Welcome from NMAA Executive Director

Sally Marquez
NMAA
Executive Director

While watching the 2019 Women's U.S. Open earlier this school year, I witnessed an outstanding display of sportsmanship by 21-year-old Naomi Osaka, who hugged and consoled her 15-year-old opponent, Cori Gauff, after defeating her in the third round of the event. She hugged her and then went one step further by inviting her to do the post-match interview with her. I turned the channel after witnessing this emotional exchange between the two competitors only to watch story after story about countless individuals preparing to come to the aid of communities caught in the path of Hurricane Dorian.

In our own home state of New Mexico, I have seen signs in yards across our communities that read, "El Paso Strong" and have witnessed young kids throughout the state raising money for those struck by the tragedy that befell our neighbor to the South. It warms my heart to know that so many members of the New Mexico baseball community supported El Paso by volunteering their time and resources to facilitate a baseball clinic in the area. I have seen Boy Scouts and Girls Scouts of New Mexico performing various acts of community service. I recently pulled up to a stop light and saw a young adult handing a homeless person a bag full of toiletries and food. I saw a teenager mowing an elderly person's yard just because

it is the right thing to do. All of these beautiful acts of kindness occurred within a two-day period and those were only the ones I personally saw.

Every day, we witness humanity at its finest. Even though there are times when the negative headlines seem overwhelming, we still see displays of compassion and kindness all around us. We know there is so much goodness in our schools and our communities and we feel our faith restored when these acts hit close to home.

So, it makes me wonder - why do we allow "winning and losing" to become the focal point in athletics? Why does a "win at all costs" attitude seem so prevalent? Why do acts of poor sportsmanship sometimes overshadow all of the good that we know exists in interscholastic athletics? For every one bad event, we know there are hundreds, or even thousands, of great things going on with our student-athletes. Why can't we look past the scoreboard to see and remember the true meaning of sports?

Don't get me wrong. I am the most competitive person there is. Even at my "old" age, I refuse to lose. But, as we get older, we see that there are such bigger and more important things that we gain from competition and that we gain through participation in interscholastic activities. We realize that truly "winning" is not about the score. For educators, it is about teaching our students that they are playing a game and that, at the end of the day, the end result of learning the traits of responsibility, integrity, respect, teamwork, dedication, perseverance and commitment are far more important than a blue trophy.

The importance of interscholastic athletics is really about winning in the game of life. It is about producing citizens who are capable of being compassionate to those in need, who understand that life is bigger than a game and who truly know that true winners are those who care about others and who live a life of being trustworthy, honest and respectful.

There are so many daily lessons that are learned through participating in sports and activities and we see these lessons being lived out around us every day. It goes back to role models in professional sports. It goes back to volunteerism and kindness to communities suffering tragedies and disasters. It goes back to being service-oriented within our communities. It goes back to doing the right thing, even when no one is looking. In the words of football coach, Lou Holtz, "I follow three rules: Do the right thing, do the best you can, and always show people you care." This is the true recipe for being winners in the game of life.

We hope you have a great 2019-2020 school year.

NMAA FOUNDATION SCHOLARSHIPS FOR NEW MEXICO HIGH SCHOOL SENIORS

DEADLINE FOR SUBMISSION IS
FEBRUARY 1, 2020. ONLINE
APPLICATIONS AVAILABLE AT
www.nmact.org/foundation

GRANTS AWARDED TO NMAA MEMBER SCHOOLS TO HELP SUPPORT ATHLETIC AND ACTIVITY PROGRAMS

Since 2007, over 200 students at more than 90 NMAA member schools have been awarded scholarships to attend colleges or universities of their choice. An additional 20+ schools have received grants/support from the NMAA Foundation for various athletic/activity programs. We encourage everyone to participate in our annual fund raising events or to donate to the NMAA Foundation.

Legend of the Pitch – 2019

Mike Lovato, Highland HS (1989-92)

feated Eldorado in the championship game, which was pretty special for many reasons, including that many of the same players competed in the Freshman City Tournament against Eldorado. The team was a great group of players and Mike was best known for his involvement in set plays, especially throw-ins, where he could do a flip-throw that covered half the soccer pitch.

