New Lower
Advertising Rates

Next Page

Greetings:

Spring is here and temperatures are on the rise. Business has picked up too. Many new offers are being presented. And, it seems the public is in a buying mood right now. That is good news for mail order and home-based businesses.

It's a great time to advertise all the new programs and other offers you have joined, or created, since the beginning of the year. The time is right, the mood is right, and the new ad rates here are right!

Speaking of new rates, check out the next page for our rates which are some of the lowest in this business. You can actually get your full page flyers posted to thousands for less than one dollar each when you buy in bulk.

The lower rates have produced a lot more orders and a lot more work for me. At these low rates, I have to streamline my procedures. This brings a few new suggestions: 1.) I strongly prefer you send your flyers unfolded in a 9 x 12" envelope. If that is not possible, at least fold them only one time in the middle and use a 6 x 9" envelope. 2.) Please be sure to include the required postage stamps with orders as those are figured into the price. I reserve the right to adjust the time your ads run if stamps are not included.

Be sure to check out all the new offers this issue and order the ones that appeal to you. You can't make money if you don't offer a product. And you can't sell your product if you don't advertise. I assume that is why you are here. It is why I am here - to help you make money.

Until next issue, wishing you the best!

Mike

Stamps Are Part Of The Price Associated With These Services. Orders Omitting Stamps Will Be Adjusted Accordingly.

Please Note:

Flyers should be mailed flat whenever possible. Folded pages show crease lines when scanned. You have a lot of competition in this business. You always want your offers to look their best when published.

We are getting a lot of envelopes with postage due. At our lower rates, we cannot pay the additional postage on these. The post office may return them to you for additional postage. Currently, a 9 x 12" envelope with five flyers and an order page and payment will usually cost \$1.90 to mail. For additional flyers, check with your postmaster for correct amount of postage needed.

Clear, sharp color flyers will out pull black and white flyers most of the time. No, we don't require color flyers, but if you have them, use them.

As always, Thanks For Your Business!

THE AMAZING \$200 LOAN PROGRAM

EVERYDAY MY MAILBOX IS CRAMMED FULL OF \$200 CASH PAYMENTS...

JUST FOR MAILING OUT COPIES OF THIS SPECIAL LETTER...

AND NOW YOU CAN DO THE SAME!

YOU COULD RECEIVE \$80,000.00 CASH, OR MORE!!!

24 HOUR MESSAGE:

641-715-3900 EXTENSION: 284898#

SIMPLY FOLLOW OUR LEAD AND WITHIN 30 DAYS YOUR MAILBOX COULD BE FLOODED WITH THOUSANDS OF DOLLARS IN CASH LOANS! BECAUSE OF THE LOW START-UP COST, THE RESPONSE RATE WILL BE HIGH. YOUR PROFITS WILL EXPLODE!

HERE'S HOW THIS ALL WORKS: Just loan two people \$200 CASH each and pay a one-time \$100 CASH Monitoring Fee. That's all! *Never worry about finance charges or repaying the money!* Once you see how easy it is to get people to send you \$200 loans that you NEVER have to pay back, you'll become enthusiastic! Just sit back and watch the cash flood your mailbox!

Mail as many circulars as you can afford to mail. (We recommend starting out with 500 to 1,000) Mail them to others like yourself who are interested in generating cash from home. Those who send you their offers are excellent prospects, as they are already actively involved in mail order and, therefore very interested in receiving excellent money making offers such as this one.

The **AMAZING \$200 LOAN PROGRAM** is a NEW FAST MOVING 2-Tier program that meets the needs of any budget, large or small. Look what happens if everyone enrolls just 20 people on both tiers... $20 \times 20 = 400$ at \$200 each = **\$80,000 CASH MONEY!** YOU CAN DO THIS AGAIN & AGAIN! Why not? It beats working! Each time you receive an offer in the mail, respond with this letter. Think about that! Not interested? C'mon! Isn't the idea of receiving \$200 PAYMENTS DAY AFTER DAY, WEEK AFTER WEEK, worth a little experimentation, and a couple hours a week of your time?

