OUR STORY

AGROSAF PHARMACEUTICALS

A Journey of Trust, Innovation & Nation-wide Healthcare Impact

Agrosaf Pharmaceuticals is a fast-growing name in the Indian healthcare industry, committed to improving lives through **high-quality, accessible, and reliable medicines**. As a proud part of the **BM Group of Companies**, Agrosaf stands for trust, innovation, and affordability - bringing together **healthcare, wellness, digital solutions, and nationwide supply strength under one roof**. We don't just make medicines - we create solutions that deliver convenience, care, and confidence to every customer, backed by continuous investment in research, technology, and infrastructure.

Milestones that defined us (1991-2014)

Milestones that defined us (2019-2026)

2019

The Birth of Agrosaf
Introduced Suhani Subah and Batooni Syrup, leading to the formation of Agrosaf Pharmaceuticals.

2020

COVID-19 Response
Maintained strong supply chain operations during COVID-19, ensuring uninterrupted availability of medical supplies and supporting communities.

Mid-2020

Sanitizer Launch
Launched Agrosaf Sanitizer across India, gaining nationwide reach through awareness campaigns on Aaj Tak, Zee News, and digital platforms.

2023

Major Expansion & Infrastructure Development
Opened Agrosaf's state of the art head office (15,000 sq. ft.) and warehouse (40,000 sq. ft.). Expanded product range to 1,500+ SKUs with over 14,000 active customers.

2022

New Therapeutic Categories & Corporate Growth
Expanded into new therapeutic categories, appointed Mr. Kushagra Agarwal as Managing Director, and established a corporate office in Noida.

2021

Portfolio & Workforce
Expanded product portfolio, scaled workforce, and reached over 5,000 customers, significantly strengthening our overall market presence.

2024

Going Digital
Launched Agrosaf mobile app and e-commerce website. Expanded presence across Amazon, 1mg, and other online platforms, accelerating digital transformation.

2025

Future Vision
Expanding globally with digital healthcare solutions, targeting 50,000+ customers and a portfolio of 5,000+ products.

2026

Vision Ahead
To build an innovation-driven health & nutrition brand for simple, accessible wellness.

2026

Leadership

Mr. Alok Agarwal

Chairman, BM Group of Companies

A visionary entrepreneur and the founding force behind BM Group, Mr. Alok Agarwal has built a diversified business ecosystem spanning healthcare, real estate, and investments. His leadership laid the foundation of Agrosaf Pharmaceuticals with a clear focus on accessibility, quality, and long - term growth.

At Agrosaf, the aim is simple - to make high-quality and affordable medicines accessible to every corner of India. With a strong presence across 28 states, 3,700+ pincodes, and millions of lives served, the company continues to expand its reach while building trust at every step.

Driven by integrity, transparency, and a customer - first approach, Agrosaf has grown into a trusted partner for thousands of healthcare providers. The journey reflects not just growth in numbers, but in relationships, reliability, and consistent value delivery. Looking ahead, the focus remains on strengthening digital systems, expanding globally, and building a future - ready healthcare ecosystem while continuing to deliver excellence with every order.

Mr. Kushagra Agarwal

Managing Director, BM Group of Companies

Representing the new generation of leadership, Mr. Kushagra Agarwal drives Agrosaf with a modern, growth - focused mindset. He plays a key role in expanding product portfolios, strengthening distribution, and integrating digital transformation across the business.

Under his leadership, Agrosaf has evolved into a digitally enabled pharma ecosystem. From seamless mobile app ordering to a robust B2B platform with real - time stock visibility and tracking, the company ensures speed, transparency, and convenience.

Technology is deeply integrated into every operation - from inventory automation and order management to data - driven forecasting and warehouse digitization. This enables faster decision - making, smoother operations, and an improved customer experience.

From a small beginning to a strong portfolio of 2,000+ products across multiple therapeutic categories, Agrosaf continues to scale with discipline, innovation, and a clear focus on customer trust.

Our Mission & Vision

Our Vision

To create a future where quality healthcare is not a privilege but a basic right, **accessible to every individual across India.**

We envision building a healthcare ecosystem driven by trust, affordability, and consistent innovation, where patients, doctors, and healthcare partners can rely on solutions that truly make a difference.

