

#### **WELCOME TO 108 CHELTENHAM AVENUE**

Beyond the stately façade of 108 Cheltenham Avenue lies one of Lawrence Park's most beautifully constructed and thoughtfully designed family homes. Custom built by renowned master builders Den Bosch & Finchley, this elegant residence is a testament to craftsmanship and enduring quality. Every aspect—from its refined architecture to its seamless functionality—has been curated with precision and purpose.

The grand foyer, defined by tall graceful ceilings and heated limestone floors, sets a welcoming tone and provides the perfect stage for elegant entertaining and elevated family living. Over the years, it has played host to countless family gatherings and celebrations, embodying a quiet luxury that only a home of this calibre can offer. Throughout, large, light-filled principal rooms showcase timeless finishes and sophisticated millwork, while the floor plan supports both grand entertaining and the rhythms of modern family life.

# HOME FEATURES BY LEVEL MAIN FLOOR

Designed with balance and flow in mind, the main floor offers a rare blend of grandeur and ease. The living room, centred around a classic fireplace, is bathed in natural light and opens to a Juliette balcony overlooking the mature streetscape. An arched entryway leads to a raised office, elegantly appointed with custom built-ins and beautiful large windows. A formal dining room with perfect proportions offers the ideal setting for both intimate dinners and celebratory family gatherings. The custom Bellini-designed kitchen is as functional as it is beautiful, featuring top- tier appliances, a generous centre island, and extensive storage. Adjacent, the breakfast area with double French doors opens to the upper stone terrace. A butler's pantry with built-in sideboard ensures effortless entertaining. The family room overlooks the landscaped garden and offers warmth and comfort with another convertible fireplace. Two discreet powder rooms and a roughed-in elevator complete this level.

#### SECOND FLOOR

Upstairs, the spacious landing leads to an exquisite primary suite, featuring his-and-hers walk-in closets and a spa-inspired five-piece ensuite. Each of the three additional bedrooms includes its own ensuite bath with heated floors. Walk-in closets, custom shelving and built-in desks create a perfect layout for a growing family. A well-appointed laundry room with abundant built-in storage and hanging space provides convenience without compromise.

#### LOWER LEVEL

Above grade and filled with natural light, the lower level offers exceptional versatility. A welcoming media/entertainment room features a fireplace, custom built-ins, wet bar with sink and fridge, and gardenfacing windows. The adjoining games room opens to the lower flagstone terrace through double French doors. A fifth bedroom, currently used as a home gym, is supported by a nearby full bath. The large mudroom —with floor-to-ceiling shelving/storage—leads directly to the three-car garage. Additional storage rooms and a cedar-lined closet ensure every detail of family life has been considered. Radiant heating provides comfort throughout this level.

#### **OUTDOOR LIVING & NEIGHBOURHOOD**

Professionally landscaped front and back gardens offer tranquility and elegance year-round, complete with in-ground irrigation and landscape lighting. The upper and lower stone terraces provide seamless indoor-outdoor flow for entertaining. Located in one of Toronto's most coveted neighbourhoods, this home offers convenience to everything, including close proximity to some of the city's finest public and private schools - Toronto French School, Crescent School and Havergal College. Sunnybrook Hospital and some of the best public green spaces in the city are nearby. The downtown core is a short drive away and public transit makes getting around the city easy.

108 Cheltenham Ave is an exceptional residence for those seeking modern elegance, timeless design, and a home tailored for elevated family living.