CAN YOU SEE THE CONCEPT AND MAGNITUDE OF THIS? THIS IS AN EXCELLENT, EXCITING, AND VERY POWERFUL OPPORTUNITY!

Because there are only TWO names on the list, you can anticipate your loans coming **FAST as lightning** - **MUCH FASTER** than programs with four, five, and even six names on the list. So, when you're short of CASH, grab your **AMAZING \$200 LOAN PROGRAM** and start mailing as many copies as you can!

Sounds GREAT, But It Gets EVEN BETTER... EVERYONE JOINING RECEIVES THIS PRODUCT PACKAGE!

HOW? See Details Below.**

There are 2 people listed below, these are your 2 sponsors. These are the two you send \$50 to, one time. Once you are a member, your name and address will be added to the list in the 1st position. Your sponsor will move to the 2nd position. You will send out copies of this same letter to get your members. Each one you sign up earns you \$50. And get this, they will be using this same letter with their name in the 1st position and yours will be in the 2nd position on their flyer and as they get their members, you will receive another \$50. This could get "HUGE" because your name remains in the 2nd position on their flyer and as long as they mail, you keep receiving \$50, the same as your flyer, you are always in the 1st position. Of course, as others join you, you are moved to the 2nd position, but on your flyer, you are always in the 1st position.

What if you got 10 people and they each got 10 or more. You could be receiving into the thousands and possibly more! What if you got more than 10, as it is unlimited! Plus, you receive from being in the 2nd position on others flyers, this way no work on your part. Now they are working for YOU ... WOW!!

Upon joining, you will receive a new master copy of this page with typesetting complete, instructions on how to continue, a helpful hints guide and a mailing list of 90 names on peel & stick labels (our products) to help you get a quick start. 5,000 STAMPS A MONTH GUARANTEED!!!

The United States Government says there are many Mail Order operators that make \$40,000 a year. What they don't tell you is how much of that money went for postage. Stamps can eat up 50 percent of your profits. What if you could eliminate the cost of postage and keep all the money as your profit? Well now you can! The "FRANKLIN STAMP GENERATOR" makes this possible for you! You simply send your customer copies of what you receive in the Franklin Stamp Generator. That's all there is to it!

THE BEST IS YET TO COME . . .

THERE HAS NEVER BEEN ANYTHING LIKE THIS BEFORE because this is the easiest and most profitable stamp generator you will ever lay your eyes upon. Now, you have your very own side-line stamp business and work it along with whatever else you are doing with no additional investment in inventory, time or labor.

ALMOST EVERY 4TH CIRCULAR YOU MAIL WILL BRING BACK 50 FIRST CLASS STAMPS. OTHER MAILINGS GET ONLY 2% TO 3% SALES RESPONSE. WE GET BETTER THAN 25% RETURNS.

That is correct. This is the most powerful mailer there is. There has never been anything like this because of its incredible success. A test of your own will show that you will receive at least 25 customers for every 100 circulars that you send out! *Amazing but true.* Now you can *generate an abundance of stamps* day in and day out - all year long.

THE AMAZING "FRANKLIN STAMP GENERATOR"

The cost of the "FRANKLIN STAMP GENERATOR" is only 50 First Class Stamps, but it is worth much, much more than that because of its tremendous success. Don't let the small cost fool you. This is an opportunity that you just can't afford to miss. Don't let it pass you by. You won't receive this offer again. This is what you have been waiting for - that is if you wish to **NEVER BUY ANOTHER STAMP AGAIN!**

GET THE STAMPS YOU NEED WITH THIS TAG-ALONG HOME BUSINESS BUILDER.

TRY THIS TEST. Send out 100 circulars a week for a month, that's 400 brochures. You should receive about 100 responses in a steady, never-ending stream. This should bring you 5,000 stamps a month if you only send out 100 flyers a week! The success of the "FRANKLIN STAMP GENERATOR" will knock your socks off when you are receiving a cornucopia of stamps every day! **5,000 a month "GUARANTEED"!!!**

Can You Afford To Mail That?

By Mike Baker

I receive dozens and dozens of offers in the mail each week. Most of these are promoting the “latest” programs. Some are low cost copies of the master copy the participant received when they joined the program. The quality of these varies with each particular mailer, some are good, some can barely be read.

