LIFE IS BETTER CONNECTED!

WHY DO GROUPS MATTER?

Pathways Church exists to lead people into a growing relationship with Jesus. Groups at Pathways are safe, highly-relational environments designed to explore the Scriptures, ask questions, and be encouraged to follow Jesus on your journey.

We believe that people grow best when they are connected through relationships with others. Whether it's through deeper discussion of the weekend message, common interest, or serving together, groups at Pathways Church offer the opportunity to connect with others and grow closer to Jesus.

THE HEART OF SMALL GROUPS

This environment is all about finding community through a small group where you can experience grace, prayer, growth and service together. Whether in a serving role or a spiritual relationship, the circle brings fulfillment and belonging.

“

When we got home Wednesday night, our daughter wanted to read a story from the Bible before bed. She excitedly flipped to Proverbs 17:17 and recited the same verse we read out loud at Roots. I love this idea of the kids finding the correct book of the Bible, and how to look up verses in general- familiarizing themselves with the Bible. Yay!

ADVENTURE CAMP

A week-long morning camp which teaches 5 - 11 year olds to follow Jesus here, there, and everywhere. Kids go on a journey as they dig deep into the Bible and learn to find their own faith.

VOLUNTEER TESTIMONIAL

Great activities, crafts, procedures, team organization, snacks, worship, goodie bags, system of getting crafts to the bags, combo of indoor & outdoor. The treat on Friday and big inflatable! It was truly the best and most fun camp I've ever seen for kids. The generosity of what the church provided for each child was incredible to see. They all loved it, it was so good!

PARENT TESTIMONIAL

We loved everything involving Adventure Camp!!! Honestly, had a lot of positives for the entire week- lots of lives changed in that week, my daughter still talks about it and her prayers for dinner are amazing! She recently was talking about different Bible stories out of the blue that we heard at Adventure Camp. Activities were fun and kept kids engaged, they loved the snacks and crafts, timing was very good, thought they had enough time for everything.

PRAISE REPORTS!

I submitted a prayer request for restoration for my daughter and sons relationship. Praise to our God, they are talking again. Please continue to pray for me, my husband and our children that we would all get along. It has been a difficult season for us. I'm especially hurting as I am so tired of trying to keep peace among us. I feel so alone and unloved. I know God won't abandon me and am so grateful for that.

Thank you for praying.

Just wanted to thank you for the prayers! They worked! We were able to bring Gwynn home yesterday afternoon. God is good!

Huge praise and answer to prayers 🙌

Comparing January to today's MRI, we went from a very visible area in my spine to it being almost all gone! My doctor had to point out the sliver left for us to see. Amazing progress! I still will be undergoing treatments for at least a year and it will take time as I continue to build strength and coordination up for fun things like volleyball, but we are elated at this progress. Thank you all for continual prayers 🙏 One step at a time ❤️

Please join me in praising God!! He did a miraculous thing today in court. My ex-husband was still trying to fight for custody of our daughter and moments before the hearing, he had a change of heart and has given me sole custody and sole placement of this amazing child of God!!

Thank you, Lord Jesus, for the blessing today!!!

Praise Report! Last week I asked you to pray for Sharon who was in need of a car. I messaged her this morning and she has found one and replied, "God is good". I have been inviting her to church for over a year and I believe she is going this Sunday.

Thank you Lord and thank all who lifted her up!

Update on your prayers for Hannah's hands: God answered! She tried another treatment option (on her own) & has seen awesome results in a small amount of time. We are continuing prayers for continuing improvement. Thank you Prayer Team

Praise report on the prayer request for our neighbor Shirley.

She has greatly improved! Instead of likely not leaving the hospital and declining rapidly, her family is now seeking to place her in a nursing home. If she does well there for 3-4 months she may be able to come home 😊. This has to be due to prayer partners lifting her up. Thank you!

We have been praying for and trying to conceive another child for the last year. Well, this past Sunday I took an at home pregnancy test and it was positive! Praise the Lord!!