At age 19, during his freshman year of college, Mike discovered triathlon. He raced for seven years as an amateur, primarily focusing on short distance races. In 1999, he qualified for the Ironman World Championship in Kona, and later directed his focus to long course races. He raced professionally from 2000 to 2013, during which time he won three Ironman titles, three national championships, and finished 9th place at the Ironman World Championship three times.

Mike truly feels that his early foundation as a high school athlete and, in his opinion, as a very well-rounded soccer player set him up to make a living doing one of the world's toughest single-day endurance races. He learned a great deal from his high school soccer coaches, Jon Toman and Greg Rusk, as well as his track coaches, Gary Sanchez and Mark Henry. They taught him that with hard work, a positive attitude, and belief in his preparation, he could accomplish anything. By looking at his accomplishments as a world-class athlete, you can see that the ad-

vice from his coaches held true. Mike says that he is forever grateful to those coaches and to the experiences he had at Highland as a student-athletes.

Lovato and his wife, Amanda, have two children, daughter Valentine, age 6 and son Zane, age 2.

It is with great pleasure that the New Mexico Activities Association recognizes former Highland Hornet boys soccer player, Mike Lovato, as the 2019 Fuddruckers State Soccer Championships, "Legend of the Pitch."

Like most kids, Mike Lovato's athletic career began around five or six years of age. He started out playing soccer and quickly became involved in basketball, baseball, swimming, water polo and even gymnastics. Once Mike got to Highland High School in Albuquerque, he chose to focus his energy on soccer. Because of his background in swimming, he joined the swim team as a means to stay healthy and fit between soccer and track seasons.

Mike ended up loving track and, as a junior, he was part of the 1991 NMAA Boys' State Championship Track and Field Team for Highland. He ran the 100m, 200m, 300m hurdles, as well as the 400m. In the 1991 state championships, he was a part of the 4x400m relay that helped clinch the overall title. He qualified for two State Swimming Championship meets but claims that he was never very competitive at those events.

His senior year, Mike was a part of the team that won the 1991 NMAA Boys' State Soccer Championship. The team de-

UP CLOSE AND PERSONAL WITH MIKE LOVATO

Where did the love for the game of soccer come from during your childhood?

"My love for the game began early — at age 5 or 6 — when I began with club soccer, first AYSO and ultimately Duke City Soccer. I enjoyed playing with my existing friends from Kindergarten and meeting new kids from around the city."

Who was the biggest influence during your soccer career?

"My biggest influence was my high school varsity coach, Jon Toman. He always encouraged us to be the best athletes and the smartest players — we worked on all the little details of

the game and of our fitness. He was also ahead of his time — he focused on doing new things, but with an old school approach. He was tough yet positive and encouraging.”

What is your greatest memory of playing high school soccer in New Mexico?

“My greatest memory was being a part of the State Champion team in 1991. It was my senior year, and most of us had been playing together for 4 years. Our team had strong camaraderie, we played well together as a group, and we overcame a lot in that final game. And to this day I am still friends with several of those players. That lasting bond is priceless.”

What is your best advice to young soccer players?

“Enjoy the game and work hard. I truly believe that with a positive attitude, a good sense of humor, and commitment to do your best, you can accomplish anything.”

What kind of teammate do you think your former teammates would say Mike Lovato was?

“I think most folks on my team would say that I was always very strong, very fast, and very willing to do my best; and that I always tried to support my team, even though I was not the most skilled player on our team!”

How is soccer and triathlon competitions similar?

“Triathlon and soccer share one primary thing in common: you get out of them what you put into them. I will never forget the amount of work I had to do the summer before my senior year just so that I could actually make the varsity team again. I spent every day working on my skills, my fitness, and my mindset. Every day. And it paid off. Triathlon rewards hard work in that same way soccer did for me. When I retired, I had become one of the best in the world.”

How are they different?

“The two sports differ most dramatically in that during the day of competition, triathlon requires that the athlete execute on his or her own, whereas competing in soccer demands that the athlete work his or her best as part of a group.”

What advice would you give to young athletes about the mental side of sports and how having a strong mental game is just as important as the physical?

“The closer you get to the top of your sport — be it soccer, triathlon, or anything else — the more important the mental game becomes. And in order to get closer to the top — or to the top itself — a focus on mental preparation and resilience is KEY. There are no two ways about it: physical preparation always has a ceiling, whereas mental growth is unlimited. Work on the mind and you’ll become your best. Guaranteed.”