Then you have the slick, color copies on glossy paper that the program originator provides (for a price, of course). These are attention getters with their colorful graphics and text.

Do the slick color copies get more orders than the cheaper black and white copies? Some would claim so. But there are those who refute that and say they get results from their more economical copies.

Regardless, mailing out flyers for any program is an expensive endeavor. You have the cost of the joining the program which can vary by offer. Then you have the cost of the flyers themselves. This also varies according to the type and number of flyers included in each mailing. Next is the mailing list. A good one is expensive. You also have the cost of the envelopes. Finally, there is probably the biggest cost: the postage.

All these expenses can really add up. The cheapest you can figure on for a mailing is around \$1.00 per item mailed. This can go as high as \$5.00 per piece if using multi page top quality flyers and a high quality mailing list.

Years ago, there were claims of tests done on response rates. Some of these tests indicated that the typical response rate would be 2% of the total mailing. Other tests reported that the typical response rate is more like .5%. Tests were usually standardized by doing mailings of 1000 pieces. I don't know how accurate these tests were and if they still are valid in today's mail order environment.

With so many people mailing the same program offerings to the 8 or 10 most popular programs, I would suspect that the response rate is quite low for each participant.

The probabilities say you can't profit doing this, but there are people who do make money by mailing these offers. In most cases, it is the ones who can afford to budget a few thousand dollars to promote a program. Unfortunately, if you have a limited budget and can't mail thousands of pieces to promote your offer, you probably won't be very successful.

Those dealers should consider supplementing their smaller mailings by advertising their program flyers in mail order publications and websites. As the number of printed publications decreases, advertising on the "internet" is a good and affordable option.

You might also consider a "print and mail" service to do the mailings for you. There are fewer of these around these days. The costs of printing and mailing for these services has skyrocketed too. If you see print and mail offers being advertised at "dirt-cheap" prices, you might want to investigate these offers before you place a large order.

It really is a dilemma for dealers to know how to best promote their offers. There is no question that you must promote your offers in order to stand a chance of being successful.

The tough question is how to do this without going broke.

How Many 20's

Do You Want?

Maybe 5, 10, 20.....a hundred? How about a dozen or so every week? It's all possible.....if you really want it.

With this little program, you can work at your own pace, set your own goals, start small or go all in. It's up to you.

But I can assure you that everyone likes the idea of getting twenty dollar bills in their mail every day. And those people will eagerly pay the small amount required to achieve this accomplishment.

So, what's the catch? There is none. You simple pay a small fee of \$20 + 10 new, straight from the post office, first class stamps. In return, you receive all the following:

- A copy of this flyer with your name and address in the space below. This is your ticket to receiving all those 20's you want.
- Advertising coupons worth \$25 to help you promote this and other programs you might choose.
- A second program that brings you in \$5.00 bills like crazy.

Then what happens? You promote this program by mailing out copies of your flyer (like this one), or having someone print and mail copies for you. When people send you \$20 dollar bills and 10 stamps, **YOU KEEP ALL THE MONEY!** You send the customer information and the 10 stamps to the prime source who fills the order for your customers. You spend or bank all those 20's coming to you and life gets much better. But it all starts when you take the first step. Just send \$20 (cash only) plus 10 new first class "Forever" stamps and this ad to:

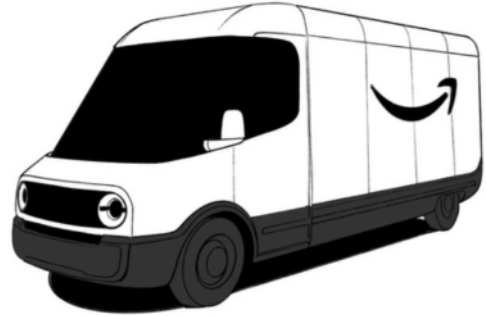

BAKER - PO Box 196 - Pittsburg KY 40755-0196

You will receive the above mentioned program and other items listed by first class mail. Note that this program is void where prohibited by law. No claim of earnings is made. Your success will depend upon your efforts to market your product. No refunds..

