Monday 7th - World Chocolate Day

The observance of World Chocolate Day dates back to 2009, and some suggest July 7th celebrates the introduction of chocolate to Europe in 1550.

Did you know?

- Countries with a higher consumption of chocolate per capita produce more Nobel Prize winners.
- Only one tiny chocolate bar has ever been made from cocoa beans grown in the UK, and it was eaten by Queen Elizabeth II.

Tuesday 15th - St Swithins Day

According to tradition, whatever the weather is like on St Swithins Day - whether rainy or sunny - it will continue for the next 40 days and 40 nights.

St. Swithin's Day is a weather prognostication day:

*St Swithin's Day, if it does rain
Full forty days, it will remain
St Swithin's Day, if it be fair
For forty days, twill rain no more.*

Sunday 7th - Thank You Day

Every year, Thank You Day brings together millions of people across the UK to celebrate and give thanks to those that go above and beyond for us. It is an opportunity to thank the people on your street, in your block of flats and all those local legends, the volunteers, teachers, carers who go the extra mile for us!

Thank
You
