WORDS FROM THE MAIL CARRIERS

Its been a year already! Time flies when we're having fun, doesn't it? You have been a constant source of inspiration, knowledge, and laughter for so many of us; we know that that will continue for as many years as you are with us, and stretch even beyond that.

Together as a community, the Hakkitos have recounted and shared messages they wish to send to you! We hope you like reading through them, and can enjoy the hard work that the whole team put into making this project.

Happy one year, we can't wait to see what our next adventure with you will be!

¡Ya ha pasado un año! El tiempo vuela cuando nos divertimos, ¿no es así? Has sido una constante fuente de inspiración, conocimiento y risas para nosotros y sabemos que esto continuará siendo así durante tantos años como estés junto a nosotros, e incluso mucho más allá de esto.

Juntos como comunidad, los Hakkitos han contado y compartido mensajes que desean enviarte. Esperamos que te guste leerlos y que disfrutes el trabajo duro que todo el equipo puso en la realización de este proyecto.

Feliz aniversario ¡No podemos esperar a ver cuál será nuestra próxima aventura junto a ti!

Hakka, it's been one year since we all met you. It seems like such a short amount of time, but the ways in which my life has improved by meeting you are immeasurable. Every day for a year, I've had many things to look forward to because of you, and I've been able to be a part of the most wonderful online community of so many creatives who have in turn inspired me. None of it would have happened without you, and I just want to tell you honestly that I am so thankful for you. I hope we can spend many more years together, achieving all of your dreams and coming up with new ones just because we can!!

Thank you always, my muse & kamioishi ❤️

Angel

Congratulations on your first year in Holostars Tempus! I hope you've had as much fun with the other stars and your Hakkitos as we've had with you. You've filled this past year with passion, fantastic original songs, amazing covers, and stroberri's to spare! Here's to many more years of fun! 🌟 (insert classic Hakka ad for current merch here)

Hey Hakka! It has been a year since you joined Holostars. I can remember your debut as if it was like yesterday and your monetization stream, also the day you said you became a full time Holostar. I hope your life gets better and better after you join Holostars and it is always an honor to support you and your beautiful lovely family. It is so great to see you keep flying high and making your dreams come true. I am so grateful to meet you and hakkitos in my life. Stay wholesome and sweet (and cursed maybe).
Little by little. Let's grow together

HAPPY 1ST anniversary

Happy one year anniversary to our favorite, cutest and coolest exorcist! It feels so weird that it has already been a year!! The time has gone so fast. It is crazy how much you have accomplished. Today we celebrate everything you have accomplished and for bringing us together into your community. We will cherish all the moments and times we spent with you. From the zaney and crazy moments to the heartfelt and wholesome ones. We have laughed, cried and smiled so much together. I hope next year is full of even more amazing moments. You have accomplished so many of the goals you set when you debuted. From your original songs, to your copy ranch and most importantly you have successfully not died! We will continue to support you as you defeat even more goals! Thank you Hakka for everything you have done for your Hakkitos. We love you

Blackwings

Happy 1 year of Hakka! You've grown so much as a person this past year and it has been such an honor being able to see that. You're such a hardworking person, someone who never gives up and keeps going forward and that's so inspiring to us. Within this past year you've achieved so much and will only keep achieving more. I hope you always remember that you've helped so many people get back into art, or start learning how to sing; you have that big of an impact on people. Thank you for all you do for tempus, the hakkitos, and the tempuras. Keep shining the way you do, and never forget how much we love you!

