# Brasil Projects Coordinated the Movement of Oversized Reactors from Italy to Santos, Brazil

After unloading, detailed engineering studies ensured safe and efficient road transport. A major challenge involved lifting a highway walkway using custom equipment, requiring a full road closure and precise planning.

Ultimately, the cargo was delivered safely to its final destination in Paulínia, SP. This operation demonstrates how complex logistical obstacles are transformed into achievements through expertise and innovation.

# OOG Plus Shipped a 50 Ton Hydraulic Press from Shanghai to HCMC via Breakbulk

OOG Plus's recent Break Bulk shipment of a 50-ton hydraulic press showcased OOG Plus's expertise in managing complex operations.

Key highlights:

- Oversized cargo: 7,800 3,400 3,100 mm, 50tons
- Waterproofing: Industrial-grade, multi-layer tarpaulin wrapping for full protection.
- Safe stowage: Placed on the deck and minimal seawater exposure.
- Professional loading: Multi-point lifting system with pre-loading calculations to ensure safety.
- Customer transparency: Real-time updates, photos, and packing records throughout the process.

Result: The hydraulic press arrived safely in Ho Chi Minh City, fully protected, and on schedule.

# Star Shipping Pakistan is Diligently Coordinating a Project Amidst Rainy and Chilly Weather at Port Qasim

STAR SHIPPING PAKISTAN  
www.starship.com.pk

Star Shipping Newsletter – January 2026

## Star Shipping Manages Strategic Operations at PQA

In *January 2026*, *Star Shipping* successfully managed its operational handles at **Port Qasim Authority (PQA)**, reinforcing its reputation for reliability and operational excellence in Pakistan's maritime logistics sector.

### *Operational Success Despite Winter Challenges*

*Star Shipping* once again proved its resilience, successfully managing the shipment of **7 × 158-ton transformers**, even amid *unanticipated winter rains in Pakistan*. Through meticulous planning, experienced manpower, and robust equipment, the operation was completed without compromise on safety or timelines.

### *Break Bulk & Project Cargo Excellence*

For *dependable and efficient global cargo transportation*, *Star Shipping* continues to set industry benchmarks with its *Break Bulk and Project Cargo Sea Freight solutions* in Karachi. Our expertise ensures seamless handling of oversized, heavy, and complex shipments—delivered safely and on schedule.

### *Project Logistics: Powering Heavy Industries*

When it comes to *complex and heavy cargo*, *project logistics* is the cornerstone of success. Industries such as *manufacturing, oil & gas, mining, and machinery* rely heavily on well-structured logistics solutions to overcome evolving challenges and unforeseen conditions. *Star Shipping* delivers adaptable, end-to-end project logistics services tailored to these demanding sectors.

### **Comprehensive Bulk Cargo Handling Expertise**

Star Shipping handles a wide range of solid bulk cargoes, including:

- Iron ore
- Coal
- Grain
- Alumina
- Fertilizers
- Scrap
- Sugar
- Sulfur
- Cement
- Agricultural products for human and animal consumption

### **Committed to Excellence**

With decades of experience, technical expertise, and a solutions-driven approach, *Star Shipping* remains your trusted partner for bulk, break bulk, and project cargo logistics—no matter the scale or complexity.