Through our commitment to excellence, we aim to set new benchmarks in the pharmaceutical industry and contribute to a healthier, stronger society.

Our Mission

To bridge the gap between affordability and high-quality healthcare by delivering **reliable, effective, and value-driven pharmaceutical solutions.** We strive to empower pharmacists, retailers, healthcare professionals, and medical partners with a diverse and dependable product portfolio that meets evolving patient needs.

Our mission is driven by:

- Maintaining the highest standards of quality and compliance
- Strengthening our distribution network to ensure seamless availability
- Continuously innovating to bring better and more accessible healthcare solutions
- Building long-term partnerships based on trust, transparency, and growth

OUR USP

Delivering Reliability, Growth & Trust Across India

Rare Medicines, Always Ready for You

From fast-moving to rare molecule medicines, Agrosaf ensures you always, get ready stock available, so your shelves never stay empty and your customers never return disappointed.

Pan-India Delivery, Fast & Free

No matter where you are – metro city or a remote district, Agrosaf delivers free & fast PAN India. Your order reaches you quick, safe, and on time – every time.

Digital Power in Your Hands

Agrosaf Mobile App + Order in seconds
B2B Website – Smart search, stock visibility, offers Live Tracking – Full transparency

A Brand That Celebrates Your Success

From seasonal offers to loyalty programs to ₹50 lakh+ worth of appreciation gifts Agrosaf believes in growing with you not just selling to you.

Honest Pricing, Real Value.

No false commitments
Just straight forward business that helps you scale with confidence.

Quality You Can Trust

Every product comes from WHO-GMP & ISO-certified manufacturers. When you order from Agrosaf, you're not just buying medicines; you're buying safety, reliability, and world-class standards.

A Partner That Understands Your Business

We don't just sell medicines.
We enable your growth, margin, and profit with the right products and the right support at the right time.

India's Widest & Smartest Pharma Catalogue

With 2,000+ products Ayurvedic, OTC cosmetics, wellness & rare categories, Agrosaf becomes your one-stop – pharma destination.

Your Own Relationship Manager

Every 500 customers get a dedicated RM for order support, guidance and priority assistance. Because here you are not a customer you are a partner.

OUR COMMITMENT TO YOUR GROWTH

**We don't just supply
medicines**

**We build a complete ecosystem for your
business.**

At Agrosaf, our approach is simple and powerful

Direct from molecule to market.

No middlemen. No compromise.

We are committed to empowering pharmacies, retailers, and healthcare partners with reliable, high-quality, and value driven pharmaceutical solutions that drive consistent business growth.

You grow. We support. You succeed. We celebrate.

THE AGROSAF ADVANTAGE

Direct & Transparent
No intermediaries. Better margins. Faster and more efficient delivery.

Proven Quality
WHO-GMP certified manufacturing with strict quality control and clinically reliable products.

Reliable Supply
Consistent stock availability ensuring your business never faces disruptions.

Growth-Focused Partnership
We support your expansion with the right product mix and continuous availability.

Exclusive Product Access
Rare and High-efficacy molecules that help you stand out in your market.

Scalable Business Model
Built to grow with you from individual pharmacies to large networks.

OUR ASSURANCE

Agrosaf is committed to simplifying procurement, improving margins, and ensuring product availability - so every partner can operate with confidence and scale without limitations.

Built for your margins. Designed for your growth.

OUR CATEGORIES

Expanding Healthcare Possibilities Across Segments

CARDIO VASCULAR DRUG

Our Cardiovascular range supports heart health, regulates blood pressure and improves overall circulation. The formulations are developed with trusted active agents to maintain cholesterol balance and cardiac rhythm stability. Designed for high efficacy and minimal risk, these medicines help prevent heart complications and improve endurance in long-term patients. Each batch is produced under advanced safety protocols to ensure purity, potency, and consistency.

ONCOLOGY DRUG

Our Oncology division offers advanced therapies designed to improve cancer treatment outcomes. The range includes cytotoxic agents, targeted therapies, and supportive medicines that help reduce treatment-related discomfort. Each product is manufactured under controlled, sterile conditions, ensuring proven bioavailability and therapeutic precision. Tailored to complement chemotherapy and radiation regimens, these formulations enhance tolerance, symptom control, and patient strength during recovery. Clinical validation and strict quality assurance make our oncology products a trusted part of comprehensive cancer care.