Bear

HAPPY 1ST anniversary

Heya Birbo, it's been such a crazy year huh? One year really has flown by, it feels like just yesterday you debuted! I wonder what kind of adventures we'll have with you next? I wonder what sorts of new memories are in store for us? Thank you for being an inspiration that pushes so many of us forward. As a Hakkito, i'm gonna continue to work harder towards my goals, so you better keep up because i'm not stopping!! We don't ever plan on ever slowing down, so you better prepare yourself!! There's so much that we're gonna do this next year together and I can't wait! You better keep up, because we're not slowing down!! Love forever Birbo, let's have another great year of fun memories <3

Chrissy

Hakka our beloved! This past year with you has been an absolute treasure. I'm so proud to see you continue to grow as a streamer and so grateful for the wonderful community you've fostered. Your openness and easy nature are always so welcoming, you're so lovely and chill but never afraid to be frank and I really appreciate that about you. Your stellar singing fills me with LIFE and inspires me to keep working on my own vocals. I had absolutely no confidence in my singing before you and the rest of Tempus showed me it was something that could be learned! I've been working on my harsh vocals and after a lot of practice I recently sang Dead World WITH the screams during karaoke with Tempura friends! You're such an inspiration and I can't wait to see where your journey takes us all in the future.

Dandelion

HELLO!!!! You are the sweetest birbo ever!!!! You make me cry everyday in the best way possible BECAUSE YOU ARE SO SWEET AND WHOLESOME. The community you built is so kind and wholesome. It is so sweet and I love every hakkito and you especially!!! I will continue to support you for as long as I can. Even after, and if, I am unable to, you would still be remembered as someone who truly brightened my every day.
Happy 1 Year Anniversary, Hakka.

Darry

Hakka! Congratulations on your 1 year anniversary!!! You're a wonderful creator, working your absolute hardest to give content that you can be proud of. I appreciate how open and loud you are about your love for your family, your brothers in the Stars, and your passions! I'm not much of an artist, but you inspire me all the time- to sing more, to enjoy life and to love myself a little bit more unashamedly each day. Happy anniversary!!

Happy 1st anniversary Hakka! Your story has just begun and I'm excited to see what comes next. As you celebrate this milestone we celebrate to have you in Holostars and our lives! I wish this year to be as special as the first, let's go for many more anniversaries filled with laughs, music, and countless precious memories together.

LOVE YOU DEAR BIRBO!

Isabel

Hi Hakka No puedo creer que hayan pasado 12 meses desde que te conozco, no tienes idea de cómo me inspiraste y levantaste el ánimo estos meses. Era como, si tengo un día difícil, sé que puedo ver a Hakka en la noche, tener un rato bonito con los Hakkitos y reirme por unas horas, me ayudaste a salir adelante en un momento estresante para mí y fuíste un lugar seguro al que volver. Gracias por ser tan amable con nosotros, cada Hakkito siente tu cariño hacia nosotros y esperamos que el universo te devuelva todo tu trabajo duro y esfuerzo en la forma de las diversas metas que persigues.

Jazmin

Happy 1st year anniversary Hakka! I'm so proud of you and the many amazing things you've accomplished and brought to not just Guild Tempus but to Holostars as well. I know you'll only keep becoming bigger and bigger a star as you go and it makes me happy to keep supporting you. This might be one of the best days of your life so far, but there are so many more to come. You've shown us the way to work, the way to be and the way to shine. No matter what life brings, remember that we'll always have your back. Congratulations!

Jellybeans

HAPPY 1ST anniversary

Happy 1st Anniversary, Hakka! I haven't been here since the beginning, but I'm glad to have found you nonetheless. Thank you for working hard for your company, your senpais, your genmates, your kouhais, your community, and those who have yet to discover you. Here's to you, your accomplishments, and your future endeavors. As much as you say you wouldn't have been able to make it this far without us, we could say the same about you. We love you more than you can ever fathom!

Jan

Dear Hakka, Congratulations on your first year as a member of Holostars! Your streams and music this year have been a blessing. From metal pipes, and studying for exams, to questionable taste in anime men and women, your streams never fail to make me laugh. Before I do something important, I'd listen to your cover of "My Roar" to hype myself up. You've been such an inspiration to me this year and I can't thank you enough, but I'll try. Thank you for being our cutest and coolest exorcist, for being a great idol to look up to, and most importantly for being you. By chasing your dreams, you make me believe I can chase mine too. Fly High Hakka,

K-Dog

HAPPY FIRST ANNI HAKKA!! It's insane that it's already been an entire YEAR since your debut. AND EVEN NOW IM STILL NOT OVER RAVENS PARADIGM 🥺 thank you so much Hakka for the amazing year we've spent with you, and thank you so much for all your hard work you put into all your content!! I suppose we have beef based off our interactions so far.. but that's okay!! I can't wait for what more will happen in the future,, THANKYOU AGAIN!!

