Girl Scout Promise

On my honor, I will try:
To serve God* and my country,
To help people at all times,
And to live by the Girl Scout Law.

**Members may substitute for the word God
in accordance with their own spiritual beliefs.*

Girl Scout Law

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,
and to
respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.

How the Guide is Organized

Welcome to Girl Scouts of Utah's Council Guide! Within this booklet, you'll find upcoming programs, events, and trainings, as well as important dates and Girl Scout reminders. Content is organized by program pillar and topic, then by date. See pages 38-43 for a calendar overview.

Letter from CEO

Dear Girl Scouts of Utah Members,

There's so much to look forward to in Girl Scouting this year, and I'm excited to share how both Girl Scouts of Utah (GSU) and Girl Scouts of the USA (GSUSA) are working together to create fresh, meaningful opportunities for every girl and every volunteer.

In Membership Year 2026, the core of the Girl Scout Leadership Experience remains the same but it's getting even better. With a mix of new programs and refreshed formats, we're meeting today's girls where they are and giving them the tools to grow into tomorrow's leaders.

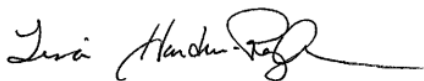

At the national level, GSUSA recently released New Leadership Awards offering fun ways for Juniors through Ambassadors to grow their confidence and purpose, Body Appreciation badges designed to transform how girls think and feel about their bodies, easier paths to Highest Awards with streamlined requirements and more flexible pathways, and a Solutions Superstar patch which gives girls a hands on introduction to problem-solving and logistics. These national program enhancements are helping girls thrive in bold new ways.

At GSU, we're rolling out new formats to enhance your experience. Try our new Friendship Events or Badge Labs, designed to make Girl Scouting easier for caregivers and troop leaders. Our drop-off style Friendship Events feature a different theme each month as you connect with new and old friends. Girl Scouts can also earn a badge, with no additional prep required by the troop leader. Or explore how you can make an impact with targeted Highest Awards chats (hosted by award level!) and revamped council GAB opportunities.

For our dedicated adult volunteers, we've refreshed our trips and travel trainings to better support safe and successful adventures, and we're proud to now offer Intro to GSU training in Spanish. We're also excited to launch our new Leader Development and Training Patch Program. Volunteers can earn a center patch and collect segment patches based on completed trainings—all at no cost—celebrating the time, talent, and dedication you bring to your troops.

As you explore this edition of the Council Guide, I hope you feel inspired by all that Girl Scouting continues to offer. Girls are truly at the heart of everything we do. Thank you for being an essential part of this Movement—and for everything you do to help girls grow with courage, confidence, and character.