Buying Groceries on a Limited Budget

Tips and Tricks

When the pantry is full but the wallet is light, a little planning can turn grocery shopping from a stressful chore into a satisfying treasure-hunt. Below are friendly, bite-size strategies you can start using today, plus a handy table to keep your weekly list both nutritious and affordable.

1. Start with a “Mini-Menu”

Sketch a simple three-day menu (breakfast, lunch, dinner) before you step foot in the store.

Focus on overlapping ingredients – a bag of carrots can become a stir-fry, a soup, and a snack.

Plan for leftovers – cooking a larger batch of beans or rice means a second meal without extra cost.

A clear menu reduces impulse buys and lets you shop with purpose.

2. Shop the “Shelf-Stable Staples” First

These items have long shelf lives, are cheap per pound, and can be the backbone of many meals.

Staple	Approx. Cost (per lb)	Quick Uses
Dried beans / lentils	\$1.00 – \$1.50	Chili, salads, veggie burgers
Brown rice / quinoa	\$1.10 – \$2.00	Stir-fry base, side dish, breakfast porridge
Oats (plain)	\$0.80 – \$1.20	Overnight oats, baking, soup thickener
Canned tomatoes	\$0.70 – \$1.00	Sauces, soups, stews
Frozen mixed veggies	\$1.20 – \$1.80	Quick stir-fry, soups, side dish

Tip: Buy in bulk when you see a sale and freeze extra portions of rice or beans in portion-size bags.

3. Embrace the “Produce Perimeter”

Fresh produce is usually placed around the store’s edges. Stick to the perimeter, but be strategic:

Seasonal selections are cheaper and tastier.

Look for “ugly” produce—slightly blemished fruits and veggies are often discounted and just as nutritious.

Use the “5-minute rule”: If a veg item can be prepped in five minutes or less, you’re more likely to use it before it wilts.

4. The Power of “Unit Pricing”

Every product label shows the price per ounce, pound, or each. Compare brands using that number—sometimes a larger pack isn’t cheaper per unit. Keep a mental (or printed) note of your favorite low-cost items and check them each trip.

5. Batch Cooking & Freezing

Dedicate one evening to a “big batch” dish—think lentil soup, vegetable curry, or a casserole. Portion it into freezer-safe containers. When a busy night rolls around, you’ll have a ready-made, low-cost meal that tastes just as good as fresh.

6. Smart Substitutions

Swap meat for legumes a few times a week. A cup of cooked lentils gives roughly the same protein as 3 oz of chicken for a fraction of the price.

Use herbs and spices to add excitement. A little dried oregano or smoked paprika can transform a plain bean stew into a flavor-fest.

7. Create a “Budget Grocery List” Table

Write your list in a table format at home—this makes it easy to see what you already have and what you truly need.

Item	Qty Needed	Unit Price	Store/Brand	Total
Brown rice (1 lb)	2	\$1.30	Store Brand	\$2.60
Canned tomatoes (14 oz)	4	\$0.85	Generic	\$3.40
Carrots (1 lb)	1	\$0.90	Fresh	\$0.90
Dried lentils (1 lb)	1	\$1.20	Bulk Bin	\$1.20
Frozen peas (12 oz)	2	\$1.40	Store Brand	\$2.80
Subtotal				\$11.90

Cross-out anything you already have at home, and you’ll see instantly how much you’ll actually spend. Quick Recap:

- Plan a mini-menu – overlap ingredients.
- Buy shelf-stable staples – beans, rice, oats.
- Shop seasonal produce – stay on the perimeter.
- Check unit prices – the cheapest per pound wins.
- Batch-cook & freeze – ready meals = less waste.
- Swap meat for legumes – protein on a budget.
- List in a table – keep eyes on the total.

With these friendly tricks up your sleeve, shopping on a limited budget becomes less about sacrifice and more about clever choices. Happy (and thrifty) grocery hunting!

At this level you will send each member on your original list \$50 for a total of \$250. This will come out of your \$19,525 you received from level 1

You will then start receiving \$50 CASH from each member under you for 5 levels. When your name reaches the 4th position in level 2, the monitor will ask you to join level 3. At level 3, you will send each member on your original list \$500 CASH. WORK FROM HOME...

