Corporate Events

At Esbjerg Conference & Event, we create corporate events tailored to your organisation and your objectives. We have experience with everything from anniversary celebrations and Christmas parties to teambuilding, company parties, annual general meetings, and receptions.

We are happy to help you plan the full picture - venue, catering, programme flow, and practical coordination - so you can enjoy a day or evening with confidence and peace of mind.

For occasions of every size

Whether you are celebrating, bringing people together, or communicating key messages, we provide the right framework for your event. From anniversaries and Christmas parties to teambuilding, company parties, annual general meetings, and receptions - we adapt the format to your needs.

Company Party

A company party is the perfect opportunity to celebrate your team spirit, your achievements, and the people who make everyday work possible. At Esbjerg Conference & Event, we help you create an atmospheric celebration where everything comes together - from welcome drinks and dinner to music, bar service, and dancing.

At Blue Water Arena, we offer bright, flexible venues that can be tailored to both smaller and larger groups - whether you want an elegant gala with round tables or a more informal set-up with lounge areas, a bar zone, and a dance floor. We are happy to help shape an expression that reflects your organisation, and if you have a specific theme in mind, we can incorporate décor and ambience into the overall experience.

Catering is tailored to your wishes, with the option of a buffet or a served menu - along with late-night food as the evening progresses. AV and sound are available for speeches and presentations, and we are happy to assist with coordinating music/DJ or other entertainment. If guests require accommodation, A Place To Hotel is located approx. 400 metres away, and we can help coordinate overnight stays at preferential rates.

Annual General Meeting

An AGM should be professional, clear, and operationally well organised. At Esbjerg Conference & Event, you will have the right setting for a well-run meeting - whether you are a smaller group or several hundred participants.

Our modern facilities at Blue Water Arena can be adapted to your programme and room set-up, such as theatre style, classroom style, or round tables. AV and sound are available so presentations, speeches, and voting can be conducted without technical concerns, and if you require a separate area for registration, group work, or networking, we will be happy to arrange the right solution.

Catering can be tailored to your schedule - from breakfast and lunch to coffee breaks and dinner after the meeting. You will have a dedicated point of contact and an experienced team to support planning, set-up, delivery, and breakdown - so you can focus on the content. If participants are travelling from afar, A Place To Hotel is approx. 400 metres away, and we can assist with coordinating accommodation at preferential rates.

Anniversary Celebration

An anniversary deserves to be celebrated properly - whether you are marking a company milestone, honouring a dedicated employee, or bringing colleagues and business partners together for a festive evening. At Esbjerg Conference & Event, we create the setting for an anniversary celebration that feels both professional and personal.

Our venues at Blue Water Arena provide bright, flexible surroundings with easy access and excellent parking facilities. We can tailor the set-up to your wishes - whether you envision an elegant dinner, a festive buffet, or a more informal reception.

We are happy to support the full picture: catering, schedule, and event delivery, as well as AV for speeches, presentations, and programme elements. And if accommodation is required, A Place To Hotel is only a short walk away, allowing guests to enjoy the evening without worrying about the journey home.

Christmas Party

The Christmas party is the classic highlight of the year - and it should be easy to plan. At Esbjerg Conference & Event, you can choose the solution that best suits your organisation: either The Grand Christmas Party, where you attend alongside other companies, or a private Christmas party in your own room, where you have your own setting and delivery.

Whichever option you choose, we help create a great flow throughout the evening - from welcome and dinner to music, dancing, and late-night food, if desired.

The Grand Christmas Party

Join the most festive gathering of the year as we open the doors to The Grand Christmas Party at Blue Water Arena. On selected Fridays and Saturdays in November and December, we transform Carlsberg Lounge into a sparkling Christmas universe, with capacity for up to 750 guests per evening. The evening features classic Christmas dishes, a great atmosphere, and the option of an open bar with beer, wine, and soft drinks. As the night goes on, the music and dance floor come alive - before late-night food is served.

Teambuilding

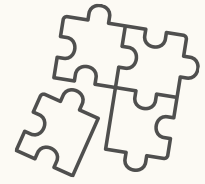

Teambuilding is an effective way to strengthen team spirit, collaboration, and communication - whether as a stand-alone corporate event or as part of a conference, Christmas party, or summer party. At Esbjerg Conference & Event, we help you choose the activity that suits your group and your objectives.

With our location by Blue Water Arena and Sport & Event Park, activities are close at hand: padel on both outdoor and indoor courts, curling with instructors in the curling hall, and Artificial Turf Fields for everything from a football tournament to dodgeball and other team-based activities.

If you are looking for a more "mission-style" experience, you can choose a mobile escape room that trains problem-solving and role allocation within the team, or an orienteering activity in Vognsbølparken, where collaboration and strategy are key.

We also offer teambuilding through our partnership with Pulsevent, who design and deliver activities focused on teamwork and communication. Options include challenge courses such as Orienteering, collaboration exercises such as The 10 Challenge and Grand Communication, and more tactical activities such as The Trading Game and Horse Racing.

Once the activity is complete, you can round off the day with catering at our venue - perhaps a relaxed dinner, a buffet, or something light - so the day becomes a complete experience.

Themed Party

A themed party is the perfect way to give your corporate celebration a distinctive character and an atmosphere people will remember. At Esbjerg Conference & Event, we help you create a party where theme, food, music, and décor come together as one - whether you have Casino Night, Oktoberfest, Halloween, or a summer party with colourful details in mind.

At Blue Water Arena, we offer flexible venues that can be tailored to both smaller and larger groups, with space for a dance floor, bar area, and themed décor. We are happy to support the idea development, planning, and delivery, so you receive a complete solution where everything runs smoothly - from the welcome to the last dance.

If you would like to add something extra, we can also assist with lighting/sound, entertainment, and programme elements during the evening. Free parking is available on-site, and if you have guests travelling from afar, A Place To Hotel is located approx. 400 metres away.

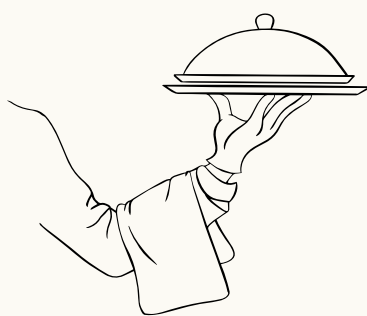

Off-site Catering

Is your event taking place at your own premises - at the workplace, in a marquee, in a warehouse, or somewhere else entirely? With off-site catering, you can achieve a professional solution without having to manage everything yourselves. At Esbjerg Conference & Event, we help create the framework through catering and planning, ensuring a solution that matches the occasion, the number of participants, and the level of service you require.

We can deliver anything from a simple service to a more complete experience with multiple courses, and we are happy to help you choose the right solution for your programme. If you also need support with practical execution and timing, we can advise you so the day runs smoothly from start to finish.

Tell us where the event will be held, how many you will be, and what type of catering you prefer - and we will prepare a proposal tailored to your organisation.