Kat

HAPPY 1ST anniversary

Hakka! Happy Anniversary! Here's to one year of Holostars and to many more!! You inspire so many people everyday to chase their dreams and try their best. Your passion and your music always brings a smile to people's faces. Seeing you at TAGCC is one of my most cherished memories, and can't wait to see you visit more cons, more streams, more music and spreading more smiles. 2024 is gonna be for you and the Hakkitos!

Kinji

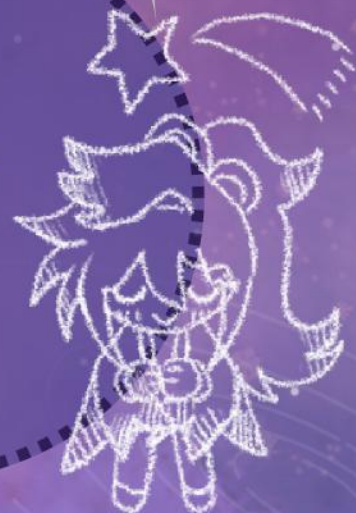

MUCHAS FELICIDADES HAKKA I wanted to take this opportunity to congratulate you on your 1st anniversary as a HOLOSTAR! I still remember your debut stream and absolutely losing it when you said "AHUEVO CABRONES" It made me so happy that someone from Xenokuni was part of something so special, and from that moment on you have inspired me in so many ways; specially helping me be passionate about game development again. I hope this is the first of many celebrations to come, I'll be there to cheer you on every step of the way. Gracias por existir y ser mi kamioshi ♡

Kyrie

Happy 1st anniversary, Hakka! As a Hakkito since your debut, I've been enjoying your variety of content (whether it be your original songs, covers, or livestreams). Your singing, chatting, and gaming skills have become my inspiration for personal and creative improvement. Thank you for sharing your amazing talents, as well as fun and laughter with us! Wishing you a bright and prosperous future! YEAH! WOOWO! YEAH!

Coreleice

HAPPY 1ST anniversary

Happy Anniversary Hakka!! Thank you for joining Holostars. You are one silly bird, but I love your energy and willingness to try new things and work hard. I'm very happy to support someone that actually pushes themselves to improve and be out there. It really makes me want to work more on my own singing and art. Siempre adelante a más y mejores cosas.

LuckyCarrot

HAPPY 1ST YEAR ANNIVERSARY HAKKA!!! Being with you since the start of this journey has been the best. I'm so lucky to have you as my kami oshi! I'm so happy to see you and our cafe grow every day. No matter what, we Hakkitos will be here supporting you so your dreams come true! Thank you for being such a big inspiration in my life. I started to live life more happily since I met you... De verdad te lo agradezco de corazón, gracias por ser parte de Holostars! I LOVE YOU BRO!

Lucy Lucyfer

How will I fit a year's worth of fun and entertainment in one message? Congratulations!!! To all your hard work and dedication to what you do, Hakka, you're an inspiration. I hope these words convey my meaning, but I think that would be impossible. How can you quality happiness from meeting other hakkitos in your chat? The kindness you carry? How do you quantify the bliss of hearing your karaoke, like when I first met you? How do you explain a year of blasting your music in my car, learning metal, and enjoying every stream you do (for better or worse (([o] - [o])?! I'm delighted I can see your journey and keep soaring to new heights!!! Love yah Dude!!

