

UNISUS SUMMER ENRICHMENT CAMPS

2024 Enrichment Programs

The UNISUS Summer Camp enables participants to curate a personalized experience by selecting from an array of modules to deep dive into specific areas of interest. Students engage in classes five times a week in addition to an array of outdoor recreational and cultural experiences, and can enroll in a two, three or four week stay.

Students have the options to choose models from within our English Language Learner and Future Global Leader Programs, which will be combined with programmed outdoor and social activities.

Future Global Leaders

The FGL Program is designed by our specialized instructors for students aspiring to elevate their capacity as an effective Global Citizen. It encompasses hands-on experiences within the relevant fields, as well as engaging field trips to local facilities pertinent to each theme.

Week 1: Eco-Innovation (Entrepreneurship) - Campers embark on a sustainability-focused entrepreneurship journey, exploring innovative ways to address global and local environmental challenges.

Week 2: GameMakers- This module gets campers to ignite their passion for video game design through an immersive and exhilarating experience.

Week 3: TechStart Entrepreneur - This module immerses campers in the world of entrepreneurship with a focused theme of technology and innovation.

Week 4: Technology- 3D Design- This module is an immersive week-long journey where cutting edge technology meets creative 3D design.

English Language Learners

Designed to develop and sharpen participant's english language skills in an innovative and engaging environment. Upon arrival students undergo written and oral assessments to determine their designated class. Students have the opportunity to thrive in both independent and group based projects during themed weeks conducted in a variety of settings.

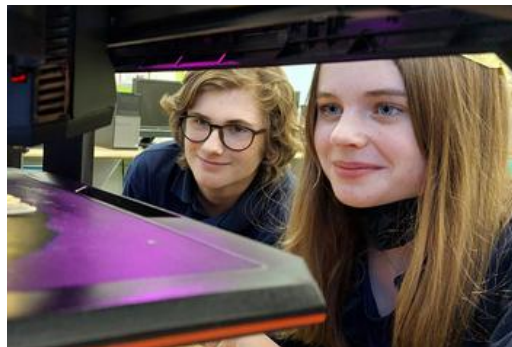

Week 1: Culture Explorer- Campers have the opportunity to immerse in the beauty of language of cultures with a highlight in Canadian Culture.

Week 2: Leadership Quest- The leadership module takes campers on a journey of language and leadership. The immersive experience combines language mastery with the art of leadership.

Week 3: Techlingo- Dive into the fascinating world of language and technology. This immersive experience seamlessly blends language acquisition with modern technology.

Week 4: EcoLanguage- Embark on a transformative language module with a journey incorporating the principles of sustainability.

Campers participate in a final graduation ceremony, presenting their final projects to showcase the knowledge and skills they have acquired throughout their journey at UNISUS, as well as receiving their Certificate of Completion.

UNISUS SUMMER ENRICHMENT CAMPS

The Summer Enrichment Program offers a well-rounded experience for students, going beyond traditional classroom settings. The program offers structured learning, specialized classes, recreational activities, and opportunities for participants to connect with peers from around the world. Students participate in independent activities, dynamic large-group games, and smaller counsellor group learning as well as venturing off campus to explore the many amenities that the Okanagan has to offer.

Programs can be customized to meet individual group preference.

Create Your Personalized Program

Choose modules from the FGL and ELL programs to create your customized 2-4 week stay:

1. Select how many weeks you would like to be at UNISUS' Camp
