OUR VALUES

SAFETY FIRST

PASSION FOR EXCELLENCE

LEARNING CULTURE

RESULTS ORIENTED

VISION

To continue being an efficient Main Contractor working in an ethical and balanced manner. To earn the privilege of being the Main Contractor of Choice.

MISSION

To ensure total satisfaction of our clients and to be dedicated to achieving and maintaining excellence in all aspects of our Projects.

INTEGRATED MANAGEMENT SYSTEM POLICY

ENVIRONMENT POLICY

DOHA GROUP TRADING AND CONTRACTING is committed to protect the environment and comply with all applicable legal and other requirements for its nature of business. The aim of this policy is to manage the operations in ways that are environmentally sustainable, economically feasible and to minimize the negative impacts on the environment. This will be achieved by:

- Creating awareness to protect the environment among the employees, Sub-contractors, vendor's customers and visitors by imparting training.
- Identifying the environmental impact of the project activities and adopt the reasonably feasible measures in practice to protect the environment.
- Carry out waste segregation and its disposal as per waste disposal plan.
- Monitor environment parameters from time to time.
- Complying with all applicable legal requirements for the disposal of waste material and employ specialized contractors for the purpose.
- Reviewing the environmental performance of the company's operation and facilities on a periodical basis.
- Promoting efficient use of materials and resources throughout the construction activities including water, electricity, fuel, raw materials and other resources.

This policy will be communicated to all employees, subcontractors, vendors, customers and all shall be committed to continual improvement during the course of time.

The management of DOHA GROUP TRADING AND CONTRACTING is committed to implement, maintain and continually improve an effective environment management system in line with ISO: 14001: 2015 international standards requirements