Get paid \$2,500 weekly stapling booklets at home!!!

Do you need a genuine opportunity to make up to \$2,500.00 and more weekly? Now you can work from home and get paid up to \$2,500 weekly for stapling simple booklets in your spare time from home. And you will get paid for every booklet you staple **GUARANTEED!**

Try out my system "**Get Paid Stapling Booklets From Home**" and you will learn my secrets and get paid for every booklets you staple from home. This is a "chance of a lifetime" is truly head and shoulders above the rest. What other opportunity offers you the chance to get paid **\$2,500 weekly?** And don't forget...once you put my system in acting you will start getting paid for every booklet you staple from home.

As an Independent Homeworker, you will be doing something so simple as stapling booklets from home, this is really something a 10-year-old child can do. And you can do this in your spare time from your kitchen table and get paid \$2,500 for doing easy work from your home.

Best of all (*hold on to your hat!*) You'll received your payments before you mail the booklets! You will not mail the booklets and THEN get paid. You'll get your money **upfront!** And since you'll be working from home, we suggest that you select a table to use for stapling the booklets. Your kitchen table will be perfect for this kind of work when you're not using it for dinner, this is really easy money.

Each booklet to be stapled consists of 5 to 15 pages. From our experience you can probably staple an average of 50 booklets in two hours. That is **\$250.00 to \$750.00 for two-hour work.** However, although we'll ship you all the material in one shipment, you'll not be required to put together and staple all the booklets at one time. You'll just staple booklets as per requirements.

If you're required to staple 20 booklets today then you staple 20 booklets, if you are required to staple 50 booklets another day, then you staple 50 booklets and so on. Or you can staple as many booklets as you can and mail them as they're required, this is so simple to do.

Another reason that this system is great because it is **NOT** a job! This is an opportunity for you to be in charge! You will never have to answer to some loud nagging penny-pinching boss who treat you like he OWNS you. Instead, you will be able to "write your own ticket!" When people ask you if you like your boss, you'll be able to look them right in the eye and say. "**IM THE BOSS!**"

There just isn't any better feeling than being able to tell people that you're the captain of your own ship. But let me warn you-your neighbors and friends might just "get a little jealous" when they see how well you're doing.

The amount of money that you'll make with this system is **Incredible.** It

will give you a whole new life. Sadly, most people have to break their back on a regular basis just to get by.

Your days away from being able to say good-bye to the idea of "just getting by"! From now on, **it's going to be first class all the way!** You're going to be able to get the best no matter where you go! Isn't it about time you got treated like a king?

When you start stapling booklets from home, you're going to work a whole lot easier than you've ever worked before! That's right! **You'll be making WILD amounts of money by doing simple easy work!**

If you order my system "*Get paid stapling booklets from home*" you will receive complete simple instruction with everything you need to get started immediately getting paid \$2,500 weekly from home.

BECOME AN INSTANT E-BOOK PUBLISHER!

Sometime ago, I received a letter from a so-called "mail-order dealer" who was bad-mouthing me for sending him a circular similar to this one, offering to sell a disk containing thousands of e-books formatted for Kindle®, iPad®, iPod®, iPhone®, and computers. He told me he would never buy a disk containing almost 20,000 e-books because he knew he couldn't read (or wouldn't read) 1,000 in all the time he had left to live. I thought, "What's wrong with this guy's brain?" He missed the point altogether! He wouldn't buy the disk so he could try to read 20,000 books; he would buy the disk so he could sell it to other people who might want to read a few of the books and sell the disk (or sets of books) to others who might want to read a few and earn a boatload of money selling the disk to others!

Let me give you a clue: Bible salesmen do NOT read the Bible. They sell the Bible to people who want to own and read a nice Bible. Encyclopedia salesmen can't and would NOT read a complete set of encyclopedias. They sell them to people who want to get smart and have a nice set of books on their bookshelves to show for their money.

