KEY CAMP FEATURES

KART RACING SKILLS DEVELOPMENT

Five days of on-track kart racing skills development sessions.

Classroom based skill development in racing technique, video performance analysis, understanding kart racing strategies, and introduction to kart engineering and maintenance.

State of the art facilities and karts from beginner to professional karts depending on skill level.

AN AUTHENTIC, CANADIAN OUTDOOR EXPERIENCE

Experience the wonders of the Canada at your door.

Our location offers activities such as hiking, kayaking, rock climbing, mountain biking, the best inland beaches, and river floats.

21st century skill development through group activities.

STATE OF THE ART KARTING FACILITIES

We partner with KARTPLEX, the State of the Art Kart Racing Centre located at the AREA 27 Motorsports Complex in Oliver, BC, Canada.

Designed by Legendary Canadian Racer, Jacques Villeneuve, this state-of-the-art 1.21 km circuit is designed to be rhythmic, fun, fast, and technical.

MODERN, WELCOMING, SAFE RESIDENCE

Stay in a modern boarding room with private bathrooms and chef-prepared farm to table meals.

Our campus is situated on 17 acres of fenced property and is secured with modern security systems and a state-of-the-art air cleaning and monitoring technology.