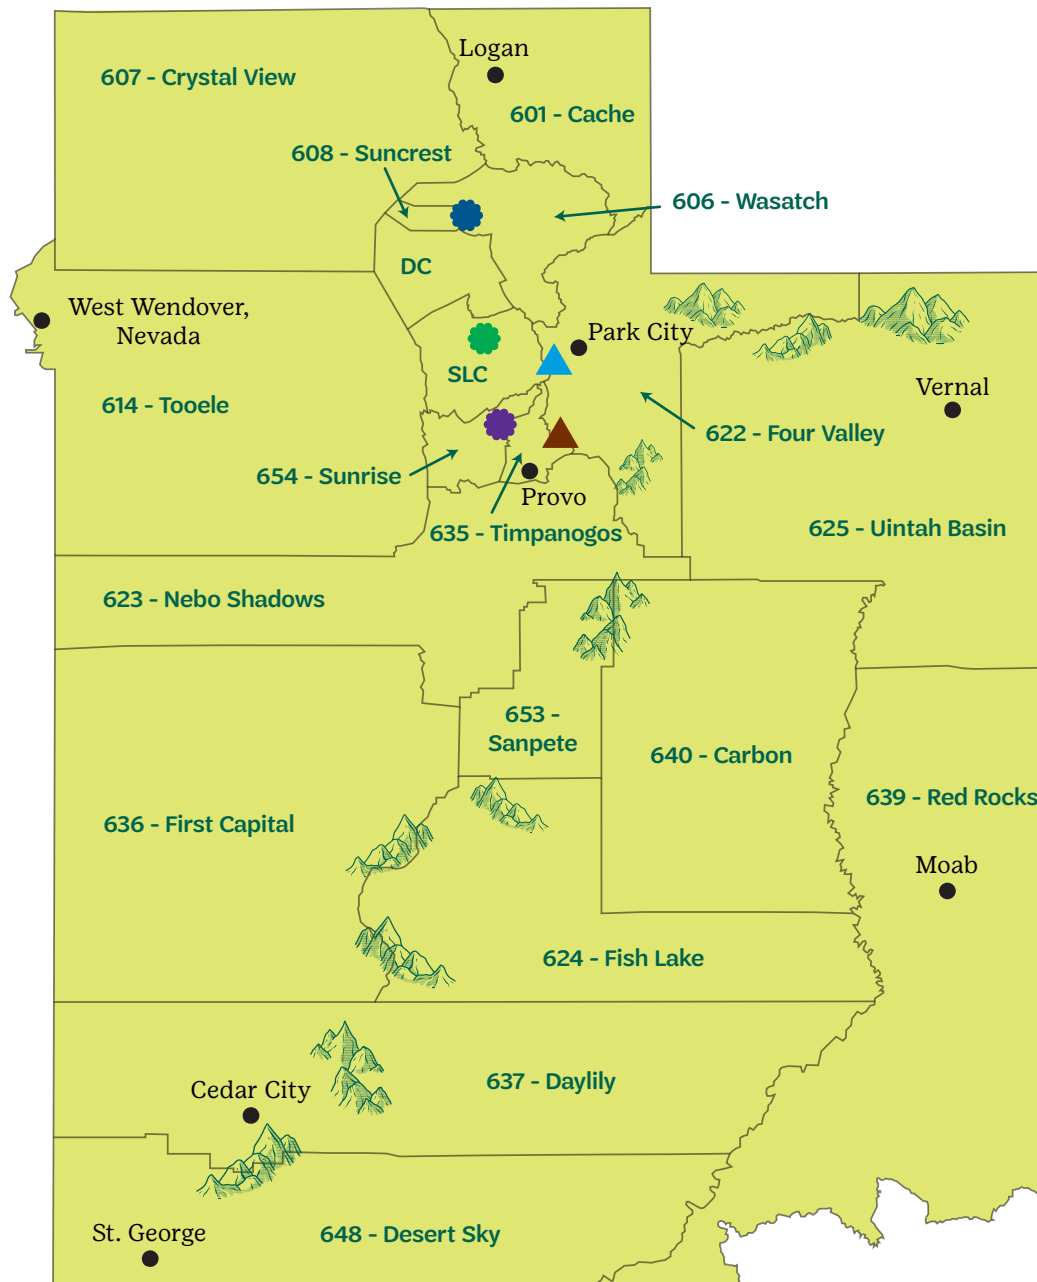

Yours in Girl Scouting,

Lisa Hardin-Reynolds
Chief Executive Officer

At Girl Scouts of Utah (GSU), our mission is to build girls of courage, confidence, and character, who make the world a better place. We provide girls with a supportive environment where they can discover their strengths, take on new challenges, and develop leadership skills that'll last a lifetime. Serving youth and adult members across Utah and West Wendover, Nevada, GSU offers a range of programs in STEM, outdoors, entrepreneurship, and life skills—all designed to help girls grow into strong, capable leaders in their communities.

With three service centers, two retail shops, and two camp properties, we are committed to providing exceptional experiences that encourage Girl Scouts to explore their passions, embrace adventure, and create meaningful connections. Whether you're a new Girl Scout, a dedicated volunteer, or a lifelong supporter, welcome to a Movement that empowers girls to make a difference!

Our council is divided into service units based on location. The service unit team is an essential support system that organizes training, mentorship, events, and membership support for their area. Each service unit is identified by a three-digit code and name.

New Leadership Awards

girlscouts.org/highestawards

The new Leadership Awards celebrate all the ways you lead—yourself, your team, and your community. Whether you're leading a team project, guiding younger kids, speaking up for change, or learning to trust your instincts, these awards recognize and support the many ways leadership shows up. They're flexible, fun, and designed to help Junior through Ambassador Girl Scouts practice leading with confidence and purpose.

Expanded Ways to Get Started on Highest Awards

It's now easier than ever for Junior through Ambassador Girl Scouts to kick off their Bronze, Silver, or Gold Award. Already earned your Bronze or Silver? Great—each now counts as the prerequisite for the next! You can also complete one of the new Leadership Awards to build real-world skills and lead in the way that feels right for you. And if you've already started a Journey, keep going—you now only need to complete one (not two for the Gold Award!), and it will still count even after Journeys retire in October 2026.

2026 Girl Scout Convention

July 20-25, 2026

This special six-day gathering happens once every three years! Join us at the Walter E. Washington Convention Center in Washington D.C. as we celebrate the spirit, individuality, and self-confidence that make Girl Scouts shine.

Convention kicks off with our 58th National Council Session (NCS) July 20–22, where National Delegates from around the country and overseas gather to vote on and discuss issues important to our Movement, and elect leaders for the next triennium.

After NCS, thousands more Girl Scouts (and alums, families, and non-members) stream into town for a multi-day event featuring interactive workshops, inspiring speakers, and once-in-a-lifetime adventures that spark forever friendships.

Check GSUSA's website for information on workshops, speakers, and other exciting events.

Leader Training & Development Patch Program

Volunteers can earn our new Leader Training & Development Achievement patches just by completing various troop leader trainings!

Earn your center patch with the New Leader Onboarding Learning Path (new leaders) or GSU Refresh (seasoned volunteers). Then dive into specific topics, like Troop Finance or Small Watercraft, to capture the different segment patches and display proudly on your leader vest.

The center patch and corresponding segments are provided at no charge to volunteers. Simply complete the training(s) and we'll coordinate patch delivery at your next service unit meeting or, for outlying areas, via the mail.