Selling e-books by mail order is the easiest and one of the most lucrative ideas to come along in the last decade or so. E-books outsold hard copy books by 40% in 2010, and they outsold hard copy books by almost 60% in 2011. The sales of e-books is growing so quickly and is so lucrative that some book houses are now printing hard copy books only on a per-order basis; that is, *one at a time!* VERY EXPENSIVE! It will soon become so expensive to buy a hard copy book that only rich people will be able to afford them.

HERE'S MY OFFER

I have 40,000 e-books formatted for just about every kind of e-book reader you can imagine and every kind of personal computer. Fiction, nonfiction, detective, mystery, romance, adventure, science fiction, sea-tales, children stories, business reports, UFOs, abductions, knock'em down and drag'em out action stories, westerns, classics and MORE!

All these on one DVD-DL data disk. You sell the disk for \$50 with this circular. Orders come directly to you. When you receive an order, just send your customer the disk and pocket the checks, cash, or money orders. What could be more easy? Remember, time is money, so get on the

e-book money train while it's still at the cash depot. Return this entire circular with your name or address label and start raking in boat loads of cold hard cash! Complete the information below and mail today!

I've enclosed \$50. Send me the 40,000 e-books on disk and a circular with my name as the Prime Source.

DROPSHIPPING

Run an
inventor
who

Run an online store without holding
inventory by partnering with suppliers
who ship directly to customers.

By Mike Baker

DROPSHIPPING is a popular and low-risk side hustle that allows you to run an e-commerce business without holding inventory. In this business model, you sell products online and have them shipped directly from the supplier to the customer. This eliminates the need for inventory management and reduces upfront costs, making it an attractive option for aspiring entrepreneurs. Dropshipping is ideal for those who are interested in e-commerce and want the flexibility to run a business from anywhere.

Getting Started

To start a dropshipping side hustle, you'll need the following:

- **Skills:** Basic understanding of e-commerce, digital marketing, and customer service. Familiarity with online store platforms and SEO is beneficial.
- **Equipment:** A computer with internet access, an online store platform (like Shopify, WooCommerce, or BigCommerce), and dropshipping software (like Oberlo or Spocket).
- **Picking a Niche:** Pick a profitable niche that you're passionate about and that has a lot of demand in the market.

- Initial Steps to Take:**
- 1. Select a Niche:** Research and choose a niche that has high demand and low competition. Take into account your interests, market trends, and audience.
 - 2. Find Suppliers:** Use dropshipping platforms like Oberlo, AliExpress, or Spocket to find reliable suppliers. Ensure they have good reviews and quality products.
 - 3. Set Up an Online Store:** Create an online store using platforms like Shopify or WooCommerce. Make your store user-friendly and reflect your brand in the process.

1. Building Your Store:

- **Domain and Hosting:** Choose a domain name that reflects your brand and purchase hosting if necessary. Many e-commerce platforms offer integrated hosting solutions.
- **Store Design:** Use templates and themes to design your store. Ensure it is visually appealing, easy to navigate, and mobile-friendly.

- **Product Listings:** Add products to your store with detailed descriptions, high-quality images, and competitive pricing. Highlight the benefits and features of each product.

2. Marketing Your Store:

- **SEO:** Optimize your store for search engines by using relevant keywords, creating high-quality content, and building backlinks. This helps increase organic traffic to your store.

- **Social Media Marketing:** Promote your products on social media platforms like Facebook, Instagram, and Pinterest. Use engaging visuals and compelling captions to attract followers and drive traffic to your store.

- **Paid Advertising:** Use paid advertising methods like Google Ads, Facebook Ads, and Instagram Ads to reach a larger audience. Target your ads based on demographics, interests, and behaviors to maximize ROI.

3. Managing Your Business:

- **Order Fulfillment:** Use dropshipping software to automate order fulfillment. When a customer places an order, the supplier handles shipping directly to the customer.

- **Customer Service:** Provide excellent customer service by responding promptly to inquiries, resolving issues professionally, and keeping customers informed about their orders.

- **Analytics and Optimization:** Use analytics tools to track your store's performance. Monitor key metrics like traffic, conversion rates, and sales. Use this data to make informed decisions and optimize your marketing strategies.

