A baby's heartbeat is slower than an adults

Newborns stomachs are the size of a walnut

Babies start to make real smiles at 6 - 12 weeks

The biggest baby born was over 22lbs

Late Night Nappies

Late night changes must be done,
But here's a way to make it fun.

Take a nappy and write on the booty
Words of encouragement
to distract from the poopy!

Help spread a smile in the middle of
the night
Let them know it will all be alright!