ANTI-DIABETIC DRUG

Our Anti-Diabetic range helps maintain blood glucose balance and improves insulin sensitivity. Formulated for long-term metabolic stability with minimal side effects, each composition is clinically tested for consistent absorption and reliable glycemic control. From oral hypoglycemics to combination therapies, the portfolio supports both Type 1 and Type 2 diabetes management.

ANTI-BIOTIC DRUG

Our antibiotic range provides fast , targeted action against bacterial infections. Each formulation ensures optimal bioavailability precise dosage, and effective resistance management. Covering a wide therapeutic spectrum, these antibiotics treat respiratory, urinary, skin and gastrointestinal infections efficiently. Produced under GMP-certified sterile conditions , they deliver safety, purity and clinical reliability. Healthcare professionals rely on this range for rapid response reduced recurrence and consistent outcomes

CORTICOSTEROID DRUG

Our Corticosteroid formulations are designed to reduce inflammation, allergic reactions, and autoimmune responses. With controlled release and reduced side effects, they ensure predictable, steady relief in dermatological, respiratory, and musculoskeletal conditions. Each product undergoes stringent potency and purity testing, and is available in oral, topical, and injectable forms — meeting the expectations of modern, effective therapy.

NEURO PSYCHIATRIC DRUG

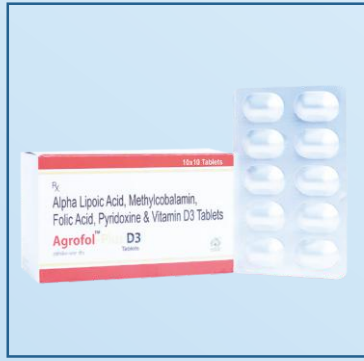

This range focuses on mental wellness, neurological stability, and cognitive function. Our formulations assist in managing depression, anxiety, epilepsy, and insomnia, ensuring consistent neurotransmitter regulation. Developed under strict medical supervision, these drugs offer minimal sedation and high compliance rates, helping physicians achieve long-term improvement in emotional and neurological well-being.

ALLERGY AND RESPIRATORY DRUG

Our allergy and respiratory segment delivers fast relief from asthma, allergic rhinitis, and COPD. These formulations open airways, reduce mucus buildup, and control allergic triggers. With modern inhalation technology and accurate dosage systems, each product provides targeted relief and improved breathing performance. Doctors trust this range for seasonal and chronic respiratory management.

ROTACAPS

Our rotacaps are engineered for precise inhalation therapy, ensuring accurate drug delivery to the lungs with minimal wastage. Designed for asthma and COPD patients, they provide consistent dosing, ease of use, and rapid absorption. Manufactured under dust-free, hygienic conditions, they guarantee safety, quality and effective respiratory care.

NASAL SPRAY

Our nasal sprays offer instant relief from congestion, sinus pressure, and allergic blockage. Formulated with balanced saline and therapeutic agents, they work quickly without causing dryness or irritation. Each spray ensures fine dispersion and controlled dosage, making it ideal for both acute and chronic nasal conditions to restore clear and comfortable breathing.

ANTI COAGULANT DRUG

Our Anti-Coagulant formulations help prevent blood clot formation and maintain cardiovascular health.

Developed for accurate dosage control and stable blood viscosity, each product minimizes bleeding risks while ensuring smooth circulation.

Manufactured under sterile, regulated environments, these medicines are trusted for post-surgical and chronic cardiac care, aligning with international safety and efficacy standards.

DRY INJECTION

Our dry powder injections offer high stability, longer shelf life, and rapid dissolution upon reconstitution. Used under medical supervision, they deliver effective intravenous concentration and quick therapeutic results. The range includes antibiotics, antifungals, and specialized critical care formulations developed for hospital-grade performance.

DERMATOLOGY RANGE

Our dermatology line treats acne, eczema, fungal infections, and allergic conditions effectively. Each product—whether cream, lotion, or tablet—is dermatologically tested for purity, absorption, and visible results. Designed to restore healthy, irritation-free skin, these formulations ensure both safety and satisfaction.
