Brentwood School Tennis Academy

School Holiday Coaching Camps

## We are running a number of Brentwood School Tennis Academy Holiday Camps throughout the holidays.

All ability levels are welcome and it's open to anyone, from any school, aged between five and fourteen years old. The Holiday Camps will provide players with an opportunity to enjoy developing their tennis skills under the guidance of our Academy Tennis Coaches led by LTA Level 5 coach, Mark Simpson-Crick.

Join us for an action packed week of tennis where you will develop all aspects of your game. Our camps focus on the fundamentals of the game, looking at core skills including warm-ups, stroke development, tactical competencies, mental approach, drills, patterns of play and competition/match play. All children will be grouped according to their age and level of play. Players are encouraged to bring their own racket and require suitable tennis kit for all weather conditions. Tennis rackets can be provided and tennis shoes or non-marking white trainers must be worn. Participants should also bring a packed lunch, a drinks bottle, a waterproof, sun screen and cap. All other tennis equipment will be provided.

The October Half Term Camp costs £45 per day or £120 for all 3 days. This covers all training and competition prizes.

Contact Mr Simpson-Crick via email [simpson-crickm@brentwood.essex.sch.uk](mailto:simpson-crickm@brentwood.essex.sch.uk) for more.

**Half Term**
