Our mission is to create customized events with high service, professionalism, and quality. We aim to be the preferred destination for hosting events in Esbjerg. – We can make it happen!

OUR HISTORY

Esbjerg Konference & Event was established in 2009 with a vision to become the preferred destination for events by combining expertise with local charm.

You might know us as EfB Konference? Until June 30, 2021, we operated under the name EfB Konference, but we now operate as Esbjerg Konference & Event.

Same location, same facilities and service — just under a new name.

We have a long history of creating unforgettable experiences for both private and corporate clients, and we are now a central figure in the event and conference industry in Esbjerg. Over the years, we have organized countless events for both private and corporate clients, including weddings, birthdays, christenings, meetings, conferences, anniversaries, and many more!

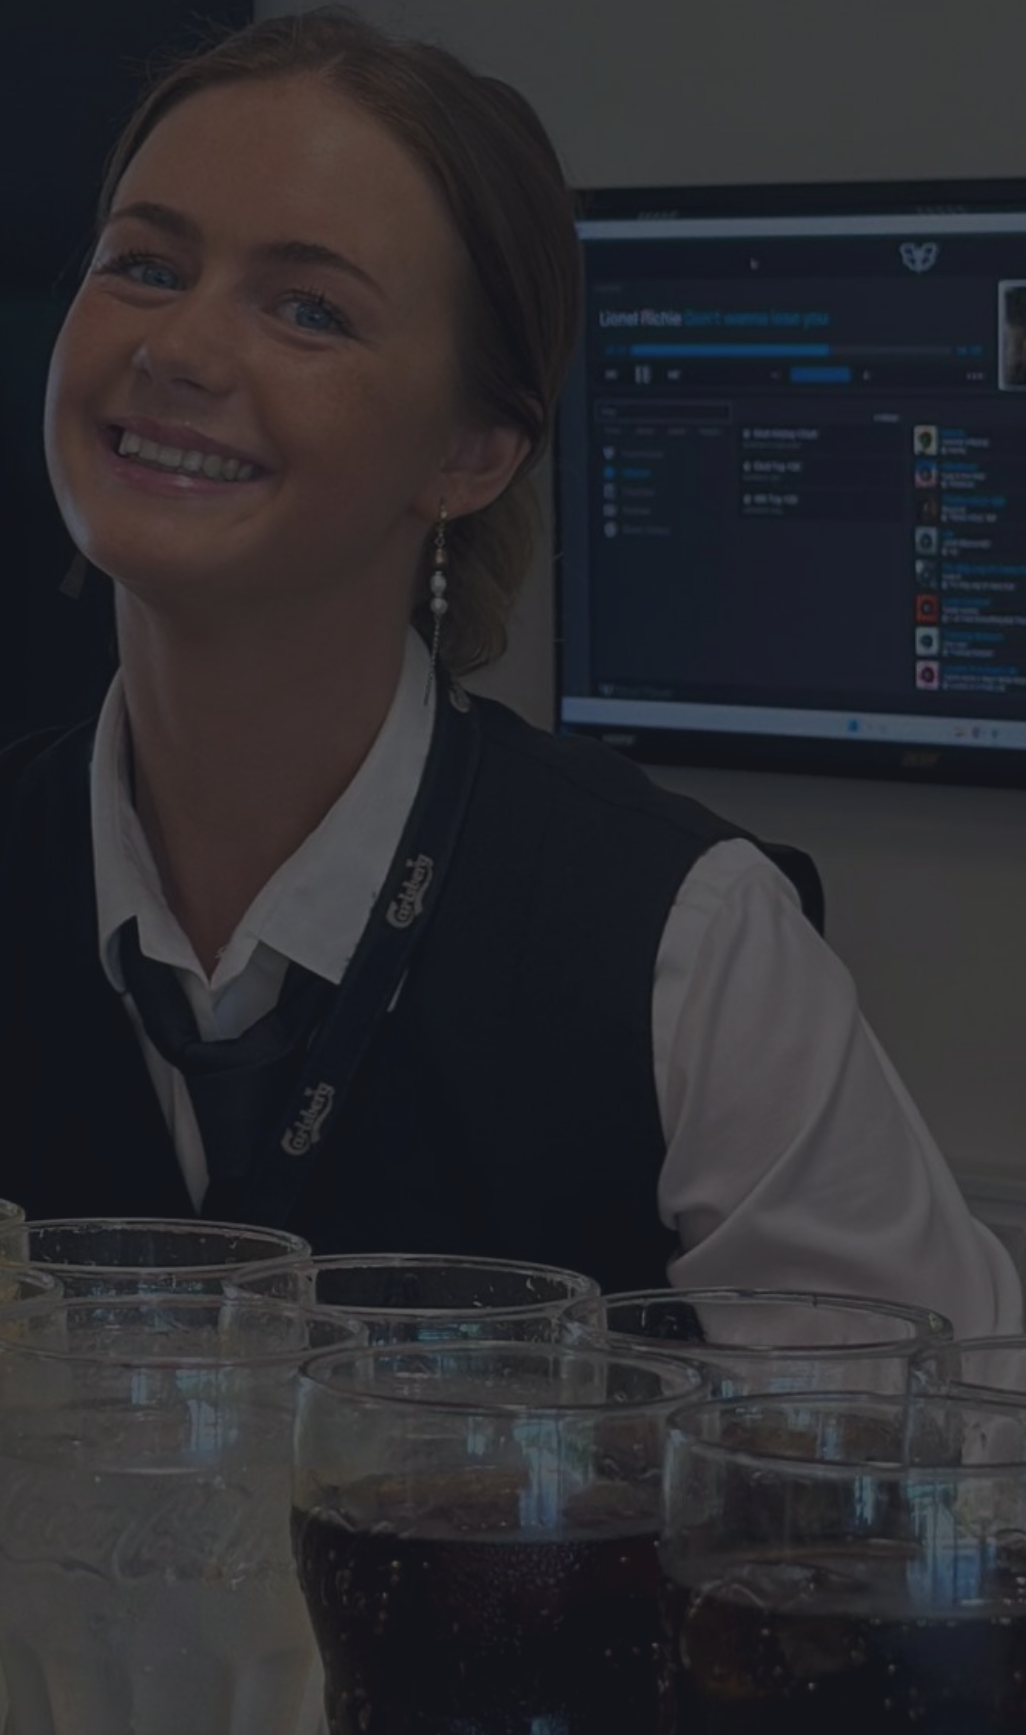

With our location at Blue Water Arena, we have always been closely associated with EfB, where we have hosted many VIP events. Additionally, we have had the pleasure of organizing VIP experiences for other major sports teams in the city, including Esbjerg Energy, Team Esbjerg, and Ribe-Esbjerg HH.

Our journey is characterized by dedication, service, innovation and local roots. We value thoroughness, flexibility, presence and we always strive to fulfill your dreams and create new experiences for you in a unique setting. We look forward to continuing to create unforgettable moments for our future guests!

We offer a diverse range of activities—from entertaining corporate parties and dynamic events like football and padel tournaments to creative experiences such as chocolate marshmallow workshops and memorable anniversary celebrations.