Manga

HAPPY 1ST anniversary

mr banzoin. first things first, HAPPY ONE YEAR! i'm so thrilled to have already spent an entire year with you. in these past 12 months we've cried, we've laughed, we've seen a part of your dreams come true and we have certainly exchanged good times with one another. i hope you know the impact you've had on every single person here, we are so proud of you and we hope you let us continue watching you grow. love forever <3

Marco

Happy 1st anniversary, Hakka! We're all so proud of you for all the hard work that you've put in to make your dreams come true, and are also endlessly grateful for the inspiration that you've given to us to continue to pursue our own dreams. Being a creator is a daunting task that can take a lot out of you - feeling like you're a nobody who just happens to be in the right place at the right time can sometimes push you close to giving up. Your hard work and kind words as well as the fan community you've cultivated has encouraged so many people to work hard and motivated them to pull themselves out of creative ruts. I've noticed it time and time again and it's only been a year; there's a long road ahead for all of us and I'm looking forward to experiencing it together!!

Mari

Would you look at that, it's a birbo! Hiya Hakka - congrats on your 1 year anniversary!! You have such an infectious joy and passion for life that I really admire. Being able to giggle at even the tiniest thing is a great mood booster - even if you have the silliest little guy voice known to man and use it to say incredibly cursed things. I gotta hand it to you for helping me appreciate a wider range of music, too! Here's to many more years of fun and laughter with you and your VG bros!

Melohina

HAPPY 1ST anniversary

Happy 1 Year Anniversary, Hakka!! While I do a lot of lurking, it has been a wonderful and entertaining year seeing all of the music projects and streams you create. Thank you for being part of HolostarsEN and TEMPUS. This Hakkito wishes you the best of luck and success in whatever future projects you have planned. May the future years be filled with positive experiences for you and with the TEMPUS boys!

Mamonstruo

Hi birbo!! First of all, HAPPY 1 YEAR ANNIVERSARY WOOOOOO!!! Can't believe it has been one full year since your debut T-T You've been such a huge inspiration for me since the first time I found your covers on YouTube and getting to meet you at your first con (which I still can't believe happened). Your laugh, cursed stories and fun streams have been keeping me company throughout my crazy uni life, thank you. I am so happy you exist and that we are able to get to know you. To more years with Banzoin Hakka!!! ILY teehee<3

Moon

Congrats on a year with us! You've done so much in just one year, it's crazy! The Hakkitos have been blessed with a very hardworking and loving oshi, we know you work hard every day. If you've already done so much in this time, I can't imagine what the future holds, I'm so excited about everything. Thank you for all the joy you have given us, every stream has been a lot of fun! I hope this is the beginning of many anniversaries, I plan to support you throughout this journey.

Nessa

HAPPY 1ST anniversary

One of the first things I told you upon your arrival to the guild was "Thank you for coming to Holostars!" one year later, I can say it again (and I'll say it as many times as necessary) thank you for choosing Holostars. It's been a year of adventures and my God how happy have I been! You truly became a light in my life and a hero, someone I can look up to, an idol! and even someone I feel incredibly proud of, I challenged myself to make things I never thought I'd do just because of how inspired I felt through you. Thank you, Hakka, for being you, for being the light in our lives, our sunshine, our motivation! Thank you for never giving up, working so hard, and loving TEMPUS (and holostars) so much! ¡Muchas gracias por todo, feliz aniversario, Hakka! Let us celebrate together many more!

Nanally

What's up Hakkaaaa! I can't believe it's been a whole year already. It feels like just last week I was gushing to my friends about "this new Holostar boy's debut stream, he's so funny, and he likes rock and metal music like me!" You've been a crazy big source of inspiration to me ever since that moment. I really took your earnest, unapologetic enjoyment of what you do to heart. At the time of writing this, I have my first full cover completely recorded, mixed, and waiting to be shared with the world. Sappy as it is, I don't think I'd ever have gotten the courage to do that without you. It makes me happy just to see you thriving and following your dreams, and I hope you get to continue doing that for a very long time. Here's to the next year, and the next, and the next!

