A photograph of a man and a young girl working together in a garden. The girl, on the left, is wearing a blue denim dress with pink floral patterns and pink boots. She is holding a wooden stake vertically in the soil. The man, on the right, has a beard and is wearing a plaid shirt. He is leaning over, using his hands to adjust the soil around the base of the stake. The background is a bright, sunny outdoor setting with green grass and a blurred wooden structure. A red diagonal graphic element is in the top right corner, containing the text.