Potential Challenges and Solutions

- **Finding Reliable Suppliers:** Ensure you choose suppliers with good reviews and a track record of reliable shipping. Communicate clearly with suppliers and set expectations.

- **Competition:** Dropshipping can be competitive, especially in popular niches. Differentiate yourself by offering unique products, excellent customer service, and effective marketing.

- **Customer Satisfaction:** Manage customer expectations by providing accurate product descriptions and realistic shipping times. Handle returns and refunds professionally to maintain customer trust.

Marketing and Growing Your Side Hustle

- 1. Building a Brand:** Develop a strong brand identity that reflects your values and resonates with your target audience. Use consistent branding across your website, social media, and marketing materials.

- 2. Expanding Product Range:** As your business grows, consider expanding your product range to attract more customers and increase sales. Conduct market research to identify new product opportunities.

- 3. Customer Retention:** Use strategies like email marketing, personalized offers, and loyalty programs to keep customers. Recurring sales and long-term success can result from cultivating a loyal customer base. Success Stories and Examples

- **Case Study:** Mark, a graphic designer, started a dropshipping business selling custom-designed phone cases. By leveraging his design skills and effective social media marketing, he quickly built a loyal customer base. Within a year, Mark's dropshipping business became his primary source of income.

- **Inspiration:** Anna, a stay-at-home mom, launched a dropshipping store selling eco-friendly baby products. Her commitment to quality and sustainability resonated with her target audience. Anna enjoys the adaptability of working from home, and her store is now thriving. Dropshipping is a rewarding side hustle that offers low risk, flexibility, and the potential for substantial income. By choosing the right niche, building a professional online store, and effectively marketing your products, you can turn dropshipping into a profitable and sustainable business. Start with small steps, stay consistent, and watch your dropshipping business grow.

MY DAILY BREAD

A Life Changing Money Making System

Designed by a Professor of mathematics, this concept of making money defies conventional network marketing wisdom. In fact it takes the common method that was created to make a few people money and flips it upside down. After being tested and guaranteed not to fail, a Great Money System is here!!! This program is Copyrighted and strictly Monitored for your protection. We believe a good program has to be designed for the long term and not just a few months like most other programs out there. Everybody is tired of wasting money on programs that start fast and crash fast before you even make your money back. "My Daily Bread" is here for the long haul, making you money every day the mail runs.

"I have been in so many programs in the past, followed all instructions and still made no money. This program is already payingoff." - R.G., Richmond, VA

Save on Postage, Printing and Mailing Lists

"My Daily Bread" does not require a lot of postage, printing and buying of mailing lists in order to make money. You see, this money making system is designed to make you money even while you sleep. Your upline and downline are above you, so whenever they mail you make money and they make money. That is why "My Daily Bread" is cost effective. Your upline and downline will make money for you. They can't help it because you will be on every flyer they mail. There is no favoritism involved like some other programs. With "My Daily Bread" everybody makes money, whether they want to or not. Everybody benefits with our life changing money system.

Like we said earlier, do not lose this flyer. You will be looking for it very soon if you do not act on it today. This is a program that is guaranteed to make you money, period. Continue to read this letter very carefully and follow the instructions outlined to get started. If you have any questions, please do not hesitate to call any of the participants listed. A good program should have phone numbers of real people you can call. This gives the program credibility and great success. People will tell you the truth.

"You have restored my faith in the mail order industry. I gave up several years ago, after losing my savings to scams and rip-off programs. I am now able to make and save money again. I love going to the bank and making deposits." A.C., Delhi, CA

How this Amazing Program Works for You to MAKE EASY MONEY FAST!

When you sign up, your name goes to position #4. The person that signed you up goes to position #3. This reverse process is what makes you a lot of money! Your upline and downline are always with you, so every time they are also mailing for you! You are never alone!!! This saves you a ton in Postage, Printing and Lists expenses. That is why "My Daily Bread" is a very efficient program! Everybody makes money!!! You follow your downline and upline and recycle with them. When you recycle you will receive a new flyer with your name again in position #4. Imagine being on thousands of flyers every day! Remember, position #4 pays you \$400! This gives you a big payout every time somebody signs up in your group. Imagine making up to \$10,000 a week!