Oli - Apollyonights

Eloo Hakka! 🙌('w')🙌 Can you believe it's been a year since you got slapped by...- I mean you debuted! This past year has been amazing with you and the rest of the Hakkitos! You brought so much joy into our lives, gave us courage to do better or try new things!! You are amazing and for real I can't believe it's been a year already! I remember when you spoke Spanish on debut and got hella excited for having someone from Xenokuni, and now you're a hugeee inspiration! Thanks for this lovely experience and hope we have more years together! I don't say it too much but I love you so much and you really have a "Specialz" place in my heart 🥰 never stop being based pookie!

Reika

HAPPY 1ST anniversary

HAPPY 1 YEAR ANNIVERSARY TO THE CUTEST AND COOLEST EXORCIST AND TO MANY MORE. Hakka, you have made me very happy the past year of watching you although I didn't really say much. I'm not good with words, but you and tempus have lifted my spirits when I'm sad and made me laugh and I couldn't be more grateful to have spent this year with you. You have accomplished a lot within this year and I'm proud of you and hope you know your hakkitos are always with you.

Fara

Congrats on your one year birb! Crazy how time flies. I want to thank you for all the things you've done, all the happy memories, and just overall how hardworking you are! So happy to call you my kamioshi. You're incredibly amazing!

Fari

1 year, 300+ streams, and a whole 150k of us later, look at us now. So so so proud and grateful to be here with the Hakkitos. There's so much support and ambition and love of music/games/food in this community. In the end it was you taking that risk of joining Holostars that started this crazy journey. Looking forward to all of it. Keep pushing the boundaries of idol hood and keep killing cringe culture!

Sean Likely

HAPPY 1ST anniversary

HAKKA!!! Congratulations for your first year as a member of Guild Tempus. In less than a week you had captured the hearts of many, and now that the time passed the feelings must have grown on to become fond and funny memories spent on each stream. The way you are always on that music grind is really inspiring, the original songs and lots of GREAT covers along with your first apparition on a con panel and the mini concert! It made me super happy to see you achieve some of your dreams during this year, and I hope that next one you are able to fulfill more of those. I wish you luck with all future projects and hope to see you in more panels and also performing in the BEEEEEG stage one day. Hakka, keep walking on towards a bright future!

Feeby

Dear Hakka, Congratulations on one year as a member of Guild Tempus! It's unreal how much you have done in this short time. Let's work hard for the next year and the year after that! You and the Hakkitos have filled a gap in my life and I am eternally thankful. Keep on shining brightly like the ray of sunshine that you are.

Feejo

Happy 1 year birbversary, Hakka! CAW CAW! One year flew by so damn quick it feels like! I admire your sheer tenacity to your work and the dedication you give to all of us Hakkitos. I may be just a fan, but I am super super glad to support you in whatever way I can, Hakka. Thank you for brightening mine and (I'm sure others') days a lot more! You truly are our brightest Star! All of us Hakkitos are so glad you are in Holostars!

Happy One Year Anniversary Hakka!!! *metal pipe noises* This one year with you has been super fun!! HAPPY FIRST ANNIVERSARY HAKKA!!! Can't believe it's been one whole year of Banzoin Hakka!!! Your streams have become something that I always look forward to because I know that I'm 100% always going to have a good time :D Not only that, but within this one year you've released so many banger songs and opened the door to so many new music genres for me. It's been a heck of a ride and I wouldn't exchange a single moment that I've had with you and the Hakkitos with anything. Thank you so much for everything and I'm looking forward to all the other things we have coming this year as well!! LOVE YOU, BIRB KING!!! YEAH WOOO YEAH!!!

Silent Stormfall

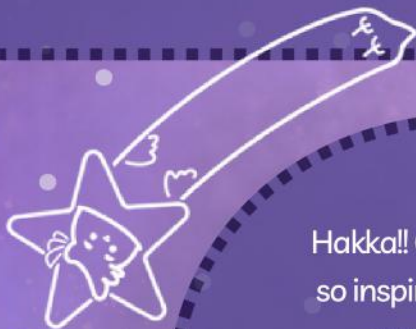

HAPPY 1ST anniversary

Hola pajarito! It's been a year since debut and I'm happy to have you as my oshi since the very moment I found out Holostars ES would be real hehe. Your large amounts of energy and love you give out to other livers and Hakkitos is something I will always appreciate as well as your INSANE singing. As much as you spoil us to the point where you're afraid of getting us sick and tired; after a whole year of being a Hakkitto I can proudly say: KEEP IT GOING BIRDMAN, I CAN TAKE IT >:3 *SLAPS MY ULTRA MACHO HAKKITO CHEST*. I look forward to what you and the boys have in store for us and once again: HAPPY 1 YEAR AND I LOOK FORWARD TO MANY MORE !!