2018 State Championship Recap

The Storm Win Their First State Soccer Championship

It took a little extra time and effort, but the Cleveland Storm boys' soccer team ended the 2018 Fuddruckers State Soccer Championships the same way they started, as the #1 team. Cleveland entered the week with the top-seed in the Class 5A bracket. Under the lights on the final day, the Storm met up with the Mayfield Trojans for the championship. The two teams battled through a scoreless first half, followed by another scoreless second half.

"We had some chances early where we banged one off the post and I thought we were playing really well, but we just couldn't get them to fall," said Cleveland head coach Shaun Gill. "We had a couple chances in the second half and they didn't go in but we just kept pressing and pressing."

After a ten-minute overtime, the two teams needed a few more minutes to decide a winner. In the second overtime, Cleveland took a corner kick directed at the Mayfield goal. The ball bounced around and was deflected off a Mayfield player's arm. A handball in the box penalty was called. Cleveland senior Jairo Barreras took the penalty kick and the ball got by Mayfield goalie Xavier Calderon, scoring the only goal of the match in the 97th minute. Cleveland won their first state soccer championship by a 1-0 score.

"We put the under pressure on in that second overtime and unfortunately for them they had a handball in the box and we were able to capitalize on a PK," said Gill. "It was a handball and kudos to the refs for calling it, but it's unfortunate because Mayfield is a quality team and they deserved to be here. It's a shame it ended that way but I'm blessed we got to hoist the blue trophy."

"It's the best feeling in the world," said senior goalie Ryan Watson. "These guys deserve it. We worked hard and it feels good to be rewarded for it."

The Trojans finished the year at 16-6-1 while the Storm capped off their championship season with a 20-3 mark.

Chargers Back on Top Of the Soccer World

After winning back-to-back state titles in 2015-2016, the Chargers came up short in the 2017 final. But, at the end of the day in 2018, Albuquerque Academy was lifting the blue trophy once again. The Albuquerque Academy boys' soccer team shut out rival Los Alamos 3-0 in the Class 4A title game of the 2018 Fuddruckers State Soccer Championship.

Academy scored their first goal just 18 minutes into the match when freshman Neven Zapatka took a rebound off the post and punched one in. About six minutes later, Trevor Dean gave the Chargers a 2-0 lead with a goal of his own. Academy dominated the first half. Los Alamos only had one shot on goal in the first 40 minutes. The Chargers would add one more goal in the second half off the foot of Oliver Kumar to finish off the scoring.

"I don't think we could have scripted it any better," said Academy head coach Laney Kolek following the win. "With a leader like Aaron Hill anchoring that back line and communicating with his entire squad, these guys did it right. They peaked at the right moment and our younger guys sealed the deal by polishing goals off."

It was the third title in four years for the Chargers. Academy finished the season with an 18-4-1 record.

2018 State Championship Recap

Sundevils Claim First Title Since 2013

Matadors Outlast Rival La Cueva for the 5A Trophy

The Sandia Prep boys' soccer team beat Robertson 3-0 in the Class A-3A Fuddruckers State Soccer Championship. The Sundevils lost to the Cardinals earlier in the regular season and this was their chance to even the score when it mattered most.

It was #1 versus #2 for the title and the top ranked Sundevils found the net early. Sandia Prep scored two goals in the first seven minutes of the match. Senior midfielder Brian Altavas scored on a breakaway early on. Two minutes later, senior forward Lucas Sandoval added another goal similar to that of his teammate. The Sundevils took a 2-0 lead into the half and then Shamus O'Leary scored in the final 40 minutes to give Sandia Prep their 3-0 victory. It was their first state title since 2013.

Sandia Prep ended the season with a 15-8 record, while Robertson wrapped up the year with a 15-6 mark.

It was a marathon match to decide a winner in Class 5A Girls at the Fuddruckers State Soccer Championships. Sandia met up with rival La Cueva to battle it out for the blue trophy. The Bears beat Sandia earlier in the season by a 4-1 score but the stakes were higher for this one.

