect modern real wood boardroom table range. The tables are enhanced by simple, sharp, clean lines and a low sheen finish to reveal the unique character of the wood. Unity offers a simple and discreet cabling solution, providing a high quality finish and versatile functionality, as well as excellent value. The Unity table comes in a choice of four veneers: Oak, Maple, Cherry or Walnut.

ritz

Classic. Durable. Meeting Table.

The modern, streamlined Ritz table, with integral cable management, makes an interesting alternative for larger boardroom tables. The discreet cable management facilitates the use of power modules or cable ports. Table tops are 40mm thick with solid wood lippings all round and with a Bull nose profile. The Unity table comes in a choice of three veneers: Oak, Cherry and Maple.

nimbus

Modern. Timeless. Classic.

The Nimbus collection effortlessly combines style with practicality. Supportive and strong and designed to complement a variety of different environments, this modern table collection is an elegant addition to any meeting or conference workspace. Nimbus takes the classic aesthetics of the real wood veneer tops and pairs it with a sleek and highly durable arched metal leg, with an immaculate polished chrome surface.

Levitate

Ergonomic Height Adjustable Table

Levitate is a height adjustable meeting table combines a unique design with versatility to transform corporate spaces like boardrooms into flexible meeting places. Lack of physical activity in offices is considered the main reason for back pain, fatigue and other complaints, and the majority of boardroom meeting are sedentary environments, so you can vary your position from sitting to standing allowing for a variety of postures the meeting.

Genoa

Standout Toughened Glass Table

Genoa tables creates a stunning centerpiece in any environment. The polished aluminum triangulated legs are beautifully detailed, and the steel cables achieve a solid stability that defines its minimal looks. The

Genoa toughened glass collection features UV bonded tops in clear etched and back painted finishes.

panache

Twotone Sophisticated Table

With its textured wood top, contrasting under-top in charcoal or white and integrated connections, the Panache table blends style with functionality. The central cableway can be opened from either side to reveal power. The Panache collection is completed with a range of matching melamine credenza units. Tops can be rectangle, boat, oval or racetrack shape and manufactured as standard in a choice of four fantastic textured washed woodgrains as well as laminates and veneers.

opal

Distinctive Meeting Table Design.

The Opal boardroom table frame is beautifully manufactured from aluminium to achieve a stunning and sophisticated floating effect for veneer, laminate toughened glass and rustic finished tops. Its unique design allows for a rectangular and square shape that helps accommodate for different sized meeting rooms.

glide

Innovative Modern Frame Design

An exceptional feature of the Glide Range is the thin metal legs that convey a sense of lightness and at the same time ensure their durability and stability. The minimalistic design combines different textures and colours that provides creative freedom for designing boardroom spaces. Glide meeting tables feature a round tabletop designed for a team of six people or a rectangular tabletop ideal for eight people.

A large, white, rectangular meeting table with a modern design, surrounded by grey mesh chairs. The table is set in a bright, minimalist office space with a dark carpet and a potted plant in the background.

aster

Coherent. Exquisite. Meeting Table.

Aster meeting tables are part of our broad-ranging office furniture system which comprises not only desks but also storage, meeting and reception furniture solutions which are ideal for those who want to set up work spaces for individual/collaborative work or for relaxation and to enjoy a coherent and convenient office space. Meeting tables can accommodate 6 to 12 people.

aster wood

Diverse. Natural. Meeting Table.

Aster Wood adds a delicate sense of luxury to your office and brings you closer to nature and home atmosphere! Aster Wood is a multipurpose table meaning it is ideal for open plan offices where you can arrange different areas for individual or collaborative work. Ash wood insert is not only eye-catching detail but also a convenient solution for managing electrical wiring and cables.

avant

Modern. Diverse. Meeting Table.

Meeting tables featuring modern and laconic design from the PLANA executive furniture collection are a perfect choice for higher-class conference rooms and meeting areas. Find a meeting table best suited to your office space:

whether it is a square shaped table seating 8 or 14 people
or a round table seating up to 3 people.