Space

Hakka!! Congrats on your first full year as a Holostar and a member of guild Tempus!! It is so inspiring to have been a witness to your journey from debut until now. I will be forever grateful not just for you but also the warm community that is the Hakkafe. There are countless memories that have been created in this short time. I hope all our support reaches you on this special day. Thank you for everything that you do both on stream and behind the scenes. Keep on chasing your dreams and we will do the same!
I can't wait to see what the next year has in store for you!

Happy anniversary Hakka! Time flies so fast, one year has passed in a blink of an eye. I have been with you every day this year, growing up with you in various games, every song, and every zatsudan. Make me feel that every day is full of hope and light, and I get a lot of positive energy from you. I'm really happy everyday. Thank you very much, it's great to have you. Happy anniversary, love you Hakka

Tina

HAPPY 1ST anniversary

HAPPY ONE YEAR OF HAKKA!!! YEAH WOO YEAH! But in all seriousness, thank you for being so chaotic and funny but also someone who is so genuinely kindhearted and loving to everyone in the community. You have somehow managed to make me cry from both laughter and sentimental stuff in the span of one stream (more than once). Not only that, but you constantly inspire me with ideas to make art, and your constant state of cooking has motivated me to continue to work harder and improve as an artist in so many ways. I am so incredibly grateful to have found you and all the hakkitos, and I appreciate you and everything you do more than you know, Hakka. Keep doin what your doin; I can't wait to see where this journey takes us!

Tori Love

Happy Anniversary and congratulations to you and the Vanguard boys! I'm so happy to see you grow and work so hard on every content you create. I'm also proud to see the progress you've made so far, as you pursue more of your idol dreams and new dreams along the way. It warms my heart to see you shine bright like a holostar. It even makes it warmer to see you happy with what you love to do, inspiring me and fellow Hakkitos to work hard and be happy like you. Without you, I guess my life would grow darker... but I'm just happy that you're one of my coolest, cutest and sometimes crazy adorable oshi among the stars. Please keep on doing what you love most, but don't forget to get some rest, okay? Always be happy, so the happiness will always come!

Zanhl

Hello there Hakka, I hope that you're having a good day, I wanted to say that ¡Felicidades por su primer año en Holostars! Si bien no lo he seguido desde su debut, me enteré de usted a través de un clip que me salió recomendado y por el cover de Living ghost is alive, desde entonces empecé a seguirle y comentar de vez en cuando en el chat, no me arrepiento de que así fuese, usted junto con los Hakkitos son bien ocurrentes y me entretienen bastante. Le deseo mucho éxito en sus futuros proyectos y que sean muchos años más repletos de recuerdos. Posdata: Se le aprecia mucho muchacho >:D

Happy First Anniversary! Hakkarando my beloved! There's a lot of ways to celebrate with you and hoping for a new year full of amazing projects! Please still be you and keep dreams high to accomplish!! We will be there to cheer you up everytime and every day!! To end my little space here I'm gonna say a little poem: I wish for you to have amazing, endearing works, that if hakkitos lurks you always have a big smirk. Amazing adventures that the Guild Hall inverts, having with everyone nice desserts after the long traverse, the immerse of being in a diverse family that share great quirks. I wish for you more perks that reverse the adverse and sweet chirps in all of your concerts.

Congratulations, Hakka!! I've enjoyed your VODs for a while and you bring such earnest and excitable energy to everything you do, and it brings such joy to us viewers as well!! Thank you so so much, and I hope there are many, many years of enjoyment to come for you and the hakkitos!!