The Matadors found the net first. Twenty-nine minutes in, Lindsey Ellison got Sandia on the board with the first goal of the match. Sandia would hold off La Cueva shot after shot until the 72nd minute. The Bears evened the score, thanks to a shot and goal by Hannah Duffy, forcing the match into overtime. Ten minutes came and went and the game headed to a second overtime. After another 10 minutes, they still didn't have a winner. The two teams stayed on the pitch for a third overtime. Ten minutes later, they still didn't have a winner, so it went to a fourth overtime. After 40 total scoreless minutes, it was time for a shootout.

Sandia sophomore goalie Charlee Wimberly made a save in the first round, which proved to be a good start. All four Matadors found the net and when La Cueva's fourth shooter went high over the net, it was time for Sandia to celebrate. Sandia won the title on a 4-2 penalty kick advantage. It's their first championship since 2008.

"I couldn't feel anything in my body and there was so much adrenaline," said Wimberly of the cold and dark conditions during the exciting finish. "I just tried to keep my head in the game."

It was quite a ride for Sandia in 2018, as the Matadors named a new head coach just days before the start of the season. Jay Sheraden took over the program and led them to the finish line. "It's an absolute dream season," said Sheraden. "We did have a rocky start, but these girls came together and we became a team and became a family and we started doing great things together."

The Matadors finished the season with a 17-4 record and the Bears dropped to 18-3-1 on the year.

2018 State Championship Recap

Academy Girls Win Their Third Straight

Three for Prep and One for Their Rookie Head Coach

When it comes to girls' soccer, Albuquerque Academy is hard to top. At least, they have been for the past several years. The Chargers claimed the Class 4A blue trophy after beating Hope Christian 4-1 in the final of the Fuddrucker's State Soccer Championships. It was the third straight state title for Academy.

One of the state's most prolific scorers put the Chargers on the board 26 minutes into the match, with Eliza Mariner putting the first goal of the night into the net. After Mariner's goal, the spotlight turned to her teammate Anna Carpio. Carpio turned in a hat trick with goals in the 35th minute, the 51st minute and a second half goal at the 63rd minute mark. Hope Christian's Kyra Stafford scored late in the match to avoid the shutout, but it wasn't enough.

"The girls were really composed and really focused," said Academy coach Peter Glidden. "Once Eliza scored that first goal, it was just 'lights on' and 'hey, we can finish this.' They had that killer instinct."

"It's a testament to these girls that they didn't back away from the challenge and it is a challenge going into it as the favorite and having everybody try to take you down. These girls just played their game and stayed at a high standard at practice and that made a huge difference."

Academy capped the season with a 21-2 record, while Hope Christian dropped to 18-3-1 on the year with all three of their losses to the Chargers.

"I'm so happy for my team," said Mariner following her third championship. "It's an amazing feeling to be so consistent. A good friend told me state's a different monster. Anything can happen. The better team doesn't always win. Hope put up a fight and I knew once we could get that momentum I knew we could hop on that horse and ride into the sunset."

The Sandia Prep girls' soccer team ended the 2018 season, the same way they started it - as state champs. The Sundevils beat St. Michael's 1-0 in the Class A-3A final game at the Fuddrucker's State Soccer Championships.

It was one of the smallest players on the pitch who helped lead the Sundevils to another blue trophy. The two teams battled it out in a defensive game for the first 50 minutes. Then, 8th grader Kiran Hill scored on a breakthrough.

"My midfielder Alex Forrester played the ball in and I ran onto it and I beat one defender," Hill described. "Then I saw the goal wide open and I played it and it went under the goalie's dive. I put enough power on it."

That would be the only goal of the day for the Sundevils, but it would hold up. Sandia Prep's defense kept St. Michael's out of the net, resulting in a 1-0 final score. "It was the most physical match we've had all year," said 1st year head coach Matt Westerlund.

"They were by far the fastest team, the strongest team. They pressed us all season. Every time we've played it's been 1-0. I think it took us being a very organized and calm team and going out there with the mentality we were going to be the team that possessed the midfield and that's what we did."

It's the third straight state title for Sandia Prep, but the first for Hill and their rookie head coach.

"It's exciting for me because it's my first year," said Hill following the win. "We started to pick up the pace in the second half and that's what got us the goal."

Westerlund took over the girls' program after years as an assistant with the Sandia Prep boys' team. "My first as a head coach and I'm happy I was able to keep their tradition."

The Sundevils finished the year with a 16-4-2 record and St. Michael's wrapped up the season at 16-7-1.