These tables have been designed
with particular care for
every detail.

demesne

Dense Framework Meeting Table

The Demesne Boardroom Table offers you the ultimate choice of shape, leg style and finish. It comes with a stylish chunky A-frame design and a choice of 4 different top shapes that are available in 16 different top finishes. The unique centralised leg frame design allows for up to 12 people to sit at comfortably.

Pivotal Height Adjustable Table

Synergi meeting tables are ideal for various kinds of meetings as they are available as height adjustable or fixed height tables. The design of the height adjustable Synergi meeting table is unique in that the base of the table is made of concrete.

Tables with legs positioned centrally rather than on the sides create a welcoming space for people to meet and communicate. These tables are ideal for a team of eight, ten or twelve people.

linea

Stylish. Durable. Functional.

The Linea Boardroom Collection delivers a combination of form, function and sophistication in any meeting room environment. The Linea Meeting Table leg frame can be specified to be supplied in either a steel or wooden frame finish. The steel leg frame can be further specified to come as a square or round support leg frame.

transcend

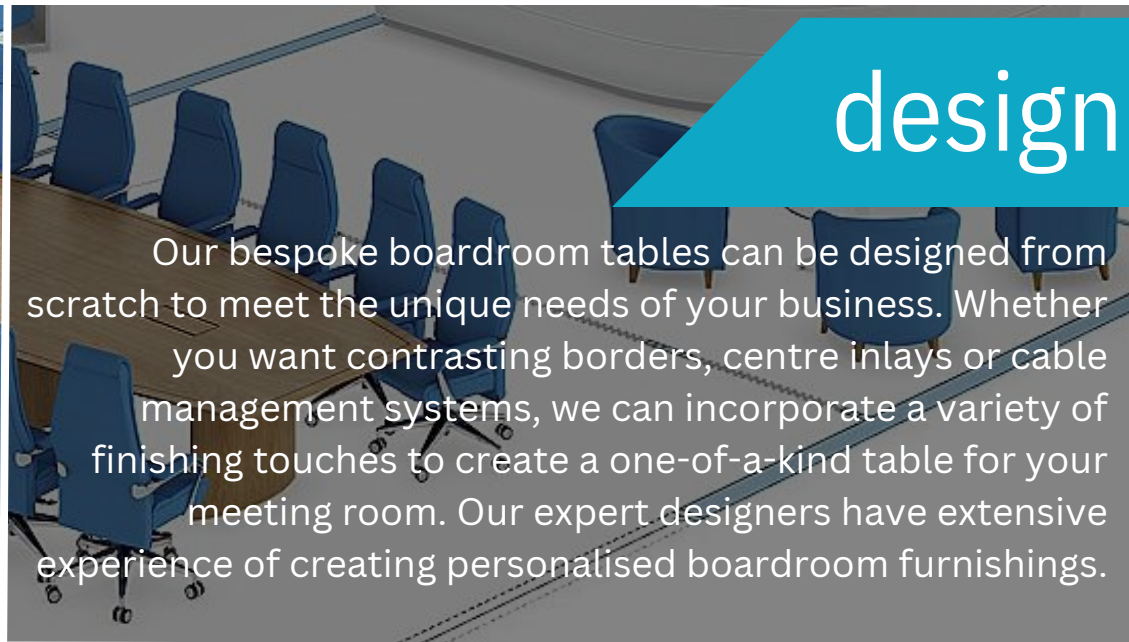

Traditional Look. Modern Design.

With its sleek lines and exquisite wood veneer finishes, our transcend range combines visual appeal with all the functionality you would expect from a contemporary range of prestigious boardroom furniture. Transcend is a standalone collection that has alternative table top designs, table bases and edge options.

Transcend's veneer options give a meeting space unmistakable prestige. The veneer options include smoked swiss pear, wenge, zebrano.