This program has been registered and copyrighted for your benefit. You do not have to worry about this program not being here for you. The monitor also a mailer, makes sure that all payments are received before accepting new members. No Cheating! When all Payments are received, your start-up package that includes a copy of this flyer with your name in position #4, complete instructions and a FREE Stamp Program that gets you truckloads of free postage will be mailed within 24hrs!

"I haven't done a mailing in over 3 months and the mail man just rang the door and gave me a tub of mail. The money keeps coming in, thanks to my downline and upline. Your system rocks." R.H., MI

"I have made over \$6000 a month with this program. I believe it's time to increase the money received!"

Our health and well being is of utmost importance to us. However, we don't always practice the healthiest of lifestyles. No matter how hard we try, it seems that we can't maintain good health.

Some believe, and swear by, the use of nutritional supplements that can make our journey toward better health a lot easier and more attainable.

We have researched the many supplements available, and the conditions they are used to treat, to obtain a better outcome in our quest for better health. The common consensus among users of these supplements point to quantifiable results.

We have compiled a list of reports on how supplements are being used by others for various health issues. By reading these reports, you can decide if they are right for you. Of course, you always want to consult with a health professional before using anything to treat health issues.

You may order reports individually, at the price shown, or order all and receive a discount as shown. Please note that payment is only in the form of cash. Please include an extra dollar to help with postage for any size order.

WANT TO BE WEALTHY?

Stop Swapping Your Time for Money

Want to be Wealthy? Stop Swapping Your Time for Money

Many of us were taught to do well in school, get a great job, work hard, and you'll eventually make a lot of money. ***This may be true, but there is a great limitation to working for someone else.*** Time. There are only so many hours in a week. No one can buy or create more.

Even doctors suffer from this limitation. The average physician makes a large salary, but there aren't many that make a million dollars a year. Even a physician is swapping his time for money. He only gets paid while he's seeing patients. He can't see more than one at a time and he can't see them while he's asleep. The clock ultimately limits his income.

This is also true for consultants, dentists, lawyers, and CEOs.

If you want the opportunity to make a tremendous amount of money, it's important to find ways to earn without your presence being necessary. Free yourself from the clock and your ability to earn is unlimited.

There are better ways:

1. Get paid more than once for the same work. Think about artists, authors, and musicians. In their respective businesses, they're able to get paid repeatedly for the same work.

- An author can write a book and then sell a million copies over the next 10 years. During that time, she may have written 20 more books. ***What could be better than getting paid multiple times for the same work?***
- What are some other businesses that can utilize this same strategy?

2. **Do something that allows you to receive recurring payments.** Leasing office space or other real estate to others keeps money coming in while you do other things. Building a website and leasing it is a similar strategy.

3. **Be an investor.** The great thing about stocks, bonds, mutual funds, and similar investments is the ability to make money with little work on your part. You're essentially making money while you sleep. You could also loan money to others.

4. **Outsource / arbitrage.** Many people set up businesses and then outsource all the work. This is especially true online. For example, there are people that sell website building services. These same people then hire someone else at a reduced rate to do all the work.
 - Ghostwriters write many of the e-books sold on sites like Amazon.com. The listed author paid someone else to write the book. If you can successfully buy something for \$X and sell it for \$X+Y, you can potentially make money with little work.

 - Can you think of ways to make money from the work of others?

5. **Create passive income.** A website that sells an affiliate product can make money while you sleep and is a form of passive income. It's not difficult to build a website that makes a mere \$5/day, but keep in mind that's over \$1,800/yr.
 - Make a list of other ways you can make money passively.

Time is limitation for all of us. So far, no one has lived forever. But time doesn't have to limit your income. Doctors, lawyers, and CEOs are paid well, but ***you have even great financial potential if you can break free from swapping your time for money.***

Uncertainty stops many people. If you write a book or create a website, you're not guaranteed to make any money at all. If you go to your job, you can expect to get paid on a regular basis.

Courage and persistence are required.

Get started today and build an income stream that isn't dependent on your time or presence. You'll enjoy getting paid while you're not at work!
